

\$20,000. Per Acre?

Springfield is dicker for the purchase of approximately 15 acres of land in the Jenco-Robbins property for a reported sum above \$22,000.00 per acre.

This land is for the public swimming pool and a recreation and park expansion program for the Township.

This land was sold only a few months ago by the Jenco interests to the Lester Robbins Co. for less than \$15,000. per acre, it is reported.

This land was purchased in 1959 for \$109,000 for the full 25 acres by the Jenco syndicate.

The SPRINGFIELD SUN is very anxious to stimulate the momentum already generated in the proposal for a public swimming pool and does not want to throw any roadblock in the present plans, BUT

If Springfield is prepared to spend more than the reported \$22,000.00 per acre, WHY NOT MAKE THAT SAME OFFER TO THE BALTUSROL GOLF CLUB FOR THE VERY SAME RECREATION AND PARK EXPANSION PROGRAM?

Wall To Wall Grass

Baltusrol would give Springfield a built-in public park, with wall-to-wall trees and grass.

The Jenco-Robbins property is mostly filled-in land (from the Garden State Parkway construction job). There's very little or no chance to grow any trees, any shrubs, anything that will give it park appearance.

The site for the swim pool in the Jenco-Robbins land will be next to the Commonwealth Water Company plant, surrounded by the substandard section of Millburn.

And, most important, it will be nestling close to the new federal highway Route 78 -- hardly a location for a municipal park or even a recreation area.

According to the present time schedule, Route 78 construction will start before the end of this year and is expected to continue for many, many months.

How will the work of the bulldozers, the shovels and the construction of the highway job affect the proposed installation of the swim pool by the summer of 1963?

Even if the swim pool were completed by next summer, what could be done with the dust and dirt created by the biting bulldozers and the other road building equipment.

The SPRINGFIELD SUN suggests that an offer be made to the Baltusrol Golf Club for the land needed for the public swim pool and recreation area.

Baltusrol owns approximately 630 acres of land in Springfield. Certainly 7 or even 14 acres sold off for a park, swimming pool and recreation area wouldn't make a dent in their golf club requirements.

Baltusrol has sold 10 acres of its land to the Springfield Board of Education for future school expansion at \$2,500. per acre.

This is peering far into the future of the Township. Baltusrol officials know that utilities and services such as sewers, etc. the School Board will have to make available when and if this property is to be used.

Wouldn't Delay Facility

The swim pool timetable need not be changed. If the Township and the Mayor's Swim Pool Study Committee make an offer to the Baltusrol of organization for the few acres of property needed by Springfield there is a better chance that the facility will be ready for next summer than at the Jenco property.

The same problems of utilities confront the swim pool builders at the barren Jenco property as at Baltusrol where rolling land, trees and grass may be made part of the park and recreation area.

Those few acres in ANY PART OF BALTUSROL NOT BEING USED FOR GOLF would certainly furnish the esthetic approach to a public park.

The Jenco-Robbins property with the water works, no trees, no grass, the rock and road cement fill-in and the Millburn skyline hardly offers what is available at Baltusrol.

Offer Should Be Made

As Madison Avenue says, 'Let's put out the saucer of milk and see what happens.' Baltusrol should be offered that same amount of more than \$22,000.00 per acre for 7 or 15 acres.

No time would be lost in the opening of the public swim pool and Springfield would have a site for park development in the finest area in Springfield, easier to reach and removed from the dust, noise of highways and main thoroughfares.

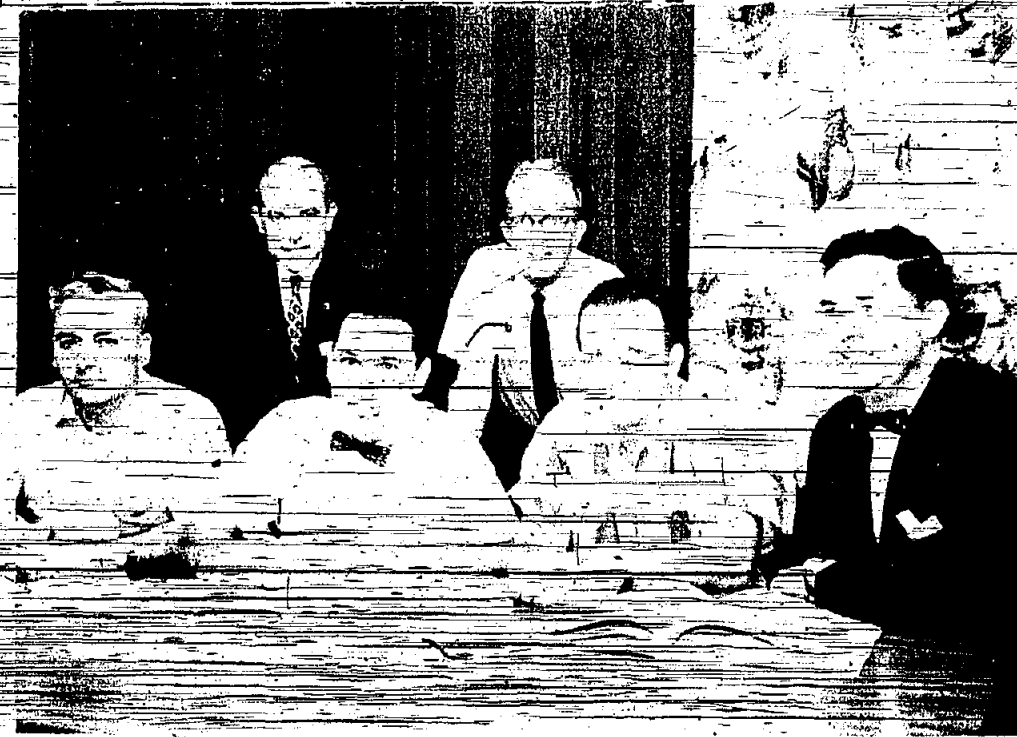

RETURN FROM ROUNDUP--Carol Rutz, 16, of 32 Battle Hill Ave., on left, and Diane Scobey, 15, Fieldstone Dr., both of Springfield, have returned this week from the International Roundup of Girl Scouts in Sutton Bay, Vermont, held every three years, the Roundup, on the shores of Lake Champlain, played host to more than 10,000 campers representing 22 countries.

