

OH, NO!!! Not A...

By Jerry Fischrom

Thursday, October 11, 1962, was one of THOSE days for Sheldon B. McCullough, 35, of 81 Beechwood Road, Florham Park.

At 3:29 A.M. he turned on to Morris Ave. from Springfield Ave. in Springfield and... CRASH! His automobile plowed into the rear of a black & white Plymouth sedan parked in front of the Sip & Sup restaurant, reported Springfield Police Chief Selander.

Being involved in a collision is disturbing under any circum-

stances, but a second look at that black & white sedan must have magnified McCullough's displeasure: The dented rear of the sedan bore a six letter word that probably caused McCullough to grimace a bit: P-O-L-I-C-E!

The damaged police car, designated car 67 by the Springfield force, is the newest in their fleet. Damages are estimated at "a few hundred dollars."

Officers Siessel and Harden, operators of the damaged police vehicle that morning, presented McCullough with a summons for careless driving.

Springfield Boy Scouts, Troop 70, Are Champions

Jay DeWitt McGarrath, Assistant District Commissioner of Scouting of Springfield and Union, announced this week that Boy Scout Troop #70 has won the 1962-Campo-Jambo championship of the Northern District of New Jersey.

The Campo-Jambo Championship represents the highest award given to a troop that excels in camping, firemaking and cooking. In making this announcement Mr. McGarrath, a long time resident of Springfield, who resides at 67 Mountain Avenue, and who has been active in Scouting in this area for more than 20 years, stated "Springfield should be proud of the very fine showing the Boy Scouts of this township have displayed not only in winning

this award but in the sportsmanlike manner in which it was done.

"RESIDENTS of Springfield should be made aware that the active Scouting program in their town reflects credit on a community dedicated to their youth."

"WE HAVE, in Springfield, two Explorer Posts #70 led by Mr. Isley of 30 Colfax Road and #73 led by Frank Rebel of Woodcrest Circle. We also have three active Boy Scout Troops #66, led by Scout Master Frank Shimshock; #73 led by Scout Master Tom DiFranco and the award winning #70 Troop led by Scout Master Francis W. Laurence. "In addition we have four active

Red Cross Blood Program Gets Under Way Monday

Mayor Phillip Del Vecchio will be among the first donors at the Red Cross bloodmobile which will be at the Presbyterian Parish Hall, Main Street for Springfield's Blood Donor Day this morning Monday, October 15th.

The 14-bed Red Cross unit from the New York Regional Red Cross Blood Program will be at the church from 1:00 P.M. to 6:30 P.M., to process the more than 200 donors anticipated from the registrations to date.

Under the direction of Dr. Gabriel Lull, 266 Morris Avenue, five local medical practitioners will serve as doctors on the unit. They will be assisted by registered nurses from New York, Springfield, and Summit under the direction of Miss Florence Guadagnoli.

A staff of local volunteer nurses, volunteer aides, and non-professional volunteers serving as receptionists, clerks, and

canteen workers will be on the job all day.

Mrs. Roland Nye, 54 Berkeley, Springfield, will be in charge of the Red Cross canteen workers serving refreshments to the donors.

Henry S. Wright, chairman of Springfield Blood Donor Day, urged all volunteer donors to remember their appointments. "I can promise you, too," he said, "that there will be no waiting in line if everyone comes at the time appointed."

While Springfield adults are giving blood, a group of Junior Red Cross members from Regional High School will be filling baby sitting assignments at the church and at Springfield homes to give mothers the opportunity to make their donations.

In addition to the nursery which the Junior members will have at the church during the mobile unit's stay, the group is filling the homes.

SAKS FIFTH AVENUE VOLUNTEERS: More than 30 have signed up from the Springfield store for the Red Cross Blood Program at the Presbyterian Parish House this coming Monday, October 15. Photo, in the usual order, Jerome Goldstein Springfield's Saks manager; George Stevens, assistant manager at Saks; John Gacos, Chairman of Springfield Chapter Red Cross; Mrs. Toby Auerbach, R.N.; Henry S. Town Meeting Government To Continue

Mike Catapano, Candidate for Township Committee, promised the continuation of township government responsive to the will of the people if he is elected. In addressing a group of women for Del Vecchio and Catapano, he pointed out the return of true "town meeting" government since the beginning of this year, when the present administration took office.

Catapano continued, "This has been missing from the Springfield scene for years. It is a pleasure to attend a township committee meeting and witness true representative government at work. Springfield residents can now attend meetings and speak out on any township area problems without fear of interruption or embarrassment.

"Under the prior administration with Mr. Bonadies as mayor, it was not uncommon for a citizen to be muffled in any attempt to state a contrary opinion or question township business pertinent to his interest.

"In a community such as ours it is inconceivable that people would tolerate this type of government. It was gratifying to many people when the voters selected a new administration last year—events subsequent to this election have proved the intelligence of the voters of Springfield.

"Anyone can attend a township committee meeting today and enjoy the privilege of freedom of speech guaranteed by our constitution. This true means of democratic expression is welcome when so many people are stifled in other areas of the world. We cannot allow our town to be controlled and its people subjected to one man rule."

Catapano concluded, "The election of Mayor Phil Del Vecchio and myself to the township committee would assure the people of Springfield this continued atmosphere of legislative freedom and open forum type of government."

It's Heating Up! Wants Debate With Smith And Ceithaml

Mayor Phillip Del Vecchio, Candidate for re-election to the Township Committee, today challenged his opponents, Ceithaml and Smith, to drop their newspaper mask, and meet him, "Mike" Catapano and the public face-to-face in an open debate on the issues of this campaign.

Del Vecchio continued, "In a public debate, the boss controlled candidates will not be able to hide behind their ghost-writers. They will have to answer questions on their own, without prompting, and rise or fall on their knowledge, or lack of knowledge."

"Since the Democratic candidates have fought their entire campaign with spurious headlines, it is important that the voters be allowed to judge the issues, and the credibility of the candidates by first-hand observation," continued Del Vecchio.

Mayor Del Vecchio stated, "The allegations attributed to the opposition candidates are so completely unfounded, that I do not believe they could make these statements at a face-to-face meeting where the half-truths and out of context remarks could be thoroughly judged by the voters of Springfield.

"I would like to see my opponents back up their many public pronouncements with facts at an open debate where the voters could decide their credibility.

