OFFICIAL NEWSPAPER
TOWNSHIP OF SPRINGFIELD

SPRINGFIELD, N.J., THURSDAY, MAY 24, 1962

DREXEL 9-5000

10¢ A COPY \$4.00 BY THE YEAR

Be A Good Buddy!

"Help The Veterans--Buy Poppy!!"

SPRINGFIELD'S FIRST POPPY SALE: Donna Heady, 2, registers a protest with Mayor Phillip Del Vecchio as her little friend, Barbara Yeager, 4, looks amazed at such conduct. The Mayor's powers of persuasion prevailed and she soon pinned the first poppy in his lapel and gave him a sweet smile as she insisted that he put money in her collection can. Behind Donna is Mrs. A. Fred Rutz, Legion Auxiliary president. On the right is Donna's mother, Mrs. Harry Heady, chairman of the drive. (Fred Keasing)

Poppy days will be observed in Springfield this year (today) Thursday and Friday, May 24 and 25th.

The annual Memorial to American War Dead, which is sponsored by the American Legion Auxiliary, will last for two days.

Volunteer workers from the Auxiliary will be on street corners throughout Springfield offering poppies to the public. "Poppy Day enables every A-

merican citizen to personally wear a Memorial to this Nation's war dead," Mayor Del Vecchio said.

"At the same time the wearing of a red poppy is recognized as a tribute to our disabled veterans of three wars," he added.

"I hereby proclaim May 24 and May 25 to be Poppy Days in the Township of Springfield. I strongly urge that all our citizens observe this day by wearing a

Memorial poppy," Mayor Del Vecchio said.

Mrs. Fay Heady, Poppy Day Chairman for the Auxiliary, said this patriotic observance has been held in Springfield for a number of years. Since the American Legion and Auxiliary originated the idea of Poppy Days after World War I the program has had two basic objectives: to serve as a memorial for the nation's war dead and as a tribute to all disabled veterans.

18 Springfield Units Will Parade On Memorial Day

Memorial Day will be observed next Wednesday in Springfield with the annual combination parade with Millburn as the feature of the program.

Millburn is in charge of the marchers this year with Commander John Wenz of the Springfield American Legion designated as Deputy Grand Marshal.

Springfield will have 18 units in the parade which is scheduled to get under way next Wednesday at 9:15 a.m. The parading units will form on North Trivette avenue at 8:45 and those marchers who usually join the parade at Short Hills and Severna avenue will do so again this year, announced Marshall Wenz.

The following units are scheduled for the parade taking their places in the following order:

- 1) Police Department, 2) Harmony Band, 3) American Legion, 4) American Legion Aux., 5) V.F.W., 6) V.F.W. Aux., 7) Fire Department, 8) Fire Department Reserves, 9) First Aid Squad, 10) First Aid Squad-Aux., 11) High School Band, 12) Lions Club, 13) Elks Club, 14) Springfield Twirlers, 15) Girl Scouts, 16) Boy Scouts, 17) Brownies, 18) Cub Scouts.

Route of Parade is as follows: From the Town Green over Mountain Avenue to Main St.

(Cont. on Page 2)

"Thanks", Says Mrs. Roessner, To Springfields Big Heart

Mrs. Jacqueline Roessner, widow of the late Patrolman Joseph Roessner, who lost his life recently while chasing a speeder in Melsel avenue, sent a "warm letter of thanks" to be published in the Springfield Sun in appreciation of the help given by Springfield through a fund drive.

Mrs. Roessner and her children, residing at 55 Rose avenue, Springfield, are expected to receive a total of \$8,000 as the result of the Joe-Roessner Fund drive.

Checks for small amounts are still coming in, according to Saul Freeman, director of the campaign, and there is still the amount to be applied to the total from the last scrap and paper collection by the Springfield Post of the American Legion.

Following is Mrs. Roessner's letter to the Springfield Sun: Dear Friends and Neighbors, Your generosity and kindness to me and my family since my husband's death has been a tremendous source of comfort to me. Words seem inadequate to express how grateful I am. I should especially like to express my appreciation to Mr.

Saul Freeman and the other members of the committee who organized the Joe Roessner Fund. And I also want to thank the residents of Springfield who responded so generously.

"I've always felt Springfield was a wonderful town to live in and I'll be proud to have the children grow up here.

Thank you again and may God bless all of you.

Sincerely,
Jacqueline Roessner

Development Plan For Township

The Springfield Township Committee and the Chamber of Commerce are cooperating on an Urban Development Program for Springfield which is expected to become active immediately.

Henry Grabarz, president of the Chamber of Commerce, and members of the governing body have been exploring the development program for Springfield and full details have been promised for publication in the Springfield Sun for next week.

Evergreen Lodge Recommended As Swim Pool Site

Plans were made public at Tuesday night's meeting of the Township Committee for a comprehensive, year-round recreation center proposed to be located on Evergreen Avenue, east of Melsel Avenue, Springfield, on property now known as Evergreen Lodge.

The announcement was made by the Citizens' Pool Study Committee, appointed last October to study the feasibility of building a community pool in Springfield.

The committee also reported that the campaign to obtain signatures from Springfield residents who would be willing to support the project, although not fully completed to date, had already far surpassed the 500 signatures necessary to guarantee the success of the venture.

At a meeting with the Township committee held a week ago last Wednesday, nearly 700 petitions were presented by the citizens' committee.

"We are extremely pleased with the overwhelming response we have received from residents, so far," said Edward Schwartz,

chairman of the group, "and particularly since so many people have stepped forward to volunteer their help to insure the success of the plan.

"I want to take this opportunity to thank those dedicated citizens who gave so unselfishly of their time to circulate the petitions and help the committee in other ways as well," he continued.

"We pledge that we will see the plan through to its fruition and present to the townspeople of Springfield, a recreation center of which they shall be proud," he concluded.

The proposed recreation center would include facilities for

both summer and winter activities. For summer use, there is planned two concrete pools—one a 10,000 square foot pool with separated diving area, and the other a separated wading pool for kiddies—deck-type shuffle board courts, tennis court, picnic area, children's play area equipped with swings, slides, etc., ping pong tables, volley ball court and refreshment stand.

Fall and Winter activities would include meeting rooms for Youth Groups, Golden Age Groups, Arts and Crafts, Dramatics, Motion Pictures, Indoor Volley Ball, Sports Banquets and community music appreciation groups.

A bath house would be provided having the following facilities: Manager's office; general

(Cont. on Page 2)

Public Pool Hearing Is Set For June 27

The Mayor's Citizens' Swim Pool Committee submitted its report to the Township Committee Tuesday night, recommending the Evergreen Lodge as the most desirable site. This ignited the fuse for a heated debate lasting for three hours.

The Mayor's Committee's report presented a picture of transforming Evergreen Lodge into a recreation area in addition to the swimming pool.

After several hours of pro and con arguments from the floor the members of the Township Committee decided to hold a public hearing, Wednesday evening, June 27, starting at 8 o'clock in the Gaudineer School Auditorium.

The governing body also passed a resolution to engage the services of a professional swim pool engineer to make a survey

2-Story Office Bldg. Planned For Morris Ave.

A two-story modern professional office building is to be constructed at 294 Morris Avenue, Springfield, the present site of the former Bunnell residence. Announcement was made this week that the property, including the former Bunnell home, has been purchased by Dawson, Desmond and Van Cleve, a property tax consultant organization now located at 511 Millburn Avenue, Short Hills.

The plot of ground has 25,000 square feet and the purchasers announce that the plans are to erect a two story professional building with 4,000 square feet of space on each floor. This will leave considerable space for offstreet parking.

The building and property were sold a few years ago to the Good Deal supermarket organization and plans were announced for the construction of a big operation on that site.

When application for a building permit was made it was reported that the New Jersey State Highway Commission would want some of the land for the proposed highway No. 78. The granting of the permit was postponed. The highway department did purchase some of the land for the federal highway.

The sale to the new owners was made through the offices of George W. Seiler, Inc., of Short

Hills; for the Good-Deal Super Markets.

Plans are now in the hands of architects and construction of the new office building is expected to start in the fall of this year.

Rabies Shots This Saturday

Owners of dogs in Springfield can have their pets receive free rabies shots at the Municipal Garage, Center street, this Saturday afternoon, starting at 2 o'clock.

The inoculations will be given under the supervision of the Board of Health.

Plan Memorial Day Services

There will be a special Memorial Day Service in the Springfield Methodist Church this Sunday morning, May 27, at 10:45 a.m.

There will be special music by the choir and patriotic hymns will be used in the service.

Dr. Benjamin W. Gilbert, who is a veteran of World War I, and was for some time a Chaplain in the United States Army, Reserves will speak on the subject, "Our Heritage of Hope.

Veterans are specially invited to attend this service.

EDITORIAL

The three-hour talkathon at Tuesday night's meeting of the Township Committee on the proposed site for a municipal swimming pool in Springfield proved one important thing -- that practically everybody is in favor of a pool but no one wants it near their homes.

Which is about par for the course. The frivolous solution to the situation is to have the swim pool swinging from some high wire so that no particular area in Springfield will be affected.

But this is a serious matter and we believe we have the solution.

What was NOT made public at Tuesday night's long discussion was that THE OWNERS OF EVERGREEN LODGE, THE UNITED SINGERS, INC. OF NEWARK, DO NOT WANT TO SELL, WILL NOT SELL TO SPRINGFIELD AND WILL NOT LEASE TO THE SWIM POOL COMMITTEE.

There have been a series of conferences with the owners and the ANSWER IS DEFINITELY "NO."

The report of the Citizens' Swim Pool Study Committee paints a picture of transforming Evergreen Lodge into a recreation area -- not just a swim pool.

This means that the TOWNSHIP OF SPRINGFIELD MUST BE PREPARING FOR CONDEMNATION OF THE EVERGREEN PROPERTY.

So -- HERE IS OUR SUGGESTION: IF PROPERTY IS TO BE CONDEMNED -- WHY NOT CONDEMN THE NECESSARY 6 OR 7 ACRES IN THAT BIG GLOB OF 630 OWNED BY THE BALTUSROL GOLF CLUB?

Baltusrol Golf Club has generously sold 10 acres to the Springfield Board of Education for future school expansion -- at a very low price per acre.

If Springfield ever hopes to make use of these 10 acres -- now landlocked -- why not look in that same area for enough land for a swim pool and recreation area?

Our answer to the problem is -- IF CONDEMNATION IS THE METHOD BY WHICH SPRINGFIELD COULD ACQUIRE EVERGREEN LODGE, LET THE TOWNSHIP PLAN THE SAME LEGAL STEPS TO PROCURE ALL THE LAND SPRINGFIELD NEEDS FOR ITS RECREATION EXPANSION PROGRAM FROM BALTUSROL GOLF CLUB.

Good Humor License Is Rescinded

Springfield's Township Committee had a crowded agenda at Tuesday night's regular and interesting meeting but before the municipal swim pool discussion started, the governing body "permanently rescinded" the Good Humor license, passed a resolution authorizing Township Attorney James Cawley to prepare an ordinance, regulating operation of theaters in Springfield, and took care of a long list of other routine matters.

The vote to rescind the Good Humor license was unanimous, the decision having been made at the executive session on Monday night when Harvey Major, representing the Good Humor Corporation, appeared before the Township Committee to explain "why their representative had been giving out samples in violation of the rules under which the license had been granted."

The recommendation from the Board of Adjustment to approve the application for a parking use variance by the Vinmarphl Corp. (Conte's, corner Mountain and

Henshaw) was unanimously passed with several stipulations.

The new proposed motion picture theater at Echo Plaza has already been given the green light but the Township Committee authorized Attorney Cawley to prepare an ordinance that would give Springfield regulatory powers as well as some power of review and control over the type of entertainment to be shown at the new local theater.

Three new probationary firemen were named; their appointments becoming effective June 1. They are: Gerard P. Richelo of 146 Tooker Avenue, Stegried Merkleback of 24 Brook Street, and Raymond Lenhart of 347 Morris Avenue.

Township Attorney Cawley was also asked to prepare an ordinance to regulate coin operated machines. Township Committeeman Vincent J. Bonadies suggested that "this ordinance should make requirements as stringent as possible so as to avoid difficulties later from those making application."

CAN THOSE EIGHTH GRADERS EAT! Some of the 80 Springfield students getting ready for lunch at Stokes State Forest three day outing over the week end. See other pictures and stories on Page 6 this issue. (Photo Dick Schwartz)

New York Bus To Cost 85 Cents

Commuters to New York City by Somerset Bus will have to pay five cents more each way for trip from and to Springfield.

Starting with June 3 the fare will be 85 cents in each direction. The cost for each trip now to Springfield Center is 80 center.

FIRST MEETING A SUCCESS--30 senior citizens turned out to hear a representative of the Summit Golden Age Club. Also a speaker from the State Division of Aging, Trenton. Short talks by Art Falkin, Township Committeeman, Ed Ruby, Recreation Director and Scott Donington, Golden Age Director. Luncheon was served. Mrs. R. Buffington, Mrs. L. Cetham, Mrs. A. Falkin, Mrs. J. Cawley, Mrs. E. Schubert, Mrs. E. Rackowski, Mrs. R. Hardgrove, Mrs. J. Lisa, Mrs. Ann Donington, Mrs. S. Donington hostesses, helped in preparation and serving. Next meeting is planned for June 6 to elect officers and committees for future programming, and again the above women have volunteered their services. In addition to the business meeting, an interesting program has been planned. 10:30, June 6, Legion Hall.

Springfield Units

(Cont. from page 1)

to the Methodist Cemetery and the Presbyterian Cemetery, where the American Legion Firing Squad takes care of the services at the Presbyterian Cemetery and the V.F.W. Firing Squad takes care of services at the Methodist Cemetery.

The first SIX organizations will send representatives to the service in the Presbyterian Cemetery, the remaining organizations will send representation into the Methodist Cemetery. (Services at the Presbyterian Cemetery will be held on the grass plot just inside the gate.)

After services are completed, parade continues over Main St. to Ridgewood Rd. Millburn, right on Ridgewood to Whittingham Terrace where Millburn units line up ahead of Springfield.

Parade continues going west on Millburn Ave. to the intersection of Short Hills Ave. where it comes to a halt while Millburn has services at St. Rose of Lima Cemetery.

The Springfield American Legion Firing Squad will fire in St. Rosos Cemetery and the V.F.W. Firing Squad will fire at St. Stephens Cemetery.

After services parade continues south on Short Hills Ave. to Morris Ave., east on Morris

Ave. to the intersection of Mountain Ave. Springfield units turn right onto Mountain Ave. and return to the Town Green.

Millburn units turn left onto Main St. and return to Millburn. Following the parade Memorial Services will be held at the Town Green, in front of the Municipal Building with addresses by Mayor Philip Del Vecchio and Deputy Grand Marshal Wentz.

The services will start with the National Anthem by the bands, invocation by Rev. Bruce Evans to be followed by the addresses. There will be ceremonies for the raising of the flag with firing squads followed by taps and dismissal of the units.

Evergreen Lodge

(Cont. from page 1)

admittance office; women's locker room, shower room and rest rooms; first aid room; utility room; filter room and lifeguards' room.

The two pools would have a filter system with a water turnover every 8 hours. The pools would be completely fenced from the rest of the recreation areas. Minimum 20 ft. concrete walks would be provided around the pools, and seating facilities would be provided for.

The Evergreen Avenue site was chosen over six others under consideration, according to a committee spokesman, because of the following advantages:

a) The site is located on a relatively traffic-light major local street which will not subject users to unnecessary traffic hazards.

b) The site acts as a buffer zone between the industrial area and the residential area across the street.

c) The site has immediately available on Evergreen Avenue a 66" storm sewer, 8" sanitary sewer and 6" water main, all adequate for serving the proposed facility with a minimum of additional expenditure.

d) The land on the site is level and of a texture to permit easy excavation of soil and construction of recreational facilities.

e) The existing buildings can, in all probability, be utilized with a minimum of renovation for many of the planned recreation activities. The main building can be easily remedied to accommodate the facilities of the expanded recreation program, including meeting rooms, as well as to house the offices needed for administrative purposes.

f) All the facilities (including plumbing, kitchen, etc.) in the present buildings can be renovated and expanded at a much lower cost than would be incurred by the erection of new facilities, as would be required at other sites.

g) The site has ideal natural landscaping and an existing cyclone fence surrounding the entire property.

h) The site and facilities would serve as a playground for this section of the town which has no off-street play area for children at the present time.

i) Since The Evergreen Lodge has been operating on a year-round basis for many years, the conversion of this property to

a community recreation center will not decrease property values in the area.

Pool Hearing

(Cont. from page 1)
 posed recreation location and public swim pool.

Many of the objectors to the site wanted to know why only Evergreen Lodge had been recommended by the Mayor's Committee and long discussions followed during which time several other proposed locations were made public.

Members of the Mayor's Swim Pool Study Committee came in for much commendation from the Township officials "for a difficult job, well done."

The Mayor's Committee Chairman, Edward Schwartz, stated that "he and all the other members had devoted considerable time and study to the problem, had visited all the proposed sites several times, held long meetings, conferred with other town officials - and the recommendation to acquire the Evergreen Lodge site was the result of all these efforts and their best judgment."

No one in the jam packed audience spoke out against the swim pool itself although one lady in the back of the meeting room wanted to know if there is really need of a municipal pool in Springfield since she and her friends belonged to country clubs.

Another person timidly appeared to be in favor of the swim pool, referring with some concern to the "underprivileged children."

Other sites, mentioned at Tuesday night's meeting, in addition to the Evergreen Lodge location, were the Prince's Farm along South Springfield Avenue, 4 sites along Mountain Avenue adjoining Balmoral Gold Club; Rose and Caldwell Avenues which is municipal owned property; the large plot of land in the rear of the Veterans of Foreign Wars building at Morrison Avenue and the North Jersey Quarry property in the Angleton land along Shunpike Road.

