

Where Are Those Letters? Not One Of 25 Has Heard

Even though the Trenton offices of the New Jersey State Highway Department assured the Springfield Sun that letters to property owners in the direct path of the new federal highway were being mailed, no one in Springfield could be found who had heard from Highway Commissioner Dwight R.G. Palmer.

The Springfield Sun selected 25 property owners at random from the list of land needed for the construction of the highway and telephoned them asking whether or not a letter had been received regarding the negotiations with the right of way division.

NOT A SINGLE HOME OWNER HAD RECEIVED ANY KIND OF A LETTER FROM THE STATE HIGHWAY DEPARTMENT.

The names telephoned by the SUN included 3 residents of Clairmont Place, 2 from Park Lane, 3 in Bryant Avenue, 2 of Baltusrol Way, 2 in Woodcrest Circle, 3 in Tulip Road, 5 of Morris Avenue, 2 in Tompkins Lane and 2 of Short Hills Avenue.

These telephone calls were made Monday of this week. Tuesday the Springfield Sun checked with Adrian Lincoln, Right of Way Division of the State Highway Department offices in Newark.

"I'm quite certain," Mr. Lincoln said, "that letters to the more than 90 property owners in Springfield have been prepared or are being prepared. And I am just as certain that some of these have already been mailed."

"However, this information is entirely in the hands of the public department in Trenton and I feel confident the newspaper can get all the facts there."

Baldwin Leads G.O.P., Weinberg Heads Dems

Politically, everything in Springfield is status quo. Both Republicans and Democrats organized and re-elected their chairmen Monday night with Walter Baldwin again leading the Springfield GOP county committee and Irwin Weinberg being voted in to head the Democratic municipal organization.

Ruth Hillard was elected vice chairman, Doris Logan is secretary and Joseph Visotski was treasurer for the Democrats. The Republicans selected Martha Sherman vice chairman, Henry C. Wright as secretary and Henry Guenther, Jr., will be the treasurer. The post of executive member of the Springfield GOP to the Union County Committee was again given to Mrs. Amy Bandomer, one of the leaders of the Republican organization in Springfield for a great many years.

Following are the results of the primary election for both the Republican and Democratic municipal county committees with the district numbers and number of votes received by each:

Dr. Gould New Head Of Rotary

Dr. Marvin Gould has been installed as the 1962-63 president of the Rotary Club of Springfield and presided at Tuesday's meeting held at the Baltusrol Golf Club.

Dr. Gould will be assisted in conducting the affairs of the Rotary Club with John Marti of the Talit Mfg. Co. as vice president, Mel Horn, of the Linoleum and Factory Outlet, as secretary, and Carl Becker of the Crestmont Savings and Loan, as treasurer.

Directors for 1962-63 are Arthur "Pete" Smith of the National Bank of Elizabeth, Jerry Goldstein of Saks and Harry Mehl.

First Aid Squad Starts Annual Drive For Funds

Springfield First Aid Squad has mailed out coin cards to Springfield residents in preparation for its annual fund drive. Cards will be picked up in a house-to-house canvass in September.

Otto Furst, first lieutenant of the squad is chairman of the drive.

Proceeds are used to maintain two ambulances, squad headquarters and supplies and equipment.

The squad, organized in 1949, answered approximately 550 calls last year. All its members are volunteers.

Cards and contributions can also be mailed to squad headquarters.

No Quorum;

A regular meeting of the Springfield Board of Health planned for April 18 was postponed because there was not a quorum.

The meeting was postponed until the next regular meeting night, the third Wednesday of the month, which will be May 16th.

Public hearings are scheduled on three ordinances introduced in March. They will concern dog curbing, salaries and offices, and plumbing fees.

3 Day Program For Dedication Of New Temple This Weekend

Temple Sharey Shalom will dedicate its new synagogue building on the corner of South Springfield Avenue and Shunpike Road in Springfield, New Jersey in a series of dedicatory events this weekend starting tomorrow, April 27 to 29.

The schedule of dedicatory events is as follows: Friday, April 27 at 6 p.m., members of the Temple Youth Group will kindle the newly designed eternal light. It will be the youth group's task to replace the eternal light candle each week so that the flame is never extinguished.

RABBI DAVID GREENBERG

At 8:30 p.m. - Sabbath evening dedicatory service. The guest preacher for the evening is Rabbi Dr. Jerome R. Malino, spiritual leader of the United Jewish Center in Danbury, Connecticut, and president for the past 8 years of the Danbury Board of Education, a city wide elective post.

Rabbi Dresner served as Rabbi Malino's assistant prior to assuming the leadership of Sharey Shalom, and was installed by Rabbi Malino in September, 1958, as the Rabbi of the Springfield Temple. An Oneg Shabbat will

follow the service. Saturday, April 28, at 10 a.m., Sabbath morning dedicatory service at which a new Torah scroll is to be dedicated. The service will commence with an outdoor procession on the congregation's land with the new Torah scroll carried under a hupa (a bridal canopy).

Senator Harrison A. Williams is to join the congregation at this service. Rev. Bruce Evans and Rev. Donald Weber of the Presbyterian church of Springfield will also be present. The Rev. Mr. Evans will deliver the benediction. For the past five years Temple Sharey Shalom has used the

Parish House of the Presbyterian Church as its temporary sanctuary and meeting place. Rabbi Dresner will preach on "The Way We Have Come". A kiddush will follow the service.

Saturday, April 28 from 2-4 p.m., there will be open house with guided-tours of the building.

Saturday, April 28 at 7:30 p.m., Dedicatory banquet. A havdala service, bidding farewell to the departing Sabbath, will begin the evening. The highlight of the banquet will be an address by Rabbi David Greenberg, spiritual leader of the congregation. (Continued on page 2)

Plan Ordinance To Regulate Operation Of Movie Theater

The application for the establishment of a movie house in the municipality has hastened Springfield Township Committee to instruct Township Attorney James Cawley to prepare a complete movie theater ordinance, which would govern fees, operation, and safety.

Township Committee took this action at its regular meeting Tuesday night in Municipal Building on the recommendation of Building Inspector Otto Fessler.

In taking initial steps for the Ordinance, Township Committee agreed that the lack of such an ordinance points up an omission which should be rectified "whether or not the present application becomes a factuality."

The movie application, made by Brown and Brown, Union County real estate operators, came before Springfield Board of Adjustment April 17, when that Board, after a public hearing, decided to refer the matter to the Planning Board.

Plans call for the establishment of the theater in stores at Echo Plaza and permission is sought to make changes in the structure of the building.

Baltusrol Seeks More Information On Springmount

Officials of Baltusrol Golf Club have taken no position on the question of establishing a retention basin on golf course property in connection with the Springmount development, according to John S. Russell, club secretary and chairman of the real estate committee.

Meetings on the subject were held last Saturday afternoon and Tuesday night, when it was decided "more information on the matter would be needed."

The real estate committee met at the club Saturday, and a meeting of the Board of Governors was held Tuesday, when consideration was given to the question.

Mr. Russell said that as soon as the facts are available club officials will be in a position to take action on the proposal.

It is understood the club's engineer, Richard Mixer, will investigate the situation further, and refer his findings to the real estate committee for study.

It is expected another real estate committee will be held on the subject in about a week. Arrangements are also expected to be made for a conference with representatives of the Township Committee on the matter.

Springfield Township Committee recently granted Isidor Sherman permission to divide 18.5 acres on the side of Baltusrol Mountain into building lots.

Fifty-four homes are to be constructed there, 35 in Springfield and 19 in Mountinside.

A stipulation for the proposal is a large retention basin to handle the storm water from the area. Consideration is now being given to have its construction on golf club property instead of Sherman property. This recommendation was made by Township Committeeman Arthur Falkin.

Lions Roar Friday For Blind Fund

The annual social and entertainment event of the year will take place tomorrow (Friday night), April 27, at the Regional high school auditorium where the Springfield Lions Club presents the sixteenth annual Broadway Variety show for the benefit of the Blind and Sight Conservation Fund.

Headed by nine acts of entertainment - from Broadway to Hollywood and TV - the local Lions club is presenting another of the annual shows which has proved so popular in the past.

For fifteen years this event has been presented to sell-out houses and every indication is that this will be another, according to Lem Stevens, Ticket Chairman, who advises that early attendance will ensure comfortable seats as NONE of the thousand seats may be reserved.

"Doors will be open one hour before the 8:15 showtime, come early and avoid the S.R.O. sigh," said Mrs. Stevens.

Assistant Named By Town Library

The Board of Trustees of the Springfield Public Library has filled the position of assistant director with the appointment of Mrs. Helen C. Francis, who began her new duties on April 16.

Mrs. Francis holds a B.A. degree from Douglass College in Library Science and a M.S. degree from the Graduate School of Library Service, Rutgers University.

She has had a background of administrative experience in college, special, and public libraries, as well as government service both in the U.S. and abroad.

Mrs. Francis is well acquainted with the libraries in New Jersey because she was a field representative for the Public and School Library Service Bureau which is part of the State Library located in Trenton. Since her marriage, she has made her home in Morristown.

Springfield is extremely fortunate to find an experienced and capable librarian living nearby and to be able to secure her services.

Former Resident Dies In Arizona

Word has been received here of the death of Raymond V. Coffey of Phoenix, Arizona, a former resident of Springfield. Mr. Coffey was a veteran of World War 2 and is survived by three sons, his mother, Mrs. John Coffey, and a sister, Miss Ellen Coffey, all of Phoenix.

Seek Bids For Servicing Of P.O. Vehicles

Postmaster A.V. Del Vecchio announced today that the Springfield Post Office is now accepting bids from local service stations and garages for the servicing and maintenance of government-owned vehicles in use at the Post Office, for fiscal year 1963, beginning July 1, 1962 and ending June 30, 1963.

Firms interested in bidding, may obtain the necessary forms by contacting the Post Office.

Also it should be noted that the Government reserves the right to make award to the lowest bidder having suitable facility, adequately equipped shop, and manned by trained, efficient personnel capable of performing any or all of the services that may be required under the contract.

The right is also reserved to make award on an item-by-item basis or in the aggregate.

Closing date for bids is Tuesday May 8, 1962 at 2:00 P.M.

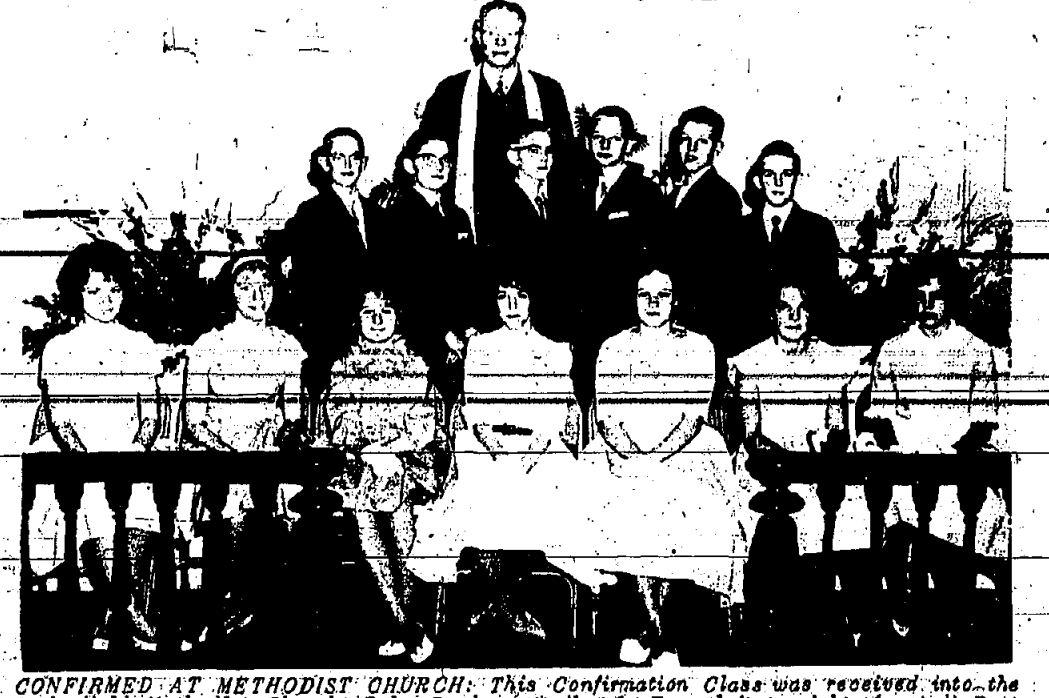

Women Plan UJA Affair

Mrs. Harry P. Lowy, Jr., chairman of the Springfield Women's Division of the United Jewish Appeal of Essex County, has extended an invitation to all of the women in Springfield to attend a dessert and coffee hour on Friday, May 11, in the new Temple Sharey Shalom building at the corner of South Springfield Avenue and Shunpike Road, at 12:30 p.m.