"THE ALLEGATIONS by the opposition candidates that actions of the Township Committee are unauthorized, and their alleged familiarity with the discussions which take place at sessions of the Township Committee, at which they are not present, can only lead me to believe that they are not making the statements credited to them.

"These statements are being dictated by Committeeman Vincent Bonadies, Mr. Bonadies—very apparent 'Charlie' McCarthy Act'—can only indicate that he has pulled out all stops in an effort to regain the Mayor's title. His hand-picked candidates are obviously committed to restore the rejected boss to his former position of one man rule," said Del Vecchio.

"CONTINUING, Del Vecchio said, "Mr. Smith's familiarity with the actions at Township Committee Meetings is even more remarkable since he has not attended a Township Committee Meeting in several months.

"To speak with authority on matters of such grave importance to the welfare of our community without first-hand information can only be termed incredible.

"This debate, conducted with facts, and on bonafide issues, will present a true and clear picture of the conduct of the present administration.

"I welcome the opportunity to confront my opponents. There is nothing to hide! There are no secrets! There is nothing to conceal. The allegations made by these men will disappear when they are exposed to light.

"The decision of the voters on November 6th will decide who is more qualified to serve Springfield. This debate will serve to enlighten the electorate so that an intelligent vote may be cast," concluded Del Vecchio.

Falkin Refutes Sibole's Charges

Arthur Falkin, a member of the Township Committee, today disputed the recent charges made by Committeeman Russell Sibole, published last week.

"Mr. Sibole's aura of political innocence is certainly not in keeping with his record. His manner of making untimely statements at timely occasions, certainly raises questions as to his motives," said Falkin.

"In February of this year, when Frank Haydu was a candidate for re-election to the Board of Education, Mr. Sibole made a statement, cosigned by Mr. Bonadies, berating Haydu's action as Chairman of the School Board Finance Committee. This statement was printed in the newspapers six days before the school board election, before Mr. Haydu had received his copy. However, Mr. Haydu received his copy after the publication.

"Mr. Sibole stated that he wasn't aware the school board elec-

Mrs. Egolf To Address Teen Democrats

Mrs. Lillian Walsh Egolf, Democratic Candidate for congress, and Lou Ceithaml and Howard Smith, Candidates for the Township Committee will speak to the members of the Springfield Teen Democrats at their regular meeting to be held Tuesday evening, October 16 at 7:15 sharp. The meeting will be held at the home of Donald Lewis, 385 Milltown Rd.

MRS. LILLIAN W. EGOLF
--Candidate for Congress in Sixth District

Mrs. Egolf, an experienced junior high school teacher of social studies, will talk on "The Role of the Teenager in Politics." Plans will be formulated for the activities of the teenagers during the forthcoming election period.

Regular members of the Teen Democrats, as well as any teenagers interested in meeting the candidates, are cordially invited to attend.

Campaign Promises Broken

Howard S. Smith and Louis Ceithaml state that an examination of the Record of this administration reveals that not one single promise made by last year's Republican candidates has been fulfilled or delivered in the interest of the people of Springfield.

"The statement follows: 'The three man majority on the Township Committee who made approximately 12 promises in 1961 provided only an excellent camouflage for the sole purpose of winning an election.

"Perhaps the cruelest hoax perpetrated on the taxpayer of Springfield was a promise that there would be a stabilization of taxes for 1962.

"THE TAX BILLS mailed out this year reflect the largest increase in 6 years. We maintain that the people of Springfield are paying the highest taxes ever paid in this township and are not receiving any more services for their added tax dollars. In some instances, the services have been decreased.

SMITH AND CEITHAML ask, "What did you get for your higher tax bill in 1962?" No new services—no new fire or police administration."

Press Breakdown Proves One Thing

Mechanical gremlins caused a breakdown in the brand new press used for printing the Springfield Sun last week—and the regular weekly issue had to wait for repairs, resulting in a long delay.

Regular subscribers flooded the Sun telephone with inquiries on why "they hadn't received their Springfield Sun." The explanation satisfied them and the paper was eventually delivered.

It was decided to keep a record of the number of telephone calls—starting just before noon on Friday. The check shows that 271 calls were received—all asking for their weekly copies of the Sun.

8,430 Now Registered As Voters

Springfield will have at least 185 new eligible voters for the coming November 6 elections, according to the tentative registration figures released by Township Clerk Elizabeth Worthington.

The registration for new voters and transfers closed September 28 shows a total of 8,430 as compared with the 1961 figures of 8,245. The figures may be increased by the Union County Board of Elections.

Following are the number of eligible voters in each Springfield voting district and the comparison with the registration last year:

Bonadies Rips Mayor; Charges Many "Big Lies"

Committeeman Russel Sibole said he was disturbed when he learned of the use of the Township's official seal and asked Mayor Del Vecchio, "If, as you say, this invitation had no political goals, why weren't we invited? I'm sorry to say this in public—Mr. Chairman, but you have been playing politics

terests of the people. "In his fury and panic, he has resorted to gross distortion, misrepresentation and the downright use of the 'Big Lie.' "Notwithstanding, that I am not a candidate for office he would have you now forget my dedicated service of the best eight years of my life to the community and distort this record for his purpose.

No Bullet Voting

Urge Vote For Smith And Ceithaml To Gain Control

Citizens for better government in Springfield, supporting the election of Howard S. Smith and Louis Ceithaml for Township Committee, November 6, are urging all the voters to cast their ballots for both candidates "since the victory of only one would not change control of the administration."

"In order to change the present inept, do-nothing, give-away majority in the municipality," the statement continued, "Springfield must elect both Smith and Ceithaml.

"Citizens are warned against making deals with the backers of the present controlling group in exchanging votes—making certain that Del Vecchio gets support.

"The rumors are that Carmen S. (Mike) Catapano has already been thrown to the wolves, and the Town Hall crowd is throwing all the ammunition at getting Candidate Del Vecchio elected.

"The plan of battle now is to sacrifice Catapano for any kind of a deal that will bring victory for Del Vecchio. In this way, the group in control can be assured of their present majority—just by concentrating on electing one.

"Victory for both Smith and Ceithaml in the election November 6 is very important. Don't throw away your vote by supporting only one. It's like tossing away your vote. If you want to replace the present vote for Smith and Ceithaml, the statement concluded.

Plan Large Scale Civil Defense Drill

A large scale Civil Defense exercise will be held on Sunday, Oct 14, in the "Kipling Village" area of Springfield, beginning at 1:00 o'clock.