Just at the close of the meeting Henry Graharz, President of the Springfield Chamber of Commerce, suggested even another site. He said he believed a portion of the Jenco property which will be cut in two by the new federal highway No. 78, would be a good location for the recreation area and public swim pool.

Just at the close of the meeting Henry Graharz, President of the Springfield Chamber of Commerce, suggested even another site. He said he believed a portion of the Jenco property which will be cut in two by the new federal highway No. 78, would be a good location for the recreation area and public swim pool.

New League Officers

The newly elected officers of the League of Women Voters of Springfield for 1962-63 are:

First Vice President, Mrs. Stephen Beno, Second Vice President, Mrs. I. S. Yablonsky, Treasurer, Mrs. Nelson Lewis and Trustees, Mrs. Leonard Atkin, Mrs. David Gordon, Mrs. Howard Ross. Mrs. Joseph Seidel is President.

Escaped Convicts Nabbed, No Match For Local Police

Alert police work by Springfield Patrolmen John Baber and Daniel Halsey early Monday morning resulted in the apprehension of two escaped prisoners from Waterbury Conn., and a third man from Union, N.J.

The men, James Gorman and Daniel Perugini, both giving Waterbury addresses, and Robert Denike, of Union, were captured by Baber and Halsey after they had attempted to flee from their car trapped in a dead-end facing Route 22.

The Springfield patrolmen called for help when the men vanished in the darkness on foot, and with the aid of reinforcements and flashlights the three were apprehended crouching beneath a clump of bushes near the Dutch Maid Motel.

Gorman, escaped from the Waterbury prison with the aid of Perugini and a toy pistol, according to Connecticut police records. As Gorman was being escorted from his cell by five Waterbury guards on April 3rd of this year, Perugini somehow gained access to the cell block and held the five policemen at bay with a toy gun while he and Gorman made their escape.

Since April 3, the two had traveled the length of the country, and it was in New Orleans where they met Denike and stole a car for the trip to New Jersey, according to police.

While making their rounds, Halsey and Baber noticed a strange car in a familiar driveway and saw the trio walking up to the front door of the house. Obviously, the three also saw the police car, for as Halsey and Baber were returning for a second look, the stolen auto sped down the street in the opposite direction. A chase followed as the three men turned down Tudor Ct., thinking that the street led directly to Route #22. When they found it was a dead-end, they abandoned the car and raced out into the fields near the highway.

Springfield police have notified Connecticut authorities of the capture.

Grandpa Has Troubles At Youth League Game

It is not very often that a member of the Springfield Sun staff can find even the remotest something in common with the President of the United States—but S.O. Sarokin, the Grandpa Sarokin of the Watching Weekly newspaper group, went through an exciting grandfathers experience last week, and says he "now appreciates how Mr. Kennedy must feel when he attends the annual Army-Navy football game and tries to divide his rooting."

The senior Sarokin, as a doting grandparent, decided to attend a Springfield Youth League game last week where his grandson was practically certain to star brilliantly both in the field and at the bat.

Two eager, serious teams, named the Bruh's and the Colantone's, were about to make baseball history, and to the startling surprise of Senior Sarokin, there was a grandson, Victor, playing left field for the Bruh's and another grandson, Jimmy, holding down that same spot for the opposing team, the Colantone's.

Victor is the son of Julian Sarokin, publisher of the Watching Weeklies, and Jimmy belongs to H. Lee Sarokin, the other son of Grandpa Sarokin. Both moms and pops attended the game and tried to appear very neutral.

This situation created somewhat of a paternal predicament which President Kennedy cures by exchanging rooting sides between halves—but Grandpa Sarokin found himself moving from Jimmy's "dugout" side to Victor's with practically every hit ball.

"I got as much exercise," said Senior Sarokin, "as most of the team players. Every time Jimmy was at bat I had to leave the third base side of rooters and join the first base group of the calm mothers and fathers."

"When Victor's turn came to bat, I changed position quickly to third base so that he could benefit from my instructions and the frantic shouts of the fathers who yelled that he should swing freely like Mustal or Ted Williams."

Senior Sarokin adhered strictly to grandparental protocol and rooted encouragingly every time the ball was struck by either Jimmy's or Victor's bat.

Even a foul tip is scored as a "hit" by the mothers and friends of the mothers, and a ball smashed into the hands of the second baseman or the first baseman is considered one of the crowning events of the game.

As far as the records are concerned, Victor's team won the game by a score of 7-5 with Victor driving in 6 of the runs with two solid home run smashes over the heads of the outfielders.

Senior Sarokin refused to make any victory statement after the game saying the "hitting home runs by my grandsons, Victor and Jimmy, is nothing new. Jimmy slammed two of them in an earlier game last week."

"I'm not concerned about the baseball ability of Victor or Jimmy or Victor's older brother, Randy, who (in my opinion) is the star of the Babe Ruth Major Leaguers."

"As grandpop, I'm honestly worried what I'm going to do about rooting at games when Jimmy's brother, Jeffrey, starts playing Little League baseball. And, let's not forget Victor's little brother, Jason, who already appears eager to exercise his throwing arm by curving small antiques from the living room into the kitchen. When these kids start playing in the leagues—that's when grandpop will have problems."

Quinton's Quick Work Foils Theft

A Poughkeepsie N.Y. man, enjoying a brief break in his travels at the Lido Diner in Route 22, Springfield, was almost minus \$260 in camera equipment when the articles were stolen from his parked car.

The would-be bandits were apprehended on Meisel Avenue after a chase by Sgt. Louis Quinton.

On patrol at approximately 3 a.m. Monday morning, Sgt. Quinton took after a speeding auto on Hillside Avenue and while pursuing the car, heard of the theft at the Lido lot.

The auto, driven by James Germapo, 20, of Cliffwood Beach and John Morello, 21, of Union, finally came to a stop near the Meisel Ave. railroad tracks, where Quinton discovered an axe handle and the camera equipment in the car according to the police report.

The Poughkeepsie man identified the stolen articles at Springfield Police Headquarters and the two were arraigned Monday morning, pleaded not guilty and released on bail of \$500 each pending a hearing on June 4th.

Gaudineer Menu

MENU FOR WEEK OF MAY 28

Monday: Frankfurters, baked beans, sauerkraut, raisins, roll, butter, milk.

MURDOCK 6-4800

Can Win \$160.00

Hundreds Of Bingo Enthusiasts Gather Weekly In Mountainside

By Mary Ann Ruban

Bingo is big in this area. One does not have to travel far to prove this for since late November of 1961, Thursday evenings have seen hundreds at Our Lady of Lourdes School Auditorium, Mountainside, putting their markers atop their cards and hoping for cash prizes as much as \$160.00 for a jackpot game.

The founders of Mountainside Bingo are Father Gerard McGarry and Father Francis McDermitt of Our Lady of Lourdes R. C. Church. With the aid of many parishioners, they initiated Bingo nights in 1961 to aid the church building fund.

George Tirpanaro, Floor Manager, keeps an eye out to make certain the ushers are properly distributed throughout the auditorium in order to assist the "Bingoers". Ushers include the following:

John Ament, Julius Buczkowski, John Barry, Henry Cranford, Adam Clambor, Peter Dunn, John Demovic, Vic De Conna, Charles Emm, Silvio Gallucci, Joseph Gurski, Daniel Hartnett, Fred Kolarick, Robert Keenan, John Keenan, Joseph Lorber, William Leber, John McGovern, Edward Mooney, Paul Passafiume, Ron Pannullo, John Riley, Gene Saverborne, George Stillwell, Paul Tomasko, and Gene Young. The Accounting is taken care of by William Bunno, Horace Cardoni, James Carroll, Steve Susko, and Charles Hartman. The Bingo callers and announcers are Raymond Bassillo, Frank Karwoski and Edward Gorey. All are from Mountainside.

And let us not forget the kitchen help. Many of these women are wives of the ushers who volunteer each week to help out with the serving of refreshments to the players. Head of the kitchen is Mrs. Frank Karwoski.

Bingo participants at Our Lady of Lourdes School auditorium are by no means limited to residency in Mountainside. Father McDermitt reports that players from South Plainfield, Summit, Springfield, Kenilworth, Plainfield, New Providence, Berkeley Heights, Fanwood, Scotch Plains and as far away as Morristown visit the game Thursday evenings.

There are certain State Rules which any organization sponsoring Bingo must follow. Licensing is under the direction of the New Jersey State Game Commission. Players must be 18 years old or older to purchase a lap board and be eligible for cash prizes.

There are twenty-six games played each Thursday at Our Lady of Lourdes School Auditorium. There are twenty regular games, five special games, and one jackpot. As a reward for winning a regular game of Bingo, participants receive \$25.00. The jackpot is worth \$160.00 to the first person who covers his entire board.

MAKING HER MOVE—Mrs. Frank Kolinchik of 45 Evergreen Avenue, Springfield, is shown above lining up her lap boards in anticipation of winning a game at Bingo night at Our Lady of Lourdes School auditorium. (Photo by Mary Ann Ruban)

with variations as the game progresses. If a tie results, as is so often the case, then the money is split among as many people as have won.

Bingo, since falling under State Legislation and Control has had a rebirth in New Jersey. Through strict law enforcement and constant regulation, organizations representing churches, and service groups are able to conduct Bingo games to increase funds and provide monies otherwise unobtainable through direct contributions.

While one card is the general rule, many "Bingoers" seem to feel that up to a dozen cards enhance their chances of winning.

At Our Lady of Lourdes, each card sells for 50¢ after \$1.00 is paid for the purchase of the first card.

The quiet atmosphere at Our Lady of Lourdes School Auditorium is almost unbelievable considering the number of people in attendance, and yet, when the caller is ready with his first letter and number, a hush falls over the crowd as each person prepares to scan his or her board for possible score. One can imagine the job this entails when the player has 12 lap boards in front of him.

But there is always room for more. Father McDermitt extends a cordial invitation to all those wishing to join in the Bingo fun beginning at 8:00 on Thursday evenings at the School Auditorium located on Central Avenue in Mountainside.

RHS Spring Concert Slated For May 25

"Say It With Music", the annual spring concert of the vocal music department of Jonathan Dayton Regional High School, Springfield, will be presented this year on Friday evening, May 25 at 8:00 in Halsey Hall, the high

school auditorium. Mr. William Peters, director, announced that this year's program will include musical comedies, all musicals, and a variety of songs. The concert will include selections by the 80 voice Dayton Choir, the Girl's Glee Club, the Triple Trio, and a boys folk singing group, "The Cumberland Trio". The highlight of the evening will be the appearance of "The Dayton Chorale", a 28 voice selected group

of singers. This ensemble was recently placed as one of the top three choirs in an all-state choral festival at Glassboro State College. The Chorale will sing a group of folk songs and spirituals. Soloists for the program will include James Warner of Springfield, who will sing "When I Have Sung My Songs" by Ernest Charles, Dirinda Witcher and Betty Burt of Springfield, who will sing solo sections with the

Chorale, and Alan Yablonsky also of Springfield, who will appear with the Choir. Accompanists for the concert will be Miss Susan Rivkind and Miss Jean Herman, both of Springfield. The public is cordially invited to attend. "Say It With Music" on May 25. Tickets are available through the Regional High School office and they will also be on sale at the door on the evening of the performance.

QUEEN—Springfield Regional High School Junior Prom Queen Helene Rau gets crowned by Jack Arins as attendants Lorraine Pawloski and Renee Van Vliet look on. (Davron)

Miss Weitzel To Be Bride

Miss Carol Joanne Weitzel and David Lloyd Kohfeld will be married on June 9th in Wheaton, Ill. two days before their graduation on June 11th from Wheaton College.

Mr. and Mrs. William Frederick Weitzel, Sr. have announced the engagement of their daughter to the son of Mr. and Mrs. Albert Kohfeld of Blaine, Washington.

The bride-to-be is an alumna of Jonathan Dayton Regional. Her fiancé has received an Assistantship at the University of Illinois, and in autumn will begin graduate work in Psychology.

Rummage Sale

Suburban Deborah League will hold its annual Rummage Sale May 23, 24, 25 from 9 a.m. to 5 p.m. at 10 North Union Ave., Cranford. Mrs. Anthony Fiorellino is Chairman.

Suburban Deborah is an auxiliary of the Deborah Hospital. The hospital provides non-secular care free for tuberculosis and corrective surgery in cardiac and pulmonary diseases.

Zisman Named Installation

Milton A. Zisman of 104 Warwick Ave., Springfield has been named chairman of Rutgers School of Business Alumni Association dinner to be held Sunday (May 27) at 6 p.m. at Mayfair Farms, 481 Eagle Rock Ave., West Orange.

The alumni will present a portrait of the late Professor Louis Starkweather to the University. Thomas P. McGlynn of 40 Hawthorne Rd., Short Hills, alumni association president, will preside.

Mr. and Mrs. Lester H. Lieberman, of 59 Forest Drive, Springfield, have returned home from a trip to our delightful fiftieth state. The Liebermans stopped in Seattle where they attended the Bar Mitzvah of their nephew, son of Dr. Irving Lieberman, and also took time out for a boat trip to British Columbia, -- and then on to Hawaii.

Mr. and Mrs. Anthony Francis Dante, Jr. of Millburn, announce the birth of son Anthony Francis III on April 28 at Overlook Hospital in Summit. Mrs. Dante is the former Joan Funcheon, daughter of Mr. and Mrs. James Funcheon of 184 Tooker Avenue, Springfield, proprietors of the Springfield Market. The Dantes are also the parents of a daughter, Anne Bernadette, seventeen months.

Louis Jacobson, son of Mr. and Mrs. Ralph Jacobson, of 145 Wentz Avenue, Springfield, has been named to the winter dean's list at the Rochester Institute of Technology, where he is in his second year in the Printing Department.

Congratulations go to Mr. and Mrs. William Blunno, of 1241 Wood Valley Road, Mountainside, on the birth of their son Michael James on May 11 at Overlook Hospital in Summit. Big sister in the family is two-year-old Barbara.

Back from a week-end at the Grossinger Country Club are Mr. and Mrs. Joseph Breitbart, Mr. and Mrs. Abe Schwartz, and Mr. and Mrs. David Katz, all of Springfield.

Theodore O'Connell, Jr., son of Mr. and Mrs. O'Connell of Pitt Road, Springfield, will be one of the performers on the stage of the Mosque Theater this Sunday afternoon in the recital of Fraybell's dancing school. Theodore will be in two group numbers, as well as doing a tap dance and song solo of Rockabye My Baby.

PICTURE: Reading from left to right are Mrs. John Walker, Mrs. Raymond Swidersky, club president, Mrs. Edwin Adam, and Mrs. Howard Dinkle, general chairman of the committee for the benefit Cocktail Party to be held at Wally's On The Hill in Watchung on Sunday afternoon, June 3 from 4 to 8 p.m. Proceeds from this party will benefit the Building Fund of the Scotch Plains Junior Women's Club. This will be the second annual Cocktail Party presented by this organization, and as in the past, there will be plentiful hors d'oeuvres, music for dancing by Andrew Miglione of Plainfield, and a Roaring 20's floor show at 6 p.m.

On Drew S. Council

John H. Hicks, son of Mr. and Mrs. William Thomas Hicks, of 21 Molter Avenue, Springfield, has been elected to the student council of Drew University as a representative of the freshman class.

John, a 1961 graduate of Shaker High School, will represent his class during the 1962-63 academic year.

Drew University, founded in 1867 is composed of three divisions, the College of Liberal Arts, the Theological School and the Graduate School. The University offers degrees leading from the Bachelor of Arts to the Doctor of Philosophy.

They've got holes in their heads

... the holes they're putting into millions and millions of dollars of clothing. Of course, we're referring to the villain known as the Moth. You may not realize it, but he could be eating his way through your closet right now.

How much will the "varmint" cost you this year? We don't know. But we do know that it won't cost you anything to moth-proof, and store your clothes for the summer at Pan American. All clothes are moth-proofed free of charge when they are cleaned to assure you complete protection.

Our Free Box Storage not only affords you protection against moths, but also gives you the opportunity to empty out your closets of winter wear. Your clothes will be cleaned and moth-proofed, then safely stored. At the end of the summer, we'll have them pressed so that they are neat and fresh when you wear them. Don't wait, the delay may be costly and "holey unnecessary."

Rhododendron Show

The Rhododendron Display Garden of the Watchung Reservation will feature an all day show May 21 for guests and members of the Union County Rhododendron Committee.

Garden Clubs will be treated to a Rhododendron and Azalea exhibit which should be at its peak. A display of over 1,000 plants and over 150 varieties is considered one of the largest collections in this section of the country. The display is scheduled to entertain and thank garden clubs and friends who have participated in this display garden project.

The Spadonhoe Garden Club of Cranford, will assist the Committee on guided tours through the 4 acre tract at 10 A.M. and 11 A.M., and 1 o'clock, 2 and 3 o'clock in the afternoon.

Mr. R. Koller of the Union County Park Commission will conduct tours at 11 o'clock A.M. and 2 P.M., through the Park Nurseries.

Mr. Harold Moldenke, director of Trailside Museum, will conduct a Nature walk at 1:30 P.M. Guests will have lunch in the Pine Grove and refreshments will be served by the committee.

Mrs. Charles R. Haag of Cranford is chairman of this all day feat and also one of the founders.

ANTIQUE JEWELRY
from plain to fancy - an amazing assembly of unusual bracelets, brooches, earrings and charms.