Let's Open Our Eyes On Urban Renewal Program

By WILL SALESKY

Morris Avenue Merchant Slowly, imperceptibly, but surely, Main Street Springfield is dying an inglorious death. Stabbed by the pointed growth surrounding it, neglected by short-sightedness, and lack of leadership, it bleeds for rebirth and revitalization.

revenue for local communities, the despair and utter hopelessness of independent merchants, the gradual deterioration and unsightliness of business districts which lay at the front door of proud and beautiful residential communities.

to protect existing business interests. This plan, is called Urban Renewal. Many communities throughout New Jersey and the nation are taking advantage of the opportunities it affords.

it or not, at one glance, the appearance of our 'Main Street' reflects in an instant, whether a town is vital or progressive or stagnant and backward.

achievement. It requires leadership and meaningful purpose and a sincere willingness to ease the burdens of anyone adversely affected by it.

Merchants Fight Ban On Parking

Local Police Receive Many 'Thank You's'

Hospitality - northern style - has been appreciated by two residents of Mississippi according to one of the numerous letters of thanks received by Springfield Police Department recently.

A communication, dated July 26, 1962, from H. B. Wellborn & Co., Meridian, Miss., insurance adjusters, reported that Mr. and Mrs. N. F. Irbay of Meridian, involved in an automobile accident in Springfield, July 7, complimented the two officers who investigated, Patrolmen Rees-J. Powell, badge 18, and John Barber, badge 3, as being 'very fine gentlemen' and appreciated the way they were treated by the Springfield Police Department.

Another letter from an out-of-state resident was received by the police department this past week. Written by Mrs. Mary L. Hocker of 928 Nicols Drive, Laurel, Md., it said:

The officer who answered my questions over the telephone was very courteous. Thanks for making a ticket slightly more pleasant. It is reported that Mrs. Hocker had received a ticket for a parking violation in municipal parking lot.

Two local communications were received from Saks Fifth Avenue and Jack M. Slater of 20 Warwick Circle, Springfield. The letter from Saks department store, dated July 13 and signed by George W. Stevenson executive offices, and addressed to Police Chief Wilbur C. Selander said:

I would like to offer our commendation to your department and particularly to the police officers who responded so promptly to our call Thursday night. Their efficient and professional action helped bring about the speedy conclusion to an unfortunate situation.

We would appreciate it if you would kindly inform the officers involved of our high esteem of their actions.

The company representative was referring to an incident involving a Newark juvenile who was apprehended July 12 at the store with about \$300 worth of clothing which he charged with a charge account plate which had been reported stolen in Irvington. The case has been referred to Juvenile Court.

Mr. Slater's letter, also sent to Chief Selander, said: This is just to advise that we are very much appreciative of the wonderful response to the emergency call that we received from the Police Department yesterday. Thanks again for the wonderful service. The communication was received a number of months ago.

12 Hour Meters Now Installed

New meters have been installed for parking in Lot No. 1, corner of Mountain Avenue and Hannah Street.

Those with the red posts have meters good for 12 hour parking and take quarters for the full 12 hours.

Many of the non-paying parkers who had been using the Public Lot No. 1 before installation of pay meters, are now using the No. 2 lot, at the junction of Caldwell Place and Mountain Avenue.

Township officials are watching the situation at this Public Lot No. 2 where merchants are already complaining that too many all-day parkers are keeping regular shoppers from using this lot.

Planning Programs For Young

Carmen S. 'Mike' Catapano, Republican candidate for Township Committee, speaking before a meeting of a group of Springfield residents, pointed up the need for an expanded and intensified youth activities program for Springfield.

Catapano observed that children who participate in this type of program, have neither the inclination, energy or time to become involved in juvenile delinquency problems.

I feel, stated Catapano, if we can keep our kids occupied with scholastic and recreational endeavors, we can keep them out of trouble.

Mike, whose background as director, manager, and coach of the Youth Baseball League and as one of the founders and directors of the Youth Football Program, has had extensive experience with the needs and drives of today's youth.

Catapano continued, the basic relationships and responsibilities which are established and developed in the home and within the framework of the family unit, should be supplemented through the planned recreation program of the township. We are fortunate that a sound basis for an expanded recreational program has been established in our town through the efforts of parents, volunteers and town officials.

We should build on this foundation by initiating a specific program for our female youth and by broadening the scope of the age groups.

My years of association with parents in our recreational activities, concluded Catapano, has given me the personal insight and background required for this expanded recreation program. As a member of the Township Committee, I can foster official action to implement this expansion.

Morris Avenue merchants, whose stores are already barred to shoppers during the best four hours of the day, are vehemently opposed to any plan by State Highway Commissioner Dwight R. G. Palmer which prohibits parking in Springfield's main shopping area.

Mayor Philip Del Vecchio and Township Committeemen Arthur Falkin and Robert Hagedorn traveled to Trenton recently to discuss several Route 78 problems with State Highway Chief Engineer Otto Fritsche.

When assurances were given that the several new highway changes would be considered, Mayor Del Vecchio asked again what could be done to eliminate the exposed trolley rails in Morris Avenue which have been responsible for a great many accidents.

Engineer Fritsche told the Springfield officials that this matter would be up to State Highway Commissioner Dwight R. G. Palmer and that a conference would be arranged.

Mr. Palmer has been adamant in his refusal to resurface Morris Avenue and eliminate the exposed rails unless Springfield prohibited parking 24 hours a day on the Township's main shopping thoroughfare.

There is now a ban against stopping or parking in Morris Avenue from 4:30 to 6:30 in the afternoon and merchants, all along the avenue, say this rule has affected their business considerably since most of these are drivers on their way home from business.

Commissioner Palmer has been ignoring the pleas of the Township officials for many years, refusing, arbitrarily, to consider eliminating the exposed rails unless the governing body agreed to establish an all-day parking ban.

There is no such ban on parking in Madison, Chatham or Union but Mr. Palmer, who has been carrying on a feud with Springfield governing bodies for years, refuses to listen unless the No parking rule is enforced.

As far back as the first Republican administration in Springfield under former Mayor Albert Binder the exposed trolley tracks have been the subject of controversy with Commissioner Palmer.

Mayor Binder refused the 'kill Morris Avenue' by banning all parking and the Democratic administration under former Mayor Vincent J. Bonadies continued to insist that Morris Avenue merchants should not be penalized further by parking bans.

A proposal to widen Morris Avenue, suggested by the Democratic administration about two years ago, met with much favor since the hope was that parking might be permitted at all times if another lane of traffic would be possible.

After many months of engineering survey, nothing more was heard about the widening of Morris Avenue. The report now is that the alignment of the new federal highway Route 78 will take away a great deal of the present heavy traffic from Morris Avenue.

The merchants will ask the present Township officials 'to refuse to capitulate' and 'fight the arbitrary no parking plans of Commissioner Palmer.'

If Route 78 will remove a great deal of the traffic from Morris Avenue, said one of the fighting merchants, 'why will there be need for no parking rules?'