Reservation chairman, Mrs. Philip Ames, may be reached at MU-2-9386. Mrs. Lowy has stressed the point that "all of the women in town are most cordially invited to attend this function."

permit the erection of a single-family dwelling with a beauty parlor at 472 Morris Avenue, a limited business zone near Short Hills Avenue, was approved by Township Committee with the added stipulation that it be a "one-owner-occupied operation."

The applicant was Michael Senet of 12 Custer Avenue, Newark, who plans to reside at the address with his wife, a hairdresser.

A request from Herman J. Nadel of Woodside Road, seeking permission for a stop at Howard Johnson Restaurant in the operation of his suburban airport coach service to Newark Airport was granted.

A communication from the State Highway Department concerning an alignment for the relocated Main Street in connection with Linden Avenue was received. Township officials suggested that the streets coincide with the construction of Route 78.

The letter accepted this recommendation and Township Committee announced this was a key-stone in co-operation with local officials and expressed the hope that it was the first step in the beginning of many steps in which the state will co-operate.

Purchase of a utility car for the engineer's office from Bill's Auto Service, Summit, for \$2,400 was authorized. A contract for maintenance service for radio equipment in fire department apparatus was awarded to Dunellen Communications Service, Dunellen, for \$672.

Township Attorney James Cawley was authorized to institute a tax lien against Marvin and Israel Geller, who operated the Big Top and Garden of Eatin' in Route 22. It was reported the Gellers owe Springfield \$2,324 in business taxes.

Announcement was made by Mayor Philip Del Vecchio that John A. Whitehead of the Department of Appraisals and Right of Way, New Jersey State Highway Department, has informed him letters of intent for site acquisition in connection with Route 24 have already been sent to owners and similar letters in connection with Route 78 will be sent in a few days.

Bensley Bennett Jr. of Cranford, township traffic consultant, reported the modification of the General Greene driveway at Mountain Avenue is underway with stanchions and signs yet to be erected.

Arthur Kesselhaut, a member of the audience, asked for an explanation of the matter of township insurance. Mayor Del Vecchio advised him that the finance committee met April 11 with Township Committeeman Vincent J. Bonadies.

It was reported that a new policy on auto liability was received from Donnelly Brothers of Newark and it was given to Committeeman Bonadies for study and will later be referred to the newly-established insurance committee.

The payment of bills, the subject of considerable controversy and the last few Township Committee meetings, was unanimously authorized without comment.

Committeeman Vincent J. Bonadies did not attend the meeting.

Norma Levine Shows 'Em' Wants Harmony in Seventh

A refreshing, energetic and very articulate political campaigner stormed into the Springfield scene in last week's primary election.

Even though she lost in a more or less single-handed contest for county committeewoman in the seventh district, Mrs. Norma Levine emerged as a promising potential for the future of the Democratic party in Springfield. Mrs. Levine moved into Springfield from Cranford only six months ago, bringing with her "a devotion and dedication to the Democratic party dating back to when Adlai Stevenson was the presidential candidate, and continuing through the Kennedy and Hughes campaigns."

Mrs. Levine offered her services to the Springfield Democratic organization as soon as she settled in the Township and agreed to run for the Democratic organization for county committeewoman in the seventh. She was defeated by Mrs. Rayna H. Keane, 49 to 55.

The closeness of the result and the fact that Mrs. Levine had lived in Springfield only six months attracted the attention of political observers in this area and the Springfield Democratic leaders are already making plans to use her organization and vote getting talents in the future.

Mrs. Levine, in a statement issued to the Springfield Sun, offers to join with Mrs. Keane and others to promote and insure "more Democratic victories in the Township, for local, county, state and national offices." Her statement follows:

"In view of the results of the election for Democratic committeewoman in the seventh district, I wish to make the following statement:
"I am extremely proud that after having resided in Springfield six months, 49 out of 104 Sidney Greenwald, Mr. and Mrs. Jess Halprin, Herman Horowitz, Murray Hurwitz, Arthur Jacobs, Alvin Jay, Martin Kahn, Harold Kaufman, Mrs. Albert Kessler, Mr. and Mrs. Harry Lowy, Samuel Monesteryk, Leo Newman, Milton Peck, Mr. and Mrs. Edwin Reichman, Selwyn Schecter, Mrs. Albert Schenfeld, Mrs. Benjamin Seplovitz, Martin Sherman, Mr. and Mrs. Arthur Silverman, Mr. and Mrs. Robert Silverman, Jack Slater, Mrs. Alexander Steinreich, Donald Stevens, Nat Turen, Mr. and Mrs. David Weinick.

Collection Of Taxes Running Ahead of 1961

Collection of taxes in Springfield for 1962 continues to lead the receipts for the same period in 1961.

The report for the month of March, submitted by Township Collector of Taxes Fred L. Braun, shows a complete total of \$875,175.95 received for 1962 including March as compared with \$ 778,515.39 for the same period last year.

The money received for the month of March was \$12,266.40 against \$11,820.74 for the same month in 1961. Delinquent taxes collected in March amounted to \$10,915.84 as compared with \$9,543.97 last year.

The complete total collections for March, which includes delinquent taxes, auto bus receipts, interest and costs on taxes, amounted to \$24,657.51. Delinquent taxes collected in March included \$9.77 for 1956 and \$8.94 for 1955.

Sandmeir Pupils Stage Play Program

"Sh-h-h" Springfield Library Has "Quiet Room" For Reading

A quiet place to read or to do research has been desired for the Free Public Library of Springfield for some time.

Most of the reading space is around the main charging desk, and it is difficult to keep the front rooms quiet even when unnecessary chatter is discouraged.

About a year ago these conditions were noticed by members of the Board of Trustees, who began planning a quiet section. It was arranged to install an acoustical ceiling and to carpet the floor in the rear room on the main floor in order to deaden the sound. Then new doors were installed to cut off the sound at the charging desk. All of these improvements have helped to make it a truly "Quiet Room."

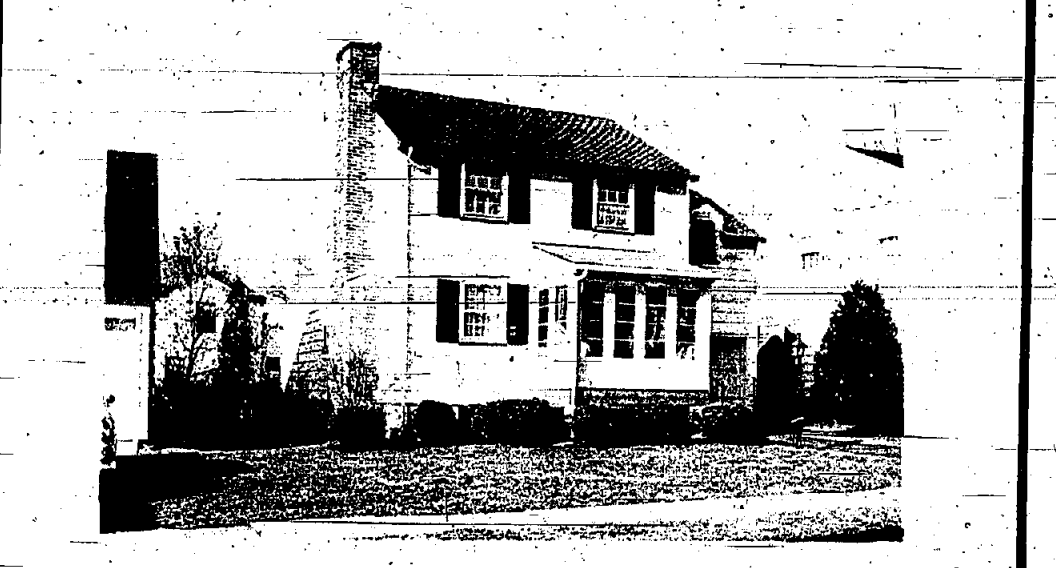

Finally, to reduce the traffic, the book collections were rearranged so that as far as possible the books shelved in the Quiet Room are those least used or those that attracted the more thoughtful readers. The books now in this room are: Bibliographies and Rhetorics (200-099), the Philosophies (100-299), and Religious Works (200-299).

In the space left, the only

work at home. And last, the Engineering Group (622-629) was omitted for two reasons—First, it attracts many young people hunting for books on automobiles and airplanes, and second, for the practical reason that there was no space in the Quiet Room. These books were placed in a small case by the front window. The Library staff hopes that, by making these changes, "Movement in the back room can be kept to a minimum. Young people working in groups will find space elsewhere and the Quiet Room reserved for serious individual workers. In this way the Springfield Library aims to fulfill a long-felt need."

"INDIVIDUAL ROOM CONTROL OF EVEN ELECTRIC HEAT is a big comfort feature of our Gold Medallion Home,"

say the Fred Wallenburgs

Before moving into their new home in Wayne, the Wallenburgs had suffered along with all kinds of heating. That's why they planned from the start for proper insulation of floors, ceilings and walls, Thermopane windows and electric house heating. They knew that then they could count on just the right temperature in each room, easily regulated by an individual thermostat.

"After two winters," Fred Wallenburg says, "it worked out just the way we hoped it would. Plenty of clean, healthful heat without being conscious of its source. No drafts to bring on colds. No loss of heat to the ceiling. And it costs us a lot less than most people think. We save by turning thermostats down when we're away or in rooms not in use, and we save on service and replacement parts, too."

It was just a step for the Wallenburgs from electric heating to a Gold Medallion Home. The whole family enjoys everything from the all-electric, custom-built kitchen to the valance lighting with dimmer control. Plan now to build or buy a Gold Medallion Home and make a full use of electricity for better living the way the Wallenburgs do.

The cleanliness of electric heat makes it possible for Mrs. Wallenburg to use light colors in drapes, upholstery and floor coverings. Cleaning time is cut to a minimum too.

"The all-electric kitchen is the heart of our home," says Mrs. Wallenburg. "We may have splurged a little here, but Fred and I agree it's well worth it in added convenience."

El Dorado SWIM CLUB
 (Formerly the Colby S.C.)
 Old Short Hills Rd., Livingston, N.J.

BILL CONWAY

JERRY BROOKS, Supervisor of Pool and Lifeguards. Ever popular Jerry will be back again in complete charge of the pool and supervisor of our trained staff of experienced lifeguards. Jerry's many years as a capable teacher, aids his direction of the children in the various pool activities. We are fortunate to have a man of Jerry's capabilities among our staff.

MISS LYNN, Teenage Directress. Miss Lynn, professional dancer and partner with Bill Conway in their dance studio, will direct all teenage affairs and activities. Miss Lynn has been busy the past 3 years devoting her time to teenage activities at many swim clubs. We look for a big season for the Teeners under Miss Lynn's capable direction.

BILL & JEANNE CASTERAL, Day Camp. We have the Best, the finest team to run a day camp ever put together. Bill and Jeanne with years of grade and high school teaching experience coupled with the knowledge of child psychology will insure a fabulous time for the campers this year. Bill and Jeanne have been in constant demand and have directed day camp activities at swim clubs and "Y's" all over New Jersey. They have set up a schedule of arts and crafts, sports and numerous activities to keep the campers happily occupied the entire season!