La Vanture Named New RHS Principal

The Union County Regional High School Board announces the appointment of Mr. Robert La Vanture, 53, presently principal of the Morristown High School as principal of the Johnathan Dayton Regional High School in Springfield, Mr. La Vanture, who succeeds Dr. R. T. Jacobsen, will assume his duties in July. Mr. La Vanture has been principal of the Morristown school since 1953. Prior to that time he served a year as high school guidance director and director of the adult school of Morristown. Earlier experience in the same city included eight years as a teacher-coach and three years as principal of the George Washington elementary school. He began his professional career as a teacher-coach at Blair Academy where he spent five years prior to his Morristown experiences. Mr. La Vanture spent two years, from 1947-49 as registrar and admission director of University College, Rutgers, Newark division.

Mr. La Vanture's particular strength in education lies in curriculum development. He is married to the former Lois Suydam of Quakertown, a graduate of Trenton State College. The La Vanture's presently live at 12 Winding Way in Morris Plains and have two daughters, Suzanne, a sophomore at Mary Washington College, and Cheryl, a ninth grade pupil in Morristown high school. Mr. La Vanture was chosen from a large number of applicants from both within and without the state of New Jersey, after a screening process which extended over several months. He was the unanimous choice of the Board. The appointment was made at an adjourned regular meeting of the Regional Board on Saturday, May 19.

of Fairleigh Dickinson University and the Board of Directors of the New Jersey Council on Economic Education. In addition he has been active in a local service club, Red Cross, and church circles. He is a member of Phi Delta Kappa honorary educational fraternity. During 1944-46 he was a commissioned officer in the United States Naval Reserve, attached to the Bureau of Naval Personnel. Immediately prior to his military assignment he was a field director for the Red Cross for more than a year. Mr. La Vanture's particular strength in education lies in curriculum development. He is married to the former Lois Suydam of Quakertown, a graduate of Trenton State College. The La Vanture's presently live at 12 Winding Way in Morris Plains and have two daughters, Suzanne, a sophomore at Mary Washington College, and Cheryl, a ninth grade pupil in Morristown high school. Mr. La Vanture was chosen from a large number of applicants from both within and without the state of New Jersey, after a screening process which extended over several months. He was the unanimous choice of the Board. The appointment was made at an adjourned regular meeting of the Regional Board on Saturday, May 19.

Hospital Parking Voted In

Overlook Hospital reports that its parking problems have been largely solved with the new "live" parking system by attendants. Furthermore, both patients and visitors are in favor of it. The hospital made a survey recently, explaining its paid parking plan - limited space, growing numbers of cars, costs of paving, lighting, tickets, and attendants. The questionnaire asked both patients and visitors if they would prefer to have parking costs covered by a flat charge on each patient's bill, or would they prefer to have visitors pay for parking as they use the lot, as in the present system. Patients voted 95% for visitor payment; visitors voted 79% to pay themselves.

There are always some comments to the effect that nobody should have to pay," observed Overlook's Director, Robert E. Heinlein. "We only wish we had the available space so this would be possible. But Overlook has grown to meet the medical needs of its area and available land has been utilized in the process. "The cost of resurfacing, attendants, etc., is a major cost to the hospital. We are gratified to see that the large majority understands the problem," he concluded.

JEFFREY BRUCE SINCLAIR, son of Mr. and Mrs. Charles B. Sinclair, will be graduating from Moses Lake High School, Moses Lake, Washington, in June. The Sinclairs were formerly of Springfield; Jeffrey will be entering Big Bend Community College, Moses Lake, in the fall. He'll major in physical science.

Five FDU Ed. Courses In Summer

The College of Education of the Florham-Madison campus of Fairleigh Dickinson University will offer five courses during the summer school this year, Dr. Forrest A. Irwin, Dean, announced today.

The course offerings include: Principles of Secondary Education, Secondary School Curriculum; Science Elementary School, Principles Elementary Education and Language for Elementary School. The summer session will open for the first session on June 4 through July 13.

Boro Club Dept. Holds Meeting

The May 15 meeting of the Mountainside Women's Club Garden Department met at the home of Mrs. William Price, 1015 Charles Street. A miniature flower show was held with Mrs. Jean Hershhey acting as Judge. There were four classes denoting club interest in miniatures, not to exceed five inches. Class 1, representing the American Home Department, had six entries. A second place award was given Mrs. Vincent Warkala, third place award was given Mrs. Fred Desch and Mrs. Richard Kapke, and four place award was given Mrs. Ralph Ullrich. In Class 2, under Garden Department interest, Mrs. Kapke took third place. Class 4, representing the Literature Department, had first place award presented to Mrs. William Price, second place award to Mrs. Richard Kapke, third place award to Mrs. Vincent Warkala and fourth place to Mrs. C. Gordon Green. The group presented Mrs. Hershhey an apothecary jar containing dried spring flowers. Mrs. Kapke, Garden Department Chairman was in charge of the meeting. She was assisted by Mrs. Price, with Mrs. Ullrich making the props. The next meeting of the Department will be their installation, to be held June 19 at the Tow Path House in New Hope, Pennsylvania. Mrs. Clarence Hall will make the corsages for the installation.

Hadassah Reception

A "Champagne Reception" in honor of the newly-Elected officers of Springfield-Hadassah will be held on Monday, May 28 at 8 p.m., at Temple Beth Ahm. Mrs. Albert Schwartz will be the installing officer with Mrs. David Schwartz heading the slate as President.

The Traditional annual end of the year report will be given by Mrs. Irvin J. Gershen outgoing president.

Mrs. Nathan Sherman will present the Life Membership Awards.

Mrs. Paul Deltz, will present awards to the following members for exceptional fund raising during this year, Mesdames; Edward Hollander, Ben Katz, Irving Levy, Sam Lubarsky, Milton Mintz, Harry Korobow, Dave Pustilnik, and Mrs. David Schwartz will receive a Solid Gold Chai Charm.

The following women have received over \$75 and will receive a solid gold chain in addition to the gold charm. Mesdames Sol Allen, Fred L. Braun, Paul Deltz, Irvin J. Gershen, Joseph Menkin, Harry A. Miller, Nathan Sherman and Dave Sugarman.

Entertainment by Ruzel Scott, noted for her Israeli, Yiddish and English song presentations.

SPRINGFIELD COUPLE IN BERMUDA: Among those enjoying a holiday in the mid-Atlantic resort islands of Bermuda are Mr. and Mrs. Edward F. Reibold, Jr., of 5 Redwood Road, Springfield, who are guests at The Ledgelets in Somerset. They are spending two weeks in the colony before returning to the States on May 18th, traveling via Pan American World Airways. Mr. Reibold is associated with the insurance firm of Lyon & Lyon in Newark.

Women's Clubs Praised For Scholarship Efforts

Elliott F. Pachtman, president of the Union County Chapter of the American Cancer Society, has announced that through the cooperation of the Junior Membership Department of the New Jersey State-Federation of Women's Clubs, the New Jersey Division will have over \$9,000 to spend for providing scholarships for work in the field of cytology.

High school graduates, who have completed six months of training in Exfoliative Cytology previous to January 1, 1960, are eligible for the examination on subsequent completion of two years of full time experience in Cytology. Candidates, whose training started after January 1, 1960, must have two years of college; six months of training in cytology and six months of full time experience in cytology in an acceptable laboratory.

The Executive Committee of the Division has approved an allowance of \$600 for training with an additional \$450 toward living expenses during the six-month apprenticeship period can be granted. Application blanks are available on request to the American Cancer Society, New Jersey Division, Inc., 621 Central Avenue, Newark 7, New Jersey.

The Junior clubs of the NJS-FWC throughout the state have been collecting funds for this project under the direction of the Project Chairman, Miss Louise Lumino (389 Fulton Avenue) Jersey City. A check for the amount was presented at the annual meeting of the Junior Membership Department, held at Atlantic City, May 12, at which Miss Evelyn P. Colgan, of North Arlington, chairman of the department, presided. It was accepted by Dr. Joseph I. Eickson, chairman of the division's special cytology committee, on behalf of the New Jersey Division. Following are the amounts contributed by the various junior clubs: Connecticut Farms, \$100; Cranford, \$30; Elizabeth, \$75; Fanwood, \$100; Plainfield, \$35; Scotch Plains, \$50; Summit, \$500; Westfield, \$100.

Sorority Picnic

The final event of the season for the Northern New Jersey Alumnae of Chi Omega Sorority will be a picnic set for Friday May 25 at 12:30 p.m. Mrs. L. D. Barney of 14 Heller Drive, Upper Montclair will be hostess to the group-in-her-home. Mrs. Kenneth LaVoy and Mrs. D.R. Dahlberg, Upper Montclair are co-hostesses. All alumnae are invited to attend and may call Mrs. Barney at PL 6-8217. Recently announced was the selection of Mrs. Keith Renard of New Providence as the delegate to the Chi Omega National Convention. Mrs. Renard is chairman of the Night Owls, the evening alumnae group.

HUGH D. CLARK, former Westfield Dodge Dealer for over 17 years, is now associated with Charles G. Meierdierck, Jr., of 214 East Broad Street, Westfield, as a sales agent. Mr. Clark is a member and past president of the Rotary Club of Westfield and, as a resident of Westfield for over 22 years, he resides with his wife Fola, at 815 Mountain Avenue in Springfield and has a son who is a Senior at Gettysburg College.

80 Gaudineer Students Enjoy And Learn At Stokes Forest

8th Graders Exposed To Conservation And Other Woodland Knowledge

OH BROTHER!—Stewart S. Mulvihill, teacher at Gaudineer School, and one of the organizers of the Stokes trip, stands in his classroom early Thursday morning surrounded with heaps of luggage. Baggage was handled by the eighth graders under the direction of Michael Deltz and Rich Cinquina. Approximately 200 pieces were loaded and unloaded.

GUARDIAN—Louis Ceitami, one of eight parents acting as chaperons is seated with Peter Lawrence on left, and Jim Bender on right. The role of the chaperone was that of aiding the instructors on the field trips and managing a small group at night in the cabins.

CO-DIRECTOR—Gaudineer teacher William Pfeifer, co-director of the field trip is pictured at dinner with some of the students he teaches eighth grade social studies. Pfeifer has been on the school faculty for four years. He has gone on the one other trip to Stokes last year. Pictured with Mr. Pfeifer are Michael Deltz and Howard Heerwagan. In the background are Marilyn Learner and Mrs. Winifred Yuckman, a chaperone. Three full course, well balanced meals a day were supplied for the three day stay.

Three days last week in Stokes State Forest with teachers of Springfield's Gaudineer School added up to an unforgettable experience in outdoor education for 80 eighth grade students.

Host of the program was the New Jersey State School of Conservation, Dr. John Green, professor at the school, also took part along with the other teachers in the study project.

The effort, which had its origin last year under Stewart S. Mulvihill's direction, was devoted to the areas of science and social studies. Working along with Mr. Mulvihill again this year was William Pfeifer, social studies teacher, and for the first time, Roger B. Gawe, a new teacher at Gaudineer, who instructs in mathematics and science.

Bulk of the program was devoted to four field trips: Field trip 1 on conservation with Dr. Green, field trip 2 with Mr. Pfeifer, field trip 3 on soil chemistry with Mr. Gawe, and field trip 4 on geology with Mr. Mulvihill.

The conservation study consisted of a survey of the natural resources of the state forest and the school of conservation including the identification of trees and shrubs. The trip was a hiking expedition around the school campus.

Field trip 2 was an experiment in human relations in connection with the establishment of a community. It also involved a problem dealing with terrain and its use by the community. Finally, this experiment demonstrated to the student the necessity of self reliance combined with common sense in meeting the basic needs of survival.

The social chemistry trip concerned the relation of plants to pH and basic taxonomy, determining the plant types found in areas of varying pH and taxonomic studies of the flora in the school area.

The geology trip was visits to Tillman Ravine, where the formation of a "pothole" 10 feet deep was viewed, "Buttermilk Falls," where pupils experienced a climb up a cliff 300 feet high and slid down its lower portion, and a view from Sunrise Mountain, which has a 1,683 foot elevation. Other study sessions on a selective basis were ecology, philosophy, and astronomy atop Sunrise Mountain.

Hebrew services were conducted Friday night in Vesper Glen by pupils James Bender, Ira Piller, Steven Tasher, and Maxine Fried.

This was followed by a campfire social in Big Timbers dining hall, Gretchen Purkhiser, Linda Reisberg, and Cheryl Boyle, students, rendered a short-story reading of "The Monkey's Paw." Group singing, led by Mr. Gawe, and group-participation games

REPEAT PERFORMANCE—Somerset Bus driver Tom O'Conner pictured at the wheel during Stokes outing: This is the second go-around for Tom who coped with the problem of old hours, narrow bridges and repeated trips for the three day stay at Stokes.

under the direction of Joseph Bender, parent-chaperone and Board of Education member, were also on the agenda.

After motion pictures on forestry and conservation, shown by the State School in Kittatiny Hall Saturday night, square dancing was done in Big Timbers under the direction of Karl Schneck, a former Gaudineer teacher, and his wife, Beatrice, who served as "caller." The birthday of Mr. Schneck, who is now principal of Delaware Valley Co-operative School in nearby Millford, Pa., was observed. Another highlight was the birthday celebration of Ruth Smith, a pupil who was 14 years old last Friday. Her parents, Mr. and Mrs. Edward P. Smith of 35 Profit Avenue provided refreshments served at the end of the program.

A non-sectarian devotional sunrise service at Sunrise Mountain was held Sunday at 4:30 A.M. Sixty-five students voluntarily attended. Students and chaperons who wished it were taken to Mass Sunday morning.

Other memories are: the golden tones of Edward Halper... a course in the use of cabin fire extinguishers by William Gold and Daniel Ginter... a lesson on how to down-teachers, given by eighth graders under the direction of Dale Lawson, who launched Mr. Pfeifer and Mr. Mulvihill bodily from the boat dock... the girls managing to find time to give their hairdos a fast "tease"... the thoughtful visit of Superintendent of Schools and Mrs. Benjamin Newschwager... Old Sol shinning the entire time and causing the thermometer to rise to 102 degrees... sleeping bags all looking alike when they were to be sorted... heavy clothing never used... boating... chaperons' round-up before count-down... the count-off accomplished in 33 seconds... And bugs, bugs, bugs!

The school provided fine cabin facilities and wholesome, well-balanced meals including fresh milk from farms in the area during the stay. Dining hall policy was "as much as you want." The food was prepared and dishes washed by school employees while the students, taking turns, were responsible for table set-ups, delivery and serving of food, and the clearing of tables.

Eight parents accompanying the group served as chaperons. They were Mr. and Mrs. Joseph Bender, Dr. and Mrs. Ben Yuckman, Mr. and Mrs. Louis Ceitami, Mrs. Edward Landrigan, R.N., and Mrs. A.D. Boyle.

Mr. Mulvihill, a graduate of Montclair State College, is an eighth grade science teacher. He has been at the school two years and is studying for his master's degree in taxonomy at the Montclair college.

Mr. Pfeifer, also an eighth grade teacher, has been a member of the Gaudineer faculty four years. He was graduated from William and Mary College with an A.B. degree and is completing his master program at Rutgers next month.

A science major at Montclair State College, who was graduated in 1960, Mr. Gawe is now working on his master's degree in science. He taught a year at West Orange Junior High School before joining the Gaudineer faculty this past year. He had a National Science Foundation Grant Fellowship in the area of physical chemistry at the Illinois Institute of Technology. He researched in a field of organic chemistry with the work, under the supervision of Dr. Werner Brandt, professor at the school, soon to be published.

The responsibility of all expenses connected with the trip were assumed by participating pupils.

Slides and movies taken on the trip will be shown to these students and their parents June 13 and 5 P.M. at Gaudineer School.

An evaluation period concluded the Stokes program with chaperons, students, and teachers taking part.

Hope of the teachers was that everyone would learn at least one thing from his outdoor experience. Most brought home many more!!!

SO LONG GANG—Howard Smith, Springfield Board of Education President waves farewell to students boarding buses for Stokes trip. Left to right; Jim Bender, Steve Apter, Ted Cunningham, Dave Yuckman and Barry Fulmer.

NOT EVEN UNION SCALE—Eighth grader Randy Sarokin at work in the Stokes dining hall as a "Cruiser." The function of the "Cruiser" is to help with the food, set the table, scrape the plates and clear the table once the meal is over. Other jobs delegated amongst students at mealtime were "servers" and "pourers".

While this year's trip to Stokes Forest was a little more exciting, and a little more populated than last year's initial excursion, faculty members, students, and parents are already looking forward to next spring when, in all probability, the three day course in nature will again be attempted at Gaudineer School.

Roger Gawe

Stewart Mulvihill

WHAT A VIEW!—Mouths opened as one group reached the peak of Sunrise Mountain. The 1,683 foot elevation gave a bird's-eye view of the Branchville Reservoir and many miles of surrounding Sussex County farms. Left to right; Mike Deltz, Randy Sarokin, Daniel Ginter, Judy Steinhodd, Judy Rendler and Harold Hansen. (Photos by Dick Schwartz)

IN TRANSIT—Somerset bus creeps over Stokes bridge just wide enough for the vehicle during field trip to Tillman Ravine and Buttermilk Falls. Large bus, small roads and bridges led to a thrill for the students.

Large Crowd Attends Beth Ahm Dedication

Impressive dedication ceremonies of the new Temple Beth Ahm building were held last Sunday and in spite of the warm weather about 900 people, members, relatives, friends and invited guests, were present to witness the dedication program.

Maurice Friedman, General Chairman of the Dedication Committee, presided. Following an organ prelude by Mrs. Arthur G. Williams and a welcome by Mr. Friedman, the invocation was pronounced by Rabbi Elvin I. Kose, of Temple Beth Shalom, Union. Cantor Irving Kramer and the Temple choir then sang the traditional "Mah Tov" ("How Goodly Are Your Tent").