If Mr. Palmer permits parking in Madison, Chatham, Union why does he insist on carrying his grudge against Springfield any further. He's done enough damage.

It requires leadership and meaningful purpose and a sincere willingness to ease the burdens of anyone adversely affected by it.

But a community such as ours, steeped in historic greatness, and modern, in concept, can accomplish anything we want to, if we have the foresight and moral fortitude to get it done. Let us begin by opening our eyes!

## Postman Interested In "Karate" And Jazz Music

Vincent Plaia, 25, of 72 Tinker Avenue, Springfield, is a regular carrier with the Springfield Post Office three years. He is designated a regular utility man with a different job every day, but is not to be confused as a substitute.

A resident of this township the last five years, who moved here from Newark, he is presently interested in "Karate" and expects to receive the Black Belt in the art this September. He was also a former member of a club named the "Nu-Lads," contributing on the electric bass.

VINCENT PLAIIA

and is devoted to jazz with a number of these albums in his collection.

The postman, who is a native of Newark, attended Seton Hall High School, Irvington Vocational & Technical High School, and Newark College of Engineering. For about two years, he was director of St. Ann's C.Y.O. in Newark, which had a membership of approximately 75 teenagers.

He is presently affiliated with the National Association of Letter Carriers.

A weather experience which still remains vivid in Plaia's memory was the Big Snow a few years ago and he recalls it thus:

"Two years ago, when we were hit with all the snow, I was assigned to do the 3:30 A.M. shift. I arrived at work about 3:15 and my partner who was assigned with me was Larry Burns. (Lawrence V. Burns of 24-51st Street, Springfield).

When I arrived at work, Larry was already there digging out one of the trucks to go to Summit to pick up the mail for Springfield. It had snowed all day Sunday and all of Sunday night and was still snowing Monday morning. About 2-1/2 feet of snow had already accumulated on the ground.

Larry and I spent from 3:15 to 5:30 getting the truck out of the drifts, and then another 45 minutes getting to Summit. When we arrived at Summit, we tell us if we had already put in a day's work.

As we walked into the Summit Post Office we asked for the Springfield mail and all they had for us was about 50 pieces of first class mail. Because of the storm, the truck with our mail from Newark was not able to get through.

We arrived back at our office and by then the supervisor had arrived. We told him of our trying morning and with a smile on his face, he said, "Well, why didn't you call first before you went to Summit? Why didn't we think of that?"

Plaia and his wife, Nina, were just married July 14th and spent two weeks in Florida.

## How To Discourage Some Burglars And Prowlers

- If you're leaving home for an evening or extended period of time... HAVE YOU:
1. Cancelled all daily deliveries?
  2. Left a lamp or two connected to an automatic timer, so that your lights turn on at dusk, turn off again at bedtime to create a "lived-in" look while you're away?
  3. Discontinued the newspaper (or arranged to have it forwarded)?
  4. Notified your Police Department and a neighbor as to date of your departure and return?
  5. Left shades or blinds in normal position—not completely closed?
  6. Closed and locked all windows and doors—including the garage?
  7. Arranged to have your lawn cut?
  8. Arranged with a neighbor or post office to hold all mail?
  9. Used pin-tumbler cylinder locks (with a dead lock mechanism) on all exterior doors?
  10. Rented a safety deposit box for storage of all valuables?
- Help your Police Department combat burglaries by following this guide when leaving your home.
- And always report SUSPICIOUS PERSONS—QUESTIONABLE OR DANGEROUS ACTIONS—to your police department by dialing "0" for Operator or phone Drexel 6-0400.

## Hiroshima Service Held In Springfield

A sincere group of about 35 persons attended memorial services in observance of the 17th anniversary of the nuclear bombing of Hiroshima, Japan, in front of the municipal building, Springfield, Monday evening.

Rev. Richard A. Bryan, of the Presbyterian Church of New Providence, and Rabbi Reuben R. Levine, spiritual leader of Springfield's Temple Beth Ahm, were the principal speakers, each devoting the prayer that the "devastation wrought in Hiroshima will not be repeated."

Rev. Bryan, who said he participated as an interested citizen, told the group, "We are not here to champion some new gambit in the cold war... Hiroshima has become the symbol of America's end of innocence... Hiroshima stands as the symbol that we have been capable of treating thousand of individuals as mere pawns in the end of war."

"If we want peace, he added, we must be devoted not to the words of peace, but to the works of peace."

Rabbi Levine said, "As we recall the unleashing of the first atomic weapons we are impelled to become evermore cognizant of the wholesale death and untold human misery that lie within our power to create."

"Tonight we assert that our ability to kill and to destroy has become so great that war no longer can remain an affair of individual men or nations."

Following is the message, signed by most of those present at Monday night's services to Hiroshima:

Remembering with sorrow that

## Address Letters Carefully

# Do You Know There Are 24 Other Springfields In Nation

By MARY-ANN RUBAN  
Circulation Department

If some friend wants to address a letter to you here in Springfield - and doesn't remember to write "New Jersey," it might interest you to know that it might bounce around to no less than 24 other "Springfield" post offices throughout the nation.

Post office employees, underpaid in every branch of the department, do a lot of work and carry out a lot of regulations in an attempt to have that letter reach its destination. Every one of the 24 "Springfields" will be checked before the letter

is finally sent to the Dead Letter Office in Washington.

For instance, if you should send a letter to a friend in Princeton, New Jersey, and the name of the state is either left out or the abbreviation is not clear, it may go to 24 other "Princetons" throughout United States.

The following will give you an idea as to what Postmaster A.V. Del Vecchio and his Springfield post office force must do in following a letter or parcel through the mails.

Mail deposited in street letter boxes is collected and taken to the mailing division in the main post office, or branch post office. Here it is faced, postmarked, sorted, and sent to proper substations for delivery or to trains which will carry it to other cities and states.

In the sorting room there are "facing" tables upon which letters are piled high. Clerk's, grouped around the table, place the letters in a little trough at its edge, with the stamps all facing in one direction.

A moving belt at the bottom of the trough carries the letters to a device which stacks them neatly ready for the stamp canceling machine. The proper place for the stamp is in the upper right corner of the envelope. Letters which have the stamps in any other place are thrown aside and cancelled by hand, thereby causing them to be delayed.

During the sorting, any letters found illegibly addressed or without sufficient address are laid aside for later handling.

Letters unaddressed, mailed without postage, or addressed to a post office not appearing in

the directory, are returned to the sender if the sender has placed his name and address in the upper left corner of the envelope.

Those not bearing return addresses and which cannot be forwarded are sent to the Dead Letter Office.