This annual drill, held by the Springfield Civil Defense organization, has been greatly expanded this year to incorporate six of the surrounding towns, which makes the involvement total one third of Union County.

Saul Freeman, Springfield's Director of Civil Defense & Disaster Control, explains that this exercise will test the capabilities of help which can be furnished by the contiguous municipalities in the event that a disaster of sufficient magnitude would overwhelm the local capabilities. The whole drill is based on the combined pooling of the resources of the Civil Defense agencies of, Cranford, Hillside, Kenilworth, Roselle

Falkin

(Continued from page 1)

Mr. Sibole, The Committee form of government is based on a 5-man committee who vote on all matters.

"THE COMMITTEE IS broken down to working sub-committees which investigate the facts and report matters to the 5-man Township Committee. Mr. Sibole has been invited to attend all meetings of the sub-committees of which he is a member," Falkin continued.

"The bi-partisan Public Safety Committee, of which Mr. Sibole was a member, recommended to the Township Committee that they add four men to the Fire Department and three men to the Police Department, and these recommendations were implemented.

"Similarly, a recommendation to uniform the School Crossing Guards was also carried out. The Public Safety Committee's recommendations to create a third detective in the Police Department, in order to increase the efficiency of that department, was also brought about. Mr. Sibole also joined the Republican majority in decreasing the duty hours of the Fire Department and granting an across-the-board salary increase to the members of the Police and Fire Departments," said Falkin.

"AS FAR AS MR. SIBOLE'S citing the handling of the movie ordinance, it is apparent that his prior two years on the Township Committee, prepared him only for the unanimous passage of even the most difficult legislation. The continued hearings in relation to the movie ordinance, indicates the desire of the Republican majority to be responsive to wishes of the people.

"Even Mr. Sibole will acknowledge the decision which surrounds his own feelings on this subject. Mr. Bonadies, who originally appeared for pre-censorship on all movies, has now

back-watered considerably in the light of public opinion, I would venture that neither he nor Mr. Sibole were in a position to enact this ordinance at the last Township Meeting," Falkin continued.

"The Finance Committee, of which Mr. Sibole is also a member, recommended to the Township Committee, that a mechanical accounting system be instituted in Town Hall. At the final hearing of this ordinance, Mr. Sibole will recall that it was he who moved to table it; a move that precluded the enactment of the ordinance. Mr. Sibole is familiar with the fact that the passage of an ordinance appropriating funds requires four affirmative votes.

"Since Mr. Bonadies had already chosen to make a political issue of this matter, Mr. Sibole's vote was essential for enactment of this modernization program."

FALKIN WENT ON to say, "Mr. Sibole's concern over the location of a retention basin to handle the storm water on Baltusrol Top, can be no greater than my own. Along with Mayor Del Vecchio and Committeeman Hargrove, I reviewed all the available data and came to the conclusion that the retention basin is long overdue, and that locating the retention basin on Baltusrol Golf Club Property would best serve Springfield.

"Inasmuch as previous developments on the Springfield side of the mountain were approved during Mr. Bonadies' administration with no provision for storm water drainage, we felt a retention basin for the entire mountain area—at no cost to the Township was the answer."

"We, of course, were influenced by statements made by Mr. Bonadies in 1961, that a retention basin is the only way out, and statements by former Township Attorney Irwin Weinberg that he would like to sell the Golf Club on the idea of locating the basin on their property." Both these statements appear in the minutes of the 1961 Planning Board and can be seen at the Town Clerk's office at any time.

"Mr. Sibole's position on the retention basin was that it was not the most desirable solution in his mind, but that he would vote for the basin if it were located on Baltusrol Golf Club's property and if it were built at no cost to the Township."

"Mr. Sibole's press release of last week belittles the high esteem in which I held him personally. I can only attribute his remarks to a pay-off of a political debt."

Falkin deplored the fact that "Mr. Sibole used the medium of a political release in the press to criticize the actions of the Township Committee, yet failed, to date, to voice his objections at any meeting of the Township Committee."

Bonadies

(Continued from page 1)

"WHY HAS HE RESORTED to this degradation of the office of the Mayor? Simply because—and my colleague Russell Sibole, have continued to stand up for what we think is right in revealing the horrendous conditions in Town Hall and the rapidly blooming scandal of another sewer give-away."

"Both Mr. Sibole and I shall not be silenced as long as we have the strength with which to fight this evil."

"By his tirade, Mayor Del Vecchio has exposed himself as a man who could consciously bear false witness on those who work for the good of the people and those who are not willing to act as his rubber stamps for his every whim."

"Mr. Del Vecchio points the finger of blame on my administration for the non-existing water conditions on the Mountain Top; when, in effect, most of these subdivisions and developments occurred as far back as 1948 and 1955."

"Mr. Del Vecchio, a home owner on the Mountain Top accepted all the conditions as they existed when he signed his deed April 29, 1956—long before I became Mayor.

"Mr. Del Vecchio, not I, stands accused of Bossism. It was he who handpicked his running mate—single-handed over the protests of his municipal chairman—and members of the Republican county committee without a primary vote."

"Why, I as, did Howard Smith choose to run on the Democratic ticket instead of being Mr. Del Vecchio's running mate who begged and sought him to run mate for two years."

"Mr. Smith rejected their invitation when he (Smith) was told exactly how he would have to vote on every matter presented to the governing body."

"IT WAS MR. DEL VECCHIO and his Township Attorney James Cawley who told the Board of Adjustment early this year they had to follow the Republican policies.

"It was they who also attempted to coerce the Board of Adjustment to make certain changes in two matters that came before the Board of Adjustment."

"Mr. Del Vecchio has raised a false issue regarding the Planning Board. There is no question in my mind that the Planning Board members are conscientious men of integrity and dedicated."

"But from conversations I have had with board members it is quite evident now that had the contents of the secret Baltusrol

agreement been revealed to them by Mr. Del Vecchio, their attitude would certainly change to the negative on the matter of the Springfield Ditch Drainage. Another false position for Mr. Del Vecchio."

"I FURTHER CHALLENGE Mr. Del Vecchio to substantiate his false and malicious charge that I have stated a desire to appoint the members of the Board of Education."

"Again I say—Howard Smith, President of the Board of Education rejected Mr. Del Vecchio for what he represents and puts the lie to this charge."