Final PTA Meeting Held

The final meeting of the James Caldwell School P.T.A., Springfield, was held on Monday evening, April 16, 1962 at 8:15 P.M. in the school auditorium, Mrs. John Schoch, President, presided. Rev. Lester P. Messerschmidt, of the Holy Cross Lutheran Church offered the invocation. Mrs. Ann Wagner, school secretary, was honored at this meeting for her many services to the P.T.A., outside of her regular school duties. Mrs. Douglas C. Mattice, Vice-President, presented Mrs. Wagner with a gift on behalf of the P.T.A. Mrs. George Kunc, past president of the P.T.A., installed the incoming officers for the year, 1962-1963: President, Mrs. John Schoch; Vice Presidents, Mrs. H.E. Forsyth and Mrs. Douglas C. Mattice; Secretary, Miss Edna Pursel, and Treasurer, Mr. Sal Consales. Mrs. Walter Gaestel announced that the Kindergarten Round-up would be held at the school on May 3rd, between 1:00 and 3:00 P.M. All those who have not received their Medical and Dental forms through the mail are requested to contact Mrs. Gaestel. The program was then turned over to Mrs. Douglas C. Mattice, Program Chairman, who introduced the guest entertainer of the evening, Mr. Robert Kittredge of Union, N.J., hypnosis consultant and lecturer. Mr. Kittredge presented an interesting and entertaining program, especially on post-hypnotic suggestion and age regression, using several volunteers from the members of the audience as his subjects. Mr. Kittredge told a fascinated audience that "hypnotism is the most fascinating phenomenon known to mankind. Its history goes back at least 3,000 years. Some persons thought it a miracle, others thought it a fake. It is neither. Hypnotism is merely application of natural laws in bringing on a state of mind." Cookies and ice-cream were served by Mrs. Walter Harm and her Hospitality Committee. Mrs. Ester Porter's A.M. Kindergarten won the Attendance Banner.

"Harvey" Run-Through Is "Not Bad At All"

"Not bad at all, for the first complete run through without a break," commented director Doug Brush at the rehearsal of "Harvey", the Stony Hill Players' production due at the Governor Livingston High School on May 4 and 5. Doug knows from his own acting experience the value of rehearsing a scene without cutting into it with directions and breaking the continuity. (Although "Harvey" is the first full length play Doug has directed for the Players, he directed one act from Pymallion connected one act from Pymallion for a women's club several years ago and a program for the Berkeley Heights Women's Club in the fall of 1960 called "Autumn Inter-ludes.") Right now at the Wood-

Mrs. Charverer, played by Ruby de Stevens flaunts her social stature and looks down her nose at Myrtle Mae, Geri Christopher, and says, "I've known you since you were a baby." "What is your name, dear?" "With a red bow tie and the brim of his pork pie hat turned up; Ellwood E. Dowd, Harvey's friend played by Dick Gould, walks in with Harvey, fixes Harvey's tie, blows dust off it, and smiles warmly at that vacant spot on the stage. Dick is becoming a master of pantomime.

The act continues. Veta Louise Simmons, Mae Gould, with the flower on her red hat bobbing up and down starts to commit her brother, Ellwood, to the sanitarium. She sits down, pulls her girdle, weeps, and begins to build the scene. Dr. Sanderson, Dane Christensen, listens attentively and picks up the telephone on the table. Alice Whitford, stage manager who is sitting in the audience, calls out, "no, pick up the bottle. It's the hospital phone; the telephone is the outgoing phone." Alice continues quietly to the person sitting next to her:

Destroy broadleaf weeds the easy way! Spread...

Agrico WEED CONTROL with FERTILIZER

Broadleaf weeds compete with and will crowd-out desirable lawn grasses. Kill them in early growth with Agrico Weed Control with Fertilizer. The herbicide content destroys Plantain, Dandelion, Buckhorn, Shepherds Purse and other broadleaf weeds. The fertilizer, formulated with slow-acting nitrogen, encourages grass to fill-in bare spots left by dying weeds gives the entire lawn a lift. Be sure Agrico Weed Control is in your lawn maintenance program.

"we've seen this scene now many times? -- and we still break up."

Wilson, Tom Lumley, comes in; "My God, I left the water running on her," and runs out. Tom is a born ham; what a shame he hasn't been in a play since high school.

"And the rehearsal goes on into the night. The stage drama stops occasionally to let the real life drama of the Stony Hill Players take over. Sometimes romance blossoms; sometimes tempers flare; it's all part of the human comedy, a slice of which you will see depicted in "Harvey."

Union County Courthouse Open For Inspection

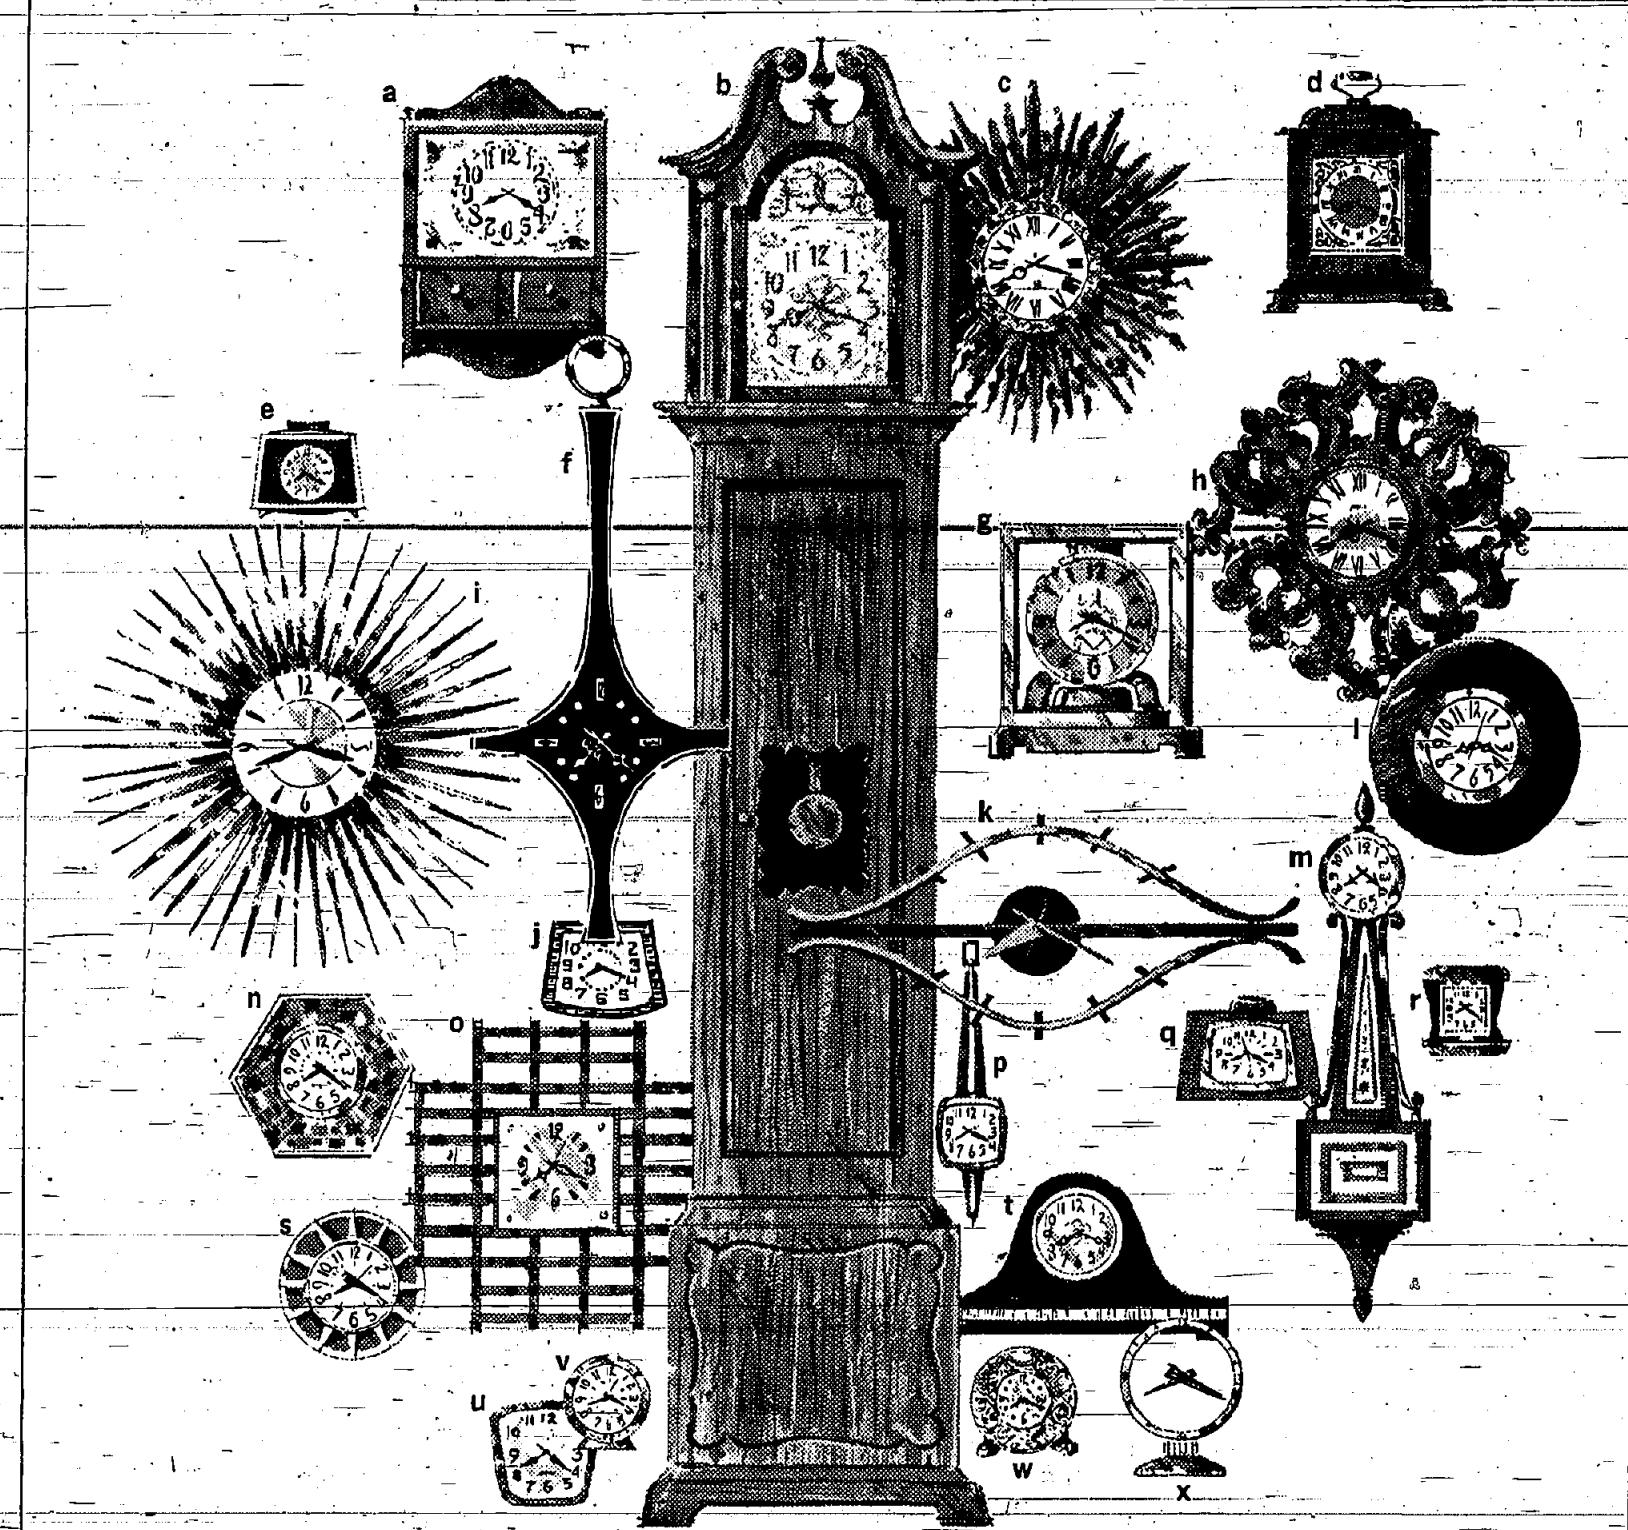

School children and members of public and civic organizations are invited to avail themselves of guided tours of the Union County Courthouse, in order that they may become better acquainted with County Government and how it operates, it was announced today by Jay A. Stemmer, Director of the Board of Freeholders.