Sometimes the sender fails to designate plainly the name of the state or if using an abbreviation, such as N.C. for North Carolina may write it in such a manner that it could be mistaken for North Dakota or New Hampshire.

When such a letter bears no return address and is undeliverable because there are post offices by the same name in other states, the letter is held by the postmaster for about one week, and is then sent to the Dead Letter Office for disposition.

At the Dead Letter Office it is opened and if it contains anything of value and there is a complete address thereon, a notice is sent that such a letter is being held for delivery.

If the letter contains nothing of value, it is sent direct to the address found within the letter and a charge of four cents is made.

From the following it will be seen that the task of finding the addressee when no state is named is not always a simple procedure.

Forty names are used 20 times or more each to designate cities, towns and hamlets, large enough to have post offices. They are: Franklin 31, Clinton 30, Chester 29, Arlington 29, Washington 28, Troy 27, Salem 27, Madison 27, Marion 27, Manchester 27, Clayton 27, Glenwood 26, Kingston 26, Newport 26, Ashland 25, Centerville 25, Cleveland 25, Auburn 24, Dover 24, Hillsboro 24, Lincoln 24, Monroe 24, Oxford 24, Princeton 24, Springfield 24, Warren 24, Union 24, Greenville 23, Wilson 23, Belmont 22, Canton 22, Eureka 22, Liberty 22, Millford 22, Plymouth 22, Burlington 21, Lebanon 21, Portland 20, Lexington 20, Jamestown 20.

Letters containing anything of value, when undeliverable, are also held for identification by the sender.

The 24 Springfields are located as follows:  
Arkansas, Colorado, Florida, Georgia, Idaho, Illinois, Kentucky, Louisiana, Maine, Massachusetts, Minnesota, Missouri, Nebraska, New Hampshire, New Jersey, Ohio, Oregon, South Carolina, South Dakota, Tennessee, Vermont, Virginia, West Virginia, and Wisconsin.

# Apartments Only Hope With Land Disappearing

With land for homes rapidly disappearing in Springfield, resistance to apartments - even high rise apartments - is really just a rear-guard action, a hopeless battle against the inevitable, a well known architect said in a New York Times article last week.

There are very few vacant

reference in services for the private residences and the apartment dwellers.

In General Green Village, with 182 families residing there, there are only eight children going to school. Of the 252 families in Short Hills Village there are less than 20, according to the last survey made.

more apartments in Springfield because of objections by home owners in the immediate vicinity of the proposed building. But objections have been offered before and none of the "horrible results" as painted by the objectors ever came to pass.

There was resistance by many against Short Hills Village. It is now one of Springfield's show places and an excellent source of tax revenues.

Those who favor more apartment houses for Springfield argue the need to shift from individual houses to apartments to accommodate the expected population increase.

This architect says that people need light and air and that therefore "we must start building upward." The precious ground, he says, must be preserved for park and recreational facilities.

"Practically speaking," he asserts, "five to six acres of land, if developed with apartment buildings, can accommodate many people."

## No Added Traffic Problem

Always the first and, perhaps, the most important objection to any proposal for the construction of an apartment house in Springfield is the effect it would have on traffic.

Enslay R. Bennett, Jr., traffic consultant for Springfield, appeared as a qualified expert on this subject for Nicholas Angleton who wants to build four high rise apartments in Bloomfield.

Mr. Bennett told Bloomfield officials that "this apartment proposal (Mr. Angleton's in Bloomfield) will have the least adverse effect on traffic in this area."

pieces of property still available as to the number of school children from Troy Village, the Walker Apartments and others who must attend Springfield Schools but the number is reported to be very low.

There are no figures available as to the number of school children from Troy Village, the Walker Apartments and others who must attend Springfield Schools but the number is reported to be very low.

Township officials appear to resist any effort to construct

seventeen years ago today the people of Hiroshima became the world's first victims of the atomic bomb; and in the knowledge that the atomic weapons stockpiled around the world today could turn the four corners of the earth into the desolation that was Hiroshima on August 6, 1945, we here today join our hearts and our signatures in solemn dedication of ourselves to the cause of peace, that no other human being shall ever suffer as did the people of Hiroshima.

Congresswoman Florence P. Dwyer sent a wire to Mayor Philip Del Vecchio which was to be read at Monday services. Mayor Del Vecchio, however, did not attend the services and Rep. Dwyer's statement appears below:

"Please extend at tonight's meeting my wholehearted congratulations to the people of Springfield and their civic and spiritual leaders for the wisdom and moral sensibility which has led the community to commemorate Hiroshima Day as a day of rededication to the cause and pursuit of a just and lasting peace.

"Yet, this cause is of such transcending importance that we must not all our understandable bitterness to lead us to abandon our efforts to find an enforceable way, with nuclear testing, consistent with free world security. Best wishes to all.

## Youngster Of The Week

13 MO. OLD Tyrone Parker is this week's "YOUNGSTER OF THE WEEK". Tyrone is the son of Mr. and Mrs. Alfred Parker III, of 646 So. Springfield Ave., Springfield. The Parkers have one other son, Theodore who is 3 1/2 years old. Mr. Parker is employed by Bell Telephone Labs in Murray Hill. (Portrait by Davron of Springfield)

**ANNIVERSARY CELEBRATION**—Joseph K. Hamryka of 41 Christy Lane, Springfield was the recipient of a diamond-set emblem marking his 30th year of service with the Western Electric Company. In recognition of his long service he was guest of honor at a company sponsored luncheon. He is a machine setter in the Manual Equipment Shops. Mr. Hamryka is a member of the Knights of Columbus, Union Council, and the Stanley S. Holmes Chapter of the Telephone Pioneers of America, an organization of long service to telephone employees.

**RAYMOND A. WILEY** of Drake Fuel Co., Springfield, a local resident who was honored in the historical monograph, "New Jersey Pioneers of Modern Heating" which was recently published. He has been in the retail fuel business for the past quarter century.

## Red Cross Called Upon

The Director of Volunteer Services at John Rannels Hospital for Chest Diseases, Berkeley Heights, N. J., has requested all Union County Chapters of the American Red Cross to recruit Gray Ladies and Men and Nurses Aides for the hospital.

At the John E. Rannels Hospital for Chest Diseases the trend is in the direction of long-term medical care; thus, the demand for Volunteers is extensive. A new 50-bed motel-type nursing home has been started and volunteers will be needed to service this unit.

There are opportunities in volunteer service work with children and adults who are chronically ill. There are also service areas with non-patient contact. No volunteers are being recruited at present in the tuberculosis section of the hospital.

