

Rubinoff and Famous Violin Comes to Springfield Oct 4

See Big Crowd At Rubinoff Concert Thursday, Oct. 4

Some of America's largest cities have turned out record-breaking audiences to welcome Rubinoff, world-famous radio and concert artist, and his famous \$100,000 Stradivarius violin, who comes to Jonathan-Dayton High School, October 4.

One record-breaking audience, thrilled by Rubinoff and his violin, was in Chicago's famous Grant Park several years ago, when more than 150,000 gathered to hear him play. However, this great crowd responded one year later 225,000 strong, at which time the great artist was presented with a bejeweled medal inscribed, "Presented to Rubinoff and His Violin by the Chicago Federation of Musicians".

The presentation was made in appreciation for services rendered in Grant Park. The attendance was recorded as a world record attendance.

Springfield and the surrounding area are indeed fortunate that Rubinoff has included this town as one of the 150 communities he visits each year on his concert tour. Rubinoff and his violin will perform at the Jonathan Dayton Regional High School Auditorium on October 4, 1962, under the sponsorship of the Springfield Lions Club.

Because of the great popularity of this artist all are urged to make arrangements to obtain tickets now as it is not unusual for Rubinoff to play to packed houses.

Students Hear Violinist As Town's Guests

Recognizing the cultural benefits available to Springfield's school children when Rubinoff and his Strad appear at the Regional High School here in Springfield on October 4th, the Lions Club of Springfield, sponsors of this great musical event, were anxious to make this great artist available to as many students as possible in both the primary and secondary schools.

A problem was encountered in the distribution of tickets to the primary schools for whom a special 5:30 p.m. paid matinee had been scheduled at the Jonathan Dayton Regional High School auditorium.

To resolve this problem, the Lions Club Committee called upon a limited number of civic-minded business people in Springfield and sought to sponsor these children at the afternoon matinee.

The following are the sponsors from Springfield, Summit sponsors aided in purchasing admission for the students:

J.J. NEWBERRY CO., NATIONAL STATE BANK, CARTER BELL MFG. CO., SMITH AND SMITH, SAKS FIFTH AVE., CRESTMONT SAVINGS & LOAN ASSN., Prince's Farm, Springfield Steak House, Dr. Gabriel J. Lull, Siferman & Goldinger, Columbia Lumber & Millwork Co., Morris Ave. Motors, Sandler and Worth, Richard Best Pencil Co., Keovic Farber Lumber Co., Channel Lumber Co., Merwin Service, Beacon Hill Co., Springfield Market, and Gelljack Jewelers.

Tickets for the evening performance at \$2.00 are still available at Burnett Brothers, 8 Mountain Ave., Springfield, and at Sip & Sup Restaurant, Springfield Ave. & Morris Ave., Springfield.

The famous violinist will come to Springfield early on October 4 and have breakfast with the Lions Club committee in charge of the concert. Rubinoff is scheduled for a special recital at the Regional High School at 8:40 a.m. for high school students.

He is also to appear at the various elementary schools in Springfield and present another special concert for primary and junior high students at the Regional auditorium at 3:30 in the afternoon. This performance has been entirely purchased and paid for by above group of business and professional men of Springfield and Summit, giving free admission to the entire capacity of the high school auditorium.

Sandmeier PTA Will Assist Red Cross Blood Program

The Red Cross blood donor program, to be held October 15 at the Presbyterian parish house, Springfield, was explained at the first meeting of Thelma L. Sandmeier School PTA, September 17th.

John Gacos, Springfield Chapter Red Cross chairman, was present to discuss the program. In charge of the project for the Sandmeier PTA are Mrs. Avery Rosegay and Mrs. Mark Mendelsohn, health chairmen.

Also announced were plans for a trip to the United Nations Building and General Session, scheduled for October 17. Mrs. Leonard Atkin, international relations chairman, reported that further information on this program will be forthcoming in the October PTA newsletter.

The teaching faculty of the school were introduced at the meeting. Mrs. Howard Borok, program chairman, announced the programs for the 1962-63 season. Spokesman of the evening was Mrs. Lillian Hayward, remedial instructor of the Department of Special Services of the Springfield school system, who told how parents may contribute to reading development.

This year's officers are: Mrs. Paul Weisman, president; Mrs. Seymour Margulies and Mrs. Marvin Elish, vice presidents.

Del Vecchio Hails Golf Club's Basin Agreement

Mayor Philip Del Vecchio, in announcing the receipt of an agreement from Baltusrol Golf Club, in which they have given an easement to the Township of Springfield for the construction of the storm water retention basin, entirely within the confines of the Club's property, hailed this step as "The first positive move towards alleviating future drainage problems created by the development of the Eastern portion of the Baltusrol Top Area of Springfield."

"The retention basin, which will be 3.2 Acres in area, and located approximately one mile up the side of the mountain from the intersection of Trwin Street and Hillside Avenue, is in a remote wooded area in the South-west corner of the Golf Club's property," explained Del Vecchio.

"It is designed to collect and retain storm water during peak storm periods only, from the entire southeasterly portion of the mountain, comprising approximately 70 acres."

The Mayor continued, "In contributing this property, Baltusrol Golf Club has acknowledged its obligation as a taxpaying member of the Community, and has made this area available, at no cost to the Township, in order to manifest a spirit of civic cooperation."

"The club realizes the benefits that will accrue to them as well, with the construction of this facility, in that it will prevent the existing surface flooding of their fairways and greens."

"The agreement between the Township and Baltusrol Golf Club calls for the construction of a retention basin to meet the specifications of our Township Engineer, and the engineering firm retained by the Golf Club," Del Vecchio went on.

"The actual construction of the basin will be done at absolutely no cost to the Township by the Springmount Development Co., whose application for a subdivision is pending."

(Continued on Page 2)

Water Basin Passes; Not Agreements

The very controversial matter of constructing a water retention basin on the property of Baltusrol Golf Club took a giant step forward at Tuesday night's meeting of the Springfield Township when a watered-down resolution was passed approving the recommendation of the Planning Board.

The vote adhered strictly to political party lines with Mayor Del Vecchio and Township Committeemen Arthur Falkin and Robert Hardgrove, Jr., voting the full Republican majority in favor.

Township Committeeman Vincent J. Bonadies, the lone Democrat at the meeting, after tearing what he called "a mysterious agreement" to pieces, voted against even accepting the Planning Board's recommendation.

The recommendation from the Planning Board was accompanied by a voluminous agreement between Springfield and the Baltusrol Golf Club. However, this agreement was not included in the resolution which gave Springmount Developers approval "to the application submitted by Isidor Sherman property known as Block 101, Rolling Rock Road."