"I challenge Mr. Del Vecchio to match his record of 'do-nothing' for the Board of Education with the record of accomplishment and cooperation of the past three years, during my tenure as Mayor."

"I have no fear to challenge Mr. Del Vecchio to publicly match the record of the past 3 years of Democratic administration to the listless, do-nothing, procrastinating nine months of his tenure."

"The record for the past 3 years vividly shows a resourceful, energetic administration taking full advantage of Federal and State aid, full participation of developers in community activities and public works projects of full benefit to the people."

"In contrast Mr. Del Vecchio offers secret deals, one man government, by his own admission, and a complete blank on any positive accomplishments."

Promises

equipment—no increase in recreation facilities—in fact, no increase in anything but your taxes.

Smith and Cetham commented on the gross inefficiency of the present administration by pointing out the expenditure of \$10,500 for a bookkeeping machine which isn't going to save any money or replace personnel.

"For Another, now that we have four attorneys serving the Township of Springfield, we have the dubious distinction of having two of those attorneys, namely the Board of Adjustment attorney and the Township attorney, representing the Township independently of each other on the same law suit, when only the Board of Adjustment attorney was authorized to do so."

"THE PRESENT COURSE being steered by Del Vecchio, the chief puppet for the private developer, shows that the taxpayers of Springfield run a poor second—to the interests of the developers."

"If the present administration is permitted to remain in office, the policies advocated by Del Vecchio of accelerating the rate of residential developers on top of the mountain will result in a detrimental impact on services and a burden on existing school facilities. Result:—The tax-

payers of Springfield will be stunned by a high tax increase next year."

Smith & Cetham pledge to restore good government in Springfield, "a government that will be responsive to the interests of the people."

for all nine months you've been in control, and I can no longer contain myself."

"In other business the Republican-controlled governing body couldn't muster enough votes to pass the ordinance authorizing the expenditure of \$10,500 for office equipment."

The vote was strictly on party lines, with both Committeemen Bonadies and Sibole voted against the measure. Since this type of expenditure needs a two third majority, Mayor Del Vecchio announced that the measure had failed passage.

Committeeman Bonadies announced that "because this use of the official seal in politics was embarrassing to the Township Committee and a violation, he and Committeeman Sibole intend to write to the list of invited newcomers to the Mayor's cocktail party, explaining that "it was not an official function of the governing body and only a bit of political campaigning."

Park, Summit & Union, to contain a disaster—occurring in Springfield.

Some 50 ambulances will be used to transport and treat 150 victims who will be taken to either Overlook Hospital in Summit, or the new Union Memorial Hospital in Union.

It is expected that a new type of Radiation Detection instrument will be demonstrated at Overlook, if available from the manufacturers in time for the drill.

This is a "Walk Through" type of instrument which detects whether a person has been contaminated merely by walking through a "screen." Some of the victims will have a mild radioactive source placed on their persons for the demonstration.

All equipment and personnel arriving from out of town will form a pool at Echo Plaza parking lot, to be called upon as required by Springfield.

A local hospital will be set up in the Gaudineer School, under the supervision of local doctors and nurses, to act as a clearing station for the "injured".

Rescue and special rescue techniques will be demonstrated by the fire companies of the various towns involved, these demonstrations to be arranged by

Springfield's Fire Dept. A hot meal will be served to all CD personnel engaged in the drill, and mobile kitchens will be used to carry food to the disaster area and to other areas where personnel will be gathered.

A total of almost 600 people will be engaged in the exercise, and Mr. Freeman extends a cordial invitation to all residents of this Town to come and observe these Civil Defense units in action, an exercise that will show what can be done should a catastrophe occur in any of the towns in this area.

State and County Civil Defense officials will be on hand to watch the drill, and a bus will be provided to accommodate any interested observers to take them around the area and explain the workings of the whole exercise.

Mr. Freeman comments that in the dangerous days that lie ahead of us in this troubled world, the arms build up now going on at a feverish rate, the continued testing of Nuclear weapons, the establishment of a Communist "base" so close to our shores, the seriousness of the situation in Berlin, the unrest and indecision of the countries of South America, the tensions so evident in all parts of the world, make this Civil Defense activity more important than ever.

"It is only by being prepared for the worst that can happen, that will make the difference between winning or losing a conflict that may be forced upon us at any time."

Boy Scouts

(Continued from page 1)

Cub Packs led by dedicated Scouters and Den Mothers working toward the progressive and important goals of Scouting.

"These residents give unselfishly of their time and efforts to improve the vitality and citizenship of our youth. Those who cannot devote their time can at least support such important work by generous contributions."

"IT IS OF FURTHER interest to note that these Boy Scout units are sponsored by outstanding organizations of our community. The Lions Club of Springfield sponsors Scout Troop #66 and Cub Pack #77; the St. James Church sponsors Explorer Post #73, Scout Troop #73 and Cub Pack #73; and the Men's Club of the Ist. Presbyterian Church sponsors Explorer Post, Cub Pack and the award winning Scout Troop #71."

All in all there are 466 boys in Scouting in Springfield, an impressive number for a small community, BIG in progressive idealism."

Jack Stiefman, director in Springfield for the 1962 Boy Scout Fund Raising Drive, announced this week that final preparations have been completed to make this year's appeal the most effective this Township has ever witnessed.

Industrial, professional—and merchant-committees have been organized to solicit funds in their respective areas. Every resident in town will be asked to become "a member of Scouting" through contributions.

Envelopes will be distributed throughout town beginning this week and the culmination of the drive will be the collection of these envelopes.

Mr. Stiefman stated "all of us haven't the time to engage actively in the worthy work of Scouting, but all of us can become a part of this important work in helping to sustain the activities and programs necessary for its continued growth."

"When you receive these envelopes—your generous contributions will enable Scouting in Springfield to grow. Our Scouts have never let us down."

"Next week, in our very important Civil Defense drill, over 100 Boy Scouts from Springfield will act as "casualties". Let us show them that we appreciate and support the ideals and programs for which they stand."

"You may also send your check (Union Council B.S.A.) to Dr. R.M. Feuerstein, Auditing Chairman, So. Springfield and Hillside Avenues, Springfield, Do It Now."

Your Library

In honor of the Jewish Holidays Mrs. Helen C. Francis, Assistant Director of the Free Public Library of Springfield, has arranged a special exhibit in the main hallway.