Stemmer said that if such groups will write to the offices of the Board of Freeholders giving dates and times they would like to visit the County building, arrangements will be made to accommodate them, if possible, on the dates requested. Guides will be provided to conduct the tours.

Purpose of the program is to enlighten the public, including school children, on the scope of work that is done by various County departments and the services furnished, the Director of the Freeholders pointed out.

Livingston High Students Spend Easter In Montreal

An opportunity to use the language they are learning in school will be provided for the students in French at Governor Livingston Regional High School at Berkeley Heights when they spend the Easter vacation on a tour of Montreal and Quebec.

The trip has been arranged by the French departments from the Governor Livingston and Arthur L. Johnson schools with the help of the Language coordinator of the Union County Regional District, Mr. August Caprio, and the approval of the Regional Board of Education. The students are paying their own expenses but at special tour rates.

Leaving Jonathon Dayton High school by bus early Saturday morning, April 21, the students will check in at a hotel in Montreal that same night. The members of the group who so desire will attend Easter Morning ser-

VICES in Montreal. During the morning they will leave for Quebec where they will spend two days on sight seeing trips with ample opportunity to use the French language and participate in local cultural activities. A walking tour of the Old Walled City, the Plains of Abraham, the Citadel and the Gate of St. Louis will be the order of the day on Tuesday.

On Wednesday the group will return to Montreal for a tour including Mt. Royal Park, Dominion Square, the port of Montreal and the Montreal Botanical Gardens.

Former Resident, Passes Away

Joseph L. Focht, a certified public accountant who resided in Springfield and had offices here for many years, died suddenly last Friday at the North Hudson Hospital in Weehawken.

Mr. Focht was born in The Bronx. He moved to Springfield in 1944 and to Summit three years ago.

Mr. Focht was very active in various civic organizations in Springfield and participated in a great many of the Township's campaigns.

He was a member of the New Jersey Society of Certified Public Accountants, past president of the Springfield Chamber of Commerce and the Little League, and a former member of the Springfield Elks and Lions club. He had been active in several charity drives.

He leaves his wife, Mrs. Marjorie Focht; a son, Lawrence, at home; two daughters, Mrs. Robert Love of Chatham and Marjorie, at home; his mother, Mrs. Eva Yancer Clarke of Union City; two brothers, Frank of South Orange and Lawrence of Union City, and four grandchildren.

Top Blooms On Weekend

The flowering of the Japanese cherry-trees in Warinanco Park, Elizabeth and Roselle, a traditional highlight of the Union County Park System's horticulture season, is expected to be at its peak over the weekend of April 28 and 29, it was announced today by Robert A. Keller, chief forester for the Union County Park Commission.

The early varieties of cherry trees, the single flowering types, are now in bloom around the Warinanco Park Lake and the trees of the double blossom varieties will begin to add color to the display the early part of the week.

The early Beni-Higan variety are located on the northwestern shore of the lake, the weeping cherries, Shidare-Higan, are located on the southwestern side of the lake, while the Yoshino variety, which have masses of flowers with reddish calyxes and nearly white petals, grows near the boat house. This is one of the varieties which attract thousands of visitors to Washington D.C. each spring.

The cherry trees around the Warinanco Park Lake were planted in 1931 and were donated by Caston Brown, one of the original members of the Park Commission, and his brother in memory of their father.

National Guard Tanks In Summit Quarry Drills

Over 100 Tank Crewmen and 20 Walker Bulldog Tanks of the 5th Reconnaissance Squadron New Jersey National Guard will train at Houdaille Construction Materials Summit quarry on Saturday and Sunday, May 5 and 6.

Municipal and Military Police will act as road escorts during the movement of the 20 ton armored vehicles from armories in Westfield and Elizabeth to and from the Quarry.

Training exercises to be conducted at the quarry include driving, sighting of the tank cannon, firing of the cannon using 30 calibre ammunition and use of indirect firing sights.

During the week-end firing the Guardsmen will be under the direct control of Captain Francis H. Quinn of 606 East 3rd Ave., Roselle, N.J. Typical of all National Guard units they will provide their own messing facilities, guards, road guides and bivouac equipment. The balance of the Squadron, which has a total of 500 officers and enlisted men will train during the same week-end at Fort Dix, N.J., in small arms qualification. Lt. Colonel Norman S. Koed of 103 Summit Drive, Watchung, N. J., is Squadron Commander.

In announcing the training exercise Colonel Koed complimented W. E. Joseph, Director of Properties and Public Relations and Joseph Truppi, Superintendent, both of Houdaille Construction Materials, Inc., owners of the Summit quarry for use of

their property. "This is a prime example of how civilian organizations can and do cooperate with the military in making it possible to provide training facilities not normally available in this part of the country. The training time we spend at Summit quarry will enable us to devote more time during Field Training at Camp Drum, New York this summer in actual tactical exercises", he said.

Colonel Koed also announced that his organization has openings for about 75 additional men. Recruiting has been very active and those interested in the National Guard should report to Westfield Armory as soon as possible he pointed out.

From GLRHS 3 Win Awards

Three students from Governor Livingston Regional High School in Berkeley Heights received awards for outstanding achievement in science at the Ninth Annual Greater Newark Science Fair on April 13 and 14, according to Frederick Aho, principal.

Robert Van Vorhees won a 2nd prize in chemistry with a project on Gas Chromatography. Also in the chemistry field Ronald Alsborg received honorable mention for his work in The

READY ON FIRING LINE—Tanks and men of the 5th Reconnaissance Squadron, N.J. National Guard line up at Houdaille quarry last year prior to annual training exercises. Men and tanks will be at the same address on May 5th and 6th. Squadron is headquartered in Westfield.

Effect of Stress, Chromatography was the subject of the special award for a Freshman received by John Melack who was presented the special Grollier Society award, Mr. Nathan Swift, chemistry teacher at Governor Livingston, was the sponsoring teacher for the two projects in chemistry. Mr. Kent Roseberry was the sponsor for the Ninth grade general science exhibits. Ninety schools from the North Jersey area participated in the Fair sponsored by the Newark College of Engineering and held on the College Campus. A total of 20 prizes were awarded to

the outstanding efforts among the 208 projects entered. These projects came from the individual school's Science Fairs.

In addition to those cited in the Greater Newark Fair the representatives of the Union County Regional District representing Governor Livingston High school included: James Frysinger, Richard Halpern, Carl Wamser, Robert Bergman and Bruce Van Order.

The remarkable new Plymouth Turbo Fury

See the car of the future right now! Chrysler corporation's experimental gas turbine car is undergoing final tests to determine if it will be put on sale in a limited edition model.

Imagine a car that.....

- 1 . . . runs on almost any fuel that will flow through a pipe, from kerosene to diesel fuel, from Napoleon brandy to furnace oil - yet with fuel economy as good or better than you now get in a piston engine of equal performance.
- 2 . . . has an engine that weighs only half as much as a conventional V-8 - yet the 140 horse-power it delivers to the driveshaft is equal in performance to a 200 hp piston engine.
- 3 . . . is air cooled so you never have to worry about filling the radiator (there isn't one) or anti-freeze. (none is needed).
- 4 . . . has only one spark plug and only about 1/5 as many moving parts as conventional engines - think what that can mean in reduced maintenance, tune-up and repair costs.
- 5 . . . starts instantly, even in the coldest weather, and needs no warm-up.

SEE the most important engineering advance of the decade - the car that will make all present cars obsolete.

WEEKLY EDITORIAL COMMENTS

Helen Reidy, A Winner

The name of Helen Reidy, Scotch Plains' town clerk will be on the November ballot, but there isn't the slightest danger that Scotch Plains will lose its competent administrator in an election upset.

For Miss Reidy has virtually the nomination of both parties. She is a Republican, but the Democratic party chose to refrain from offering a candidate for town clerk in opposition. In this way the township is guaranteed Miss Reidy's congenial services again, and the young public servant knows beyond the shadow of a doubt that her long service will not be disrupted. With her automatic election Miss Reidy obtains tenure in office.

A person must be doing a job pretty well when both warring political parties recognize it.

It seems to us that Miss Reidy could have won hands down as either a Republican or Democrat.

She is more than a candidate of a party; she is truly a candidate of the people. The Democrats recognized that by virtually nominating her for office too. Their action seemed to indicate a Democratic admission: "You've got a good candidate for town clerk -- the very best; however, we will challenge you for the other posts, and challenge you with vigorous campaigning."

Despite her youth, Miss Reidy is somewhat of a "veteran" in her post, having served the town since 1947 -- when the population was 3,000 as against its near 20,000 population of today.

Scotch Plains is indeed fortunate in being assured of having Miss Reidy's courteous and fruitful service for many years to come. We applaud the Democrats for their "Beau Geste" and we congratulate the Republicans for attracting Miss Reidy to their ranks in the first place.

At any rate, because of Miss Reidy, this looms as one election in which both the Democrats and Republicans will win; and the people will be the biggest winners of all.

Volunteer Danger

There is a danger in having "volunteers" and administrators who receive token pay in charge of our government in suburban America.

Let us use a hypothetical example, without any specific community in mind. Suppose Community "X" has a mayor who makes \$1,000 a year, a Board of Education president who serves for gratis, a Board of Health chairman who also serves without pay, and non-paid chairmen of the planning and adjustment boards. Thus the combined salary for five vital arms of government is \$1,000 -- hardly enough for all of them to pay for the coffee-and-cake-and-gasoline-they-consume-as-a result of the late meetings they hold.

Since these men don't make money that is part of their livelihood they cannot afford, as a rule, to spend too much of their time on their "volunteer" jobs. There are some notable exceptions in which men give more time to their volunteer job than they do to their regular job, but these are indeed rare cases. Most of us are involved in the complicated business of putting the meat and potatoes on the table for our growing families. And that's a full-time job these days.

Since the men in these key jobs cannot often give the job the time it warrants, they must necessarily rely on behind-the-scenes aides -- executive secretaries, superintendents of schools, lawyers, clerks, and other paid personnel. Thus the mayor or board of health chairman may be in effect, somewhat of a figurehead for a clerk, secretary, or lawyer who pulls the strings behind the scenes for the person holding the title with the explanation, "I knew you wouldn't have the time to check into this, so I took the liberty of doing it for you. Propose this at tonight's meeting; it is OK."

And many times it is "OK" because most executives have aides they can trust.

But there is a great danger when the "behind-the-scenes operator" is just that -- an operator. We have heard of cases in other parts of the country where a small clique of "behind-the-scenes" operators had just about everything except life and death control over the lives of anyone who lived in or ventured into their community. We are certain that you have heard from time to time, "John Jones runs that town" or "You can't get anywhere unless you're in with Joe Doaks."

This is very bad. And to some extent the busy executives who take over the job as mayor, board president, and planning chairman without having the time to check out the matters they are handling are at fault.

We knew of one community where the secretary to the superintendent of schools runs the school system; we knew another where the counsel to the board of health runs this body. This is not right and it deprives the people of the government they are entitled to.

Voters should insist that candidates running for office tell them the make the amount of time they can devote to their job. Voters should make this one of the principle factors in rendering a decision on whom to vote for.

We would like to see more retired people taking these important posts in suburban government. It seems that many young people are retiring these days. We need these men and their talents. And we know that they will have the time to do the job well and to do much of the job personally, rather than entrust it to aides who may not have the same good motives.

We have many good mayors, and chairmen and presidents of municipal bodies; but we might have even better ones if more of the senior citizens were on the job. It's something to think about, at any rate.

Birthday congratulations go to Robert Shindler, son of Mr. and Mrs. Martin Shindler of 88 Twin Oaks Oval, Springfield, who was ten years old on April 22. The family marked the occasion with dinner at The Newarker and a day at the circus.

Howard David Goldhammer, son of Mr. and Mrs. Philip Goldhammer of 7 Essex Road, Springfield, will celebrate his Bar Mitzvah on April 28 at Temple Beth Ahm in Springfield. A reception will be held immediately following the services at The Alpine in Maplewood.