The resolution to approve stipulated that "before final action is taken there should be submitted agreements acceptable to the Township Committee with both the Baltusrol Golf Club and the developers."

Township Committeeman Bonadies ripped the agreement with the golf club to pieces calling it a "very mysterious paper which was given to me for the first time at 10 o'clock Monday night at the executive session of the Township Committee with instructions to read it and be ready to act on it in less than 24 hours."

Voices rose in anger as Bonadies protested against the "private club" climate of the Township Committee "since neither he nor his colleague, Township Committeeman Russel Sibole had seen the prepared agreement before or had even had the matter discussed at executive session."

"According to this agreement, Springfield agrees to practically everything. How can this long document be approved on such short notice. It needs further study. It has been such a dark secret all these months and still is. What benefits will there be to the community in accepting, blindly, this agreement."

"It is clearly a give-away for the benefit of the developer," continued Bonadies, quoting from various sections of the agreement.

"Why not follow the policy Springfield has always had with developers—make them provide the necessary drainage and sewer facilities. Everybody else does."

"Construction of a retention basin on the Baltusrol property," replied Mayor Del Vecchio, "will help solve the flooding conditions in this area. It will open up an area for development which will replace the 100 homes to be taken out by the new federal highway No. 78."

"I am definitely in favor of this basin—I am in favor of eliminating the flooding of Marion Avenue, Kipling Village—all parts of Springfield."

Discussion on the water basin consumed more than two hours with the final result that the agreement with the Baltusrol Golf Club and an acceptable agreement with the developers will be submitted to the Township Committee before final action is taken.

Catapano Condemns Over-Expenditures

Mike Catapano, local CPA, and Candidate for Township Committee stated yesterday, "In analyzing the financial picture of the 1961 administration, I was appalled to discover an overexpenditure of last year's budget."

"Overexpenditures caused by inadequate accounting controls can lead to financial disaster for our community. Not only are overexpenditures poor business practice, they are a violation of the state statutes regulating municipal operations," Catapano went on.

He continued, "It is apparent that the lack of administrative control by the 1961 Township Committee must be held responsible for this short sightedness and lack of planning."

"Elected officials, as direct representatives of the people, have a duty and the responsibility to supervise township government in its business operations, in an efficient and orderly manner."

"My professional background qualifies me to recommend a method of controlling budgetary expenditures that will preclude the possibility of overexpenditures occurring in the future. The installation of a purchase order system would give the Township Committee the additional controls necessary to regulate the budget expenditures. Under this system, expenditures are deducted from budget appropriations as soon as a commitment is made by the issuance of a purchase order rather than later when the actual invoice is paid."

Springfield To Purchase Leone Tract

With more than 2 hours discussion on the controversial water retention basin, the Township Committee went through a long agenda at its regular Tuesday night meeting with authorization to negotiate for the purchase of the Leone property, South Springfield avenue, as one of the important items on the list.

Township Attorney James M. Cawley announced that negotiations have been practically completed for the purchase of this Leone property for \$55,000.

Two lots, one of which has a building, are not included in the sale of approximately 5 acres of land. An ordinance will be prepared for the purchase of the land.

It was also decided to hire an appraisal firm to make a survey of the Jenco property site of the proposed public swim pool. The appraisal is to be used in the continued negotiations with the Robbins Co. firm for the purchase of necessary land for the playground and swim pool program.

Approval was given L. Barnbergers for the construction of a sign at its store in Route 22, Springfield.

Crowd Greets Smith And Ceithaml At Sunday's Democratic Picnic

PREDICT VICTORY—Howard S. Smith, President of Springfield's Board of Education, and his running mate for Township Committee, Louis Ceithaml, turn towards camera during height of family picnic at Evergreen Lodge last Sunday. Record crowd on hand pledges support in November, 6 election.

Record Crowd Boosts Dems Candidates

A record breaking crowd, jamming Evergreen Lodge last Sunday for the all day picnic under the auspices of Springfield Democrats, is being taken as a sign of certain victory for Howard S. Smith and Louis Ceithaml, candidates for Township Committee, in the coming elections.

It was the largest political gathering ever staged by local campaigns, attracting Smith-Ceithaml supporters from all parts of Springfield.

Union-County Democrats, led by County Democratic Chairman James J. Kinneally, Sheriff Ralph Oriscello, candidate for re-election, and H. Roy Wheeler, Democratic aspirant for State Senator from Union County.

The high spot of the day's program was the selection of Joyce Weinstein, daughter of Mr. and Mrs. Weinstein of Lelak avenue, Springfield, as "Miss Springfield Teen-Ager." She is a Gaudineer School pupil and was awarded top honors in competition with 26 other contestants.

All candidates in this contest were given numbers and the winner was selected by Mrs. Joyce

MISS SPRINGFIELD TEEN-AGER—Receiving congratulations from Candidates Smith and Ceithaml, Joyce Weinstein, Gaudineer School pupil, poses as winner of title against 26 contestants.

Fidel, Ron Golcher, proprietor of Davron Studios in Springfield; and Lawrence Rogers, Saks Fifth Avenue executive, as judges.

Smith—Ceithaml Say Administration Score Is No Hits, No-Runs, All Errors

"Howard Smith, Democratic candidate for Township Committee claimed that the fumbling do-nothing administration that has been running Springfield since January 1, 1962, has compiled a box score of accomplishment that reads no hits, no runs and all errors."

"Smith described what took place at a recent Township Committee meeting as 'shameful and down-right disgraceful'. A majority of the present administration had labored, or so they said, for over three months deciding whether or not to spend \$10,500.00 of Taxpayers' money to buy a machine."

"They admitted to the many questions asked by the public,

including two certified public accountants, that the machine would be a labor saving device. It was obvious that the administration was not prepared to justify the expenditure of \$10,500.00 of taxpayers' money. The administration was not prepared to pass the proposed ordinance spending \$10,500.00 when this matter was put to public scrutiny."

"If the administration knew what they were doing it was a simple matter to pass the ordinance since the Republicans outnumber the Democrats by a 3 to 2 majority."

"The truth of the matter is that the engine of Government stopped running on January 1,

1962, when the Township of Springfield lost direction, motivation and leadership. Progress came to a sudden halt."

"This incident is a symptom of the disease that has invaded our Government for the past eight months. The majority members now in control of our Government have produced a 'Do Nothing' administration that checks forward to the machine and the will and courage to face up to the problems of Government."