In addition to American Red Cross training, volunteers will be given a special orientation and indoctrination course at the hospital. Volunteers on a regularly scheduled basis will be asked to contribute approximately three hours of service a week. This service can be given evenings and week-ends as well as week days. Junior volunteers sixteen years of age will be eligible for this service.

The Westfield-Mountainside Chapter is anxious to participate in this most worthwhile project and Mrs. Joseph W. Valentine,

Chairman of Volunteers, is asking for volunteers to give a few hours each week.

For more information call the Chapter Headquarters AD-2-7090.

## Art Classes To Start

For those interested in art, there will be two courses given during the fall semester of the Jonathan Dayton Regional Adult School in Springfield.

Stanley Stark, an art instructor in the Springfield School system, will conduct an art class primarily for beginners. Students will experiment with various media.

Basic design and composition will be stressed along with the appreciation and understanding of modern painting.

This course will be held Tuesdays, 8 to 10 p.m. and is called "Art for Beginners."

Lillian Johnson, well-known in art circles for her prize winning sculpture, will be the instructor in the "Art of Sculpture."

## Shell Employees Complete Course

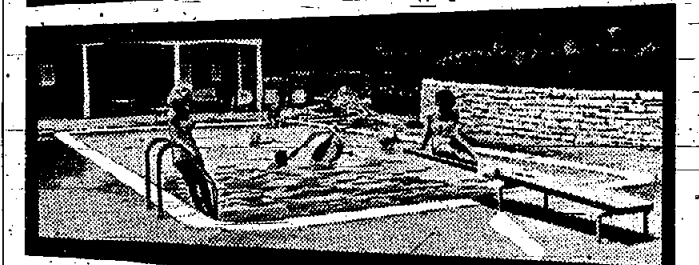

Vytautas I. Cirpulis of 238 Morris Avenue, and John A. Lopez of 165 South Springfield Avenue, both of Springfield, are among 34 employees of the Shell Chemical Company, Union, who have been awarded certificates by the Union Junior College Institute, Cranford, for completing an off-campus course in the "Chemistry of High Polymers."

Individual attention will permit students to work at their own pace, choose their own projects and even select their own media. The use of various methods and materials will afford every student a chance to get the "feel" of sculpture through experimentation. Materials may be ordered from Mrs. Johnson. The course will be given Wednesday, 8 to 10 p.m.

Arnold Paint Co. 1975 SPRINGFIELD AVE. MAPLEWOOD

Mr. and Mrs. Jack M. Slater, of 20 Warwick Circle, Springfield, returned recently from an extended plane and motor tour of the Pacific North and South-west. They visited the Seattle World's Fair, and then went on to San Francisco and nearby Carmel where they were entertained by friends. After a stay in the Los Angeles area they flew to the Sands Hotel in Las Vegas for four days, and completed the trip with week-end visits to their children, Diane 11 and Jeffrey 8, both at camp in Pittsfield, Mass. The Slaters have another son, Mitchell Paul, 20 months.

Mr. and Mrs. Gilbert Wolfe, of 6 Cayuga Court, Springfield, announce the birth of their son, Andrew Alan, on July 25 at Beth Israel Hospital in Newark. The Wolfes are also the parents of a daughter, Barbara, age 3. The children's grandparents are Mr. and Mrs. Morris Wolfe of Newark, and Mr. and Mrs. Louis Karnoff of Passaic.

Today, August 9, marks the fiftieth wedding anniversary of Mr. and Mrs. Isaac Cotler, former Springfield residents for whom Cotler Avenue was named. The Cotlers, who now live in Farmingdale, N.J., are the parents of Springfieldites Mrs. Irving Kramerman, Mrs. Ike Freedman, and Mrs. Elmer Insley. A family get-together is being held today in Farmingdale, and we send heartfelt congratulations on this wonderful occasion.

Robert Rosenblatt, son of Mr. and Mrs. Sidney Rosenblatt, of 45 Christy Lane, Springfield, celebrated his seventh birthday on August 1 by entertaining his friends at home for lunch, and then later at Spring Garden Country Club. His guests were Robert Meisel, Robert Zuckerberg, Mark Schechter, Jeffrey Sarokin, Bruce Waltman, Kenneth Baroff, Ronny Silverman, Brian Ognowsky and brother Ted. Unable to attend were Lewis Klein and Greg Spector.

A daughter, Maureen Ann, was born to Mr. and Mrs. Arthur C. Hecht of 59 Tudor Court, Springfield, on July 3 at Muhlberg Hospital in Plainfield. The baby, who weighed seven pounds, eleven ounces at birth, is the couple's first child. Mrs. Hecht, who is the former Margaret MacDonald of Hillside, is a member of the Springfield Woman's Club.

of 122 Kipling Avenue, Springfield, have returned from a five-week trip to the Pacific Northwest, with their children, Helene 13, and Lewis 7. The Borskys visited Rocky Mountain State Park and the Seattle World's Fair, and Crater Lake in Oregon, where they unexpectedly met Dr. and Mrs. Nathan Vogel of 28 Archbridge Lane. They also spent time in Los Angeles and Las Vegas, before returning home.

# Playoffs To Involve All Eleven Teams

## \$10 Entrance Fee Must Be Paid By 10th

It was decided Friday evening at a meeting of the representatives of the Springfield Adult Softball League, that all eleven clubs that comprise the fledgling organization would take part in the playoffs for first place beginning Monday, August 13.

A registration fee of \$10 per team was also decided upon to be used for umpire fees and trophies awarded to winning clubs.

Thanks to Dave Katz, the boys came up with a playoff ladder giving byes to five clubs: Wesley, Jaycees, Davron, Ehrhardt, and Katz. These teams will sit

out the first round of play that will see the other six squads fighting it out in an effort to move up the ladder.

All playoff contests will be at the Washington Field and all will begin at 6:30 promptly.

The playoff schedule reads this way: Game A, on August 13 will pit Legion against the Mets. Game B on the 14th will match Fischer against the Sun. Game C, on the 15th will see Meeker and Reinette battle it out.

The quarter finals begin on the 16th. At that time the winner of game A will come up against

Wesley. On the 17th, Davron tangles with Ehrhardt in game E. On the 20th, the Jaycees play the winner of game B, and on the 21st, Katz goes up against the victor of game C.

The semi-finals will start on the 22nd with the winner of the Davron-Ehrhardt game and the Katz game locking horns. On the 23rd, the winners of the Wesley game and the Jaycees game meet.

The final contest deciding the top club in the League will be held on Sunday, August 27. Naturally, the two semi-finalists will compete for this honor. This

ON THE BALL.—Mets 3rd baseman Joe Blanda greets Davron player Jim Funcheon, as catcher Whitey Schwerd puts the tag on him during run-down. Davron came from way behind to pull out the game 15-13 in Springfield Adult Softball League play.

game will begin at 1 p.m. at the Meisel Field.