A small model of one of the jars which contain the manuscripts known as "The Dead Sea Scrolls" is the central feature. There is a miniature reproduction of a piece of the manuscript. In 1947 many scrolls were discovered hidden in very ancient jars in a cave along the shores of the Dead Sea in Israel. Since that time scholars from all over the world have been working to preserve the manuscripts so that they can be read and studied.

The miniatures in the Library exhibit give some idea of the appearance of this famous discovery. Around the models has been placed a group of books about the scrolls, about Judaism, and about Palestine life in both ancient and modern times. The books, in this exhibit, may be borrowed by anyone interested, since the Springfield Library has a large collection of books on these subjects.

Howard Box, Leader of the Brooklyn Ethical Culture Society, will speak at the Society Meeting House, 516 Prospect St., Maplewood at 11:00 a.m., Sunday, Oct. 14.

His topic will be "The Case of the American Woman". The Public is invited to attend the Meeting and the coffee hour which will follow.

Mr. Box has been Leader of the Brooklyn Society for the past two years. He comes to the Ethical Culture Movement after eleven years of work in the liberal churches as a Unitarian Minister. His special interests are in the field of psychology and social ethics. Jerrald Stern of Maplewood will preside at the meeting.

Overlook In Drill

Overlook Hospital will participate in a major Disaster Drill on Sunday, October 14, joining Civil Defense authorities, police, Red Cross and Rescue Squads from eight surrounding localities.

A simulated jet airplane crash in the Echo Plaza Shopping Center on Route 22 will provide the scene of action. Some 50 ambulances, and 130 casualties will be involved in the drill.

Overlook Disaster Drill Chairman Alexander Crosetti, M.D., has requested visitors to remain away from the hospital from 1 to 5 p.m. Sunday afternoon, unless urgent, to avoid confusion and extra traffic problems in the hospital area.

"Overlook" takes part in these regular drills for the protection

of residents living in our area," explained Dr. Crosetti. "Should mass emergency strikes, we want our doctors, nurses, laboratory, and x-ray staff to be practiced and ready to go into fast, coordinated action. Such rehearsals are required by the Joint Commission on Accreditation of Hospitals."

Henry Grabarz On USS Affray

Henry F. Grabarz, radarman third class, USN, son of Mr. and Mrs. H.F. Grabarz of 231 Baltusrol ave., Springfield, N.J., is serving aboard the ocean-going minesweeper USS Affray, a unit of the recovery force which the U.S. Navy and the U.S. Marine Corps have assigned to the Atlantic Ocean for the third manned orbital flight into space.

The organization of ships and air units, Task Force 140, is now

on station in the Atlantic to locate and recover Astronaut Walter M. Schirra, should his flight be terminated there.

A similar organization, Task Force 130, is on station in the Pacific Ocean, where the landing is expected to take place.

The force in the Atlantic is commanded by Rear Admiral Harold G. Bowen Jr., Commander "Cruiser-Destroyer Flotilla Four. He is at the Cape Canaveral control center to direct the force, which includes 19 ships, over 50 aircraft and a group of specialists in the launch area.

The around-the-world vigil, maintained by the Pacific and Atlantic recovery forces, marks the first time that Pacific Fleet forces have been specifically assigned to Project Mercury recovery operations. However, in past operations, all military units which possibly might be used have been on standby during the shot.

Mental Health Workshop To Be Held Wednesday

The Fall Mental Health Workshop for nurses, sponsored by the Union County Association for Mental Health, will be held on Wednesday, October 17, 1962, at 1:30 P.M., at the First Park Presbyterian Church, Central Avenue and West 7 Street, Plainfield, New Jersey.

The theme for this year's Conference will be "The Role of The Nurse in Early Detection of Emotional Disturbance." Miss Shirley Armstrong, Instructor of Psychiatric Nursing, College of Nursing, Rutgers - The State University, will be the speaker and discussion leader.

Particular stress during this Workshop will be placed upon the recognition of danger signals in emotional illness; techniques of interviewing patients with emotional disorders and the counseling of such patients with a view toward prevention of further emotional distress.

The Workshop will be attended by the staffs of all of the hospitals in Union County, as well as the nurses engaged in the schools and public health services of Union County.

This is another activity of the Education Committee of the Union County Association for Mental Health, which is attempting to

reach all of the "target" groups within the County who have a professional relationship with people needing guidance.

Mrs. Edna W. Dover, R.N., Director of Nursing, Overlook Hospital, Summit, New Jersey is the Chairman of the Committee that planned the Workshop.

The Union County Association for Mental Health is the local affiliate of the New Jersey Association for Mental Health and the National Association for Mental Health, and is concerned with the care of the mentally ill as well as the prevention of mental illness.

Directions for reaching the First Park Baptist Church, Plainfield - from Route 22 - take Terrell Road turnoff, cross Route 22 and go to 7th Street, turn right and proceed to Central Avenue (three blocks) pass Park Avenue, First Park Baptist Church in on your left.

Springfield Man On Overlook Bd.

Howard F. Casselman of 37 Park Lane, Springfield, well known for his activities in many civic organizations, has been elected to the Board of Trustees of Overlook Hospital in Summit. Mr. Casselman is President and Director of the Hayes Savings and Loan Association and a partner in the law firm of Riker, Denzig, March & Scherer, both of Newark.

Mr. Casselman has served as president of both the Lions Club of Springfield and the Springfield Historical Society and was a former trustee of the First Congregation of the Presbyterian Church at Springfield.

Howard F. Casselman is currently Mr. Casselman is a Director of the Travelers Aid Society of Northern New Jersey, Attorney for the Springfield Board of Education, and a member of the American Legion and V.F.W. Posts of Springfield.

"As a Springfield resident, I am particularly pleased to be of service to Overlook," commented Mr. Casselman. "All of us in Springfield certainly depend

Film Festival To Be Held At Temple

Witnesses At Convention

Residents of the Springfield area were among the audience of 2,237 who heard the featured talk climaxing the 3-day Bible convention of Jehovah's Witnesses in Elizabeth on Sunday. The Bible lecture was delivered by Joseph Saia, district supervisor of the Watchtower Society of New York, on the subject, "The Bible's Answer to Our Problem of Survival."

"The world stands at Armageddon. Will we act upon this fact and take the course that leads to survival?" asked Mr. Saia. He pointed out that there will be panic-stricken physical phenomena and a crumbling down of human institutions - political, social, commercial, and religious. The speaker referred to Ezekiel 38:20 which indicates that "mountains will actually be thrown down and the steep ways will have to fall."