Smith stated "there is a way to restore confidence in our Government and give it direction and leadership. That way is to elect Howard Smith and Lou Ceithaml to the Township Committee and put Springfield on the move."

Smith And Ceithaml Charge Del Vecchio With Tax Rise

"Have you looked at your tax bill lately?"

"Received a 'hurry pay up call' from your mortgage company?"

"Or, in paying your tax bill did you have to reach in your pocket to pay over a lot more money than you did last year?"

"What happened to our taxes? These are the questions being asked all over the Township of Springfield by anxious taxpayers who have been hit with a fantastic 44 point tax rise for the year 1962."

"These are the questions asked of Howard Smith and Louis Ceithaml, Democratic candidates for Township Committee as they are meeting tax weary citizens

all over Springfield," their statement said.

"It's been sharply pointed out by the taxpayers of Springfield that they remember the fumbling, mumbling present administration majority, campaigning in 1961 stating that taxes were too high then," the statement continued.

"The taxpayers remember well how they were promised by candidate Del Vecchio that he would put a stop to tax increases. Well, that was election time. Promises are easy to make at election time - How about performance?"

"Maybe you don't know it, Mr. Taxpayer, but local school costs went down this year."

"After the do-nothing administration which was 'long on pro-

mises' and 'short on delivery' got through with stirring up their mess and after saying a few magi words of mumbo jumbo, they reached in the hat and pulled out a nice fat tax bill for all to see and for the taxpayer to pay."

"And that's not all Mr. Taxpayer: the present do nothing administration has a lot more grandiose plans to spend and spend and spend."

"Howard Smith and Louis Ceithaml promise to put an end to mumbo-jumbo when elected and they state to the weary taxpayer - by electing Smith and Ceithaml we can put the Government of Springfield back on the track - It's been derailed since January 1, 1962."

tion of property on Baltusrol Top has been before various bodies of the township since the middle of 1961.

Mayor Del Vecchio pointed out that, "In considering this subdivision over the past 18 months, the various township bodies have pursued every avenue to evolve a solution to the storm water problem of Baltusrol Top. The 1961 Planning Board agreed that the most satisfactory solution to this problem would be to construct this basin on the Golf Club's property; however, all efforts by the Planning Board, and its attorney at that time to obtain this approval from the Club, were fruitless."

Del Vecchio further stated, "When this matter first came before the Township Committee in March, 1962, I reviewed all the minutes of the public hearings and meetings that were held on the proposed subdivision and studied the submissions of the engineers who were hired to design this facility. Finally reached the conclusion, along with other members of the Township Committee, that the only sound solution to the storm water problem of this area would be to have the basin located on the Golf Club property, of sufficient capacity to handle future development of the entire unimproved Baltusrol Top."

"Armed with this conclusion I presented to the Board of Governors of the Golf Club a request for reconsideration of the total benefits that would result to the Township and the Club itself if they would permit the use of their land for the location of this facility. The Club consulted with their engineers, Grossman, Kreh and Mixer, who corroborated the conclusion which I presented."

Mayor Del Vecchio, (who is also a Licensed Professional Engineer), went on to say, "My primary concern in arriving at a solution to this problem, was the effect upon the township as a whole. This concern stemmed from the fact that several existing developments on the top of the mountain had been approved in recent years, without requiring a comprehensive method of handling the excess storm water runoff during periods of heavy rainfall."

"This run-off found its way into the existing tributary brooks on the Golf Club property, and finally into our existing storm sewer system in the Kipling Village area at the bottom of the hill. I was amazed to find that these previously constructed developments contained no specific provisions to mitigate the effect of this increased rate of run-off upon the lower areas of town. It seemed to me that an area solution to the storm water problem of the mountain was long overdue."

"The Railway River, which is the natural outlet for most of the storm water run-off, currently is overburdened in the capacity to handle water during peak storms. Existing con-

ditions we have seen the Railway River back up and inundate such streets as Henshaw Ave., Rose Ave., Riverside Drive, and as far upstream as the Marion Ave. area," Mayor Del Vecchio continued.

"The theory of the retention basin is to impound a large volume of rain water during a period of intense rainfall, when the water-level of the river is normally high, and then, after the intense rainfall has ceased, allow the impounded waters in the basin to be released, at a measured rate, into the township's existing storm sewer system, when it is better able to take the flow."

"The period of retention in the basin will be in the magnitude of 45 to 50 minutes for only those storms which occur once in every 15 years."

"The operation of this retention basin will be similar to those currently in use in Union, Summit, Murray Hill, Plainfield and many other neighboring communities," explained the Mayor.

"The creation of this retention basin will open up the development of a hitherto undeveloped area of the mountain top, and will produce for Springfield many thousands of dollars of rates to replace those which will be lost due to the construction of Route 78."

"I heartily endorse this concept of treating this vexing problem, not only as an elected official, but as a Civil Engineer as well, and wish to commend the various Township and Club officials, who helped see this solution through to its logical culmination," concluded Mayor Del Vecchio.

able for expenditure," Catapano explained.

"The hardship that an over-expenditure of the budget imposes upon the taxpayer was demonstrated by the fact that it was necessary to include in the 1962 budget an approximate three point tax rise, merely to cover the deficit of last year's operations," Catapano stated.

"My opponents frivolous attack on grave matters, and their constant harangue and personal vilification, certainly does not qualify them for election to the Township Committee."

"It is not enough to sit back and attempt to discredit the present administration, they must be able to sit as responsible representatives of the people for the benefit of the town and its taxpayers."

Catapano concluded, "It is my belief that the criteria for election to the Township Committee should be the qualification of the candidates and their ability to serve the community. The election of Mayor Del Vecchio and myself will assure Springfield that qualified men, with vision, will be at the helm, presiding over a sound business administration."

To Honor 25 Years Of Tax Receipts School Board Service Ahead of 61

Springfield Board of Education will have a public testimonial dinner October 11 for A.B. Anderson, 74, in recognition of his 25 years' service as secretary of the school board.

Former board members and educators are being invited to participate. Board Member Richard Werner is chairman, assisted by the following committee: Board Members Joseph Bender, Frank Haydu, and Mrs. Sonya Dorsky. Banquet tickets are available to the public. They can be obtained from Mrs. Audrey Ruban, assistant school board secretary, in Caldwell School.

July 1st marked the 25th year that Mr. Anderson has served the board as secretary. Having been named assistant to the district clerk September 5, 1935, he was already serving the board at the time.

During Mr. Anderson's term of office, the enrollment has risen from 768 pupils to more than 2,200 pupils and the teaching staff increased from some 30 members to approximately 150 members today.