If the above rundown is a bit vague, it is repeated below in chart form.

IT WAS ALSO DECIDED THAT IN ORDER TO BE INCLUDED IN THE PLAYOFF, EACH CLUB MUST HAVE ITS \$10 IN BY THE 10th (TOMORROW). This can either be done through the mail or by dropping it off to Dick Schwartz at the Sun office, 200 Morris Ave.

Next week look for All-Star selections and more particulars on that September 8 encounter with the Fanwood League.

As the regular season draws to a close, we found this action taking place last week. Davron upended the Mets in a squeaker, 15 to 13 after the losers had jumped to a 12-0 lead. Wesley Jewelers edged Ehrhardt Electronics 7 to 6 and Meeker nosed out Reinette, 8-6.

Money Throughout the Ages... a series

YAP MONEY (worth 10,000 coconuts)

Before man's thinking approached such ideas as ease of handling or portability, money was found to go to extremes in size. An example is the stone money of the island of Yap which measures about 30 inches in diameter and weighs about 175 pounds. Imagine the burden of carrying this money around with you!

In our modern age an even greater burden can arise when we find we've overspent our monthly budget. Should this happen to you, take advantage of a low cost bank loan tailored to your needs at...

## Adults To Take Equivalency Exam

Commissioner of Education Frederick M. Raubinger announced today that 924 adults will take examinations to qualify for the New Jersey High School Equivalency Certificate during the month of August. This brings the total to 5,105 for this year.

Centers for the examinations are located at the state colleges at Glassboro, Jersey City, Montclair, Newark, Paterson, and Trenton; at Monmouth College; and at the campuses of Rutgers - The State University in New Brunswick and Camden.

This program was established for the purpose of providing the opportunity for those people who have not completed their high school education to secure a high school equivalency certificate.

A New Jersey resident who has not completed a high school program can qualify for the equivalency certificate by: (1) satisfactorily completing sufficient State examinations in subject areas to total 16 units; or (2) successfully completing the General Education Development test.

Application forms for the General Education Development test may be secured at any local high school office. Veterans who have passed this test in the Armed Forces are eligible for the equivalency certificate without further examination, upon payment of the required fee.

The tests for the equivalency certificate are given each year during January, March, June and August. The final date for filing applications for the January 1963 session is November 30, 1962. This program is under the supervision of Dr. Clyde Weinfeld, Director of the Bureau of Adult Education and Academic Credentials in the New Jersey Department of Education.

## Kennedy Ends Army Course

Army Pvt. William P. Kennedy, son of Mr. and Mrs. P. Kennedy, 1180 Tanglewood Lane, Scotch Plains, recently completed the communications center specialist course under the Reserve Forces Act program at Fort Gordon, Ga. During the eight-week course Kennedy received instruction in receiving, processing and relaying messages by various means of communications. The 21-year-old soldier received basic training at Fort Dix, a 1958 graduate of Scotch Plains High School, Elizabeth, Kennedy attended Monmouth College. He was employed by Merrill Window Service, Linden, before going on active duty.

# Springfield Playground News

Last week the Springfield Playgrounds were busy getting ready for the Springfield Playground Championships to be held this week at Regional Playground. The competition this year offers to be very keen, as the children are all very capable and the spirit is very high. The children are all very anxious to be declared the Springfield Playground Champion in their respective events and be able to represent Springfield next week at the Union County Playground Championships.

**REGIONAL PLAYGROUND**  
Regional Playground was busy last week running a series of elimination tournaments in an effort to determine capable representatives for the championships this week. Two of last year's Springfield Champions will return for Regional Playground to defend their respective championships. Kathy Francis the girl's Tether Ball Champion will be back representing Regional Playground as will Marie Lewandowski the returning girl's checker Champion. Elaine Fleischman was victorious in both the Jacks and the Hopscootch competition. Elaine must now elect which event to enter. "Inky" Gardella will pitch horseshoes for Regional in the town tournament. For the past few weeks "Inky" has defeated all challengers and as earned the right to represent his playground. Howard Spielman will be the Regional representative in the Washers competition. Sandy Geiger and Robin Geiger will also be representatives from Regional Playground. Sandy has been a Springfield Champion in various events for the past 5 years. A costume parade was also held last week at Regional Playground. The winners were: Vivian Geiger, the funniest; Lisa Olesky, the prettiest; Elaine Fleischman, the most original; Sally Geiger, the cutest; Karen Kaldorf, the most colorful; and Susan Kaldorf and Janet Briedell, the most unusual.

**CALDWELL PLAYGROUND**  
Caldwell Playground concluded all the tournaments to determine their champions. After a series of exciting matches...

Diane Nardone and Bill Schwab were victorious in the Tether Ball competition. Diane and Bill will represent Caldwell Playground in the town championships. A Springfield Champion of last year, Chrissy Jo Landrigan, will return to defend her girl's Chess Championship. Bill Chisholm will represent Caldwell Playground in the boys division of the Chess Championship. Nancy Swan and Scott Gordon were the winners of the checker competition for boys and girls. A Jacks tournament was held at Caldwell Playground last week. Linda Grosso was determined the champion in this event. Kathy Kopec was the Hopscootch winner and she will also go to Regional Playground this week to play for the Springfield Championship. Other Playground winners were: Jon Chisholm in Broad Jumping and John Meierdierck in Horseshoes. An extra attraction of the week at Caldwell Playground was a Circus Parade. In this event the children dressed-up as various circus performers. It was a very colorful and exciting day. The performers and winners were: Cutest - Janice Kroeger, Jennifer Douglas, and Dorothy Quinzel; Prettiest - Leslie Sewell; Most Original - Judy Gonsales, Susie Coan, Rich Consoles, and Joe Vicsokski; Funniest - Greg Anderson, Kathy Kopec, and Sandy Leonard. The "Best of All" Award went to Janice Melroy and Freddie and Linda Grosso.