Letters

Editor, Berkeley Heights Beacon

In a controversial matter such as the 'code of procedure' for our Board of Education, Township of Berkeley Heights, N.J., I am wondering why the Board only went half way in completing a long overdue task. I understand that on Monday, April 9, 1962, our Board of Education adopted the eighteen (18) suggestions on pages #9 and #10 in the booklet put out by The State Federation of District Boards of Education entitled "What Every School Board Member Should Know". Well, I believe that in order to complete an unfinished task our Board should also adopt the following suggestions which also happen to be on page #10 of the same booklet:

1. Interfere with the day-by-day routine details of school administration and supervision.
2. Refuse to support worthwhile school programs because of personal reasons.
3. Show favoritism to relatives or friends.
4. Make promises and commitments before the questions are fully discussed in the board meetings.
5. Join a clique to control board action.
6. Use board membership for political or business advancement for themselves, their families, their relatives, or their friends.
7. Indulge in petty criticism of the administration of their schools.
8. Divulge confidential information.
9. Assume authority in school matters when the board is not in session.
10. Accept gifts from school suppliers or contractors, or make personal purchases through the schools to gain advantage of the school discount.

Adopting these suggestions along with the others which I understand have been adopted should complete this task. By the way, the writer has never been a Board of Education Member and yet I have a copy of the booklet "What Every School Board Member Should Know". My reason for making this statement is that while I attended a recent Board of Education meeting I noticed that they (the Board) were just ordering a copy of this booklet for each member. This booklet did not just come into being. It originally was first printed quite a few years back. Why haven't our present and previous board members had a copy of this booklet so they would have been better equipped to do a better job?

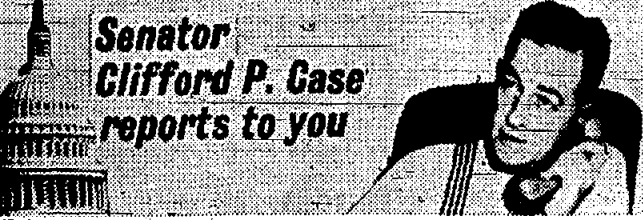

Sincerely yours,
Arthur Thomas
Berkeley Heights, N.J.

To the Editor of the ECHO: Mr. Noste's letter of April 11 to the people of Mountainside claims to be one of "constructive criticism." He did not, however, offer one constructive alternative solution to the budget-cut problem.

Before the Board of Education and School Budget Election in February, he himself stated that the budget could be cut by at least \$25,000. Obviously he has something in mind. What would he cut away from the budget as it now stands?

Very truly yours,
Mary S. Toland

Senator Clifford P. Case reports to you

There is nothing frightening, in itself, about the prospects of one giant megalopolis stretching from New England to the Middle Atlantic states and beyond. But if it would be tragic, indeed, if we permitted the suburbs and the cities, the green areas as well as the superhighways, the parks as well as the business centers, to be swallowed in one great gulp of concrete and black-top. And it would also be futile if this great megalopolis were permitted to grow without providing efficient means of moving its people and goods.

For the effectiveness of the means of transportation has a major bearing on what kind of a megalopolis the Eastern seaboard will come to know, on its economy and on the accessibility of its educational, social and cultural facilities for the tens of

millions who live there now and will live there in the future.

In an effort to help meet this transportation challenge in our urban areas in the East, the South, indeed, in every section of the country, your Subcommittee is conducting hearings on important new legislation.

I appreciate this opportunity to appear in support of S. 3126, the Administration's mass transportation bill, of which I am co-sponsor, introduced by my colleague, Senator Williams. But because I believe that money alone is not and never can be the answer, I am also here in support of S. 3122, my bill to require greater coordination of highway and mass transit facilities in urban areas. I am privileged to include as co-sponsors of S. 3122 Senators Javits, Saltonstall, Scott and Kuchel.

Mr. and Mrs. Sidney Krueger, of 227 Lelak Avenue, Springfield, are entertaining Edith's sister and brother-in-law, Dr. and Mrs. Fred Rosen, and daughters Amy and Karen. The Rosens are visiting from Buffalo, where Fred is a cancer research scientist at the Roswell Park Memorial Institute.

A daughter, Jacqueline Doris, was born to Mr. and Mrs. Robert Pelrine of 2270 Old Farm Road, Scotch Plains, on April 5 at Overlook Hospital in Summit. The new addition, who weighed seven pounds, seven ounces at birth, joins a family that includes sisters, Susan, Cynthia and Judy, who are nine, five and three years old respectively.

Two Springfield residents were fortunate enough to win original paintings at the annual spring luncheon of the Art Gallery of South Orange and Maplewood, held on April 15 at B. Altman in Short Hills. Mrs. F.L. Van Riper, of 6 Warwick Circle won a painting by Lucille Hobbie of Mendham; and Mrs. V.J. Petruzzello of 469 Meisel Avenue was awarded a painting by Mrs. Jack J. Schwartz of Maplewood.

Congratulations go to Richard Max Sherman, son of Mr. and Mrs. Max Sherman of 303 Alden Road, near Springfield, who celebrated his Bar Mitzvah on April 14 at Temple Beth Ahm. The celebration continued that evening when the Shermans played host to over 150 relatives and friends at a

Proclamation

As Americans we cherish individual freedom as a birthright. Every citizen of this community depends upon laws and courts to protect his rights, to safeguard his person and property, and to enable him to enjoy the privileges of life in a free society.

Without laws predicated upon equal justice, and independent courts to administer them, the liberties we take for granted would be meaningless. Our legal and judicial systems are foundation stones upon which rest our representative government, our economic well-being, and our whole social order.

The Congress of the United States, and the President by official proclamation, have set aside May 1 as a special day for recognizing the place of law in American life. Known as LAW DAY, USA, the observance will take the form of programs sponsored by various organizations, in the schools, and in appropriate public ceremonies. The basic aims of Law Day are to foster increased respect for law and a broader awareness of the benefits and also the responsibilities of citizenship. NOW, THEREFORE, I, Philip Del Vecchio, Mayor of the Township of Springfield, do hereby proclaim Tuesday, May 1, 1962, as LAW DAY, USA, in the Township of Springfield and call upon all citizens, organizations, and schools to give appropriate recognition to this special day.

Philip Del Vecchio, Mayor

Money Matters

By Donald H. Shafarman

This article is one in a series which will regularly appear in this newspaper dealing with investments and financial and estate planning. Periodically, Mr. Shafarman, who is President of Donan & Co., Inc., and a former practicing attorney, will devote a column to answering readers' questions. These may be sent to The Springfield Sun, Springfield, N.J.

In last week's article we discussed some ideas for building an education fund -- with income tax savings -- by holding securities as custodian for a minor. Today we will consider the use of a Reversionary Trust for a college education fund.

Under the Internal Code, the use of a Reversionary Trust makes it possible for a person to make gifts of income from securities for a period of not less than ten years and one day, after which period the securities in the trust revert to the donor. This is like saying, "I have a money-making machine which I'll loan to you for 10 years. During that time you can keep every cent it makes, but, after 10 years, I want the machine back." The effect of this is to reduce the donor's income taxes while shifting the income to someone else who is, presumably, in a lower bracket.

A Reversionary Trust -- also known as a "Short Term Trust" -- can be used in many situations, such as aiding an aging parent, accumulating funds for retirement, etc. However, the education fund adaptation is typical. To illustrate we might consider the case of a man in a 40% tax bracket who can spend, save or invest only 60% of his top earned dollars. Let us assume that he has an eight-year-old son and wants to accumulate the income from \$10,000

for the boy over the next ten years. If he gets a 5% return on his investment, he would normally be accumulating about \$300 per year after taxes or a total of \$3,000 over 10 years. By installing a Reversionary Trust, he would be accumulating about \$500 per year. Under this simple legal method he would be creating \$2,000 more over the 10 year period.

When the boy is ready for college, the money would be paid directly to him, or into a bank account in his name, and the trust property would then revert to the father. In the proper situation, the use of such a Reversionary Trust can help solve one of the toughest problems facing parents today -- accumulating an education fund in the face of high taxes and rising college costs.

WHY IS NATIONAL STATE A "FULL-SERVICE BANK"?

National State is known as a full-service bank because it offers you all banking services under one roof... with complete services for growing business and expanding industry, as well as the family and individual.

These are important features, but we view full-service banking as something more: a desire to be more useful to the area we serve... more helpful to our customers and other friends. It is also constant search for more and better services, the latest equipment, facilities and safeguards by our officers and staff, through training and participation in numerous activities.

This is why National State is known as a full-service bank... why it is a sound choice for all your banking.

Taking Care Of The Garden

By Ed Cardinal

Many inquiries have come in concerning pre-emergence crab grass controls. They should only be used on good lawns where hand picking would not be feasible. It is senseless to waste these materials on bare areas, or where crab grass over-runs the lawn.

QUESTION: If I use a pre-emergence chemical will it control grubs?

ANSWER: Products containing chlordane or arsenicals (calcium propyl arsenate, lead arsenate, calcium arsenate) will effectively grub proof the soil for several years. However, the products containing dacthyl, zyrion and diphenatril only kill crab grass and are not grub proofers.

Q: My neighbor lets crab grass over-run his lawn and I have a constant job fighting it. Have you an answer?

A: Yes, Apply two spreader strips of pre-emergence along the property line. This will be very effective in preventing the spread of crab grass to your lawn. Overlap a little on his lawn too, and after he sees the crab grass recede he might take the hint.

Q: My neighbor always asks to borrow my new power mower, and he is not too careful with it. Can't you discourage this in your column?

A: It is very inconsiderate to ask the loan of a lawn mower, or spreader, for both of these tools can be damaged easily. Next time your neighbor asks for the mower, tell him your car won't start and ask if you can borrow his for a while to go shopping. This is usually effective.

Q: What does gypsum do to the soil? The County Agricultural Agent advised its use on hard soil.

A: Agricultural gypsum is calcium sulphate. When rain washes it into the soil it separates the soil particles, allowing water and life giving air to penetrate more deeply. It works only on clay soils, and is inexpensive.

Q: I see roses priced from 89¢ to \$5.00. Isn't a rose a rose?

A: No more than all dresses or cars being alike. Roses are graded as to size of stems, age, quality of roots and varietal.

The most common varieties are least expensive. Roses bearing the seal of AARS (All American Rose Selection) are patented and are the most expensive. These roses are selected each year for their fine qualities. Remember, a good rose bush, properly planted and cared for, will last for many years. Have you seen the "PINK PEACE" — it's a beauty.

Q: When shall I fertilize my evergreens and shrubs?
A: The sooner the better. Be careful not to feed azaleas too much, or you may injure the roots. Several light feedings are better than one heavy dose.

SCIENCE NOTEBOOK

BY HANS KLEIN
UNION COUNTY REGIONAL HIGH SCHOOLS

Scientists, but not philosophers, have had a tendency to avoid coming to grips with the dilemma of appearance versus reality. Among scientists there has been a hopeful inclination to believe that every effect has a cause. And somewhat within this framework of thinking it was felt that the mind was a manifestation of the interaction of matter in the nerve substance of brain cells. Man, in this case, is presented somewhat with a problem similar to using a yardstick to measure itself.

The mind itself is never in direct contact with reality and receives all its information of the "outside" world through the senses. It is known that sound is wave progression through matter, but sounds as we know them are strictly psychological phenomena. Colors, as another example, are due to different wave lengths of light, but our experience with them is purely mental. Thus what the mind perceives of the world is not the real nature of things. The news-

Scientists like to feel that what they do is done objectively; that is, that their conclusions are not colored or altered by their own mental attitudes. However, this is not as simple as it seems since any human operation involves the mind of the operator.

Westfield Business Club Holds April 17th Meeting

The regular dinner meeting of the Westfield Business and Professional Women's Club was held on Tuesday evening, April 17 at Novak's Restaurant on Old Raritan Road, Scotch Plains.

Miss Ann Koehlein, National Security Chairman introduced the speaker of the evening, Mrs. Mary W. Armstrong, who for the past 25 years has been the Home Agent for Union County.

Mrs. Armstrong began with the statement of cost, namely "You are given this County Service through the payment of tax mills." And then she followed with one-third of the cost of service to 5,000 homemakers of Union County as met by Union County and the remaining two-thirds by the Federal Government and by Douglas College.

The speaker conducted the Home Economics Extension Program from the State University. One-half of her work is in Home Management and the other half is in Human Relations. Projects in Family Living provide information on child development for mothers of the preschool children, on parent-child relations for mothers of school age children, discussions for mothers and fathers of adolescents, a general program called "Building Family Strength and Security," a program for young married couples and a program for mature adults called "Live long and Like it."