When Mr. Anderson assumed the secretaryship, the only school buildings were Caldwell and Chisholm. Since that time, there has been an addition to Chisholm and Gaudineer, Walton, and Sandmeter Schools have been constructed. Mr. Anderson replaced the Rev. William Hoppaugh, former minister of First Presbyterian Church, Springfield, on his retirement.

The board secretary and his wife, Mrs. Lura Anderson, reside at 36 Maple Avenue. He has lived in Springfield approximately 37 years and has also been associated with Bunnell Brothers Inc. for 33 years.

Active many years in municipal affairs, Mr. Anderson served as township treasurer from 1932 to 1949 and as trustee of Springfield Free Public Library for 19 years.

Other affiliations include Calvary Episcopal Church, Summit; the Essex County Past Masters Masonic Association, the Springfield Republican Club, and Springfield Lions Club.

Associated with the Masonic order many years, he was presented a 50-year gold pin by Continental Lodge No. 190, F. and A.M., Millburn, last September and also served the Grand Lodge of New Jersey in 1938 as grand sword bearer.

The Andersons have two daughters, Mrs. Lura Baker and Mrs. Margaret Helmers, and two sons, the Rev. John C. Anderson, and Charles H. Anderson.

Institute For Library Slated For October 4

The Springfield Public Library will be host to a library institute for the nearby area of Union, Morris, and Essex Counties on Thursday, October 4.

The subject of common concern to all libraries is "Improved Information Services: A Key to Better Libraries."

Miss Helen Reyner, Director of the Springfield Public Library is Chairman of the Institute. She will be assisted by Mrs. Louise Coburn, Summit Public Library; Mrs. Anna Hillsinger, Livingston Public Library; Miss Grace Russell, Union Township Public Library; and Mrs. Helen Francis, Springfield Public Library as co-chairman.

Attending the Institute locally will be members of the Board of Trustees and staff of the Springfield Public Library, its volunteer corps, and Mrs. Ruth Packer, Gaudineer School Librarian for the Springfield Public School system.

The all-day institute will be held at the Methodist Church of Springfield where the Women's Society for Christian Service will prepare and serve luncheon under the direction of Mrs. Nina Hayward.

Kenneth R. Hetzel, President of the Board of Trustees of the Springfield Public Library, will open the Institute and extend greetings to the guests.

Dr. Ralph Shaw, President of the N.J. Library Association will speak on behalf of the Association.

A panel discussion will follow on "The Nature of a Basic Reference Collection" moderated by Miss Kathleen Wallace, Director of the Chatham Public Library.

Subjects to be discussed will be the reference collection in public libraries and schools, and the role of the periodical in both.

The afternoon session will be introduced by Dean Neal Harlow, Rutgers Graduate School of Library Service. The Institute will adjourn at 3:30 p.m.

Temple To Hear Cuba Problem

The first meeting of the Temple Sharey Shalom Brotherhood for the new season to be held Thursday, October 4, at 8:30 p.m. at the Temple, will be highlighted by the presence of Joseph Coggins, Latin-American news analyst for Station WNEW, who will discuss "Castro and the Cuban situation."

Formerly Latin-American news analyst for the Mutual Broadcasting Company, Coggins has personally interviewed both Castro and Khrushchev.

Just two days prior to the Springfield discussion will attend the Latin-American Ministers meeting to be held in Washington on October 2.

Members of the Temple and Brotherhood of Temple Sharey Shalom and their wives and friends are invited to attend. Refreshments will be served.

Looks Brighter

The Railway Valley Railroad Company's station in Mountain Avenue, Springfield, which has been painted in a very tired mustard color for so many years, has been brightened up with a white decor and black trimming.

The Springfield station has had the yellowish-brown color long as old time residents can remember and the sudden white painting job has been a startling but pleasant change.

Need Workers For Red Cross Blood Bank

Mrs. Roland W. Nye, Canteen Chairman for the Red Cross Blood Bank to be held on October 15 in the Presbyterian Church Parish House, invites all the ladies, who, last Spring, so generously donated their time to carry on the canteen work required in connection with the blood bank, to again volunteer for the October session.

Help is needed between the hours of one and five p.m., and all who are interested in helping with serving nourishment to the donors are asked to contact Mrs. Nye at DRexel 6-1748 or Mrs. Leslie Joyner at DRexel 6-0847.

Interested volunteers need not be members of the regular Red Cross Canteen.

PT-A Holds Splfld. Booklovers Open House Rally Day

Over 150 parents and teachers attended the P.T.A. Meeting at the Raymond Chisholm School, Springfield, Monday night, September 17.

Mrs. Vincent Armstrong, newly elected President of the group, welcomed the parents and reminded them that the meeting had been especially planned to honor the staff of the school. Mrs. Frank Madison distributed the budget for the current year and its adoption was voted without change.

Mrs. Frank McCourt announced a series of films which will be shown at meetings during the year concerning normal problems which often develop in the life of the younger child. Mrs. Armstrong introduced the principal, Mrs. Robert Powers, and she was asked to present a gift to each of the teachers on behalf of the P.T.A. Mrs. Powers was then surprised by the presentation of a similar gift by the President.

A social period followed when parents had an opportunity to become acquainted with the teachers. Refreshments were provided by the Executive Board of the P.T.A. and served by the Hospitality Committee under the direction of Mrs. Everette Kaufman.

Attend Discussion For Patrol

The "booklovers" of Springfield came out on Tuesday evening to the Free Public Library, and gave the new series of "Great Books Discussions" a fine start. About twenty people were present, some coming for the first time and some who have attended before. Several of these who have registered this year and enjoyed Great Books Discussions in the past will return from vacation in time to attend the next meeting.

Selections from Confucius' teachings were the topic for the first evening. Mr. Harold Jensen, who volunteered last year to lead this discussion, contributed a great deal of information about that period of Chinese culture. Many others took part in the discussion and all felt they had enjoyed a rare experience.

The next meeting will be held at the Library at 7:45 p.m. on October 2. The selections for that evening will be Plato's "Republic" - Books 6 and 7. The Great Books discussion series is free.

Rally Day For Methodists

Rally Day will be observed at all the Services in the Springfield Methodist Church Sunday, September 30, beginning with Sunday School at 9:30 A.M. The entire Church School will meet in the Mundy Room for the opening exercises under leadership of John Brunny, Superintendent and the Pastor.