Mr. Saia continued by emphasizing the Bible hope of survival. "The answer is not with men," he said, "it is with Jehovah alone that we find the answer to our problem of survival."

Back to School At Dayton HS

The Parent-Teachers' Association of the Jonathan Dayton Regional High School of Springfield will sponsor its annual "Back-to-School-Night" on Thursday, October 11, 1962. The program has been so arranged that it will be possible for interested parents to visit each of the classes their son or daughter attends daily. The evening will operate as a regular school day; each period, however, will be shortened from the usual 60 minutes to 10 minutes. This will make it possible for each teacher to describe to the parents, the general scope of each course and what each student is expected to accomplish during the academic year. A special social hour has been planned for latter part of the evening at which time parents will have the opportunity to discuss the progress of their sons or daughters with the individual teachers.

Back To School At Heights H.S.

"Back-to-School" for parents will be the program of the Governor Livingston Regional High School P.T.A. meeting for Thursday, October 18, 1962. An opportunity for parents to meet the teachers of their children will be the feature of this initial program of the year. The meeting will be directed by the school principal, Mr. Frederick Aho, and opened at 7:30 P.M. by Mrs. Luther Hutchinson, President. Refreshments following the meeting will be served by Mrs. John Van Nest and Mrs. J. R. Baier and their committee.

B'nai Brith Meetings Scheduled

The Anity Chapter of B'nai Brith Women will hold their Board Meeting at the home of Mrs. Mel Goldberg, 466 Lelle Street, Newark, on Thursday evening, October 11, 1962. The group will discuss their plans for the forthcoming Annual Rummage Sale, on Wednesday, October 17, 1962, at 30th and 1st Streets, Elizabethport, N.J. All are welcome. Rummage Chairman will be Mrs. Myron Kesselhaut. On October 17, Wednesday evening, the Chapter will hold their first program of the year for the William Ward Home, 2 Ogden St., Newark. Entertainment will be provided by members of the Dante Orchestra. Refreshments will be served by Mrs. Samuel Berliner, Chairman, Mr. Milton Friedlander, Mrs. Nathaniel Robbins. On October 25, 1962, at the Congregation Adas Israel Mishnayas, 246 Shephard Ave., Newark, the Chapter will hold their regular meeting at 8:30 P.M. Guest Speaker for the evening will be Dr. Harold Schwartz of Millburn who will speak to us on preventative measures in detecting cancer. Mrs. Bruce Sternberg is Program Chairman. Mrs. Arthur Kesselhaut is Chapter President.

GIRL SCOUTS

Girl Scout Troop #878 under the leadership of Mrs. Wm. Dolshun, held their first meeting Wed. Sept. 26th, at their new meeting place, 125 Meisel Ave. Since this is a past Fly-Uptroop, the Brownie uniforms have been put aside, and the new Girl Scout uniforms will be worn by the anxious girls. The Patrol System was introduced and two patrols were formed, with Susan Baudi and Parry Rankin as patrol leaders. Paula Dolshun was elected Troop Scribe, and Mary Jane Fabrizio as Troop Treasurer. A new girl, Barbara Heady was welcomed into the troop. The girls chose the "Wild Rose" as their troop crest. The Second Class Rank requirements were discussed, and the scouts began work in the field of Arts and Crafts. The other girls in the troop are Bonnie Constad, Charla Haas, Roberta Murchison, and Kathi Yeager. Refreshments were served. Co-leader is Mrs. Wm. Rankin.

NIKE Rocket Halted By Telephone Pole

By Jerry Fischel
Motorists driving on South Springfield Ave. near Echo Lake Park in Mountainside early Friday morning, October 5, couldn't believe their eyes. What in the world was that thing sitting proudly atop a jack-knifed trailer truck? Was it a 1972 automobile? Was it a new cohab bomb? Or was it a super-toy for the proverbial "rich kid"?
Excitement seekers were a bit let-down by the truth of the matter. The sleek, shiny rocket, aimed, depending on its range, at anywhere from Union Center to Budapest, Hungary, was merely a non-charged "demonstration missile" headed for the Westfield Fair.
Soldiers from Headquarters, 1st Regiment ARADCOM of Fort Totten, Flushing Long Island, explained that "the tow bar hauling the trailer broke" and the trailer crashed into a telephone pole, breaking it in two.
The missile, dubbed NIKE HERCULES by the Army, is currently the backbone of New York metropolitan area air defense. It has recently replaced the NIKE AXAX of shorter range. In its

standby configuration, the NIKE HERCULES employs a nuclear warhead and is capable of destroying entire formations of enemy bombers.

RECOVERED FUMBLE—Raider Terry Morton pounces on loose ball in second half action Saturday. Others in the picture are Bulldog Charlie Roll (55), Plainsman Haywood Gipson (34), and Bulldog Tom Venice (66). Wet playing conditions caused many fumbles during the afternoon. One such fumble, recovered by John Runnells of the Raiders resulted in the only Scotch Plains touchdown of the day. (Dick Schwartz)

Field Goal Decides It

Raiders Squeak By Bulldogs 9-6 In Watching Loop Encounter

Westfield Next For Raiders; Bulldogs Go Against Roselle

By Arnold Miltman

Tragedy struck the forces from Springfield Regional last Saturday. Minutes after recovering a Scotch Plains fumble in the midst of a goal line stand, the Bulldogs were stunned as Hayward Gipson booted a 22 yard field goal to give the Raiders a 9-6 victory.

Gipson's conversion climaxed a brilliant defensive battle between the biggest forward walls in Union County, and Coach Len Zanowicz's undefeated Raiders are now in the midst of preparing to meet their second major opposition in the Watching Loop Conference. Defending champion Westfield High will try to upend Scotch Plains' hopes for its third at Westfield this weekend. The Bulldogs will host to Roselle this Saturday as they attempt to break into the winning column in Watching competition.

ALL ALONE—Bulldog end Harold Bell has only official Bill Hedrick for company in the first quarter as he snares a Jack Angar pass and heads for the end zone with first Bulldog score. This one was the first and last for Regional on Saturday afternoon.

Beacon On Sports

Another '77' On The Hill??

By Cy James

Many years ago a swivel-hipped, red-haired halfback sporting the now legendary '77' jersey on his Illinois University jersey flashed his way across Big 10 Conference gridirons to football immortality. The spectacular runs of "Red" Grange will never be forgotten nor will the immortal words of the late great sportswriter Grantland Rice who, after his first glimpse of Grange in action, described him as "The Galloping Ghost of Illinois."