President Mrs. Wilma Lupo spent an enjoyable time at the American Legion to meet and to talk with the two young ladies, Miss Bambi Eddy of Westfield High School, and Miss Mary Jane Neiderer of Holy Trinity High School who will be representatives to Girls State this year.

Miss Emma C. McGall, President of the New Jersey Federation of Business and Professional Women's Clubs, Inc. will preside at the meetings of the 44th Convention of the Federation at the Hotel Claridge, in Atlantic City on May 18, 19, and 20. Mrs. Wilma Lupo, President of the Westfield Club, Mrs. Kit Love, 1st Vice President, Miss Margaret Chree, 2nd Vice President, Mrs. Ann Donnelly, Miss Mildred Murphy, Miss Mary Murphy, and Miss Lucille Tunison, Mrs. Frances Caesar and Mrs. Ruth J. vanDeusen will attend this Convention.

The luncheon speaker at this Convention will be the Hon. Richard J. Hughes who will speak on "Women in Government."

To Exhibit

Mrs. Bert Souder of Mountaintop, who has gained wide recognition as one of the finest artists in oils, will exhibit some of her works in the second annual Mennen Art Exhibit and Sale to be held at the Stage House Barn, Scotch Plains, Monday, May 7 through Saturday, May 12, 1962, to benefit the Fanwood-Scotch Plains YWCA Building Fund.

Island Story At Trailside

The story of Mount Desert Island off the coast of central Maine will be told at The Union County Park Commission's Trailside Nature and Science Center, in the Watchung Reservation, on Sunday, April 29, at 3:00 p.m.

Mrs. Marjory Hayward, Westfield, will show color slides and narrate the historical significance of this island of which one-third is owned and administered by Acadia National Park. The island is fifteen by seventeen miles in size with a range of mountains, separated by lakes. The mountains appear much higher than they really are, because of their abrupt rise directly from sea-level.

Mrs. Marjory Hayward was a resident of Mount Desert Island for twenty-five years.

On Monday, April 30; Wednesday, May 2; and Thursday, May 3; at 4:00 p.m., Dr. Hgoid N. Moldenke, director of Trailside will conduct the one-half hour nature talks for children. The topic for the week is "African Mammals." Color slides will supplement the lecture.

The Trailside Nature and Science Center is open to the public each weekday, except Friday.

Springfield Little League Baseball Fund Drive This Saturday

This coming Saturday, April 28th, forty teams of uniformed Springfield Youth Leaguers and their adult managers will launch a house to house fund drive throughout the Township.

The drive is scheduled to begin at noon from the playground area behind the Florence

Gaudineer School, regardless of weather conditions. Every boy of Youth League age (9-12) must volunteer to participate in order to be eligible to play during the coming season.

All Youth Major League players will be wearing their brand new uniforms in order that

Springfield residents may see for themselves where much of the monies collected is spent each year.

Officials point out that every dollar from the Saturday drive and the Business and Professional fund drives, solicited by letter, goes into some phase

of outfitting—equipment or Major League umpire fees, League officers, managers, coaches and Minor League umpires donate their time and services without charge.

Springfield Little League "urges all residents to donate generously this year in order

that the more than 500 boys, ranging in age from 9 to 15 yrs. may have another successful season."

"This early organized training may well be the start of a future high school, college, or even big league baseball career for some ambitious Little

Leaguer. The odds are long on producing such a winner, but at least we know that each boy will have gained in the trying.

"Much satisfaction is derived by the adults who have worked with the League for many years on reading accounts of Regional High School diamond

victories, containing many names of boys who had previously been outstanding players in our Babe Ruth League, not to mention accounts filtering back from col-

lege teams with names familiar to all of us.

"Support your Junior Baseball Leagues this season. Your donations on Saturday and your attendance at the games, scheduled to begin Monday, April 30th, will be sincerely appreciated by a great group of young ballplayers."

About Spfld Little League

With the annual Springfield Little League fund drive coming up this Saturday we thought it might be a good idea to pass along a basic outline of Little League procedure in Springfield; just how it is run, its principle aims, its official family, its goals. To do this up right, we invited Bob Bevin, Director of the Youth League Minors, to drop in and give us the lowdown.

Bob began with the "tryout". As Springfield Little Leaguers know it, the "tryout" comes in early April on the Meisel Avenue field. At this time each youngster is judged on running speed, pegging the ball, hitting, and fielding. The boy is allowed to choose the position he feels most qualified to tryout for.

After being scored, the lad is placed either in the Youth League Majors or Minors if he is between 9 and 12, or the Babe Ruth League Majors or Minors if he is between 13 and 16. Because of insurance factors, there has been a definite line drawn as to age qualifications for each league. Boys must be 9 by June 30 to be placed in the Youth League, and must not be 13 before June 30.

The Babe Ruth League, for the older youngsters breaks down like this; five Major League teams, and 5 Minor League clubs. The Youth League, which plays to a much more populated segment of Springfield's youngsters, has six Major League squads, and 12 Minor League teams.

Let's follow "Johnny" through the paces. Our "Johnny" is ten years old. He tries out for second base in the Youth League, and after looking him over, officials feel that "Johnny" is too weak for a Major League berth, and might even be a little green for the Minors. They feel that he needs a good basic course in baseball fundamentals before he can try his hand at a team effort. Not because a team might not fare too well with our "Johnny" at second, but because officials fear that if the boy does not learn to field a grounder properly, he might harm himself.

"Johnny" is discouraged, but he shouldn't be. In a few weeks he finds himself in the Springfield training camp with some sixty other youngsters who have the desire to play baseball, but must be further schooled in fundamentals.

At the training camp "Johnny" learns that one can stop a grounder without throwing himself at it. He gains confidence in his ability and it isn't long before the training camp coaches see a marked improvement in our boy.

Just as the season is getting underway the Minors call down to the training camp for a ballplayer. Coaches confer, and "Johnny" is a sure bet for the berth. Now, instead of a real baseball player, "Johnny" knows a glove from a bat and is not only an asset to his team, but also is a wee bit safer out in the field.

Bevin pointed out that Springfield Little League hosts some 500 boys. Some in "Johnny's" class, some a little better, some quite good for their age, but all wishing to play ball. Each team has one adult manager and two adult coaches. The squads are cut to 15 men apiece, with those "chucked" either sent to the Minors or the training camp. He was quick to note that "every boy plays baseball, and while we sometimes make human mistakes, we try to place the youngsters where their abilities dictate. We would rather have every parent in Springfield down our necks, than place a kid where he doesn't belong and jeopardize his safety."

Bevin went on: "To tell you the truth, our training camp has gotten a stigma, and an undesired one. If I had my way, every boy would be trained in the basics before playing on a team. In fact, that is our overall plan this season. We hope to play down the "win or else" slogan and play up the importance of fundamentals."

Purpose Of Drives

Getting around to the FUND DRIVE we were curious to find out what collected monies are used for. Bevin told us, "Our major cost is insurance, boys need only supply the gloves, we take care of the policies, and uniforms. Speaking of uniforms, we replaced Major League uniforms this season at a cost of approximately \$1000. We rely on our drives to bail us out of a sea of bills for six hundred baseballs per season and one hundred bats splintered in the course of a Little League campaign. While Youth League umpires donate their time, we pay Babe Ruth men in blue, and this also runs into money."

Springfield Little League teams all have sponsors. A Major League benefactor donates \$150, while a Minor League sponsor donates \$50.

Babe Ruth Major League sponsors include: Morris Ave. Motors, BPO Elks, No. 2004, Channel Lumber, Angleton's and Haydu. Babe Ruth Minor League sponsors include: Lions Club, Drexel Cleaners, Bunnell Bros., Gem Shoe Center and Park Drugs.

Youth League Major division sponsors read: American Legion, Crestmont Savings, Rotary Club, Lions Club, PBA, Jayne's Freighters.

Youth League Minor sponsors are: Chamber of Commerce, Rex Dairy Queen, Fire Department, Community Shop, Colantone Shoes, Bruh Jewelers, Elkey Products, Universal Storage, Geljack Jewelers, Springfield Sun, National State Bank and Nylc (JCG).

Little League officers who donate plenty of free hours are: Bob Wirtsh, Director of Business Administration, Steve Cannon, League Secretary, Del Tompkins, Director of Babe Ruth Majors, Doug Mattice, Director of Babe Ruth Minors, Mike Catapano, Director of Youth League Majors, Bob Bevin, Youth League Minors Director, John Elsworth, Equipment Manager, Bill Buckalew, Publicity Director, and Bill Wood, Director of Umpires.

Bevin also wanted to put in a good word for the Springfield Recreation Commission, the Board of Education and the County Park Commission for the help they have given the Little League in the "donation and maintenance of Township ball diamonds."

All in all we were very impressed with the whole setup. We found that playing baseball isn't the way it used to be. Now, with spreading suburbs and shrinking ball facilities, youngsters need some sort of "group" to fall back on for athletic participation.

The Springfield Little League organization strikes us as a group of dedicated men who realize the need for organized sports, and follow through with a sound, well constructed program, designed to accommodate every Springfield boy who wishes to play baseball.

Next week we will print the 1962 Springfield Little League by-laws and a full list of all boys and the teams they'll be playing for.

P.S. WHEN A YOUNGSTER RINGS YOUR BELL IN SPRINGFIELD THIS SATURDAY AND ASKS FOR A DONATION FOR THE LITTLE LEAGUE, GIVE GENEROUSLY. . . IT WILL BE A WORTHWHILE INVESTMENT.

PAL Going Strong Berkeley Baseball Effort Swings Into 9th Season

Last week the Berkeley Heights PAL started its ninth season with a box score that is major league quality. President Gordon Benedict and his new thirty one board of directors drove forward with the Industrial Fund drive. They have a lot of team spirit, having just finished the largest Father and Son Banquet in the history of the organization. PAL has now over 600 boys enrolled in its five leagues and 40 teams.

These numbers are all the more impressive when we note that this requires 80 coaches and coaches, PAL has for the first time "signed" on a corps of umpires of over twenty men to call the strikes and balls at games this year.

All this organization is the culmination of the efforts of President Benedict, his fellow officers and the executive committee. Chairman by Walter George. This group is now in its second year of administration (there have been a few changes due men moving and other reasons).

Heights Kids Are Offered Swim Plan

The Recreation Commission of Berkeley Heights has been studying the possibility of offering swimming instructions to the boys and girls of Berkeley Heights; however, the Commission has always faced the problem of securing a facility for this program. The Recreation Commission is considering renting a local facility and charging a fee per interested child to cover the overhead costs of such a program. The program under consideration is for boys and girls - who are beginners

This group has not only made PAL activities available to all boys in the Township, but also found time to start building PAL fields to supplement the Township facilities. This year as in previous years about 90 percent of the eligible boys will participate. Without much risk of error we say that if this interest continues we in Berkeley Heights in a few years will be reading about and seeing our grown PALers in the ball parks of the nation.

In the next few weeks as PAL fund seekers contact the business and professional men of Berkeley Heights we are sure that they will join the Berkeley Heights Beacon in not only wishing them well but will also dig deep for a contribution to the PAL capital fund. This fund will enable this widely based community service group to finish their second full size ball field of the Horseshoe Road property which the Union County Board of Chosen Freeholders leased the PAL three years ago. Best wishes PAL! Play ball!

World's Largest Bowl Tourney

The world's largest one-day bowling tournament, the annual New Jersey Bell Men's Bowling Association competition, will be held Sunday at Edison Lanes, Route 1, Edison Township.

Jack Neubauser of the New Jersey Bell Telephone Co., tournament manager, has listed 370 five-man teams from throughout the state for the tourney. This year's program is the 11th in the history of the handicap event.

According to the American Bowling Congress, New Jersey Bell's roll-off attracts twice the number of team entries as the next largest tournament of its kind.

Defending team champions on Sunday will be P.J.'s Gang from Orange who rang up a record gross score of 3,319 pins in the 1961 tournament. The Hudson Skeps from Englewood won net honors last year with a record score of 2,879.