Dr. Gilbert will bring a brief message to the combined departments, promotion certificates will be given out. New bibles will be distributed to those who are promoted from the Primary

WEDDING LORE

by Marge McGevena

The bridal veil is symbolic of the privacy of married life, but to the bride-to-be it's her last chance for concealment. Ever after, she is an "open book" to the man she chooses.

Every bride is just as secretive about the dress for the occasion and we "aid and abet" her with the largest collection of unbelievably beautiful dresses, made to sell for \$400 and more, but yours for prices from \$39.95 to \$125. Your selection can be insured because your selection is made in the complete privacy of my bridal house. For a personal appointment just call Marge McGevena, BR-6-6826.

Proclamation

WHEREAS the services of Deborah Hospital at Brown's Mills, N.J. are available to all people of Springfield who need its help; this Hospital is free to all who enter regardless of religion or race or financial status, all those who suffer from T.B., operable chest diseases, including heart and cancer.

WHEREAS Suburban Deborah League is the artery of the hospital serving in this area and has sponsored patients living in this area and will continue to aid all those in need; WHEREAS this hospital is supported solely by contributions and receives no state or federal aid.

NOW THEREFORE, I Philip Del Vecchio, Mayor of Springfield do declare the week of October 1st through 6th 1962 Deborah Maintenance and Recognition Week.

I urge all the people of Springfield to open their hearts to help repay the "Debt of Life" granted to so many at Deborah so it may, with the help of God continue to serve all those regardless of race, creed, wealth or social position to walk from the threshold of illness and tragedy to the threshold of renewed life.

B'nai B'rith Women Form Plans For New Chapter

Another in a series of organizational meetings has been scheduled by a nucleus group of women who have already succeeded in building up a sizeable membership for a new chapter of B'nai B'rith Women soon to be chartered in this area. The meeting will be held on Wednesday evening, October 3, at the Somerset Trust Company in the Blue Star Shopping Center. Watchung. The purpose is to elect the first slate of officers and to choose a name for the embryo chapter. B'nai B'rith is the world's oldest and largest Jewish service organization with lodges and chapters in 40 different countries throughout the world. B'nai B'rith

supports non-sectarian philanthropic institutions, fights for the preservation of human dignity through equal rights, offers vocational and career guidance for students, conducts a citizenship and civic affairs program and services the armed forces and veterans, to mention just a few areas in which the organization is actively engaged. At the forthcoming meeting, Miss Idelle Lipschutz, a past president of B'nai B'rith Women who recently returned from a trip to Israel, will offer a stimulating

description of her travels. Mrs. Edward Rothbart, a field director for District No. 3 and new organizations chairman of the Northern New Jersey Council, is supervising the formation of the new women's group. She has devoted more than a quarter of a century to working with and for B'nai B'rith Women. The area chairman pro-tem who have been working with Mrs. Rothbart since the inception of the idea to establish a new chapter in this section of the state are: Mrs. Seymour Stahl

4 H Club Seeks Adult Volunteers

Union County needs more adult volunteers for its 4-H Clubs according to Theodore Stamen, Union County 4-H agent.

"The 4-H program, only a little more than a year old in this county, has met with unusual popularity with youngsters 10 to 15 years old, but further expansion depends upon more adult leaders," Stamen says. "Originally for rural youth, 4-H Clubs are becoming popu-

lar with urban and suburban young people everywhere as the list of suitable projects grows. In Union County popular projects are the Electricity Project, Clothing, Food Preparation, Dog Obedience, Automotive, Photography, Gardening, Seeing-Eye, Dog Raising, Horse

and Rabbit projects. There are training sessions for leaders in subject material and help is offered in teaching. There are about thirty-five (35) volunteer leaders in the county. Most of them have children around 12 years old as members of the club. The average

club has about 10 members and most of them meet twice a month in homes of members or leaders. Membership is no problem in this county, Stamen says. There are young people in nearly every community in the county who would like to become 4-H

members and are just waiting until a local volunteer leader is found. Leaders have the support of the County Board of Chosen Freeholders and Rutgers, The State University. "Leaders say they enjoy learning along with the youngsters."

BULLDOGS OVERCOME SOMERVILLE 26-7 IN SEASON CURTAIN RAISER

KEY PLAY—Two Bulldog defensemen converge on Somerville Pioneer kicker and block the punt setting up visiting Orange and Blue for an eventual score. Dayton took opener 26-7.

By Arnold Miniman

Without the aid of a Marty Sica or a Tuffy Hartz, the 1962 edition of the Springfield-Regional football team trampled Somerville 26-7 on Saturday. Bob Haas and Ron Puorro scored two touchdowns apiece as the Bulldogs had little trouble with the opposition on the Pioneer's stunning field.

Bulldog touchdown with a 19-yard off tackle gallop. Burch Bell made it 7-0 all with the conversion and Springfield was back in the game. Less than eight minutes after Bell's conversion Haas had scored the second Regional TD on a 7 yard end run. The Bulldogs marched 68 yards with Jack Appgar completing a 24 yard pass to Bell and a 21 yard pass to Haas. Haas tallied with great blocks by Appgar and fullback Pete Coan.

The second half was all Bulldog defense and Ron Puorro. The little halfback scored on runs of 9 and 11 yards, and the stout defense refused to budge. Dave Bonislowski intercepted a pass and Richie Bittle recovered a Somerville fumble for the visitors.

The Bulldogs used a ground attack against the smaller Somerville team, with Appgar, Puorro, and Haas gaining the bulk of the yardage, while Coan and Bonislowski were called on to

keep a balanced attack. Coach Palmer was pleased with the "Team Effort" and the fine performance of the untried substitutes who plugged up the holes on defense.

Saturday's contest with Clark is the first Waching Conference tilt for Springfield. Clark lost its opener to Westfield 13-0, but is a vastly improved unit.

Bulldog Bits
In other conference battles, Rahway upset Hillside 13-7, and Scotch Plains edged Roselle 2-0. Drew Westman was forced to miss the opener due to an ankle injury, but is expected to play Saturday. Pete Coan was his substitute at fullback, and Alan Greening filled in at line-backer. The first drive in Springfield's third TD drive was a 30 yard end run by Appgar, although he originally intended to throw a pass. Frank Di-Fabio, Coan, and Haas sustained minor injuries in the game but are expected to be in good shape for Saturday.

Beacon On Sports Field Lives Up To Team Name

By Cy James

The Highlanders of Governor Livingston Regional High School make their home football season debut Saturday afternoon on the highest gridiron in Union County, adjacent to the school in Berkeley Heights.