**WOODSIDE PLAYGROUND**  
Two tournaments were held last week at Woodside. These two tournaments were the last of a series that had been run to determine the Playground Champions. In the girl's Tether Ball Tournament, Sandy Sanchez was the winner. Sandy was also the winner last year and will again represent Woodside Playground. The other tournament completed was the Washers competition for boys. In this event Kenny Orangeo nipped John Scudi in a very exciting final match. The children were all very excited last week about a "Run-around-the-base" race which was held. Lorraine Orangeo was the fastest for the girls. Eran Katz placed second and Gail Wilson was third. In the boy's competition Ronnie Wilson was the winner. John Scudi was a close second and Gary Katz a closer third. The girls participated in a "Jump Rope Contest". Caty Malgeri was the winner over Lorraine Orangeo and Mary Ann Patton. Mosaic Paper Art Work was accomplished by the children last week. Some of the better work was accomplished by Barbara Salman, Diane Mazelka, and Lisa Cole. An added attraction of last week was a Hat Contest. The prettiest hat was made and worn by Gail Wilson. The funniest was that worn by John Whitcomb. The Cutest hat was that of Cindy Mazelka. The winner of the Most Original prize was Pam Stuart. Other special prizes went to: Lynn McKenna, Perrie Brunny, Paul Panaroff, and John Scudi. Wednesday was a busy day at Woodside Playground. In the morning Maryann Donington, the Arts and Crafts Instructor, visited the playground and the children busied themselves making paper weights. The best were made by: Fran Katz, Lorraine Orangeo, Lynn McKenna, and Rober Frank. Wednesday afternoon Woodside Playground was the scene of an eight year old birthday party for Warren Schlepner. On the final day of the week the children made pencil holders. These were made by decorating frozen orange juice cans. Darrah Miller, Charles Adickman, Lisa Olesky, Lynn McKenna, Perrie Brunny, and Kathy Smith were those children who made the best projects.

**IRWIN PLAYGROUND**  
The Irwin Playground Championships high-lighted this week's activity at Irwin Playground. Through tournament elimination a champion was chosen for each of the following playground events: Stranding, Broad Jump, Checkers, Chess, Horseshoes, Tether Ball, Paddle Tennis, Washers, Foul Shooting, Ring Toss, Hop Scotch, and Jacks. The winners and runners-up in the various events held were:  
Boy's Checkers - Jim Cannon - Champion; Gene Zorn - Runner-up.  
Girl's Checkers - Lauren Sarge - Champion; Kathy Johnson - Runner-up.  
Girl's Chess - Nancy Daunpo - Champion; Nancy Osbahr - Runner-up.  
Boy's Chess - Steve Siegel - Champion; Brian Sheehan - Runner-up.  
Girl's Paddle Tennis - Betty Owens - Champion; Marlene Metriane - Runner-up.  
Boy's Paddle Tennis - Gene Zorn - Champion; Stuart Falkin - Runner-up.  
Girl's Hopscootch - Nancy Daunpo - Champion; Jean Daunpo - Runner-up.  
Boy's Washers - Richard Falkin - Champion; Mike Chotiner - Runner-up.  
Boy's Stranding Broad Jump - Stuart Falkin - Champion; Mike Chotiner - Runner-up.

**SANDMEIR PLAYGROUND**  
The activities last week at Sandmeir Playground included games, crafts, and contests. The scavenger hunt and relay races were among the more popular games. Participants in the scavenger hunt were David and Trent Bagley, Michael and Vincent Burns, Michael and Vincent Davies, George, Gwendolyn, and Sharolyn Franklin, Michael Franklin, Levander Goforth, Melvin, Michelle, and Roselle McClain, Carol Niveins, Jerry O'Neal, Dominic Romaccio, and Dickie and Ronald Samuels. The winners in the relay races for the age group of 7-10 were: Vincent Burns, Jerry Jones, Melvin McLain, and Levander Goforth. Other participants were: Michael and Vincent Davies, Robert Garner, Derrick Goforth, and David Mitchell.

**Girl's Jacks** - "Missy" Sheehan - Champion; Patty Howarth - Runner-up.  
**Girl's Horseshoes** - Arlene Marano - Champion; Marlene Metriane - Runner-up.  
**Boy's Horseshoes** - Gene Zorn - Champion; Warren Danziger - Runner-up.  
**Girl's Foul Shooting** - Linda Barrett - Champion; June Edzold - Runner-up.  
**Boy's Foul Shooting** - Brian Sheehan - Champion; Stuart Falkin - Runner-up.  
**Girl's Ring Toss** - Patty Howarth - Champion; Kathy Johnson - Runner-up.  
**Boy's Ring Toss** - Gene Zorn - Champion; Val DelVecchio - Runner-up.  
**Girl's Tether Ball** - June Edzold - Champion; Lauran Sarge - Runner-up.  
**Boy's Tether Ball** - Gene Zorn - Champion; Brian Sheehan - Runner-up.

These boys and girls will represent Irwin Playground this week during the Springfield Playground Championships. Irwin is hoping for team victory this year. From the interest that has been shown in these championships it is quite probable that the Irwin Indians may be the team winner. In any event they will provide much competition for the other playgrounds this week. During the week the children took a break from participating in competition by holding a picnic and talent show. The talent show was very popular with the children. Those who participated in the show were: Nancy Daunpo, Jean Daunpo, Lauren Sarge, Mindy Buzin, Kathy Ziegler, Gregory Johnson, Kathy Johnson, Sharon Johnson, Debbie Ziegler, Jonathan Fisher, Nancy LaMotta, and the Brennan sisters.

**HENSHAW PLAYGROUND**  
The Henshaw Playground Champions and their respective events are as follows: Ring Toss - Keith Brink and Virginia Motyczka; Paddle Tennis - Billy Appagar and Anne Appagar; Foul Shooting - Keith Niegel and Cadance Schwartz; Horseshoes - Mark Muller; Tether Ball - Fred Vollherst and Patricia Butz; Chess - Paul Wade and Karen Unterwald; Checkers - Robert Blake and Marie Lewandowski; Hopscootch - Debbie Hunton; Jacks - Laurie Reldman; Washers - Robert Costanza and Standing Broad Jump - Lewis Nemerson. These boys and girls will represent Henshaw Playground in this year's town competition. Henshaw Playground will be defending the Championship which they have won for the past two year it would be the first time any playground has won three team championships in a row. Here is wishing luck to the Henshaw Hurricanes.

**SANDMEIR PLAYGROUND**  
The activities last week at Sandmeir Playground included games, crafts, and contests. The scavenger hunt and relay races were among the more popular games. Participants in the scavenger hunt were David and Trent Bagley, Michael and Vincent Burns, Michael and Vincent Davies, George, Gwendolyn, and Sharolyn Franklin, Michael Franklin, Levander Goforth, Melvin, Michelle, and Roselle McClain, Carol Niveins, Jerry O'Neal, Dominic Romaccio, and Dickie and Ronald Samuels. The winners in the relay races for the age group of 7-10 were: Vincent Burns, Jerry Jones, Melvin McLain, and Levander Goforth. Other participants were: Michael and Vincent Davies, Robert Garner, Derrick Goforth, and David Mitchell.