The top net score in the 1961 event was rolled by Ken Knapp of the Hudson Skeps, who had a series of 655. Joe Zubrickas of the Summit Mudrocks was the gross score winner with a record-breaking three-game total

Former Semi-Pro Ball Player Dies

T. Russell Anderson of 137 Tooker Ave., Springfield, a former semi-pro baseball player and active in local youth baseball activities, died at Overlook Hospital, Summit, after a two-month illness. He was 57.

Mr. Anderson was a member of the Springfield team in the Lackawanna League during the 1930's, and before his illness was active in the Springfield Little League and Babe Ruth League. He was born in Springfield. He had been employed for six years at the Central Foundry Co., Newark, and for 23 years before that in the maintenance division of the Atlantic Refining Co., Newark. He was a member of the Springfield Volunteer Fire Department, New Jersey State Ex-empt Firemen's Association and the Springfield Presbyterian Church.

He leaves his wife, Mrs. Mae Lynn Anderson; a son, T. Russell Jr. of Springfield, and two grandchildren.

The service was held at the McCracken Funeral Home, 1100 Morris Ave., Union, on Saturday at 11 a.m.

Area Residents To Perform In Evans Carnival

Net proceeds of the sparkling show will go to Camp Marcella, the New Jersey State Camp for the Blind.

Suzanne Parsell Springfield participants include: Kathy Bataille, Barbara Blaustein, Phyllis Buzin, Irma Chaiten, Karen and Kenneth Cohen, Jeffrey Davis, Jill Denburg, Patricia Ann Deane, Mrs. Edward Denburg, Beth Ellen Ferguson, Mary Kay and Megan Finerty, Nancy, Alan and Liane Filreil, Jeffrey Fine, Caryn Groeder, Susan and Daniel Grunow, Holly and Howard Huneke, Karen Herda, Mrs. Henry Huneke, Marisa Nan, Marcia and Andrea Katz, Chaina Levine, Jill and Andy Mendelsohn, Bobby Manheimer, Susan Mond, Brian David Ognowsky, Dorothy and Wayne Otto, Linda and Jan Roughgarden, Rembert Stokes, Carol Ann Seltzer, Theresa Smith, Diane Spiegel, Dale and Abbe Szatger, Evelyn Shlaffer, Robert and Judy Zuckerberg, Robin, Phyllis and Marjorie Zlatin.

Mountainside participants are: Susan Cohen, Stephanie Gibson, Debby Kleinsberg, John Schief, Abby Singer, Claire and Robert Tansey, and Bonnie Turner.

Former Semi-Pro Ball Player Dies

On April 24th, the Dayton Regional Bulldogs bowed to Plainfield 10-7 in a wild hitting spree to break a four game Baseball winning streak.

In the top half of the first inning, Plainfield jumped to a quick 3-0 lead and knocked pitcher Bill Kretzer for five hits. After two base hits, pitcher John Knight Liddy to second and third. They were then driven in by Ron Shapiro on a single. Springfield came back with two runs in the second on a triple by Joe DiMario, double by Rich Biddle and another triple by short-stop Jack Apgar.

In the third inning Plainfield took a four run 6-2 lead by capitalizing on an error by second baseman Steve Berger. Two runs scored on a triple by Tony Sawy and a sacrifice by Harry Fisher. Springfield also scored one on a double by Dan Mascaro, who later came home on an error by the Plainsmen center fielder.

Regional evened the score at 7 all on a single by Steve Berger, an error, two fielder's choices and a towering fly ball to left, which the fielder dropped, allowing the tying runs to score.

In the top of the seventh, with two down, successive Plainfield singles by Harry Fisher and Jim Cibrilano put men on second and third. Third baseman Jay De Filippis stepped up and sent his second hit high over the left fielder for a three run tiebreaking homer.

Springfield used three pitchers, Kretzer, Rich Biddle and Tony Monticello. Monticello took the loss, his first against two victories. Apgar, and Francis had two hits apiece.

The Springfield record is now 5 and 2.

'Nine Holers'

Echo Lake Country Club's Nine Hole women's group opened their golfing season with the following results:

Mrs. F. W. Schaefer, Jr. with a net score of 38 won first prize, Mrs. C.R. Beddows, 2nd prize with a net score of 39 and Mrs. P.V. Smith received 3rd prize, also with a score of 39. Mrs. E.C. Hermann won the lowest putting prize of the day with 16

Bowl League Nears End Of Season

The race for first place in the Springfield Municipal Bowling League continued at a hot and heavy pace, although unchanged since last week, after another round of competition. Both top contenders, Springfield Bowl and Cuzzolino Furs dropped two games while Cardinal and Baldwin, who have been tied for third, swept 3 games each, and the feeling among League members is that somebody "has got to give" in the remaining three weeks of action.

High series this week were rolled by Anthony Marcantonio, 226, 226, 186, total 638 and Bob "Post Office" Jones, 202, 197, 211, total 614.

Beacon on Sports

BY JAMES

When they got around to selecting the all-county and all-state basketball teams last month, Governor Livingston Regional's Lynn Nesbitt gained some recognition from various selectors but failed to be nominated for any of the various "first" teams.

In view of Nesbitt's imposing record during the course of the regular season when he smashed all Highlander scoring records, and in the wake of his performance against top-seeded Westfield High School in the Union County Tournament, such a snub by the pollsters was somewhat difficult to fathom.

It was enough to discourage a youngster but if it did Nesbitt certainly isn't giving any indication of it. Just a few weeks after hanging up his basketball togs for the season, Lynn took to the baseball field with the Highlanders against Clark Regional.

Along came the sixth inning and the Highlanders were locked in a 101 struggle with the Crusaders. Nesbitt came to bat in the sixth inning and promptly ended all speculation about the outcome of the game with a long home run. That was all the margin Jerry Di Pasquale needed to win.

An 11-day layoff enforced by rain and cold weather didn't help the timing of Lynn and his Highlander teammates, especially when they had to face the slants of undefeated Rahway's best pitcher. As a result, the Highlander hitters spent an unpleasant afternoon, collecting only three singles. Nesbitt was held hitless.

The halter hung on Nesbitt and the other Highlanders was only temporary, however. It lasted less than 24 hours. The day after the Rahway debacle, the Highlanders journeyed to Basking Ridge. Ridge High, like Rahway, was undefeated and enjoying ideas of grandeur.

They had encountered Nesbitt before and hadn't been too happy with the results. Lynn was an end on the Highlander football team that mangled Ridge, 26-13, last fall. And he was the standout on the Highlander basketball team that handed Ridge a lacing last winter.

But this was baseball, and after all, Ridge was undefeated. Ridge also was confident it could handle Nesbitt and the Highlanders. Rahway had stopped Nesbitt and the Highlanders had used their top pitcher—Jerry DiPasquale—in a losing cause. And hadn't Governor Livingston's coach—Russ Hunchar—admitted publicly to possessing only one experienced pitcher?

Ridge's confidence was shaken badly in the first inning. Nesbitt came to bat with Artie Thomas on base; Ridge knew all about Thomas too. He had "stolen" a football victory from Ridge last fall with his sensational running.

As soon as Nesbitt swung his big bat, Thomas was running again. Only this time he didn't have to run as fast as last fall. He could have walked around the bases with the distance that Nesbitt smote the baseball. Anyway it was 2-0 and Ridge was wondering about its undefeated status.

Nesbitt doubled in the third to help the Highlanders score again, but Ridge bounced back to tie the score in the fourth inning at 3-3. Then the shadow of Nesbitt enveloped Ridge in a cloak of gloom for good in the fifth inning.

Nesbitt's teammates cooperated beautifully by filling the bases for Lynn as he came to bat for the third time. The bases very shortly were empty, however, as another long homer by Nesbitt sent four runs up on the scoreboard for Governor Livingston and Ridge wasn't wondering about its undefeated season any more.

Ridge never did recover from that blow. And it must be of small consolation to Ridge to know that they'll be facing Nesbitt again on May 11. Just to make matters worse—for Ridge—Nesbitt also will be around to haunt them next year—in football, and basketball, and baseball! He's only a junior.

McAuliffe Golf Tourney Drawing Top Lady Pros

The list of invitees for the J.E. McAuliffe Memorial golf tournament at the Plainfield (N.J.) Country Club June 21-24 reads like the "Who's Who" of women's professional golf.

That was evident today when tournament director Carl S. Menger announced the names of the 27 golfers who have been invited to compete in the \$9,000 event which offers a top prize of \$1,250. The tournament is sponsored by the Triangle Conduit and Cable Co. of New Brunswick with all receipts going for the benefit of the Muhlenberg Hospital Building Fund.

With one or two exceptions, every great professional woman golfer in the world has been invited.

Heading the list, of course, is Mickey Wright the current Women's National Open PGA and titleholder—champion and the winner of 10 major tournaments.

Another top-drawer invitee is Betsy Rawls who shares with Ben Hogan the distinction of being the only active golfer with four National Open championships.

Nesbitt & Pitching

Coach Hunchar Of Highlanders Bubbling Over With Optimism

Sporting a 2-1 record going into the fourth week of the season, Coach Russ Hunchar has a couple of reasons for being optimistic about his Governor Livingston Regional High School baseball team's chances for a winning season.

In splitting games last week with Rahway and Ridge High School of Basking Ridge, the Highlanders came up with a second starting pitcher in sophomore southpaw Bob Heuer, an adequate relief hurler in Alan Kennedy, and Union County's biggest slugger of the early season—Lynn Nesbitt.

Heuer made his varsity debut against Ridge and turned in a fine effort. He allowed only four hits before giving way to Kennedy in the sixth inning. The senior righthander finished up in fine fashion.

Nesbitt eased the task of the two Highlander hurlers considerably. The husky third baseman exploded two home runs and a double and batted in six of the Highlanders' runs in a 7-4 victory.

Nesbitt's first-inning homer gave the Highlanders a 2-0 lead. His third-inning double was a big factor in boosting Governor Livingston to a 3-1 edge. And his fifth-inning home run with the bases loaded snapped a 3-3 tie and provided the Highlanders with their winning margin.

Home runs by Nesbitt have accounted for the winning margin in both of the Highlander victories. His blast against Clark Regional broke a 1-1 tie in Governor Livingston's 2-1 victory.

UC Tennis Clinic In Elizabeth

The 12th Annual Union County Tennis Clinic, sponsored by The Union County Park Commission with the cooperation of the Warinanco Tennis Club, will begin on Monday evening, April 30, at 6:00 p.m., at the Warinanco Park Tennis Courts, Elizabeth, and Roselle.

The clinic will consist of seven one-hour sessions for adults (17 years of age and over) and seven one-hour sessions for children (8 to 16 years of age inclusive). Sessions will be conducted every Monday evening and will continue to Monday, June 11.

Instruction and demonstrations will be given on the proper grip; stance; swing; follow-through; scoring; forehand; backhand; court-play; service and volley.

The children's session will start at 6:00 p.m. and adults at 7:15 p.m. Each student is required to wear smooth-soled tennis shoes and to provide his own racket.

A registration fee of \$2.00 will be charged for children and \$3.00 for adults.

Albert Schael, Jr., Elizabeth, has been named chairman of the Clinic Committee.

Registration for the clinic will be accepted by George T. Cron, Superintendent of Recreation, The Union County Park Commission, Administration Building, Warinanco Park, or at the booth at the Warinanco Park tennis courts.

In winning his varsity debut, Heuer struck out five and walked six. With improved control he could become a big winner for the Highlanders. Kennedy fanned one and walked one in his short stint on the mound.

Long—John Nackonechny sparked the Highlanders offense along with Nesbitt, banging two singles and scoring twice. Nesbitt and Artie Thomas also scored twice.

Jerry DiPasquale also allowed only four hits in losing a 2-0 decision to undefeated Rahway at

Rahway. DiPasquale blanked Rahway on two hits through the first five innings. In the sixth, two walks and a single filled the bases for the Scarlet with no one out.

A line drive was turned into a double play but a walk filled the bases again. Andy DiNetta then singled to center for two runs.

In winning a duel with DiPasquale, Rahway's Bill Staryak struck out eight Highlanders and walked only one. He allowed only harmless singles by Di Pas-

quale, Frank Fish and Tom Goodman. Staryak retired the final 10 Highlanders in order.