Of prime interest to most of the Highlander fans who were unable to make the lengthy trek to Parsippany last Saturday when Governor Livingston battled favored Parsippany to a 6-6 tie will be the second-stage of the experiment to switch Lynn Nesbitt to fullback.

Lynn, a six-foot, 205-pound, all-around athlete already has earned justified acclaim as the greatest athlete ever to perform for the Highlanders. During the last two years, the length of time the school has been open, Lynn has won laurels in football, basketball and baseball.

His greatest acclaim has been earned in basketball where he topped all Summit Area scorers last season and popped in 30 points in a shocking first-round upset of top-seeded Westfield in last spring's Union County Conference tournament, and in baseball where his booming home runs earned him all-state honors last season and carried Governor Livingston to the State regional Group 2 championship.

The mere fact that Lynn hasn't stolen as many headlines in football as he has in basketball and baseball doesn't mean that the lad isn't equally adept on the football field. He looks like—and is—quite a hunk of football player. Coach Al Brown calls him "a real leader and a real hustler."

So why hasn't Nesbitt won similar acclaim on the football field? It's quite simple! Playing at end and linebacker, even playing as well as Lynn has the past two seasons, is not the way to catch the eyes of the fans. It hardly compares with scoring 30 points in a tournament basketball game or blasting game-winning home runs.

Lynn hasn't received the attention he has deserved the past two football seasons, but he hasn't complained. He has done his job and done it well.

So why the switch to fullback? The Highlanders needed a fullback and when you weigh 205 pounds and attend a smaller school like Governor Livingston the coach is bound to cast envious eyes towards you when he is looking for a line-blasting back.

That's what happened in the Highlanders' pre-season drills. Lynn readily agreed to the switch and Brown was more than willing to experiment since his other candidate for the fullback post weighed some 50 pounds less.

So far the experiment has been a success. Nesbitt has supplanted badly needed weight in the Highlander backfield and, off the team's strong showing against Parsippany, there is reason to feel that Coach Brown has a chance of coming up with his third consecutive winning season.

That would be quite a feat for a spanking new school. But then Al Brown is quite a coach. A coach, we might add, who deserves far more recognition for his success during the past two years than he has been accorded.

We hope all Highlander fans will include attendance at Saturday's game with Bound Brook in their weekend plans. The game figures to be a corker. It not only matches two undefeated teams, but brings a Bound Brook team to Berkeley Heights that is thirsting for revenge for a 24-0 shellacking administered last year in Bound Brook.

HERE'S THAT MAN—As promised, we're running Bob Haas's photo this week, and now it's doubly important because it appears that Mr. Haas will be playing a key role in the Bulldog attack as was obvious in last week's win against Somerville.

Jackie Robinson To Visit Plains

The Scotch Plains Little League's are about to meet an honest-to-goodness Big League.

When the players, coaches, managers, umpires, parents, and friends attend the annual banquet October 17, the guest speaker will be Jackie Robinson, first Negro baseball player to enter the Hall of Fame.

Jackie Robinson broke into organized baseball with Montreal, getting four hits in four times at bat—including a home run—against Jersey City of the International League. He also stole three bases.

From Montreal he went on to the Brooklyn Dodgers where he led the former second divisioners to several pennants and world's championships.

Jackie said he would be happy to speak at the Little League's banquet barring last-minute "complications." He is a long list of many prominent sports personalities—players and umpires—who have appeared at previous end-of-the-season get-togethers.

The affair will be held at the Mountaineer Inn, Montclair, on Route 22.

Players on the pennant-winning Red Sox and World Champion Giants will be honored at the dinner.

Gov. Livingston Booters Hoping History Repeats

Can history repeat itself? Coach Russ Huncher and his Governor Livingston Regional High School soccer team certainly hope so!

Last year the Highlanders bounced back from a 3-1 season-opening loss to powerful Summit High to win the Union County conference championship with an undefeated record in nine games.

The Highlanders opened their 1962 campaign with a 3-1 loss to Summit in the Hill City last Thursday. The next day the Governor Livingston squad commenced its defense of its Union County Conference crown with a 1-0 victory over Union High at Memorial Field here.

In both games it was evident that the Highlanders will have to rely on strong defense if they are to have a successful season.

As usual, Governor Livingston battled strong Summit in the defending Group 3 state champion, all the way. Richie Collins has the honor of scoring the Highlanders' first goal of the season but this was more than offset by a three-goal "hat-trick" performance by Summit's Wolfgang Knipp.

The Highlanders' strong defense kept Union scoreless in the Farmers' opener. Pat Feeley gave Governor Livingston on its winning margin with an arching, 20-yard boot after 10 minutes of play in the third period.

4-H Leaders Plan Discussion

On September 28 at 4:00 p.m., all Union County 4-H Leaders will have the opportunity to get together at the Agricultural Extension Service Office, 7 Bridge St., Elizabeth, N.J.

At this time all leaders will have the opportunity to discuss the coming year's program and 4-H project material will be given out.

Anyone who might want more information about this meeting should contact Mr. Theodore W. Stamen, 4-H Club Agent for Union County, at Elizabeth 3-5000 Extension 288.

Hole In One

A hole-in-one scored by W. Howard Boessneck of Glenwood Road may earn him a trip to Scotland for two and \$1,000. By scoring his ace at the Ash Brook Golf Course, the Fanwood golfer was entered in the national Old Smuggler Hole-In-One Sweepstakes.

The winner will be announced at the end of the year.

Evans To Start Classes

School bells are ringing once again, and loud and clear among the chimes is the call for the fall semester at the Ralph Evans Ice Skating School, 435 Essex Street, Millburn, where classes will resume at the end of this month.

Registrations are now being taken at the school for the complete fall sessions, with classroom-on-ice instruction being offered to novice, intermediate and senior skaters of all ages, from tots to teens to grownups.

Evans, world-renowned professional skater and creator of the famous "Evans Method" of ice skating instruction, said all indications point to a record enrollment this season "as more and more people learn that ice skating is a wonderful way to exercise while relaxing and enjoying themselves."

The full faculty of the Evans school will once again be on hand for the new semester, including such other stars of the professional ice revues as Regina Rubacky, Jerry Mapes and Rod McDonald.

The Ralph Evans School, with its own championship rink, is the only ice skating facility of its kind in the North Jersey area.

Outplay Parsippany

Await Opener At Home

Having outplayed favored Parsippany High School by a wide margin although forced to settle for a 6-6 tie, Governor Livingston is anxiously awaiting its home opener against undefeated Bound Brook High School here at 2 p.m. Saturday.

Coach Al Brown, although pleased with the overall showing of his team in last week's game with Parsippany, is hopeful that his Highlanders will not waste their scoring opportunities against Bound Brook.