The impressive ceremony of the kindling of the Ner Tamid (Eternal Light) was then performed by Rabbi Reuben R. Levine, the Temple's spiritual

leader; Manasseh Mendelsohn, Sheldon Fried and Jonathan Williams, son of Dr. and Mrs. Arthur G. Williams.

The Ner Tamid, a beautiful and unique object of Jewish art, was created by Maxwell Chayat, a resident of Springfield.

Upon the sounding of the Shofar by Rabbi Levine a Torah procession followed. The Temple's Torahs were transferred from the old building to the new.

The procession was led by Cantor Kramer and Leonard H. Garber, Chairman of the Building Committee.

Bearing the four Torahs were Meyer Biddelman, Ralph Feldman, Paul Karlin and Sol Levitt, who were escorted and followed by the officers and trustees of the Temple, the members of the Building Committee; Saul Marder, president of the Men's Club, Mrs. Sidney J. Stein, president of the Sisterhood, Isaac Freedman, ex-trustee, and Levi Ness, principal of the Religious School.

At the Dedication of the Ark, Mrs. Sidney J. Stein opened the Ark curtain, a beautiful and colorful creation by Joachim Loeber, of Westfield. The Cantor, choir and congregation participated in the regular Torah Service.

A Dedication Prayer was pronounced by Rabbi Max Gruenewald, of Cong. B'nai Israel, Millburn. The Ark was closed by Saul Marder, president of the Men's Club.

At the Key Ceremony that followed, Percival Goodman, designer of the building, made a brief address. Leonard H. Garber, chairman of the Building Committee, then presented the key of the new building to Milton Kappstatter, president of the Temple. Rabbi Levine spoke and led the congregation in responsive reading.

NEW HOME FOR WILLIAM G. CHIRGOTIS, ARCHITECTS: Nearing completion at Mountain Avenue entrance to General Greene Shopping center, Springfield. Architectural firm will occupy 4,000 square feet office space, fully air conditioned.

Chirgotis Firm To Move In Its New Building Soon

The William G. Chirgotis organization of architectural design, now located at 80 Morris Avenue, Springfield, hopes to move soon to the new modern office building nearing completion at the Mountain Avenue entrance to the General Greene Shopping Center.

July 1 has been set as the target date for occupancy but Mr. Chirgotis will not plan to move the organization until everything is completed.

The Chirgotis organization will occupy the entire 4,000 square feet of the new building where all the drafting and architectural work will be carried out. The new building will also serve as offices for management of the General Greene Village, one of the Township's garden apartment operations belonging to Mr. Chirgotis and his other properties.

The Chirgotis organization has been operating from 80 Morris Avenue, constructed for the specific purpose of housing the work of the growing architectural firm. But in the 4-1/2 years the firm has outgrown the facilities in the present building and the new offices were planned for the sole use of the Chirgotis organization.

The new offices have been designed by Mr. Chirgotis to growth and expansion of the architectural practice, and the management of the General Greene Village apartments and other apartment projects by Mr. Chirgotis which, when completed, will total in excess of 800 apartment units under his management and control.

Mr. Chirgotis is conceded to be one of the leading architects

Deborah Installation

The annual Mother's Night Dinner and Installation of the Suburban Deborah League was held Tuesday evening, May 15 at the Alpine Caterers, Maplewood.

Serving on the Mother's Night committee with Chairman Mrs. Milton Friedman, were the Mesdames Gilbert Wolfe, Richard Shipman, Sanford Resnick, Ira Rose, Howard Kaplan, Sherwin Goodman, Edward Segal, Marvin Mainheimer, Don Kirschner, Roy Roberts, Bert Bruder, William Leflein, Ed Corey, and Sandor Kessler who gave the invocation.

Mrs. Milton Friedman was installed as the new President for the 1962-63 year.

Other new officers are the Mesdames Robert Feld, Don Kirschner, Morton Goldberg, David Brecker, vice presidents; Aaron Goldberg, John Mause, Murray Watson, Gilbert Wolfe, Howard Kaplan, Otto Korf, secretaries; Howard Stegal, treasurer; Ira Rose, historian; Ed Corey, membership retention, and Gordon Hyde, David Feldman, Jerry Blum, Edward Bitman, Sidney Faber, trustees; Mrs. Allen Borsky, a former president, presided as Installation Chairman.

Mrs. Alvin Schneider, incumbent president, awarded Clovers and Workers Pins for outstanding service and achievements in the organization. Discs and diamonds were also rewarded to members.

NEW BROTHERHOOD OFFICERS: Temple Shalom of Springfield, at its first breakfast meeting in the new Temple building, installed the following new officers for the Brotherhood: Seated, left to right: Milton Perick, treasurer; Leo Newman, president; Jesse Halprin, vice president; Standing, left to right: Albert Schenfeld, custodian; Solomon White, secretary on the program for the morning was Ruby Goldstein, championship prize fight referee, who discussed "Great Fights I Have Refereed". Mr. Goldstein, who recently refereed the tragic Paret-Griffith fight, enlarged upon the problem of ring fatalities. A discussion period afterwards drew further interesting stories from the speaker's supply.

"Miss Methodist Student Nurse" EVANSTON, Ill. (UPI) — Betty Sue Austin, a senior in the school of nursing at Methodist Hospital in Memphis, Tenn., has been selected "Miss Methodist Student Nurse of 1962."

The winner was chosen on the basis of scholastic achievement and dedication to a Christian vocation. She thus becomes the symbol of all the young people preparing themselves for service in Methodist health and welfare agencies.

WEDDING LORE by Marge McGevna

The bridal veil is symbolic of the privacy of married life, but to the bride-to-be it's her last chance for concealment. Ever after, she is an "open book" to the man she chooses.

Every bride is just as selective about the dress for the occasion and we "aid and abet" her with the largest collection of unbelievably beautiful dresses, made to sell for \$200 and more, but yours for prices from \$39.95 to \$125. Your secret too, can be assured because your selection is made in the complete privacy of my bridal house. For a personal appointment just call Marge McGevna, BR. 6-6625.

CIBA Pharmaceutical Company 1937 1962

 Twenty-five years ago CIBA Pharmaceutical Company opened its doors in Summit and became a part of the local community scene.

 There were five buildings, 98 employes, and a solid confidence that this area of the Garden State was a good location for business. Summit and the surrounding communities in Morris, Union, and Essex Counties afforded many assets. These included employment skills, recreational areas, fine educational and cultural facilities, and stable government.

 This original community confidence has been rewarding. The local municipalities have continued their individual sound, diversified growths while CIBA has also grown in this environment. And as the local population increased, CIBA Pharmaceutical Company's physical plant in Summit grew to 30 buildings, and the number of employes rose to 1200. These people come to work each day from 120 nearby communities and return home with an annual payroll of over \$11 million.

 Out of CIBA's laboratories have come important cardiovascular and related drugs, antihistamines, hormones, tranquilizers, sedatives, stimulants and even a drug for leprosy. These accomplishments, together with the discoveries of many other pharmaceutical companies in New Jersey, have earned the State the title "Medicine Chest of the Nation."

 But CIBA, like the area in which it resides, is not content to rest on the past. This month, as part of its three-day 25th anniversary celebration, CIBA is dedicating a \$2.7 million research center which will speed the time from the discovery of a new compound to its availability on the pharmacist's shelf.

 Through its twenty-five years of growth, the Company has attempted to carry out its responsibilities in the community. Executives and employes have been encouraged to take an active part in community life and the Company itself has lent its support to many worthwhile civic, educational, cultural and charitable activities.

 CIBA is proud to be a part of the community family, and is looking forward to the next twenty-five years with confidence and enthusiasm.

**New Jersey people from 120 towns
come to work at this Summit plant of CIBA Pharmaceutical Company.**

WEEKLY EDITORIAL COMMENT

This Is Being A Good Neighbor

Springfield, the community with a big heart! That sounds like a trite, hackneyed, worn-out bit of mish-mash but it's very true as far as Springfield is concerned.

What triggered this sentiment was the wholehearted response by the residents to the recent appeal for help when Police Officer Joseph Roessner was killed while chasing a speeder in Meisel Avenue.

Springfield was asked to contribute to a fund for the widow and children of this policeman and the response was quick and warm.

APPROXIMATELY \$8,000 -- WAS SENT IN BY SPRINGFIELD.

Of course, it is difficult to measure or grade the results of such appeals or fund drives for worthy causes -- but Springfield must pat itself on the back with pleasurable pride for having always responded when the chips are down.

Springfield opened its heart and rushed in with a total of more than \$8,000 when 17 year old Herman Speisbach fell off his bicycle and was in a coma for months. He died after many months of suffering at home.

Only months ago Springfield residents again displayed that big heart by contributing \$3,257 for Lindy Lee Brown, suffering from an incurable disease.

Very few towns show the same eagerness to help their neighbors as Springfield but, then again, very few towns have citizens like Saul Freeman.

Saul Freeman is a Springfield business man who needs every bit of energy and time to conduct the affairs of his own office.

But there isn't a worthwhile cause -- a needy case -- a civic program -- which doesn't find Saul Freeman ringing door bells, making phone calls, heading committees, taking abuse and doing a bang-up job.

It was he, Saul Freeman, who launched the fund drive for Officer Joe Roessner the day after the accident occurred. He was the wheeler and dealer in the whole project, sending letters to all residents, all industries -- to everybody.

He collected the dollar bills in the mails, the checks and money from block and other group campaigns. He made the deposits in the bank, picked up all the loose ends, and then, with justifiable pride, handed Mrs. Jacqueline Roessner a check stamped with the heart of Springfield.

It was also Saul Freeman who guided the Lindy Lee Brown appeal for funds. It is Saul Freeman who is Civil Defense Director in Springfield -- a thankless but important job which he has blown up to importance because of his tireless efforts and devotion to civic duty.

It is also Saul Freeman who is Grand Exalted Ruler of the Springfield Lodge of Elks -- secretary of the Springfield Chamber of Commerce, head-of-every-committee where there's some real job to perform, and the general in-charge of every count down in the Township.

About The Medical Society

The medical profession apparently leaves considerable room for some improved public relations. Not everything seems to come out as even and satisfying as the dramatized Ben Casey and Dr. Kildare TV programs.

The artillery against medicare by the American Medical Association has resulted in some backfiring, and now the Union County Medical Society is attempting to step into the warmth of favorable publicity in the hopes that everybody will forget a rather nauseating experience in 1955 when members of that righteous organization were ordered not to participate in the mass inoculation of Salk vaccine in Springfield.

Paid advertisements have appeared in many communities in Union County, signed as "a public service by the Union County Medical Society" in which the announcement is made that "Oral Polio Vaccine should not be used to immunize isolated individuals during 1962."

The No. 2 announcement says "Salk Vaccine should be used to immunize individuals against polio for 1962."

The final paragraph of this "scare" announcement states that "as the supply of Oral Vaccine becomes more plentiful... the Union County Medical Society recommends that all infants, children, pregnant women and young adults who have not been immunized, be immunized with Salk Vaccine at this time."

We found this "warning" in the Westfield Leader, a weekly newspaper published in that neighboring municipality.

The same announcement was not directed to Springfield -- to Mountainside -- to Berkeley Heights -- to Scotch Plains -- to Fanwood, communities where, we are willing to wager, there are just as many pregnant women, infants and children (in proportion to population, of course.)

Why Springfield and the other close-by communities were ignored in this "lecture of public service" by the Union County Medical Society, no one at the Medical Society offices in Elizabeth wanted to explain.

The Springfield Board of Health doesn't show official receipt of such an announcement by the County Medical Society.

We have no quarrel with the Medical Society. Nor with individual members of the society. Some of our best friends are members and, thank goodness, for their skills.

Doctors don't have to participate in popularity contests; their healing, their smooth, cooling hands can comfort. They don't have to walk through the market places and eat blizzards to prove their devotion to mankind.

But, Springfield, Mountainside, Berkeley Heights, Scotch Plains and Fanwood also have children -- kids who need the protection of immunization against the dread disease, polio, and, if there is a warning to be sounded, the Union County Medical Society has no right to ignore these communities.

We don't mean to adopt a fighting stance in this matter because we appreciate that doctors are dedicated to their professions and often the organized society doesn't speak for the full membership.

But we can remember in 1955 when Springfield had a program to immunize the school children with the inoculation of Salk Vaccine. The Board of Health had obtained a sufficient supply of the vaccine and the Superintendent of Schools set up a series of dates for the mass inoculation.

It was reported that "the Union County Medical Society" issued a directive -- or an order that no member should participate in the Springfield mass program. The Springfield program was finally accomplished with the aid of doctors who courageously interpreted greater public service by participating in the Springfield inoculation program than by following the "hands off" dictum of the Medical Society.

Now, suddenly, advertisements appear in some Union County communities announcing deep concern "for those who should be immunized with Salk Vaccine."

If the recommendations for the use of Oral Polio Vaccine and Salk Vaccine are important enough to other Union County communities -- how can the Union County Medical Society concern itself only with some municipalities and not all of them?

It is regrettable that some members -- not all -- have been shouting socialism every time a new national idea appears on the horizon. The Hippocratic Oath, rigidly adhered to in the practise of medicine by most of the doctors we know, loses some of its sparkle and romance when we remember the 1955 Salk Vaccine program in Springfield.

As if there isn't enough heart-break, grief, and scare regarding the dread disease, polio, a spokesman for the Union County Medical Society further confuses the issue by stating, in a newspaper interview, that "those who take the oral vaccine could infect others, who did not take it, because it contains live virus which could contaminate those not immunized."

Couldn't the physician -- the family doctor give this advice? Or, is the scare program necessary?

What will the position be of the Union County Medical Society when the county wide mass immunization program for oral vaccine is carried out in the Fall?

Springfield prays it won't be like 1955 when the Medical Society kept looking out of the office window while Springfield authorities searched for qualified doctors to carry out the Salk Vaccine immunization program.

Money Matters

By Donald H. Shafarman

This article is one in a series which will regularly appear in this newspaper dealing with investments and financial and estate planning. Periodically, Mr. Shafarman, who is President of Donan & Co., Inc., and a former practicing attorney, will devote a column to answering readers' questions. These may be sent to The Springfield Sun, Springfield, N.J.

Investors whose financial position is such that the possibility of long term capital gain is more attractive than current income or protection against short term market fluctuations, have always been intrigued by the investment potential of "special situations". Nevertheless, these fairly sophisticated professional investors are often unable to define, or recognize, a true special situation.

In an uncertain stock market such as we are now witnessing, investors may be wise to seek out those investments which, for one reason or another, do not conform to industry trends.

Broadly speaking, these are what we may consider special situations. This type of stock would normally be brought in anticipation of some particular future event, the probability of which is deemed likely, but frequently cannot be timed with precision.

The fact that an increase in the company's earnings, dividends or business is expected is not in itself sufficient to make a security a special situation. Some unusual development in the affairs of the company must be under way or in prospect which is likely to result in a higher price for the stock regardless of the action of the market generally.

This unusual development could be one or more of many different things. For example, it could involve a reorganization, new or changed management or material changes in management policies; a technological improvement which may be expected to effect a substantial change in the company's business; litigation which, if resolved favorably, will enhance the value of the company's stock. While special situations are often found in comparatively small companies which are not well known and have not been closely watched by investors generally, they may also involve large, well known companies.

As a word of warning, however, investments in special situations are not for the timid.

The Board Missed The Boat

We wish to thank F.J. Loberge, assistant superintendent of schools of Scotch Plains for pointing out to us that is a state statute that sets the time for voting in school elections and not the Scotch Plains Board of Education. We had thought the Board had permissive power to set the time and we are happy to be enlightened.

However we find one section of Mr. Loberge's letter very distressing. He writes: "I hope... that no further comments in regard to the hours of election are forthcoming in your publication." We think it would be most unwise to close the subject and give up so easily where the precious privilege of voting is concerned.

One of the difficulties of Boards of Education today is that many are content to be followers and not leaders. Many are willing to accept a law, no matter how illogical it may be, and say, "That's the law. Now don't go hounding the Board of Education. We didn't do it and we can't do anything about it."

School officials make a mistake when they do not utilize every opportunity to encourage residents to be inside -- rather than outside -- of their school system.

Although the present law does not presently permit voters to cast their ballots in the morning before going to work as they are able to do during primaries and general elections, there is nothing to say that this inequity cannot be changed.

Today two calls -- to the Democratic and Republican candidates for State Senator -- brought the assurance that each of these men are in favor of granting the same voting privileges for school elections as we enjoy in other elections. Assemblyman Stampler called the present law "weird."

Thus it isn't difficult to make a start towards improving conditions for the residents. All we need is the proper leadership. We should expect this from our Board of Education.

This matter has come up several times before. Mr. Loberge mentions one other time in his letter. If the board members have been aware of the situation for so long, why haven't they done anything about it before. It is all the more reason they should lead the fight for a change in the law.

Why not fight for the citizens' right to vote? A vote is a sacred thing.

Scotch Plains and Fanwood are about to ask its citizens to vote for a school that is to cost close to \$1,000,000. And yet as far as we have been able to determine, nothing -- in time, money, planning, before voters spend \$1,000,000 they are going to ask when is the board of education going to spend some time on their problems.

And one of the biggest efforts that could have been forthcoming -- a fight to give all voters a better chance to exercise their franchise.

It looks like this time the Board missed the boat and they will have a difficult time getting the oar on the next ship at this pace. The Board of Education of Scotch Plains and Fanwood is about

to ask residents to vote for a school that is going to cost close to \$1,000,000. It would seem that so important a question and costly an expenditure should merit the consideration of all the voters. It would have made a lot of voters feel the board cared if school officials had made even the smallest effort to seek a change in the present restricted election law.