We don't know where Grantland Rice was on Saturday, September 29, 1962 but we hope he was in that special "Press Box" in the great beyond that is reserved for those who bring words to life. If he was and if he was able to pick up the action at Governor Livingston Regional High School's athletic field in Berkeley Heights, Rice might have been tempted to rephrase his famous description of Grange.

Sitting in the stands and cavorting along the sidelines two Saturdays ago one couldn't help but think of "Red" Grange as we watched an unheralded sophomore end, turned halfback, flash across the yard-line markers in a pair of dazzling touchdowns runs that put the unfamiliar name of Mark Kelley on everyone's lips.

If Grantland Rice was looking on, he probably would have aptly described Kelley as "The Galloping Ghost of Governor Livingston." And the way the slender 159-pounder flitted away from Bound Brook's bewildered defenders, he certainly was as elusive as any ghost as far as the Crusaders were concerned.

In more than a quarter of a century of watching football on the high school, collegiate and professional level, we have never seen anyone make scoring touchdowns look so ridiculously easy.

To refresh your memory if you saw the Governor Livingston-Bound Brook game, or to fill you in if you weren't there, the Highlanders were ahead 7-0 in the second period when Bound Brook went into punt formation.

Kelley and Bob Clarkson were back in double safety. The punt, long and high, went to Kelley at about the Highlanders' 30-yard line. Mark criss-crossed with Clarkson, faking a hand-off, and headed for the right sideline. The Bound Brook goal line was 70 yards away and 11 Bound Brook players were determined to bar Kelley's path.

None of them did. None of them laid a hand on the sophomore swiftie. None of them came close to tackling him. And the most remarkable part of it all was that it took only one key block, at midfield, to really spring Mark loose. The Highlander roosters roared their approval, the Highlander band went into its "Highland Fling," and the Bound Brook fans said, "Anybody here seen Kelley?"

Obviously the Bound Brook defenders hadn't. Just a few minutes later Bound Brook again was in punt formation. Kelley and Clarkson again were back in double safety. The Bound Brook kicker again boomed his punt long and high to Kelley on the Highlander 20.

Kelley and Clarkson went into their criss-cross act as the Bound Brook defenders roared down on them. Just about everyone expected that Kelley would hand off to Clarkson this time in an effort to confuse the Crusader tacklers.

Well Kelley didn't hand off to Clarkson but he really fooled the Bound Brook team. With Clarkson taking beautifully most of the Crusaders took off after Bobby. This left Kelley, who had the ball, free for another punt down the right sideline.

This one wasn't quite as simple as the first touchdown tour, but almost. Kelley was treated to some fine downfield blocking and was unimpeded for the first 55 yards of his scoring dash. At the Bound Brook 25, one Crusader had a shot at nailing Kelley along the sideline. He should have saved his energy.

Kelley easily eluded him and skipped on into the end zone without hardly drawing a deep breath. These two runs, as much as anything else, took all the fight out of a Bound Brook team that had come to town thirsting for revenge, and given an even chance of getting it, and made the return trek down Route 22 with a crushing 33-6 defeat marring its previously unscathed record.

If you happen to be in attendance this Saturday afternoon when the Highlanders play another Somerset County team, Watching Hills Regional, in Berkeley Heights, don't be fooled by Kelley's appearance. He is a six-footer who weighs only 159 pounds. He looks like a basketball player or possibly a soccer player who wandered away from Russ Hunchak's squad. He doesn't look like he belongs on a football field until they give him the pigskin and turn him loose. That's when any doubt about his football ability fades away. And just imagine! He's only a sophomore, but what a sophomore! Keep your eye on Kelley!

League In Fifth Week

The fifth week of bowling in the Springfield Church Bowling League has passed and the competition seems to grow keener with each passing week. While the leading team and last place team show a difference of ten games, the bowling is much closer. Two hundred or better scores were tallied by H. Andrews with a 224, B. Henry with a 203 and R. Bevan with a 201.

Highlander Booters Face 2 Vital Tests

Sporting a 2-0 record in Union County Conference play, the Highlanders of Governor Livingston Regional High School have two vital conference tests slated. Russ Hunchak's booters played host to Cranford High School here last Tuesday and will visit Springfield tomorrow afternoon for a clash with arch-rival Springfield Regional High School.

Governor Livingston also has a big game with neighboring New Providence next Wednesday afternoon—in New Providence. The Highlanders posted their second win in UCC play last week when they edged Edison Tech of Elizabeth, 2-1, here, Thomas Jefferson High of Elizabeth leads the UCC with a 4-0 mark.

The Highlanders turned in their poorest performance of the season the day after the Edison game when they were routed by Madison High, 5-1, at Memorial Field. Par Feeley's goal saved the Highlanders from being blanked by the Suburban Conference team.

Chess Anyone??

The Springfield Recreation Commission is endeavoring to form a Chess Club. There have been numerous requests from local citizens to form such an organization. If you are interested in playing chess, please contact Mr. Edward J. Ruby, at the Municipal Building - DR-6-5800. When a sufficient number of participants are registered, an evening will be designated for play at the Recreation House, Caldwell Place.

'Blind' Winners

The "Blind Three Hole Ladies Tournament" held at the Echo Lake Country Club last week showed these results: First was Mrs. William J. Dods with a net 13, Second was Mrs. S. H. Hulise with a 14 net.

Ping Pong League Ends Second Week

The New Jersey State Table Tennis League completed the second week of its 21st season, playing at the Edison Lanes in Edison, New Jersey. League leading Bloomfield was held to a 5-5 tie by a strong Irvington team. A deciding factor in this match was the fine play of Elias Solomon of Irvington who defeated highly rated Martin Bukl of Bloomfield. The Union, Jrs. leaped into the league lead when Harvey Outman and Jeff Swersky posted 3 wins apiece to defeat Colonia 3 to 2. The Union, Srts. climbed for 3rd place by defeating Clifton 7 to 3. Newark eked out a 6 to 4 win over Jersey City. This contest saw 6th ranked Raul Kamef of Jersey City go down to defeat 18-21, 22-23 and 21-19 at the hands of Eric Pollock of Newark. Springfield coasted to an easy 7 to 3 win over Murray Hill.