The Highlanders three times threatened the Parsippany goal

line without coming up with a payoff play. Two Governor Livingston scoring drives were halted at the Parsippany 10 and 3-yard lines. A third Highlander march was stymied at the Parsippany 26.

The Highlanders will be up against a rugged foe in Bound Brook, a Somerset County Conference title hopeful. The Crusaders opened their season last week with a 19-0 victory over favored Bernards High.

Bound Brook was rudely dumped last year by Governor Livingston, 24-0, in the first

meeting between the schools. The Crusaders will be out to avenge that loss.

Bound Brook, like Governor Livingston, started the season with a young, relatively inexperienced team. Both teams benefited confidence-wise from strong showings in their openers.

In whipping Bernards, Bound Brook exhibited an alert defense which played a hand in setting up all three Crusader touchdowns. A fumble recovery and two pass interceptions led to Bound Brook touchdowns.

The Crusaders showed a fine passer in Alan Beatty, who threw a touchdown pass, and a running threat in Richie Korab, who galloped 23 and 14 yards for touchdowns.

Halfback Ben Russell was the offensive and defensive hero in the Highlanders' tie with Parsippany. He climaxed a 48-yard scoring march in the second period with a two-yard touchdown plunge. In the second half, he snuffed out a Parsippany touchdown bid with a pass interception after the Morris County veteran had moved to the Governor Livingston 10-yard line.

Russell's touchdown gave the Highlanders a 6-0 lead and marked the first time in three seasons that Governor Livingston had led Parsippany. The lead didn't last long as Parsippany took the ensuing kickoff and marched 65 yards for the tying touchdown. Jack Raymore tossed a 16-yard pass to Rich Shoup for the Parsippany touchdown.

The tie was the first in Governor Livingston's ball three-year football history. The game also marked the end of a three-year series between Parsippany and Governor Livingston.

OVER!! Photo above catches Regional backfield coach Herb Lummer on the spot as he is purchased walkie-talkie unit. With Coach Ray Yanchus high in the press box feeding Lummer information on corrections needing to be made down on the field, the RHS mentors hope they've come up with a mechanical weapon that will prove helpful. Furs & Wigs Highlight Meeting

Suburban Deborah held its membership Drive, Sept. 18 at Shackamaxon Country Club. Highlight of the evening was the glamorous fur and wig show modeled by the Mesdames: Mel Apel, Sidney Kay, Bruce Holstein, Leonard Blume, Seymore Zwillman, Gene Osterwell, and Seymore Landau. Narration was by Miss Pat Travis, proprietor of Pat Ravis, Beauty Salon, Millburn. Furs were supplied by Schmerel Brothers, Newark. Mrs. Robert Feld, Membership V. President was in charge of the evening's affair.

Mrs. Milton Friedman, President of Suburban Deborah welcomed the many new and old members. Guest speaker for the evening was Mrs. Francis Bernstein. Mrs. Bernstein, a Life Member of Deborah, a past president and a former patient, told the members about the growth of Deborah, 40-years in existence, and its plans for the future. More heart operations have been performed at this hospital than any other in the U.S. Deborah is a national as well as an international service to those needing its help. Mrs. Bernstein cited the case of a six year old Israel boy. The child needed blood transfusions for heart surgery. A call was put to FC Dix, (which is located near Browns Mill, site of Deborah). Three hundred soldiers volunteered their blood for this unknown child. After the success of this operation, \$5,000 was raised by the soldiers and sent to the hospital. Since then, a chapter of Deborah has sprung up at Fort Dix. Every year \$5,000 is raised by this chapter and sent to the hospital to help another unknown person.

The regular meeting of Suburban Deborah will be held Sept. 25, 8:30 P.M. at Temple Beth Ahm, Springfield.

WINNER—Springfield Patrolman Ed Baummer presents one of the P.B.A. annual Achievement Awards to a deserving winner at presentation ceremonies held at Merisel Field at the close of the Springfield Recreation Commission's playground season.

PBA Achievement Awards Growing In Importance

For the fifth consecutive year the local chapter of the Patrolman's Benevolent Association presented an achievement award to the children participating in the Springfield Recreation Commission's summer playground program. This award has come to be known as the P.B.A. Annual Achievement Award. Each year sixteen trophies are presented. One trophy each to a boy and a girl at each of Springfield's eight playgrounds. The award is made to the boy and girl who has shown through-out the playground season the highest qualities of citizenship, participation, sportsmanship, and cooperation. Over the past five years this award has grown in stature to where now the competition to gain the recognition of the award is very keen among the children. The over-all benefit to the Commission's program that this award has brought is great. The children at all the playgrounds have shown through their efforts marked improvement in the qualities of citizenship, participation and sportsmanship. Helpfulness toward the leaders and toward other children can be easily identified at every play-area. Organized games and fair play have become synonymous on the

Springfield Playgrounds. This year the award was presented by the P.B.A. during the closing ceremonies of the playground season. Patrolman Edward Baummer was on hand to present the awards and congratulate the winners. The winners from the various playgrounds were as follows: Riverside Playground; Joan DiPalma and Byron Gregory, Regional 1 Playground; Elaine Fleischman and Jimmy Fitzgerald, Caldwell Playground; Linda Grasso and Sandy Leonard, Denham Playground; Marion Jacques and Billy Beck, Henshaw Playground; Debbie Huntson and Keith Brink, Woodside Playground; Perri Brunny and Gilbert Van-Burskik, Sandmeier Playground; Rene Nevius and Robert Garner, and Irwin Playground; Lauren Sarge and Gene Zorn. These children worked hard throughout the playground season to receive these outstanding awards and they are to be congratulated. The P.B.A. should also be congratulated for their generosity in presenting these awards to the children.

Five centuries before Christ, Hippocrates, the Greek physician, recommended milk as a medicine.

Culture Speaker

Robert Royar, Regional Leader in Training of the Ethical Culture Society will be the speaker at the regular Sunday morning meeting at the Society Meeting House at 516 Prospect St., Maplewood, at 11:00 a.m. Mr. Royar's topic will be "Why Care?" The public is invited to attend the meeting and the coffee hour which will follow. Mr. Royar is a graduate of Hofstra College and formerly a teacher in the Long Island, N.Y. school systems. As Regional Leader he will assist the Ethical Societies in the New Jersey area.