LOREN F. GARDINER  
Crestmont President Honored by Savings Foundation

## Gardiner Elected Foundation Trustee

The Savings and Loan Foundation, Inc., of Washington D.C., has announced that Loren F. Gardiner, President of Crestmont Savings and Loan Association of Springfield and Maplewood, has been re-elected for a two year term as a Trustee of the Foundation.

Supported by 2200 member savings and loan associations, the Foundation's purpose is to inform the public about the services performed by insured savings and loan associations (all member associations are insured by the Federal Savings and Loan Insurance Corporation).

The Foundation carries on its advertising campaign through national magazines and network TV programs. It is noted for sponsoring TV programs that are in the public interest, such as the annual East West football game, the inauguration of the President of the United States, the Glenn flight into space, and Route 1 "American Profile," which showed historic landmarks from Maine to Florida.

Eight evening pre-election programs are planned for September and October. They will be non-partisan and of interest to the public in general. Mr. Gardiner has served for two years as one of the Foundation's 17 Trustees. Six of the Trustees are elected "at large" and each of the others represents one of the 11 Federal Home Loan Bank districts.

Representing the Second Federal Home Loan Bank District, Mr. Gardiner was elected to represent members from New York, New Jersey and Puerto Rico.

Mr. Gardiner has been in the savings and loan field for nearly 40 years and has served on various committees of both the New Jersey Savings and Loan League and the United States Savings and Loan League. It is his opinion that like

## Matthew Roth Named V.P. Of Optical Firm

MATTHEW M. ROTH  
Former Davega Executive in New Post

Business men throughout this section of New Jersey and the Metropolitan area will be interested in the news that Allen Bogart, President of Southwestern of Dallas Optical Company has announced the election of Matthew M. Roth as Vice President.

Mr. Bogart stated that this appointment was directly related to his company's plans for expansion as a leading laboratory and supplier of ophthalmic products. Mr. Roth's new responsibilities will include Sales, Sales Promotion, Advertising, Marketing and Personnel Relations. He foresees further expansion as holding the greatest growth potential for Southwestern Optical Company.

"Our ultimate goal is sales saturation in all states as well as the Canadian and Latin-American markets. He foresees

Swoco in a dominant position as an independent laboratory in these areas.

Mr. Roth, who joined Southwestern of Dallas Optical Company recently, was formerly associated with Davega Stores Corporation of New York City for more than 25 years as General Manager and First Vice President.

In this capacity he directed the activities of several departments including Sales, Sales Promotion, Advertising, Retail Operations, Real Estate and Personnel Relations.

## Church School Begins Aug. 13

Holy Cross Lutheran Church, 639 Mountain Avenue, Springfield, will begin its fifth annual vacation church school on Monday, August 13 and continue through August 24. Sessions will be held from 9:00 to 11:30 a.m. Children from the age of three through sixth grade will be eligible for enrollment. The theme of the school will be "Let's Learn About God." There will be time included for Bible stories, worship, arts and crafts, music and planned recreation. Children may enroll for either one or two weeks. A closing program is planned for Friday evening, August 24 at 7:30 p.m. The staff includes Mrs. Henry Freudenberger, Mrs. Hans Nilsen, Mrs. Lester Messerschmidt, Mrs. Erwin Schwarte, Mrs. Robert Switek, and Mrs. Charles Willner. Director of the school is Pastor Lester Messerschmidt. Children may enroll on opening day or any day school is in session.

# SCIENCE NOTEBOOK

BY HANS KLEIN  
UNION COUNTY REGIONAL  
HIGH SCHOOLS

Since Michael Tote brought up the subject of light we might as well discuss another elusive subject—**TIME**. Common sense tells us that time is a vague something; at

to most of us who are well aware that pleasant moments flash by, but painful moments last.  
H. Minkowski took a different tack when he proposed a space-time continuum utilizing time as a fourth dimension. The idea was immediately incorporated by Einstein into his theory of relativity. Far be it from me to clarify the relativity of time here, but if experimental proof of this is forthcoming in the near future—which it well might—we are in for some interesting surprises. Time, if not absolute, is different under different circumstances. If astronauts are ever able to travel long distances through space at extremely

high speeds, they should, on returning, find their children older than they, and their wives will appear prematurely old while the astronauts themselves have not aged correspondingly.  
I must admit all this sounds like the Old Japanese fairy tale recounted by Lafcadio Hearn in which the hero, enamored by a mermaid, visits her home in the sea for a mere three days, but at the end of the three days, returns to his own home to find that he has been gone three centuries.  
**SCIENCE QUIZ**  
1. Sir James stated four distinct meanings for time, what were they?  
2. Would a clock keep the

same time any place in the universe?  
3. Is it possible to see things from the past?  
4. Does gravity affect time?  
5. How large is the universe to present knowledge? (Mike Tote to Clark, N. J.)  
**ANSWERS**  
1. (a) Conceptual time: exists only in the mind of the thinker.  
(b) Perceptual time: related to the consciousness of a particular individual and dies with him.  
(c) Physical time: the time of the active world of physics and astronomy.  
(d) Absolute time: the counterpart of absolute space.  
Newton believed time to be

universal; this view is doubted today.  
2. No.  
3. Yes. It is possible to "see" stars which no longer exist. The light from them is still in progress after the source of the light is extinguished.  
4. Yes—Einstein stated that due to the greater mass of the sun, a second there would correspond to 1,000,000 seconds on the earth.  
5. One estimate for the radius is 200,000,000,000,000,000,000 miles; if this helps.

## LEGAL NOTICE

**BOARD OF EDUCATION**  
THE UNION COUNTY REGIONAL HIGH SCHOOL DISTRICT NO. 1 ADVISES THAT THE BOARD OF EDUCATION HAS RECEIVED FROM THE STATE DEPARTMENT OF EDUCATION THE FOLLOWING LIST OF SCHOOLS TO BE CLOSED FOR THE YEAR 1962-1963:  
Dayton Regional High School, Mountain Avenue, Dayton, New Jersey; the Arthur L. Johnson Regional High School, Westfield Avenue, Clark, New Jersey; and the Governor Livingston Regional High School, Watchung Boulevard, Berkeley Heights, New Jersey.  
SCHOOL PROPOSALS will be received by the Board of Education of the Union County Regional High School District No. 1 at the Governor Livingston Regional High School, Watchung Boulevard, Berkeley Heights, New Jersey, on or before August 15, 1962, at the following:  
MILWAUKEE  
The Board of Education reserves the right to reject any or all proposals except the best that in its judgment will be for the best interests of the Union County Regional High School District No. 1.  
By order of the Board of Education of the Union County Regional High School District No. 1, Springfield, New Jersey.