The argument that the state, not the Board of Education is not at fault, cuts little ice. Let's not pass the buck.

It looks like our school officials missed the boat this time. And at this rate they may have to try swimming if they don't make some preparation to catch the next one. From here it could seem they haven't even bothered to pick up a timetable.

Junk Fishing

All this week Scotch Plains has been somewhat reminiscent of a great big scavenger hunt. No matter where you looked huge piles of trash and interesting odds and ends of debris were heaped high along the curb.

As we drove about town we would notice, on occasion, a well-dressed neighbor surveying some of the "trash" with an eye towards recovering a washing machine motor, a tricycle wheel, an old picture frame, or an "antique" dresser. But before he -- and sometimes "she" -- ventured out of their car to make the "grab," he would look furtively up and down the road, as if he was about to take on another Brinks job. Then he would fairly leap out of his car, nervously rustle through the trash, select his prey and back into the car again, rev up the motor and off he would go in a cloud of dust and a hearty "Whew! I made it."

Thus many of homes in Scotch Plains today are furnished, in part, by some of the material that used to be the junk of other homes.

All of which goes to show the immense difference in a point of view. As long as we have this type of action, we will always have Democrats and Republicans, and liberals and conservatives, and those who like it with and without mustard.

But it seems a shame that there has to be so much hokey-pokey just to retrieve an old mirror or a brass bedpost. Perhaps we ought to have a "hunter's hour" every now and then during which time everyone would be encouraged to scrounge around looking for "deals" in junk.

LONDON (UPI) -- Tom Poston has been assigned to starring role in the film version of J. B. Priestley's best-selling novel, "The Old Dark House," which will be filmed in England as a co-production of Hammer Films and William Castle Productions. The film will be released by Columbia Pictures.

Governor Livingston Topples Scott In 15 Innings, 3-1; Springfield Bulldogs Drop One To Seeded Mounties, 14-4

Longest In Tourney History?

By Cy James

In what may have been the longest game in the history of the New Jersey State Interscholastic Athletic Association's baseball tournament, Governor Livingston Regional High School of Berkeley Heights defeated Clifford Scott High School of East Orange, 3-1, in 15 innings at Mersel Avenue Field on May 21.

The victory moved Governor Livingston into the final round of the NJSIAA's North Jersey Section 2, Group 2, tournament. The Highlanders will meet Madison High School for the championship next week at a site and on a date to be decided.

There were heroes galore for Governor Livingston's Highlanders in the tension-packed victory over a classy Scott nine. The biggest heroes, however, have to be Jerry DiPasquale, who pitched the entire 15 innings and limited Scott to just three hits, and Lynn Nesbitt, who smashed a game-winning home run in the 15th inning.

DiPasquale was simply fabulous. The squat, senior curveballer was never better as he kept the Scotties scoreless through eight extra innings. Jerry fanned 16 batters and was threatened in the extra innings only in the 13th frame when a pop fly fell behind second base to give Scott two runners on base with two out. He repulsed the threat by fanning the next hitter.

The Highlanders slammed out 14 hits and threatened continually through the extra innings. Nesbitt led off the 15th inning with a towering smash to right center field. Despite a fine relay, Lynn scored easily with the winning run.

DiPasquale drew a walk and moved to second when John Naconechny, the Highlanders' lanky first baseman, lined his fourth hit, a single to center. John Wadas, who had three hits previously, forced DiPasquale at third.

Bill Sawyer then cracked a single to right field, scoring Naconechny, and sending Wadas to third. Sawyer reached second on the throw to the plate. The next two batters were retired, however, without further scoring.

In addition to his three hits, Wadas was a demon on defense. The slender catcher threw out three base runners trying to steal and picked a Scott runner off first base after he had walked to open the 10th inning.

Nesbitt had two other hits besides his homer. Both he and Wadas received intentional bases on balls in extra innings when the Highlanders had a runner at second base and first was open, indicating Scott's respect for their batting.

Naconechny had the biggest day of his career with a double and three singles.

DiPasquale won his fifth game against four losses in the greatest pitching effort of his two year varsity career.

Snead At Tenafly

Sam Snead and Byron Nelson will play an 18 hole Thunderbird Classic Exhibition match on Memorial Day, May 30th, at the Knickerbocker Country Club, Tenafly, Mr. Stephen Musson, Golf Chairman, announced that George Jacobus, golf pro at Ridgewood Country Club, would be the referee.

George Jacobus is well-known in golf history. He was president of the Professional Golf Association, 1935-1939. He founded junior golf in the United States in 1918. He developed Jud McSpaden, Jimmy Thompson, and Byron Nelson. Needless to say, he has earned the respect of all golfers.

Sam Snead has won more tournaments and more money than any golfer in history. He is credited with more than 100 tournament victories and some \$450,000 in official winnings.

He has won three Masters (1949, 1952, 1954); three PGA titles, (1942, 1949, 1951), and the British Open (1946). Only the U.S. Open has eluded him and he has been runner-up in this event four times (1942, 1948, 1949, 1953).

Nelson still has two unbroken PGA records. He once won 11 consecutive PGA tournaments.

League is a Reality

By Dick Schwartz

We don't want to become redundant folks, but even those of you who are not interested in Adult Softball will have to admit that the residents of Springfield who are, have rallied around the ball diamond so to speak in an almost unbelievable spurt of enthusiasm.

As it stands now, the League is ready to begin this Sunday morning with four games scheduled at both the Washington and Meisel Avenue fields. There are four teams who have requested byes and will make up their initial games sometime during the season.

At a Monday evening meeting in Ed Ruby's office, rosters and \$25 entry fees were collected, with the understanding that this money would go toward umpires.

Officers were elected, and Treasurer Vince Altieri had already purchased three dozen balls which, by the way, are sitting under my desk fellas whenever you get the urge to pick them up!

Other officers elected were; Vice President, Ron Gulcher, Secretary, Bert Jones, and President, yours truly, who's wondering where he'll find the time for

the job. While we're saving next Monday evening for a discussion of rules and definite regulations, we briefly skimmed over a few of the more obvious ones in anticipation of Sunday's games.

We have talked Jerry Boryea, of the Fanwood Old Men's Softball League, an organization going back some 15 years, to visit with us next Monday, and give us the lowdown on some of the problems his group has encountered and how they overcame them. All those interested in hearing Jerry should "drop in" at 7 o'clock. There will also be a 'Board Meeting' concerning our own effort.

The cartoon above gives Sunday's card, but in case some of you boys are so overcome by the pictures that your eyes refuse to be moved, we'll give them them to you below.

Bell, Berger Homers Help Dayton Conquer

Last Week was one of excellence for the Springfield baseball team as Bill Kretzer pitched a 5 hitter in a 9-2 victory over New Providence, and Frank Monticello allowed 6 safeties in his second victory over Westfield, 7-2.

The Bulldogs amassed 11 hits, including a home run by Butch Bell, and two doubles by Tony Fevola, as New Providence lost its second game of the season. Regional scored first, as Fevola hit his first double of the day in the top of the first, and Danny Mascaro singled him in. The Bulldogs wrapped it up in the third as Mascaro singled and Bell blasted a two run homer.

In the fourth, Berger singled, Kretzer sacrificed him to second, and Fevola and Denny Francis hit back to back doubles for

two runs. Tony's third hit of the day highlighted the four run seventh inning.

Monticello, who defeated Westfield 2-1 in April, got greater support from his team mates, who rapped 10 hits and seven runs in the 7-2 victory at Meisel Ave. Field. Joe DiMario, Tony Fevola, Danny Mascaro, and Frank Perrelli each had two hits for the Bulldogs, but the big blow was Steve Berger's two run homer that broke the game wide open.

Joe Davies homered off Monticello in the top of the first, but Springfield came back with 1 in its half of the inning. Jack Aggar walked, Danny Mascaro singled and Perrelli singled Aggar in.

Westfield pulled ahead in the fourth at 2-1, but once again

Springfield came from behind in its half of the inning.

Bell led off with a double, Joe DiMario singled him in, and Berger blasted a two run homer well over the right fielder's head. Doubles by DiMario and Mascaro in the fifth inning led to 3 runs and the eventual 7-2 score. Monticello is now 4-3.

The make-up game with Edison Tech, this Tuesday was postponed when the bus carrying the team spent 1 1/2 hours of the sunny afternoon waiting for a substitute bus.

Berkeley Heights PAL Minor League urgently needs umpires for one evening a week duty. Contact Len Wood after 7 p.m. at 464-1158 if you are interested.

Drop Three By Slim Scores

That One Run Margin Hurting Blue Raiders

Winning or losing one-run games can mean the difference between a successful and an unsuccessful season. No one knows that better than the baseballers of Scotch Plains-Fanwood High School.

The Blue Raiders played three Watching Conference games last week and all were decided by one-run margins. Unfortunately for Scotch Plains-Fanwood they lost two of them and also probably lost their chance to finish in the conference's first division.

If the Blue Raiders could have won those two one-run games lost to Roselle and Rahway, they would be tied for third place with Westfield. Instead they are in sixth place with not too bright prospects of going higher.

The Blue Raiders edged Clark, 7-5, before bowing to Roselle, 4-3, and to Rahway, 1-0. The loss to second-place Rahway was a real heartbreaker for "Chuck" Mason who limited the hard-hitting Scarlet nine to three hits. An error helped Rahway break a scoreless tie in the sixth inning. Tony DiNetta was safe on the error and stole second. He scored on a single by Craig Fisher.

A steal of home by Roselle's Harry Whitton gave the Rams the winning run against Scotch Plains Fanwood in the seventh inning. Whitton singled and stole second. He moved to third on a fly to the outfield and then stole home.

Scotch Plains-Fanwood overcame a 2-0 deficit in the third inning and moved into a 3-2 lead in the fourth. Roselle tied the score in the sixth. The Blue Raiders—out hit—the Rams 7-5 but Ken Durrelle's double was the only extra-base blow.

Scotch Plains-Fanwood blew a 5-0 lead against Clark Regional but rallied for two runs in the fifth inning to win. Singles by Durrelle, Tom Rutishauser and Curt Levensgood, combined with a Clark error, gave the Blue

Fund Drive Successful

Bruno Becker, chairman of the 1962 Springfield Junior Baseball League Fund Drive, is pleased to announce that the response to the recently conducted drive has been most favorable.

The house-to-house canvas, now nearly completed as to call-backs, netted approximately \$1500. The final figure is expected to be nearly ten percent greater than that of any previous year.

The response to letters sent to local business houses is somewhat lagging, primarily due to the late date this phase of the drive was started. To date, over

Raiders their winning edge.

Scotch Plains scored twice in the first inning and three times in the second. Clark bounced back with three in the third and three more in the fourth inning to take

a short-lived lead.

Scotch Plains - Fanwood now has a 4-7 record in the Watching Conference. Fifth-place Roselle is 4-6 and fourth place Clark Regional is 5-5.

FIRST ONE—Jack Aggar of Bulldog nine crosses home with Dayton's first run against Montclair in Greater Newark Tournament. The Mounties, top seeded in the affair, went on to win 14-4. (A. Miniman)

Announce All-Star Games

The Springfield Junior Baseball Leagues will play three All-Star games on Memorial Day, May 30th, this season, according to Mr. Bob Wittish, Director of Business Administration. Each of the games will start at two o'clock sharp.

All-Stars of the Babe Ruth League Majors will play at the Gaudinier field. Those picked as representative of the most proficient in the Youth League Majors will play at Washington field.

The Youth Minor League will play at the Sandmeter field. Come out in force to give these boys well earned vocal support. Select the caliber of play you most enjoy—the range is quite extensive—but don't fail to attend one of these games.

\$400 dollars has been received from this source. It is anticipated that all previous goals will met and exceeded.

League officers, managers and each of the many players wish to extend their sincere thanks to the residents of Springfield for their generous support of the league in its efforts to offer a worthwhile program for our young ball players. We feel that the money has been well invested.

Crowd Drawer.

EAST LANSING, Mich. (UPI)—More than a half million spectators watched Michigan State's Spartans play football last season.

RHS Cindermen Likened To Mets

By Gary Falkin

Three cheers! The New York Mets of Springfield have finally done it. After suffering eight consecutive defeats, the Dayton Regional Cindermen have come up with their first victory. The triumph came over New Providence, a team sporting a 0-9 record.

The Trackmen took first places in seven of the thirteen events.

Bob Haas and John Kieffer each won two sprints.

Haas won the 440 yard dash in 55.3 seconds and threw the discus 113 feet and 7 inches.

Kieffer won the high jump with a 5 foot 8 inch jump and the 180 yard low hurdles in 22.2 seconds. He also placed second in the 120 yard high hurdles. Other first place winners were Pete Coan with a 9 foot pole vault jump, Leslie Davis with an 18 foot 4 inch broad jump and Ed Erskine with a 46 foot 8 inch shot put throw.

Henry Sabolak, Jack Everett, Bill Geoghegan, Bob Hartz, Jack Moore, Charlie Roll, Mike Londino, Drew Wuestman, Marc Binstock, Lee Bowman and Steve Bakanowski drew the runner up positions.

The final score was 68-49. In the previous Caldwell meet, the Bulldogs were trounced 79-45. Bill Geoghegan, in the high hurdles, Henry Sabolak in the 100 yard dash, Ed Erskine in the shotput and Les Davis in the broad jump all took first places.

Nine Hole Winners

Echo Lake Country Club's Nine Hole Women's group held their Stroke Play tournament of May 16.

Winners were: Mrs. B. W. Gross, first prize with a net score of 35, Mrs. N. Murphy, second prize with a net score of 37, and third prize Mrs. R.W. Tandy with a net score of 39. Mrs. H.J. Stanley won the lowest putting prize with 18 putts.

AT DINNER—The annual Scotch Plains-Fanwood High School Sports Dinner held on May 21st at the Plains-Fanwood Jr. H.S. was attended by athletes and coaches. Left to right, some of those present were; Robert Adams, Principal, Ray Grauff, Stanley Scarpatti, Bob Stoveken and Coach Ray Schnitzer. (Fred Keesling)

Top Seeded Club Proves Too Strong

By Arnold Miniman

The Dayton Regional baseball team saw its four game winning streak broken as it fell to a superior Montclair nine in the first round of the Greater Newark Tournament, Monday. The top seeded team from Essex County scored three runs in the first, second, sixth, and eighth innings, plus two in the ninth, off 4 Regional hurriers, to gain a 14-4 victory.

The Bulldogs were never in the game, as Montclair rapped starter Bill Kretzer for 6 runs on 6 hits in two innings.

Springfield scored its first run off winning pitcher Paul Gallasco in the bottom of the first. Jack Aggar led off with a single, advancing to second on an error and third on a passed ball. Tony Fevola followed with a walk, and stole second as Jack nabbed home to complete the double theft.

In the third inning Frank Perrelli creamed a Gallasco fastball with Denny Francis on second for a two run homer. Francis had walked and stolen second.

Steve Berger, who paced the Bulldog offense with three blows in four attempts, drove another Gallasco blazer deep into right center for a solo home run in the fourth, making the score 6-4. Montclair, Berger's homer, his second in as many games, ended the scoring for Springfield.

Gallasco and relief pitcher Art Thompson breezed through the rest of the afternoon, as they combined to strike out 13 Springfield batters, while relief pitchers Richie Bittle, Frank Monticello, and Jack Kulaga totaled 9 hits, 1 walk, 1 hit batter, and three wild pitches between them in 7 innings.

The Bulldogs committed 6 errors in the nine inning contest, although the outcome would have been the same, if not as disastrous, if the miscues had not been made. Montclair was too strong, as its 15-4 record, established against fierce competition, indicates. Rich Sevrin and Jack Aggar each contributed two hits to the nine hit attack of Springfield.

The varsity is scheduled for 5 games this week. They are host to Summit Wednesday, and Edison Friday, plus a state tournament contest at Cranford Thursday.

Origin of L.L. WILLIAMSPORT, Pa. (UPI)—The Little League baseball movement was founded in 1946 by Carl Stotz of Williamsport, Pa.

Plainsmen Repeat On U.C. Cinders

WINNING HALF MILE—Mike Bradley of Scotch Plains-Fanwood High School, is about to pull up after taking the 1/2 mile event at the annual Watching Conference Track and Field Championships held in Clark on May 17th. Blue Raiders won meet with a total of 59 1/4 points.

Winning five individual championships, smashing two meet records and tying a third, Scotch Plains-Fanwood High School easily defended its Watching Conference track and field championship on May 17 at Clark.

The Blue Raiders, scoring in all but one of the 13 events, piled up 59 1/4 points to easily outdistance runnerup Westfield which tallied 39 1/2 points. Springfield Regional finished eighth in the nine-team field with 83 3/4 points.

Steve Harris, sophomore miler, clocked off a 4:34.5 minute mile to break the former record by more than five seconds. "Chip" Sweeney was third in the mile and another Blue Raider, Bill Hansen, was fifth. Bill Edwards topped the 180-yard low-hurdles in 20.5 dur-

ing a preliminary heat to set a new record by one-tenth of a second. Bill tied the former record in winning the final. Marcellous Reed was second and Sylvester Major—third as the Blue Raiders swept the first three places.

Reed won the 120-yard high hurdles after tying the record of 16.4 seconds in a preliminary heat. Edwards finished second to complete the Blue Raiders' domination of the hurdles.

Haywood Gipson set a school record in the javelin when he tossed the spear 199 feet, 2 inches. Scotch Plains-Fanwood Coach Ray Schnitzer changed Gipson's throwing style and it paid off as Haywood upset Westfield's Jim Kovacs, the Union County Conference champion. Teammate "Mickey" Donovan

BREAKING THE TAPE—Scotch Plains-Fanwood High School's Sylvester Major crosses finish in low hurdles. Major came in third in this event behind Raiders Bill Edwards and Marcellous Reed.

finished fourth.