Hat Sale Planned For Fund Raising

On Thursday, October 4th, 1962, the Springfield Women's Club Ways and Means Committee, under the auspices of Mrs. W. Conrad Keller, Chairman, will hold a Hat Sale which will be open to the public with proceeds going to the Scholarship Fund. Mrs. Richard Edmonds, co-chairman of Ways and Means, has announced that Mrs. M. L. Kefauver, co-ordinator for the Hat Sale has obtained many of the leading fashionable styles of the Fall showings, which will be sold at attractive prices. In addition to "After Five" hats, they will have a wide selection of afternoon dress and sport styles. A hat for every occasion.

The event will be held at the Civic Center in Springfield from 2- to 5 and 7 to 9 on Thursday, October 4, 1962.

24 New Teachers Added To Springfield's 5 Elementary Schools

Bring With Them Varied Backgrounds And Experiences

Springfield Board of Education has reported the hiring of a total of 24 new teachers to join the staffs of the Townships five elementary schools.

At the Florence M. Gaudineer School, 10 new teachers began teaching this term.

Miss Dorothy J. Lichtman who teaches a special class, attended Moravian College, Bethlehem, Penn., and Newark State College, Union, New Jersey. She has a B. A. in English. Prior to joining the Gaudineer staff, Miss Lichtman practiced teaching in Bethlehem, Penn.; was a counselor at the Rockland County Center for the Physical Handicapped in N. Y., and was Music and Nature Counselor at the Tynde Camp for Girls.

Joseph Blanda, who teaches grades six and seven attended Montclair State College where he obtained a B. A. degree. Mr. Blanda is no stranger to the Springfield School system; he did his practice teaching at Johnathan Dayton Regional High School.

A member of the Army Reserves, Mr. Blanda served active duty with the medical corps, Robert W. Pace, teaching the 7th and 8th grade science courses in a graduate of Montclair State College, where he obtained an A.B. degree. Pace taught at Linden High School for two years.

Paul Robert McGuire, History and English, Grades 7 and 8 attended Newark State College and has a B.A. Ed. degree from that institution. He served as Youth Club Director at the Fanwood-Scotch Plains YMCA from February 1960 to June 1962. Mr. McGuire served with the US Army in Germany during 1957-1958.

Mrs. Edith Malm is instructing grade 6 at the Gaudineer School. She studied at St. Lawrence University in Canton, New York and has a B.S. in Psychology. She has taught first grade students in Emporium, Pennsylvania.

Mrs. Janet Hector teaches Physical Education and Health, Grades 6 through 8. She is a graduate of Panzer School, Montclair State College where she earned a BA degree. Mrs. Hector practiced teaching at the Gaudineer School and Jonathan Dayton Regional High School here in Springfield. Mrs. Hector has previously been employed by Springfield Recreation Commission as a summer leader and swimming instructor.

Richard A. Garber, a teacher of grades 6, 7 and 8 is a graduate of Montclair State College and holds a B.A. degree. He had taught at East Paterson Memorial High School from December 1961 to June 1962. Mr.

Gerber also attended Parsons School of Design in New York.

From left to right, top row: Zylka, Blondo, McGuire, Levy, Fry, Lichtman, Malm, Delmonaco. Middle row: Heller, Hector, Christensen, Cicalese, Park, Dey, Klinger, Accardi. Bottom row: Pierson, Pollack, Adam, Schumacher, Gillis, Garber, Welch.

School of Physical Education, Montclair State College, Delmonaco has done recreation work for the last four years. He is presently attending Seton Hall University where he is working part-time toward a Master's Degree.

Two new faces are to be seen this school year on the Raymond Chisholm faculty. They are Miss Adeline Schumacher who is a second grade teacher, and Miss Adrienne Pollack who will teach fourth grade.

Miss Schumacher received her degree at Pennsylvania State University. Her teaching experience ranges from practice teaching to camp counseling. Miss Pollack was awarded her B.S. Degree in Elementary Education from Upsala College. Previously, she has taught in the Piscataway Township School System.

In the specialized teaching category, Springfield adds two new members to its educational faculty. New school Librarian will be Beatrice M. Adam who brings with her a B.A. Degree from American University, a M.A. Degree from NYU and a M.L.S. Degree from Rutgers.

Miss Adam's previous experience includes and Assistant Editorship in the Children's Book Division at McMillan Publishing Co., Children's Librarian at the Summit Public Library, Librarian at Columbia High School in Maplewood, and the Young People's Librarian at the Maplewood Library.

Working a Springfield Speech Therapist this year will be Mrs. Sheila Levy. Mrs. Levy received her B.A. from Newark State College and her past experience includes practice teaching in both Westfield and Millburn.

Father McLarney Dr. Moldenke To Speak Oct. 7 to Give Talk

The Very Reverend James J. McLarney, O.P., Chaplain of the Monastery of Our Lady of the Rosary, Summit, N.J., will be the guest preacher for the 43rd annual October Pilgrimage to Rosary Shrine, to be kept this year on Sunday, October 7.

Father McLarney has preached widely throughout the United States. He has been twice awarded the Freedom Foundation medal for preaching on the virtue of patriotism. He was for several years a preacher on the Catholic Hour, nationwide program produced by the National Council of Catholic Men. He formerly held the post of Assistant to the National Director of the Holy Name Society.

The chief pilgrimage intention will be for the success of the Ecumenical Council which begins its first session October 11.

During the services there will be the blessing of roses, followed by Benediction of the Most Blessed Sacrament.

On Rosary Sunday, pilgrims may avail themselves of the Totes Quoties when a plenary indulgence, applicable to the suffering souls, may be gained under the usual conditions, for each visit to the adoration Chapel.

Presenting: the Crisp, New, Custom Look of **CHRYSLER '63**

The Luxurious Chrysler New Yorker

Raise your eyes and take another long look at this beautiful '63 Chrysler. How would you describe it? America's most prominent—fashion—leaders—style-setters, and designers said this about the '63 Chrysler: "A stunning concept in restrained elegance!" "Has the custom look of a town car!" "Beautiful simplicity in line and form!"

Inside you'll find a style revolution in the making: gorgeous patterns; loop-pile carpeting that would grace any living room; wide, comfortable deep-cushioned seats. Again in '63 you'll find no small-size Chryslers, no Jr. editions to undercut your big-car investment, penalize your pride or reduce your resale value.

All '63 Chryslers are big, beautiful and V-8 powered. All are pleasant surprises, too. Take a good look at the custom-looking '63 Chrysler... then take a big, beautiful step ahead in style.

Now! 5-year/50,000-mile warranty! Another First for Chrysler! The very highest standards of engineering leadership have resulted in an extended warranty on the power-train of 1963 Chryslers.