DiPasquale also struck out eight batters, but walked 10. The bases on balls proved decisive in Rahway's scoring inning.

The Highlanders are in action twice this week, with a third game a possibility. Governor Livingston played at Middlesex last Tuesday and travels to Clark tomorrow for a return meeting with Clark Regional. Hunchar also is hopeful of playing a game on Saturday.

Wins Over Rahway & Linden Bring Bulldogs Recognition

BY A. Miniman

Victories over Rahway and Linden last Wednesday and Thursday has established the Springfield varsity baseball team as one of the tops in Union County.

With sophomore Bill Kretzer pitching shutout ball, the Bulldogs edged previously undefeated Rahway 4-3, in eight innings, and Linden by a 2-1 score.

The win over Rahway came after a long, sloppy contest, that featured a two run home run by catcher Joe DiMario, which tied the contest at 3-3 in the fifth inning. Joe, who clouted one of the longest drives ever witnessed at Meisel field, also knocked in Butch Bell, who had tripled to open the bottom of the fifth. Bill Kretzer got the nod from coach Ed Jasinski in the top of the sixth, and pitched shutout ball the rest of the way.

In the top of the eighth, Rahway got runners on second and third with no outs, but the double play, as a result of a double run-down, kept the Indians from scoring. In the bottom of the inning, Tony Fevola doubled, and pinch runner Bob Rohlfenfehrer scored on Frank Perelli's game ending single.

On April 19, the Bulldogs scored all their runs in the first inning, and pitchers Richie Bitte and Bill Kretzer held the slim margin to give the varsity their fifth victory against one setback.

2-1. In the first frame, leadoff hitter Jack Apper walked, and reached second on an attempted pick-off by Linden pitcher Steve Kapcho. Tony Fevola's infield single sent Jack to third, and Denny Francis walked to load the bases. After Danny Mascara popped out, Frank Perelli hit a ground ball through the first basemen's legs, allowing two runs to score. Errors by Bitte and Bell permitted Linden to get a run back in the top of the second, but Kretzer came in with one out.

in the third to chalk up his third win against one loss. Linden outhit the Bulldogs 5-3, as Springfield came up with three errors to Linden's one, a costly one though.

Pitcher Kretzer has established himself as the workhorse of the Springfield pitching staff. Bill was credited with three wins last week, as he also pitched a 2 hit effort against Cranford Monday. He pitched a total of 12 2/3 innings, while allowing 4 hits.

MEANWHILE IN WESTFIELD—Westfield runner crosses the plate with one of the seven runs Blue Devils compiled in their rout of Scotch Plains last week. While blanking the Raiders, Westfield tallied one in the second, one in the third, four in the fourth and two in the fifth.

Tennis Permits

William Hedrick, Berkeley Heights Recreation Director announced that tennis court permits will be sold this Saturday morn-

ing, April 28th at Town Hall from 10:00 A.M. to 12 Noon. Permits will also be sold Monday through Friday from 9:00 A.M. to 4:00 P.M. at the Township Clerk's office.

Permits will be sold as follows: Local Residents: Children 13-17 \$1.00, Adults \$4.00, Family Membership \$8.00, and guests or individual hour permits .50cents per hour

Mtsde Scouts Hold "Miniature Banquet" For Bowl Leaguers

A "miniature" banquet was held by the Cub Scout Bowling League of Pack #70 Mountainside, on Wednesday, April 18, 1962. Site of the gala event was "Swingles Diner" on Route 22 in Springfield with "Pop" Swingle himself acting as host.

pack will be distributed on May 9 at the following schools: Beechwood School, Deerfield School and Our Lady of Lourdes School. Parents also, wherever possible,

should consider serving as either a den mother, an assistant den mother, or, and this includes the fathers, as a member of the Scout Committee. Only a little effort

on the part of all parents concerned is all that is necessary to do their part in helping their sons to become better citizens.

Miss Mellado will perform in the "Nutcracker" pas de deux.

Holy Cross Nursery Sch. Will Hold Open House

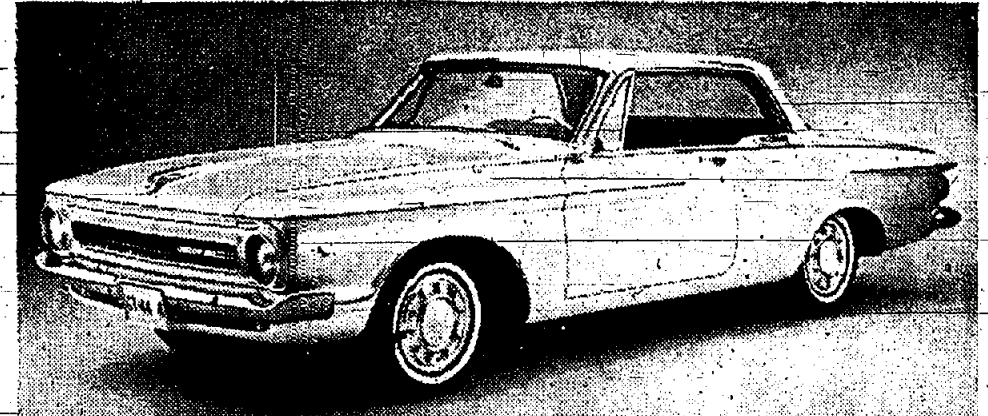

Holy Cross Christian Nursery School, 639 Mountain Avenue, Springfield, will hold its annual spring Open House for interested parents and prospective pupils on Saturday-morning, May 5, from 10:30 a.m. to 12 noon, Head Teacher Mrs. Joseph Roerig has announced. Applications for the fall term which begins Monday, Sept. 10, are now being received. It is suggested that interested parents register their children early as the school has been filled to capacity for many months and another full enrollment is anticipated in the fall. The nursery school is open to pre-kindergarten children of all faiths three to five years of age. Sessions are held in the church's multi-purpose building on its two-acre Mountain Ave. site every Monday, Wednesday, and Friday from 9:00-10:30 a.m. Director of the school is the Rev. Lester Messerschmidt.

Mill Opens With Smash

Hurray for "Fiorello"! A most enjoyable evening of theatre unfolded Tuesday at the official opening of the Papermill Playhouse for the 1962 season. The Papermill's producers are to be congratulated for bringing this award winning hit to Millburn with the two main stars of the original Broadway production: Tom Bosley as the "Little Flower" and Patricia Wilson as Marie. The entire production is liberally sprinkled with show-stoppers. For clean government and a delightful two hours, cast your ballot, thru May 20th, for "Fiorello." J.A.

Spfld Resident Named To Ballet Committee

Mrs. Julius Vogel of 18 South Derby Road, Springfield, has been appointed to the Spring Concert Committee for the Garden State Ballet program which will be held on Sunday evening, April 29 at Millburn High School under the auspices of The Ballet Foundation of New Jersey, a non-profit organization. A gala performance with orchestra conducted by Achilles D'Amico, will include a colorful and diversified program of classic ballets and modern dance-works. Climax of the evening will be the appearance of Joyce Trisler as guest artist. Eminent modern dancer, and New York concert artist, Miss Trisler will be seen in her dramatic solo, "Journey" to a musical score by Charles Ives. Also featured on the program will be the premiere performance of "Badinage," a light-hearted classic tale of events in a school of ballet. A second modern dance work, "Four Cantos," by New York choreographer Norman Walker, will also be performed. Mrs. Vogel and members of the committee are planning various social functions in conjunction with the Spring Concert for the benefit of the Production Fund, which will provide new ballets for Garden State Ballet's repertoire. Teas and cocktail parties will introduce new members into "The Friends" of the Ballet Foundation. Under the artistic direction of Fred Danielli, the Garden State Ballet has given more than twenty performances this year in New Jersey, New York and Long Island. Highlighting this season's performances were three guest appearances with the New Jersey Symphony Orchestra; and a program at Seton Hall University on the Young People's Series of Garden State Concerts. Appearances in New York were on the Performing Arts Series at Cooper Union and three guest concerts with the Queens Symphony Orchestra. Livingston will be host to a Garden State Ballet program in May, when the company will perform as guests of the Livingston Symphony Orchestra.

ADVANCED SHOWING--Pictured above is the Plymouth Turbocar which will have an advanced showing at Morris Avenue Motor Car Co. Inc., Morris Ave, Springfield, before going into the International Auto Show in New York. The car is a hand made production model that took 1/4 Million dollars to build. The car will be available for public showing on May 3rd between 9 a.m. and 2 p.m. at the Motor Car Co., 153 Morris Avenue.

Mill Again Offering Saturdays For Kids

The Tricycle trade, which had a grand old whoop-de-do time at the Paper Mill's Saturday Children's Shows, can have more of the same this year. Starting April 28th, which is during Easter vacation when Mom and Dad would just love to see the kids have a good time somewhere else, the Paper Mill will begin the sandle set theatrical season with "Wizard of Oz." All of Oz's favorite characters appear in the play. Dorothy and Toto, her dog; her companions on the way to Emerald City and many more. There will be dancing and music and just what the kiddies ordered. The performance is set for 11 a.m. and tickets are available at the box office at \$1.50, 1.25, 1.00, and 75c. Other children's shows announced for Spring are: "Nicolo and Nicolette", a tale of high

Overlook Hospital Names

New Medical President

The new president of the Medical Staff of Overlook Hospital in Summit is Robert Williams Buchanan, M.D., F.A.C.S., Summit surgeon, well known in local circles for his active participation in Civil Defense and as a church and civic leader.

Now residing at 30 Joanna Way, Summit, with offices at 48 Maple Street, Dr. Buchanan formerly lived for many years in Short Hills, where he is still a lay reader, assistant and advisor to the Crucifer Guild of Christ Episcopal Church.

Dr. Buchanan received his medical degree from Columbia University College of Physicians and Surgeons, his B.A. from Lehigh University and is a graduate of St. Luke's Preparatory School. He interned at Jersey City Medical Center and took his residence in surgery at Presbyterian Medical Center in New York City.

A member of the Medical Councils of the United States and the American Medical Association, he was Chief of Staff at Fort Leonard Wood in Missouri, where he received a Certificate of Achievement for outstanding performance. In addition, he also received a commendation from Presiding General Knox Sherill for his service as a lay reader.

After coming on Overlook Medical Staff in 1944, Dr. Buchanan became Attending Surgeon in 1951, Chief of Surgery in 1952 and last year served as Vice President of the Medical Staff. He has served on the Executive Committee for four years and received special commendation from Civil Defense authorities in 1951 for five years as District Chief. In addition, he has served on, or been chairman of, most of Overlook's major medical staff committees.

Known locally as a former member of the Board of Directors of the Rotary Club of Summit, a member of the Downtown Association, the Chamber of Commerce and the Civil Defense Council, Dr. Buchanan's professional memberships include the American Medical Association, Union County and New Jersey State Medical Societies, the Academy of Medicine of New Jersey, the Association of Military Surgeons of New Jersey, the Summit Medical Society and the National Board of Medical Examiners.

Married to the former Isabel Hanlon of Madison, Dr. Buchanan has three children: Judith, who is at the University of New Hampshire; Douglas, who is at Morrisrison Prep, and Robert, Jr., at Franklin School in Summit. The doctor's collection of over 1500 records is one of his major hobbies, along with model railroading and fishing.

Other Medical Staff officers include H.W. Dieffendorf, M.D., of Summit, Vice-President; and Ralph Mand, M.D., of Springfield, Secretary-Treasurer. Members of the Executive Committee include the following—Chiefs of Departments: J.V. Triolo, M.D., Surgery; J.W. Robinson, M.D., Medicine; A.S. Ingram, M.D., Obstetrics-Gynecology; L.J. Anson, M.D., General Practice; G.B. Terhune, M.D., Pediatrics; G.L. Erdman, M.D., Pathology; A. Crosetti, M.D., Radiology; and K.L. Day, M.D., Surgical Department Representative; J.A. Cantor, M.D., Medical Department Representative.

The Medical Staff Organization of Overlook Hospital is made up of the Executive and Joint Advisory Committees and some 18 other committees with direct responsibility for the specialties under their charge. Their constant review of cases, scrutiny of procedures and techniques, research and investigation into new developments in the medical field has done much to gain Overlook the medical standing it enjoys today, rated as one of the leading hospitals in New Jersey.