Donovan gave the Blue Raiders more points when he finished second in the discus. Bob Hoffman of Westfield broke the record set last year by Scotch Plains-Fanwood's Art Swarts in winning with a toss of 161 feet.

Ernie Coles was another Blue Raider to score in two events, placing second in the 220-yard dash and fourth in the 100. Mike Bradley of the Blue Raiders won the 880 when the pre-meet favorite, Westfield's Dave Coleman, switched to the 440 and won it. Bradley won in 2:04.4 minutes. The Raider's Blue Thompson was fifth in the 440.

Thor Jensen and Bill Lott of Scotch Plains-Fanwood shared in a three-way tie for fourth place in the high jump. Union County Conference champion

Paul Burcz was off form in the pole vault and finished in a four-way tie for fifth place.

Burcz' Blue Raider teammate, Richie Smith, finished in a three-way tie for second place in the vault. Pete Tiesbier rounded out Scotch Plains-Fanwood's scoring with a fifth in the shot put. The Blue Raiders were shut out of the scoring in only the broad jump.

John Keefer accounted for most of Springfield's points with a third in the high jump and a fourth place in the 180-yard low hurdles. The Bulldogs' Bill Geoghegan tied for fourth place in the 120-yard high hurdles.

Bill Coan of Springfield finished in a four-way tie for fifth place in the pole vault. The Bulldogs' Ed Erskine was fourth in the shot put.

Raiders Capture Arlington Track Meet

Scotch Plains-Fanwood High School captured its second major track and field championship in three days on May 19 when it beat out 18 other schools in the 16th annual North Arlington Booster Club meet in North Arlington.

Coach Ray Schnitzer's Blue Raiders piled up 37 points to edge Clifford Scott High of East Orange by three points. The Raiders won despite the loss of "guts" additional points when the hurdles races were not included in the program. This event is one of Scotch Plains-Fanwood's strongest.

Three Scotch Plains-Fanwood athletes won individual championships. Sophomore Steve Harris, who won the mile in 4:36 minutes, was awarded a Booster Club trophy for being the outstanding visiting runner. Teammate "Chip" Sweeney was fourth in the mile.

Ernie Coles captured the 220-yard dash in 23.7 seconds, with Sylvester Major finishing second. "Mickey" Donovan won the javelin with a toss of 186 feet, three inches.

Mike Bradley was third in the 880 and Art Swarts second in the discus. Scotch Plains-Fanwood's other points were picked up on a second in the 100 by Springfield and a third-place finish in the mile relay.

FROM FIRST BASE—This is how it looked to Springfield first baseman, Dennis Francis as Dayton reliever Richie Bittle worked against Montclair. Bittle came on to relieve Bill

Swim Lessons
Westfield residents registration for the ten week summer term of swimming classes at the Westfield YMCA will be held on June 6th at 9:15 a.m. Out of town registration will be held on June 13th at 9:15 a.m. Residents in grades 4 and up will not be required to register for this term of classes. Non-residents and residents in grades 1 to 3 will be required to register. Swimming instruction classes will be on a twice a week for five weeks basis. Two entirely separate sets of classes will be conducted, one set to start the week of June 18th, the second set to start the week of July 23rd.

Classes will meet on Monday and Friday for boys grades 1 to 3 and Wednesday and Saturday for grades 4 and up.

Fun swims will be held three times a week for an hour.

Springfield Baseball
(CONTINUED ON NEXT PAGE)

MAJOR DIVISION
Last weeks results: Channel 2, Elks 2; Morris Motors 5, Haydu 4; Elks 3, Morris Motors 1; Haydu 4, Angeltons 3.

Team	W	L
Channel	3	0
Morris Ave. Motors	3	2
Elks	3	2
Haydu	2	4
Angelton	1	4

On Wednesday, Morris Ave. Motors came from behind to top Haydu 5-4 in a well played game. Tompkins, Haydu, Monticello, and Jensen were the big bats for Motors. Ken Devore was the winning pitcher. Scheupner, Argyris and Heady were the top performers for Haydu. Heady, catcher for Haydu, played a strong defensive game.

On Saturday, the B.O.P. Elks beat the Morris Ave. Motors in a close 3-1 game. Ken Max with Rich Freedman relieving in the 7th inning held the opposition to four hits. Two were collected by Frank Haydu. The Elks collected seven hits. Mark Muller and Bob Costanga each got two.

BABE RUTH MINOR
Last week results: Bunnell Bros 8, Gem Shoes 5; Lions 7, Park Drugs 5, Gem Shoes 12, Lions 8; Park Drugs 5, Drexel Cleaners 4.

Team	W	L
Bunnell Bros.	4	1
Drexel Cleaners	3	1
Gem Shoes	3	1
Lions	2	5
Park Drugs	1	4

After absorbing three defeats, and looking like a last place ball club, PARK DRUGS pulled themselves together and upset previously undefeated DREXEL CLEANERS, 5-4. The determined PARK crew, lead by George Buczek, their newly elected team captain, and steady pitching by Ray Heiser, turned back numerous threats by DREXEL in a close, exciting game. Some spectacular catches were made in the outfield by the PARK players and Dom Favrizio, with his best catching effort to date, was also responsible in producing the upset. This was a team victory in every sense of the word.

Mountainside Ball Pleads Its Cause

Mountainside Baseball wishes to inform the parents, friends, and citizens of the borough that our house to house campaign for funds fell far short of expectations.

The revenue received from this drive supports the only form of recreation provided for our boys and girls in Mountainside. We have no tax supported recreation department to accommodate the needs of growing youngsters.

This is the interested citizens way of providing for one of the Cardinal Principles of Education; "Worthy use of leisure time."

If you have been, "by passed" by one of our junior citizens in the campaign, and can realize the many boys and girls serviced by Mountainside Baseball please mail your contribution to Mr. Arthur Blitwise, Treasurer, 1347 Stony Brook Lane, Mountainside, N.J.

Shuffleboard Possibilities

Last summer the Union County Park Commission built two very fine shuffleboard courts in Briant Park on the Springfield side of Briants Pond; just off Springfield Avenue on its southerly side opposite middle Avenue, back in a shady corner of the Park.

Rustic Benches and tables and rest room facilities have been added. While the Commission erected the courts, equipment is necessary such as scoreboards, disks, and sticks.

If enough persons are interested, temporary loan of this equipment can be had thru contact with Harold A. Sonn of 105-C Troy Drive, Troy Village, Springfield, but it would help considerably if players could provide their own sticks as soon as possible.

This sport is delightful, is growing with leaps and bounds, as witness the fact that the National Championships are to be held this summer in New Jersey at a shore point.

Persons interested are asked to phone Mr. Sonn at Drexel 9-

Bain, Fish, Excell Highlanders Have Outfielders Also

Like most of their Highlander teammates this season, outfielders Larry Bain and Frank Fish of Governor Livingston Regional High School's baseball team have been playing in the shadow of Lynn Nesbitt, the squad's top-notch third baseman and leading hitter and slugger in Union County.

Frank and Larry took over the spotlight, however, in the Highlanders 5-4 eight-inning victory over South Plainfield High School on May 18.

Bain singled home the tying run in the sixth inning and drove in the winning run in the eighth with another single. Fish had three hits, including his first home run, and scored the Highlanders first two runs.

Nesbitt also played an important role in the victory with a run-scoring triple and a single as the Highlanders battled back from a 4-1 deficit in the third inning.

Fish singled and Nesbitt tripled to put the Highlanders in front in the first inning. South Plainfield exploded on sophomore southpaw Bob Heuer for four runs in the third, two of them on a homer by Bob Hipp.

Fish singled and Nesbitt tripled to put the Highlanders in front in the first inning. South Plainfield exploded on sophomore southpaw Heuer for four runs in the third, two of them on a homer by Bob Hipp.

Fish homered in the third and Bill Sawyer singled home a run

in the fourth. In the sixth, Sawyer walked, stole second, and scored on Bain's single. John Wadas set up the winning run with a single. John Wadas set up the winning run with a single. Sawyer sacrificed him to second and then Bain singled him in.

Heuer settled down after the third-inning blasting to blank S. Plainfield over the final five innings. Bob posted his fourth victory in an undefeated season as he hurled the Highlanders to their eighth win in 13 games.

Thomas Jefferson High School of Elizabeth, which has upset three seeded teams to gain the final of the Union County tournament, handed the Highlanders their most decisive setback of the season on May 14.

The Tee Jays exploded for three runs in the fifth inning and seven more in the sixth in walling Governor Livingston, 12-2. The Highlanders were limited to four hits, two by Nesbitt. Jerry DePasquale was the losing pitcher. He hurled well for four innings, trailing only 2-1 but was routed in the sixth inning.

DePasquale lost his fourth game. He also has won four. The Highlanders were slated to resume their bid for the unofficial Summit Area championship yesterday in a game at New Providence. Governor Livingston was to play at Chatham today.

B. H. League, 2nd Week

The Berkeley Heights Adult Recreation League continued into its second week with fine pitching continuing to be the highlight. Monday Esso continued their winning ways by beating Team Six 5-2. Al Geiger picked up his 2nd while Walt Fitzgerald suffered his 2nd loss. Bistis and Jamison hit doubles, Bistis and Deputy hit triples and Harry Pappas hit a two run homer for Esso, while Pete Romano doubled for Team Six's 2nd run.

Wednesday the Eagles came from behind to beat the Braves 5 to 3. Calleeo winning his first game and Festa losing his second. A double and homerun by Shuback and a triple by Petrone were enough only for 3 runs as the Braves left 9 men on base.

Thursday Rehels continued its winning ways downing the Jaycees 8 to 3. Gregory picked up his 2nd victory while loser Youngs is now 1 & 1. Rightfielder Durand was the big gun for Rehels hitting two homers while Testa, Rehels, & Gregory hit doubles, Masini doubled and Youngs tripled for the Jaycees but they couldn't overcome Rehels' 5 to 1 lead.

Plan Picnic

A picnic for college students would ordinarily bring to mind a softball game, athletic competitions, and hot dogs and hamburgers and beverages.

All these are planned by the Evening Session Student Council at Union Junior College, but there will be one added ingredient—games and contests for young children.

Tie For Fanwood League

In this week's play of the Old Men's softball league of Fanwood, Poplar defeated Coriell 10 to 9; Marian defeated Willoughby 5 to 3; and Shady Lane defeated Russell 11 to 8.

Led by the slugging of Larry Watts, Ed Pigott, John McCormack Poplar defeated Coriell 10 to 9. George Schumacker went the route to be the winning pitcher, Herb Nielsen and John Marshall had two hits each for the losers.

Marian won its second consecutive game by beating Willoughby 6 to 3. Bob Peters with a home run and a single, George Gorham with two doubles and Jerry Boryea with a triple and double led the hitting attack for the victors, Ken De Milt was the winning pitcher. J. Niedzwiecki had two hits for the losers.

Shady Lane defeated Russell 11 to 8. Dave Stewart and Kurt Uchok were the leading hitters for the victors, Sheldon Anderson was the leading hitter for the losers.

Monmouth Closes Field On June 1

Nominations for the Tyro, The Regret Handicap and The Lamplighter Handicap, to be run during Monmouth Park's forthcoming summer meeting, will close at midnight on Friday, June 1, General Manager Edward J. Brennan reminded horsemen today.

The Tyro, a \$20,000 added race for two-year-old colts and geldings at five and one-half furlongs, will be run Saturday, June 16.

The Regret Handicap, \$20,000 added for fillies and mares three years old and up at six furlongs, will be contested Wednesday, June 16.

The Lamplighter Handicap, \$20,000 added for fillies and mares three years old and up at six furlongs, will be contested Wednesday, June 20.

ON THE GREEN—Scotch Plains Country Club was the scene of the Union County Golf Tournament held on May 15th. Pictured above are the representatives of Dayton Regional High School. RHS placed 9th in a field of 14 teams at the annual event. Pictured left to right are: Bruce Silverman, Mike Mitterhoff, Jim Crowley and Rich Muller. (Fred Keesling)

'Y' Track Meet Sat.

The New Jersey YMCA Track and Field Championships will be held this Saturday (May 26) at Brookdale Park in Bloomfield, New Jersey. The Westfield YMCA runner ups in last years championship are again expected to field a strong team. Other teams entering are last years winners Orange, Oakwood, Colgate, Branch, Orange Central, Montclair and Jersey City.

Independent Dave
HOLLYWOOD (UPI) — David Niven says he will never again become a contract actor. Niven says that for his first 15 years in Hollywood he was under contract to Sam Goldwyn — eight of them under suspension. Now Niven says he'd rather work picture-by-picture, getting in touch with producers he feels have a good picture coming up. At present Niven is co-star in Columbia Picture's "The Best of Enemies."

Record Knockdowns
HOT SPRINGS, Ark. (UPI) — In a fight at Hot Springs in 1902 between lightweights Battling Nelson and Christy Williams, a record 49 knockdowns were scored. Williams was down 42 times; Nelson, seven.

Pools Open May 26th

The outdoor swimming pools, sand beaches and refreshment stands at John Russell Wheeler Park, Linden, and Rahway River Park, Rahway, will open for the 1962 season on Saturday, May 26, at 12:00 noon it was announced today by The Union County Park Commission.

Both pools will also be open on Sunday, May 27, at 12:00 noon. During the week of May 28 the pools will open each day, except Memorial Day, May 30, at 2:30 p.m., and on Memorial Day the pools will open at 11:00 a.m. Starting Saturday, June 2 and continuing through June 22, both pools will open on Saturday from 10:00 a.m. to 7:00 p.m., and on Sundays from 11:00 a.m. to 7:00 p.m. During the week the pools will be open from 2:30 p.m. to 7:00 p.m., weather permitting. The rates for the 1962 season are: children, 13 years and under, will be admitted free from 10:00 a.m. to noon on weekdays, while children 14 and 15 years old will pay 30¢. Adults (16 years and older) will pay 55¢.

On Saturdays, Sundays and holidays, all children, 15 years and younger, are charged 35¢, and adults, 16 years and older, 75¢. During the season, free instruction in swimming and Red Cross lifesaving classes are offered at both pools.

In addition, the New Jersey State AAU championships, club swims, and various exhibitions have been scheduled.

All bathing activities are supervised by experienced American Red Cross certified life guards.

Reduced Rates For Swimmers

A special group rate for bathers at the Rahway River Park Swimming Pool was recently approved by The Union County Park Commission.

After 6:00 p.m. on any evening of the week, including Saturdays, Sundays and holidays, church, school, industrial, social and civic groups may visit the pool at a reduced rate of \$7.50 for 25 bathers and 30 cents for each additional bather. The pool will remain open to 10:00 p.m.

Qualified life guards, certified by the American Red Cross will be on duty at these times to safe-guard and supervise the bathers.

The pool will open on Saturday, May 26 and will remain open to Labor Day.

Interested groups are requested to contact the Recreation Department of the Park Commission for further information and to make reservations for the swimming parties.

Cup For Canoebrook Golfers

Players in the New Jersey State Golf Association Open Championship at Canoebrook Country Club, Summit, July 5-7, will have something extra to shoot for this year. To the winner will go the magnificent new Badenhausen Cup — a permanent trophy emblematic of victory in the state's No. 1 golf championship.

The cup has been donated to the State Golf Association by Carl J. Badenhausen of Short Hills, President of P. Ballantine & Sons, New Jersey brewers. As a perpetual trophy, possession of the Badenhausen Cup will remain with the State Golf Association, but will be displayed at the winner's clubhouse each year.

George W. Davidson of the Forest Hill Field Club, President of the State Golf Association, hailed the gift, said: "Mr. Badenhausen has done golf a great service by donating a cup. We, of the State Association, sincerely appreciate his action."

PBA	0	6

Crestmont's Azarniec pitched and won his own game with a home-run in a thrilling game over previously undefeated Rotary. Rotary played excellent ball but couldn't cope with the opposition's timely hitting. In the Crestmont - PBA game five runs in the fifth inning enabled Crestmont to gain its sixth win. Bobby Catapano pitched excellent ball, being aided with a home run by brother Mike.

Farm League "A" Standings

	Won	Lost	Tied
White Sox	4	0	1
Tigers	3	0	1
Cardinals	1	4	0
Cubs	0	4	0

Cardinals Enter Win Column
Sparked by a 3 run homer by Steve Isaac the Farm League A Cardinals chalked up their first win of the season by a score of 12 to 4 against the Cubs. Pitching chores for the winning team was shared by Bob Shamo, Tom Zemla, Jim Wolkin and Jim Schon. Dave Benzing kept the cubs in the game with a two run double in their 4 run inning but a fine play at the plate by Jim Wolkin nipped the rally in the bud.

Leaders Tie
Top position in the Farm A league remains unsolved in spite of a meeting between the undefeated White Sox and Tigers. An excellently pitched and played game found the score deadlocked at 0-0 after the regulation 4 innings. Neither team was able to break into the run column in extra innings before darkness called the game a tie.

Farm League "B" Standings

	Won	Lost	Tied
Yankees	3	1	0
Orioles	2	1	0
Indians	2	1	0
Red Sox	0	4	0

Yankees Nip Red Sox
A seesaw battle played at Beechwood School on Thursday ended with the Yankees the victors. In spite of an early Red Sox lead sparked by the hitting of Don Wagner, the Yankees, aided by the pitching of Jim Murphy, managed to come from behind to emerge with a 7-5 win.

National League Standings

	Won	Lost	Tied
Phillies	3	1	1
Giants	3	1	0
Dodgers	0	4	1

Brothers Get Winning Run
The top running National League Giants chalked up another in the win column with a narrow 5-4 victory over the Dodgers. Five innings of play ended with the score deadlocked at 4-4. In the last inning however John and Charles Ortleb parlayed back to back hits for the winning score for the Giants. John Spain was a standout, at the plate, for the Phillies with a homerun and a double.

Cowboys, Indians At Scout Jambo

"Cowboys and Indians" on a scale most kids only dream about,

will be a featured event in the annual Union-Springfield "Boy Scout Campo Jambo" to be held next Friday, Saturday, and Sunday, May 25, 26 and 27, in Arcadia Park, Union.

A mock Indian attack on a westward-bound wagon train will be staged Saturday afternoon by Cub Scouts from Springfield and Union. The cubs are busily building props and making costumes for this colorful pageant.

The week-end camping demonstration will get underway next Friday at 3:30 when Scout units from the two towns begin arriving with their gear. Campsites and exhibits will be set up. The week-end will have its official opening at a campfire ceremony shortly after dark.

The campers will rise at 6:45 Saturday morning. Following a breakfast, the troops will compete in demonstrations of Scouting skill.

"Guys And Dolls" At Meadowbrook

A colorful, lightning-paced version of "Guys and Dolls" came to the Meadowbrook Dinner Theatre with comedian Morey Amsterdam and a large cast of guys and dolls adding to their fabulous reputations as entertainers.

The book, adapted from Damon Runyon tales and Frank Loesser's ingratiating 19-bit songs were heartily revived with more star performances than you could find in the heavens on a clear night.

Once again producers Helga & Gary McHugh, Carl Sawyer and Richard Scanga have amassed a first-rate troupe and they come through with bright delivery of such wonderful songs as "Take Back Your Mink," "A Bushel and a Peck," "If I Were a Bell," "Sue Me," "If I Know" and a host of others.

Morey Amsterdam is sensational as good old reliable Nathan Detroit. His comic scenes with Betty Ann Grove as the dim-witted Miss Adelaide, are choice. Miss Grove, like Amsterdam a star of many television programs, holds up her end of the comedy routines to perfection as a runny-nosed stripper in the apocryphal Hot Box Club.

Handsome and personable Stewart Rose in an excellent Sky Masterson. He handles some of the show's most popular tunes with his fine lyric baritone voice.

Nancy Foster, recently of the Broadway musical "Kean," is impressive as Sarah Brown, the Salvation Army girl who is wooed and won by Masterson. Her beautiful soprano voice is mighty easy on the ears and she's delightful in appearance, too.

The entire gang of sleazy card-men and cons do fine work as they're headed by Jack DeLeon. The gent who introduced "Standing on the Corner" in Broadway's "Most Happy Fella", is a sensation on "Sit Down, You're Rockin' the Boat".

Director Donald Burr keeps things moving throughout with a cast which includes; Marie Tomme, Polly Bollister, Molly Sterns, Rita Dorton as some of the "dolls" and Van Stevens, Tom Snow, Don Lawrence, John Felton and Keith Herrington as some of the "guys" with Salvation Army folks, Walter Kelvin and Mary Ellis Wonderle helping with the conversion.

Exercise Quick Kick, a joint training operation held May 7-10, at Camp Lejeune, N. C. More than 40,000 men, 370 aircraft and 70 ships of the Army, Navy, Air Force and Marine Corps are taking part in the exercise, scheduled by the U.S. Atlantic Command.

It is the year's major joint test of the Atlantic Command's conventional warfare capabilities.

Aboard USS Mount McKinley

Marvin J. Heller, aerographer's mate third class, son of Mr. and Mrs. Sidney W. Heller of 99 Remer avenue, Springfield, is serving aboard the amphibious force, flagship USS Mount McKinley, a unit taking part in

GOLF SCORES BETTER THAN PAR—Meyer Biddelman (second from right) accepting check for \$500.00 in behalf of the Jonathan Dayton Regional High School PTA scholarships from Marty Bachrach (second from left) chairman of the Mayor's Day Golf Tournament. Others in photo show John Pitney (left) and Rupert Humer (right). This year's Mayor's Day will be held at Baltusrol Golf Club July 26.

Mayor's Golf Tournament Offers Two Scholarships

The Springfield Mayor's Day Golf Tournament will present two \$250 scholarship awards to Springfield students graduating from Jonathan Dayton Regional High School next month.

The tournament was organized in 1939 by a group of Springfield residents in cooperation with Baltusrol Golf Club for the purpose of honoring the mayor.

Funds derived from the venture are used to further youth activities in the community, and the group has been keenly interested in helping students continue their education.

Marty Bachrach is chairman and John Pitney co-chairman. This year's program will be held at Baltusrol Golf Club on July 26.

The donation brings the total new scholarship awards given through the efforts of the PTA committee to more than \$3,000.

Contributions have been made by business, industrial and other groups in Springfield and Kenilworth.

Recipients of the scholarships will be designated by the school committee of faculty members, headed by the principal, Dr. Randolph T. Jacobsen, and awards will be made at the graduation exercises.

Following are members of the Mayor's Golf Day Committee for the affair to be held at the Baltusrol Golf Club July 26, 1962. The tee off time is 9 a.m. with the dinner at 7 p.m.

General Chairman, Marty Bachrach; Joseph DePalma, ticket chairman, Donald Rotwein, donations; Arthur J. (Pete) Smith, treasurer; Michael Genese, publicity; John Pitney, William Davies, Irwin Weinberg, Frank Cardinal and Sam DeFino.

Big Tax Puff — NEW YORK (UPI) — The U.S. government inhaled \$3.1 billion in direct cigarette taxes last year — enough to pay for the whole 1963 space program, or all state health and hospital programs, or 155,000 new \$20,000 homes, according to the trade publication, Tobacco News.

Kiwanis Club Meets

At the weekly luncheon meeting of the Millburn-Springfield Kiwanis Club held on May 17th, Leonard Blessing, Chairman of the Science Department at Millburn High School addressed the club on "Community Life in England". Mr. Blessing, a recipient of a Fulbright Scholarship spent a year in England recently as an exchange teacher. Also present at the luncheon, commemorating National Police Week, were Chief Frank Stoeckle of the Millburn Police Department and Chief Wilbur C. Sclander of the Springfield Police Department.

The Board of Directors of the club announced on that date the election of Roy Seruto of Short Hills as Second Vice President; George Carhart and Dr. Jerome M. Horowitz were elected to the Board to fill unexpired terms. It was further announced that

support will be continued for the American Field Service program in Millburn for the coming year. On May 21st, the Millburn-Springfield Kiwanis Club will celebrate their annual Charter Night at the Chanticleer. This affair celebrated each year as a birthday party to commemorate the receipt of the Charter from Kiwanis International affirms the club's continued support in community affairs dedicated to the theme of "Building through Individual Responsibility." Lawrence Palmeter will preside at the Charter Night.

Pack #73 Gets Awards

Springfield Cub Pack 73 final monthly pack meeting of the season was held at St. James Auditorium, Wednesday night, May 16th. The following members received advancement awards as listed:

SILVER ARROW: Peter Bam-

burak, Joseph Giacini, George Dozowski, Dale Yadosky and Stephen Sergi.

BEAR BADGES: Robert Farrah, Robert Planer and Martin Skuya.

GOLD ARROW: Patrick La Quaglia and Martin Skuya.

DENNER: Charles Cavley, Arthur Veglia, Kenneth Higgins, and Paul Del Vecchio.

ASST. DENNER: Peter Del Vecchio.

In addition to the above the following four (4) members received their coveted patrol Del awards: Kevin Porter, Ronald Porter, Robert Planer and James Coyle.

Conference Representatives

At the annual conference, Saturday, of the Metropolitan Chapter of the National Hem-

ophilia Foundation at the Waldorf-Astoria Hotel, New York, the Central New Jersey League was represented by its President, Robert E. Manner and Treasurer, Louis A. Abbott, both of Plainfield, also Arthur A. Manner of Berkeley Heights, a delegate, and Mrs. Manner, and Dr. Murray Milsbaum, assistant professor of medicine, at Seton Hall School of Medicine.

One of the principal speakers was Congressman James J. O'Hara of Michigan. He said the work of the National Hemophilia Foundation had helped him meet a personal problem, three of his seven children being afflicted with hemophilia. Another featured speaker was Dr. Henry J. Jordan, chief of the hemophilia section at Lenox Hill Hospital, New York.

Dayton Students Attend Teen-Age Safety Conference

On May 2, five students from Jonathan Dayton Regional High School attended the fifth annual teen-age safety conference held this year at the McManus Junior High School in Linden, New Jersey. This annual conference is sponsored by the school safety committee of the Union County Safety Council, the Union County Department of Education, and the New Jersey State Safety Council and is beneficial in bringing about greater awareness of safety procedures among New Jersey's youth.

The conference opened this year with a general session during which time the group was addressed by Mr. Harold Wisnna, the conference chairman and guidance counselor for Linden Public High Schools, and other officials of the Union County School System. At the close of these opening speeches, the film, anatomy of an accident, was shown which pointed out clearly the tragic results of careless driving. Afterwards the group broke up into smaller blocks to discuss the many responsibilities youth

has in regard to civil defense, safe driving, school accident prevention, and power boating.

Lunch was then served, and in the afternoon the conference resumed with a special program on fire prevention and control in the home, school and community, presented by the Linden Fire Department. At its completion, the group once again broke up to discuss the previously mentioned topics. Then at the closing of this conference, the results of these discussions were given and the participants urged to carry back to their individual schools the vital lessons that they had learned.

The delegates from Dayton Regional, under the supervision of Mr. Peter Scocca, were: Bob Kirk, Jack Appar, Drew Wuestman, Bruce Ledig, and Alan Preston, and I'm sure that the

other delegates were as impressed with the conference as I was. The idea that has stayed the freshest in my mind in regard to this program, is that safety is, assuming increasing importance in our hurried lives; and that we, the teen-agers, as the future citizens should be fully aware of the problems involved in safe living; through the application of safety principles and knowledge essential for safe living.

Learn and Earn - NEW YORK (UPI) - Tutoring others to tootle a flute earned extra money for one Barnard College student last year.

More than half the students worked while they learned, the college reported. Other jobs included those of hat-check girl, baby-sitting, selling, working in hospitals.

Mrs. Hinze, Sr. To Be Feted On 80th Birthday

Mrs. Anna Hinze of Springfield, wife of the late William C. Hinze, Sr., were honored at the Blue Shutter Inn, Union, New Jersey on Friday evening, May 18, 1962.

On hand to enjoy the festivities were her seven daughters and their husbands: Mr. and Mrs. Arthur Lamb and Mr. and Mrs. William Wagner of Springfield; Mr. and Mrs. Max Beliner of Irvington; Mrs. Florence Fleck of Albuquerque, New Mexico; Mr. and Mrs. John Reindl of Menominee, Michigan; Mr. and Mrs. Robert Mayer of Cranford; and Mr. and Mrs. Donald Toddings of Brick Township; and Mrs. Hinze's son and his wife, Mr. and Mrs. William Hinze, Jr. of Murray Hill.

Also in attendance were her sisters: Mrs. Gertrude Smith of Newark; Mrs. Elizabeth Sauer of Irvington; Mrs. Helen Brennan of Bloomfield; her brother, George Vaupel of Newark, and brothers-in-law, Mr. Edward Duab of Union; Mr. Charles Hinze of Newark; and Mr. Edwin Sauer of Irvington. Mrs. Hinze also has a brother and sister-in-law, Mr. and Mrs. Harry Vaupel in Phoenix, Arizona.

Her nineteen grandchildren and fifteen great-grandchildren were on hand to enjoy the party, and to enjoy the party.

Mrs. Hinze was born in Newark, the daughter of Mr. and Mrs. George Vaupel. Upon her marriage on September 6, 1901, she moved to Irvington "in order

to rear her children in the country."

In 1923, the family moved to Springfield. She spends her summers at her home at Lake Hopatcong. She is known for her many trips across the United States, and notes the many changes that have taken place in traveling since 1933.

The late Mr. Hinze was a tool and diemaker with the Westinghouse Electric and Manufacturing Company of Newark for forty-three years. He was known for his contributions to Thomas Edison in the days of the first recording machines, his performance on the piano during the first radio broadcasts of Westinghouse and his work on the first talking pictures.

Mrs. Hinze has had a happy and fruitful life and is in constant demand, not only by her children, but by her great-grandchildren.

Teenage PARTY by Myra Elliott

The Spring Concert held on Friday night, May 18th, at 8:30, turned out to be a huge success. The music was beautiful and everyone that attended the concert enjoyed it.

The two offices of the student council that were not filled last week - the treasurer, and P.T.A. Representative are now filled. The treasurer of the student council is Bobby Haas and the

P. T. A. Representative is Andrea Reed.

The Future Teachers of America Club had a cake sale on May 22 during all four lunch periods at Regional. They made out very well money wise.

We find in the art department at Regional, that quite a few of our seniors will be furthering their careers in Art in the next

few years. The students and the schools and colleges they are taking are as follows: Renee Koplick to attend Douglass as a liberal art major, Barbara Chodas to Pratt Institute as an Art major, Lorraine Reitz, Newark State College as an art teacher, Russel Cliff, Glassboro State College as an art teacher, Mary Falcone to Pratt as an art major, Judy Grabraz to Ringling as an art major, Jim Crowley to Washington University as an art major, and Bonnie Breier at Pratt also as an art major.

Caps and gowns, must be paid for on Friday, May 25th to home-room teachers. The price will be \$4.00. Don't forget to have your money in promptly on Friday.

All Seniors who will graduate this June will receive three (3) tickets for relatives or friends.

Ellene Mazier of 19 Lenape Rd., Springfield and a sophomore at Regional had a sweet sixteen party on May 20, at her home. Guests from Springfield were Meryl Joffe, Ilene Simon, Pam Blafar, Roni Weinberg, Teri Goodman, Roz Cillon, Renee Koplick, Carole Devinsky, Diane Spiegel, Linda Hammer, Karen Simon, Gail Labowitch, Joyce Kurtz, Lynn Yanowitz, Stephanie Fischer and Robbi Bachrach.

Ginny Mertz of 91 Irwin Street, Springfield, accompanied her sister on a trip to Williamsburg, Virginia on the weekend of May 19th and 20th. Ginny is a Junior at Regional.

If there is anything interesting you have done and would like it published in the papers, please get in touch with me at this Number DR 6-7510.

'Maggie' Set For Mill

"Maggie", starring Betsy Palmer in the musical based on J.M. Barrie's "What Every Woman Knows" has settled in for a successful run at the Paper Mill Playhouse in Millburn. The show, which opened Tuesday evening to an enthusiastic capacity audience, may go to Broadway next season. It will play at the Westport Country Playhouse after its Paper Mill run.

In addition to the favorable reception accorded Miss Palmer,

other members of the cast including Claudia Morgan, long time Broadway star, and Stuart Damon, received acclaim. Others in the top flight cast who performed superbly are John Griggs of Englewood, Lovelady Powell, Jamie Ross and Bryan Herbert.

El Dorado Swim Club Appoints Jerry Brooks

El Dorado Swim Club (formerly Colony S.C.) of Livingston, has announced the appointment of Jerry Brooks as Manager of the Club. Jerry, his wife and 3 children presently reside in Livingston. An alumnus of Weequanic High and Newark State Teachers and presently teaching in the West Orange School system, Jerry brings a versatile and diversified experience to the El Dorado Swim Club. The past six years, Jerry has served in various capacities in swim clubs in New Jersey. Ranging from Pool Director to Management. As a past graduate of the Red Cross Aquatic School with a water safety instructor's rating, Jerry runs a carefully supervised pool.

It promises to be a really wonderful year at El Dorado Swim Club with the accent on service and fun...fun...fun!

TOWNSHIP OF SCOTCH PLAINS NOTICE

At a regular meeting of the Board of Adjustment of the Township of Scotch Plains held at 8:00 P.M. in the Municipal Building, Scotch Plains, N.J., on May 17, 1962, the following decisions were rendered:

Recommended Township Committee grant permission to Ralph Barattucci, 1972 St. 22, Scotch Plains, N.J., to construct an addition onto second floor of existing one-family house, contrary to Section 19 (a) of the Zoning Ordinance, said property being located at Lot 17, Block 59, 1970 Rt. 22, Scotch Plains, N.J.

Granted permission to Mary H. Chamberlin, 2028 Hilltop Road, Scotch Plains, N.J., to erect an addition onto her residence at Lot 3, Block 295B, 2028 Hilltop Road, "A-3" Residence Zone, contrary to Section 19 of the Zoning Ordinance.

Granted permission to Joseph A. DePaul, 2185 Mountain Avenue, Scotch Plains, N.J., to erect a porch onto rear of house at Lot 11, Block 93, 2185 Mountain Avenue, "A-3" Residence Zone, contrary to Section 19 of the Zoning Ordinance.

Denied application of Isadore Pampaloni, 37 Sandra Ct., Westfield, N.J., for permission to erect a two-story addition to his residence at Lot 10, Block 16, 2408 Mountain Ave., "A-3" Residence Zone, contrary to Sections 9 and 19 (b) of the Zoning Ordinance.

Recommended Township Committee grant permission to Caroline H. Propaner, 7 Mitchell Avenue, Scotch Plains, N.J., to continue operating laundry shop on rear porch of her residence at Lot 7, Block 84, 2059 Nicholl Ave., "A-3" Residence Zone, contrary to Section 9 of the Zoning Ordinance.

Granted permission to Mary Smith, 219 Haven Ave., Scotch Plains, N.J., to erect a covered patio on Lot 2, Block 16, 219 Haven Ave., "A-3" Residence Zone, contrary to Section 19 (b) of the Zoning Ordinance.

Denied without prejudice appeal of Sidney H. Wines, 1441 Martine Avenue, Scotch Plains, N.J., for permission to use portion of his present office space as office space for medical doctors contrary to Section 7 of the Zoning Ordinance, said premises being located at Lot 5, Block 254A-141 Martine Avenue, "A" Residence Zone.

Files pertaining to these appeals are in the office of the Building Inspector, 1589 E. Second St., Scotch Plains, N.J., and are open to public inspection during regular office hours.

Shirley C. Capone, Clerk of the Board of Adjustment, SCOTCH PLAINS TIMES May 24, 1962 Fees: \$3.50

TAKE NOTICE that on the 5th day of June, 1962, at a meeting of the Township Committee of Scotch Plains, the Tax Collector will be authorized to assign the following lists:

Tax Title List #4180, covering Lot 20 in Block 161, Broadway, assessed in the name of Hugh Blackman, to Paul DeFrancesco for the sum of \$588.28.

TOWNSHIP OF SCOTCH PLAINS Helen M. Reilly, Township Clerk, Scotch Plains Times, May 24, 1962 Fees: \$3.50

"Have Time--Will Travel," Say The Ike Freedmans

For almost a quarter of a century residents of Springfield have been in the habit of dropping in at 265 Morris Avenue where Ike and Helen Freedman would sell them a washer for a leaking faucet, give them advice on how to chase crabgrass, suggest an added ingredient for a better chocolate cake and even give out first hand news on what's going on in the home town.

This morning like Ike and Helen will let the alarm clock ring, casually turn it off and go back to reading the morning papers in bed.

Because they are no longer the owners, the sales force and the service trouble shooters at the Springfield Hardware store, 265 Morris Avenue, Springfield, The Freedmans sold the very enterprising establishment, lock, stock and barrel, to William Dieter, of Union, who took possession last night (Wednesday).

The Freedmans came to this country from England and first went to Tennessee, Ike and Helen established the Springfield hardware store in December of 1938 and both of them have been opening up early in the morning and were usually the last to leave at night.

Mr. Freedman has been one of Springfield's most earnest and eager citizens and every civic program has always found him at the front with his leadership and personal activities.

He has participated in many of Springfield's fund drives, helped organize and was president of the Chamber of Commerce. Some friends, although he's not sure today that they were really friends, persuaded him to run for Township Committee a few years ago which resulted in defeat and an unyielding decision not to get mixed up in politics again.

Ike Freedman, as member of one of the early Jewish families in Springfield, helped organize Temple Beth Ahm as the first

Lions Honor

Twelve Regional High School seniors were honored as outstanding students by the Springfield Lions club last Friday night. At a dinner rendered in recognition of their scholastic efforts, these seniors were publicly recognized for achieving high scholastic standards and were presented with certificates of merit by Walter Hohn, head of the science department.

Dr. Randolph Jacobsen, Regional Assistant Superintendent, addressed the group and praised them for their work and for the credit reflected on the school as a result of their work.

He noted that for the first time in Regional history a sister and brother would lead the graduation procession, Joan Mellusso as Senior Class President and Jay Mellusso as Student Council President.

The group honored included Paul Becker, Mike Bracht, Jean Brenn, Mary Falcone, Roberta Finney, Sue French, Deborah Garner, Robert Hartz, Jay Mellusso, Joan Mellusso, Barbara Nadler and Elliot Wortzel.

Get and keep lawn beauty with long-lasting... Agrico GRASS FOOD

Rewarding results will be yours when you feed your lawn with non-burning Agrico Grass Food. The plant food in the free-flowing, nutrient packed granules encourages deep root development and provides grass with an immediate pickup color revival. The 50% organic nitrogen with Urea-Form in Agrico Grass Food supplies a steady, long-lasting feeding that will sustain this renewed grass vitality. For maintaining a thick, healthy lawn that will stay green longer, apply Agrico Grass Food now.

Science Fair At Gaudineer

Gaudineer School, Springfield, will present its third annual science fair tomorrow from 7:30 p.m. to 9 p.m., and Saturday from 9 a.m. until 12 noon in the school auditorium.

The fair will feature exhibits prepared by the sixth, seventh, and eighth grade students as part of the general science program. There are about 400 entries.

The three judges will be representatives of industry and the field of science education. They will be Professor Stephen W. Kowalski, a physical science teacher at Montclair State College; Dr. David Hendlin, a microbiologist with Merck & Co., Rahway; and David Harkness, a biology teacher at the Jonathan Dayton Regional High School.

TERMITES

are flying again. Watch for "Swarms" of "Flying Ants" which come with Spring, shed their wings then disappear. These wood destroying insects cause much damage to property. Buildings not protected during construction usually require it later.

We have specialized exclusively in the protection of property against TERMITES and other Wood-Eating Insects since 1935. We are not General exterminators. Thousands of references are available in New Jersey -- not in some distant state. Our work is GUARANTEED FOR 5 YEARS without additional charge.

For information or Free Inspection and Advice... CALL TERMITE CONTROL, INC. Roselle Park, N.J. TELEPHONES: CHestnut 5-1492 ADams 2-1492

Springfield Jaycees Name New President

Richard Bischof

Richard C. Bischof has been elected President of the Springfield Junior Chamber of Commerce at the annual meeting held May 16, at the Springfield Steel House.

Other officers elected were: James Richelo and Jack Jenkins, Vice Presidents; Jay Bloom, Corresponding Secretary; Kenneth Lancaster, Recording Secretary; and Joseph Visotski, Treasurer.

Mr. Bischof, a past Vice President of the Springfield Jaycees, is a graduate of Regional High

School, Springfield and Grove City College (Pa.) with a B. S. degree in Commerce. He is an auditor with Lybrand, Ross Bros. & Montgomery in New York City. He is a Deacon of the First Presbyterian Church, Springfield.

Mr. Bischof succeeds Bert Jones, current Jaycee President, the chicken, a member of the cat family, is the fastest land animal in the world, having been clocked at speeds up to 84 m.p.h.

"Tell me all about it!" New dress? New baby? Getting all the news, and sharing yours--that's what today's phone service is for. Phoning is such a personal way to keep in touch. New Jersey Bell

WATCHUNG WEEKLY CLASSIFIED

Cub Pack 70 Named Honor Unit Of Year

On Wednesday, May 9th, Cub Pack #70 Mountside was awarded a plaque for FIRST PLACE as the Honor Unit of the Year of District Four, Watchung Area Council, Boy Scouts of America. The Presentation was made to Cubmaster Vincent Warkala at the Annual Recogni-

tion Dinner held at the Westfield High School; District Four encompasses the communities of Fanwood, Scotch Plains, Mountside, Garwood and Westfield.

There are twenty three Packs with 1,691 Cub Scouts in District Four. Last Year, Pack #70 tied with Scotch Plains for First Place for the award, which is an evaluation of the pack according to participation in suggested activities, the number of trained vol-

unteers, attendance at Round Table discussions and charitable and community projects.

Other certificates awarded at this time were: Cubmaster Vincent Warkala in recognition of regular participation at Round Tables; Mrs. Lillian Kakol for outstanding service in the area of training; and C. Snape for regular attendance at district meetings.

Other members of the committee attending the dinner in Westfield were: Mrs. Vincent Warkala, M.F. and Mrs. J. Ross;

Mr. and Mrs. A. Winnicki, Mr. Walter-Benzing-Pack Chairman and Mrs. Benzeng; Mr. and Mrs. David Hart; and Mr. Edw. Zlazny-Secretary & Publicity Chairman.

This year the emphasis had been away from competition among the dens and toward individual achievement. Without the support of the committee and especially the den mothers who gave so freely of their time, this award would not have been possible; the den mothers who led dens for Pack 70 for the past year are: Lillian Kakol, Den 1; Terry Wil-

son, Den 2; Dot Williams, Den 3; Barbara Saloom, Den 4; Betty Casaszar, Den 5; Peg McDowell, Den 6; 'Pete' Ross, Den 8; Ann Warkala, Den 9; Irene Rohr, Den 10, Ruth Benzeng, Den 11; and Sue Methvin, Den 12. Mr. Larry Ortleb and Vincent Warkala took over the responsibility as Den Fathers for the WEBELOS the latter part of the year.

Scout Pack #70 Mountside is sponsored by the PTA of Mountside, Chairman—Mr. Walter Benzeng presented the Plaque to the PTA at their last meeting at the Deerfield School on May 10. The Plaque will be on display at the Deerfield School along with last year's plaque and the Cup that the Pack won in the Scout OLYMPICS in 1961.

REAL ESTATE FOR SALE CRANFORD

FOR THE UP-AND-COMING EXECUTIVE

If you are about two-thirds of the way up the ladder of success, but still several years away from that "Castle-on-the-Hill"; if you want to brush your shoulders with neighbors who are also rising executives, chemists, engineers, editors and self-employed businessmen; if you want your kids to attend a fine school system without worrying about half-sessions; if you want to entertain in a home that will even impress your boss, then you cannot afford to overlook this charming room, Cathedral Split in Cranford's best residential area. Mother-will fill over the enormous 20-ft. x 20-ft. formal living room, modern science kitchen and 15-ft. x 13-ft. master bedroom with attached bath. Two other bedrooms are on the same level for the kids. Everybody will be able to eat their "chicken-every-Sunday" in a full size dining room, and the 32-ft. mahogany paneled Family Room with fireplace will be the delight of everyone in the family. Dad will like the patio and the big 2-car attached garage. . . . And Oh, yes, Mother, we forgot to tell you about the floor-to-ceiling fireplace in that big living room. Also, there are a few extras thrown in—like aluminum storm windows and doors, wall-to-wall carpeting and an automatic water-softener. The price, incidentally, is \$25,900 firm. (No dickering please). The address is 45 Nomahegan Court. Please call the owner for appointment at BR 6-7922.

MOUNTAINSIDE, Ideal location. Split level. Large rooms, 3 bedrooms, 2 baths, formal dining room, Gas H/W heat, 2 car garage. Screened porch and patio. Wooded area. Asking \$30,900. Reasonable offer accepted. AD 2-5529, 466 Force Dr. Open Saturday-Sunday, 2 to 5.

AN INVITATION! One visit is worth a 1,000 words. Beautiful landscaped large split level. Make us an offer in the 30's. You'll be glad you did. ROSKEY.

338 Rolling-Rock-Rd., Mountside, AD-2-8626.

Excellent business accommodations at your finger-tips whether it be the Post Office, a Gourmet Restaurant, or an top notch hair stylist.

Walter Koster, Inc. 409 Park Ave. Scotch Plains FA 2-6363.

Acknowledge Resident Support

Herbert I. Hoer, President and Robert S. Corbin, Chairman of Suburban Trust Company, Westfield, jointly express their thanks to the residents of Mountside for their friendly reception of representatives from the bank.

State and Federal banking authorities granted Suburban Trust Company permission to establish a Mountside office at Central Avenue and Route #22. One of the primary factors in their selection of Suburban Trust Company over three competing institutions was the choice of location. It was their feeling that this area was best suited to serve the most people. Subsequently the existing zoning ordinance (restricted commercial) was amended to exclude a bank.

In an effort to determine public opinion concerning this matter, representatives from Suburban conducted a poll and have been gratified by the favorable response from residents in every part of Mountside, including immediate neighbors of the desired site.

SCIENCE NOTEBOOK

BY HANS KLEIN
UNION COUNTY REGIONAL HIGH SCHOOLS

When in doubt regarding another's action you can mentally put yourself in his place, and thereby arrive at a more understanding viewpoint. This is frequently harder to do than we imagine. First, if your personal feelings are involved you resist abandoning your own position, and second, if the other person has a widely different personality or cultural background you cannot make yourself fit in his place.

But, if understanding human behavior is difficult, understanding animal behavior is much more difficult. We overshoot the mark when we take an anthropomorphic appraisal of animal behavior. In other words we cannot mentally take the viewpoint of, let us say, a dog. Although there may be some common

ground, our senses do not register the same values. It seems hard to imagine what might have esthetic value for a dog for which the olfactory sense has great importance; our awareness of color, for example, would be matched by canine indifference. Dogs, more than cats, have facial expressions, and an owner learns to interpret many of them. Dogs demonstrate definite expressions, and an owner learns to interpret many of them. Dogs

demonstrate definite expressions of guilt, happiness, or anger. But expressions are readily misunderstood, even among humans—especially among humans, since gestures evolve differently according to cultural backgrounds. An interesting example of this occurred in an incident during the British military expedition

into Tibet under Younghusband's command in 1902. A Tibetan peasant encountering a young British lieutenant in the streets of Lhasa stuck out his tongue politely—the customary friendly gesture among the lower classes. The officer took the protruding tongue as anything but a polite greeting; leaped from his horse in a fury and collared the bewildered Tibetan. The more the officer shook and choked the poor Tibetan for his apparent disrespect, the more the peasant extended his tongue thinking the officer was demanding still more respect.

QUESTIONS

1. Is shaking one's head from side to side a universal gesture signifying "No"?
2. Can a person look another straight in the eye and lie?
3. Why do porpoises always show a happy expression?
4. Do animals exhibit group intelligence?
5. Which is able to communicate with man best; dog, cats, pigeons, or parrots?

ANSWERS

1. This calls for a shake of the head, Eastern Mediterranean people, for example, toss their heads upward as a gesture of "No". The best I have become expert at doing just this.
2. Yes. They do not. This is an anthropomorphic interpretation of a real expression of the porpoise.
3. They do not. This is an anthropomorphic interpretation of a real expression of the porpoise.
4. Social insects do so already.
5. Man is specialized into many different kinds of birds, but if they were such things they would be talking through their ears.

\$100 Contribution

A contribution of \$100 has been made to Union Junior College by Gamma Iota Theta sorority to establish the Gamma Iota Theta scholarship. Dr. Kenneth C. McKay, UJC president, said the college's Scholarships Committee will select the recipient whose name will be announced at the annual graduation dinner-dance next month. He thanked the sorority for its generous gift. Funds for the scholarship were raised by the sorority at its annual fashion show conducted in March. Gamma Iota Theta sorority is one of six fraternities and sororities on the Union Junior College campus.

Elected Member

Murray L. Levine of Springfield has been elected a member of the American Institute of Certified Public Accountants. Mr. Levine is associated with Victor W. Goldblat, certified public accountant in Newark.

Scout Awards

Girl Scout intermediate troop #757 of the "La Grande Shack Neighborhood", Washington Rock Council, Fanwood had its Court of awards on Tuesday May 22 at 7:30 p.m. in the Fanwood Presbyterian Church. Mrs. Robert B. Pace, neighborhood chairman, and Mrs. Merchant Slocum, Intermediate Troop Consultant, attended. All members of the troop received their badge for second class rank, and a number of

proficiency badges were given. Members of troop 757 are: Linda Applegate, Judy Bellamy, Deborah Blake, Nancy Brower, Judy Campbell, Beth Cowell, Patricia De Sena, Carol Dunlap, Lynda Emery, Gladie Kamman, Linda Kaplan, Gail Lindrath, Patricia Lotz, Susan Louis, Dorothy Marshall, Elizabeth Marshall, Kristi Thorn, Julie Van Alken, Barbara Wroten, and Lynn Zimmerman.

The leaders are Mrs. John Dunlap, Mrs. John Campbell, Mrs. William Wroten.

Collecting Rocks Is Rotary Topic

'Collecting Rocks' was the topic of a talk by Mr. Bruce Barr, geologist and-minerologist of Plainfield given to the Scotch Plains - Fanwood Rotary Club at their regular Wednesday noon meeting held at Wall's Tavern-on-The Hill, in Watchung, today. In the process of collecting and studying mathematics and philosophy. He went on to explain how these four subjects are related to the discovery, measurement, analysis and understanding of rocks and minerals in the growing science of geology. He stated that time and heat are important elements to be studied in relation to rocks and how they are formed. Demonstrating his points by showing several unique samples and by revealing color and atomic action in rocks through a lighting device he uses Mr. Barr held the club in enthusiastic attention while he spoke of his work. William Hopple thanked program chairman Joseph Gravina for arranging for the program. Vice president Hank Friedrichs announced that there will be no meeting of the club on Wednesday, May 30 because it is the Memorial Day Holiday. Devotions were led by H. Clay Friedrichs and songs were under the direction of Russell Scott.

Jaycee-ettes Plan Meeting

The Scotch Plains-Fanwood Jaycee-ettes will meet at the Southside Firehouse on Thursday May 24, 1962 at 7:30 P. M. A covered dish supper will be held with each girl bringing a sample of her favorite dish and 5 copies of the recipe to be sold. Mrs. Alan Anderson, program chairman, will be in charge. Election of officers will take place during the business meeting. A coffee was held on Saturday, May 19, 1962, at the home of Mrs. Paul Anderson, 115 Forest Road, Fanwood, for members and prospective new members. Hostesses for the evening will be Mrs. Alan Anderson, Mrs. Alfred McEwen, Mrs. Richard Bechtolt and Mrs. Robert Wish.

Polo Twist: One-wheeler

BOULDER, Colo. (UPI)—Students at the University of Colorado are trying to drum up interest in the sport of polo, but they have a new twist to it. They call it unicycle polo. Main requirements for the game are a croquet mallet or hockey stick, a rubber ball on sponge, an old auto tire — and a unicycle. A little imagination helps, too. Ron Warren, a 20-year-old sophomore who studies physics when he isn't out "wheeling," heads an informal outfit in Boulder called Unicycles Anonymous Warren — and his friends originated the game. This spring, they hope to arrange a three-way tournament with the only other unicycle polo teams they know of — clubs at Albuquerque, N.M., and Beverly Hills, Calif.