The New Jersey State Table Tennis League will run the State Table Tennis Open Tournament on Saturday, October 13th at the Edison Lanes on Route 1 in Edison, New Jersey. The tournament is open to all players regardless of their state of residence and all the top ranking players from the eastern seaboard are entered. Play will begin at 10 A.M. and continue throughout the day with the finals being held in the evening. For information call Mr. William Cross, Charter 7-4611 or Kenneth Brause, Essex 5-7558.

Booting For Yale

Heath H. Hill of 1626 Ramapo Way, Scotch Plains, is a member of the varsity soccer team at Yale University. Soccer is one of the fifteen intercollegiate sports in which Yale competes during the year. At Yale he is undecided as to his major.

SOME CATCH—Springfield Regional's Dave Bonislavski all but ties Blue Raider Hank Reeder up in knots while trying to thwart forward pass in closing minutes of game, but Reeder came up with the sensational grab setting the Plainsmen up for an eventual field goal. (Dick Schwartz)

Springfield received the opening kickoff and immediately marched 66 yards in 11 plays for a touchdown. Passes of 28 and 18 yards from Jack Aggar to Harold Bell, the latter going for the score, highlighted the attack. The point after attempt failed and Regional led 6-0 with less than four minutes gone.

Twice Scotch Plains failed to start an attack against the massive Bulldog defense, but the Raiders managed to recover the pigskin with little delay. As Springfield began its third series of plays from scrimmage, halfback Drew Wuestman was hit while trying to receive an Aggar lateral, and 200-pound tackle John Runnells grabbed the loose ball, racing 40 yards for the score. Mike Longino blocked the point after attempt, and the score remained deadlocked until the final period.

Hayward Gipson began his one man show by intercepting an Aggar pass, returning it to the Springfield 43. Quarterback Tom Rutschauer promptly hit Henry Reeder with a pass that brought the Raiders to the 21. Three runs, including an 11 yard sprint by Gipson, took play to the 1 yard line, but Alan Greenberg recovered a fumble on second down, and the attack was temporarily halted.

Springfield moved the ball to the 10 but was forced to punt. Aggar's boot was short and Gipson returned it to the Springfield 22. Rutschauer moved the ball to the 10, but the Bulldog defense held and Gipson was forced to go for the 3 pointer, which just managed to clear the uprights.

Scotch Plains outrushed Springfield 150 yards to 96, but Aggar passed for 74 yards, as compared to 27 for Rutschauer. Despite the clutch performance of Hayward Gipson, Tom Rutschauer must be considered the outstanding performer in the game. Tom gained nearly 100 of Scotch Plains' rushing yardage, including a quarterback sneak that went for 12, and runs of 10, 15, and 11 yards.

Heights Gridmen Drill On Close - In Plays

Extra-Point Misses Costly Against Piscataway

Coach Al Brown is drilling his Governor Livingston Regional High School football team on extra-point plays and touchdown plays from in close to the opposition's goal line this week.

The Highlanders' failures in these two football basics proved mighty costly last Saturday in Piscataway Township when Governor Livingston lost its first game of the season, 14-12, to undefeated Piscataway High School.

The margin of defeat was the two extra points the Highlanders failed to convert and their inability to cash in on a first-down and five yards to go for a touchdown threat in the second half when they were only two points behind.

What ticks Brown is that the same failings caused the Highlanders to settle for a tie with Parsippany in the season opener. The game ended in a 6-6 deadlock, with the Highlanders missing the extra point and failing to cash in two scoring drives which were stopped inside the Piscataway 10-yard line.

Saturday's loss was particularly galling to Brown because it was marked the second straight year that Piscataway has nipped the Highlanders in a game that the Highlander coach sincerely felt his team should have won.

The Highlanders played well enough to win but the loss dropped their season record down to 1-1-1. Piscataway now is 2-0-1.

Ben Russell bucked over from one-yard out for the Highlanders first touchdown in the first period. It was Russell's second touchdown of the season. An attempted kick for the point was no good.

With the Highlanders trailing 14-6 in the third period, Lynn Nesbitt and John Adamiak connected on a 21-yard touchdown pass, with Adamiak throw-

ing for his third touchdown in three games and Nesbitt scoring his third touchdown in three games, two on passes from Adamiak. Again an attempted kick for the extra point was no good.

This set up the Highlanders' final threat which ended on the Piscataway one-yard line and saved the day for Piscataway. Three plays were fruitless and on fourth down Nesbitt was dropped just a yard short of the winning touchdown.

Governor Livingston will resume competition with Somerset County rivals at 2 p.m. on Saturday when it plays host to Watching Hills Regional at the Highlanders' field. A good-sized crowd is expected for this battle of neighboring schools.

It will mark the third meeting of the schools, with Governor Livingston having won the first two games by two-touchdown margins. The Highlanders will be favored again, although Watching Hills showed sharp improvement last week in downing Belvidere 20-0.

Coach Brown's team will be seeking a perfect record over three seasons against Somerset County Conference competition. In addition to having whipped Watching Hills twice, the Highlanders have downed Bound Brook twice and Ridge High of Basking Ridge once for a 5-0 mark.

In bidding for a winning season, the Highlanders would do well to whip Watching Hills and Cedar Grove the next two Saturdays. Both of these are home games. After that it is on to Verona for a test with the Verona High School Hillbillies, the leaders of the Suburban Conference.

In the wake of Miltburn's loss to Summit Saturday, Verona looms as the Suburban Conference champion and, probably the toughest game left on the Highlanders' schedule.

Mende Closing In

Mende Florist by virtue of a three game win from Casternovia came within a game of first place as Ehrhardt, the leaders, defeated Brunner two out of three in another week of action in the Springfield Municipal Bowling League.

Cardinal, in defeating the Elks, came up with a high three game series of 2873 and high team game of 1035 to date.

High series were rolled by Rich Coan with a 588, Mark Lies with a 578 and Tony Gabrizio with a 565.

Other 200 or better scores, were recorded by: Bob Bock, 212; Hank Andrew, 212; Emil Brunner, 212; Art Marsiello, 212; Harold Burdett, 212; Ralph Pol-

carpio, 211; Frank Sorrentino, 201 and Stan Cornfield, 200.

Freeholders Unhappy

The road committee of the Union County Board of Freeholders, now joins practically every community in this area in being unhappy with State Highway Commissioner Dwight R. G. Palmer and his plans for highways No. 78 and 24.

Union County is protesting construction plans for Routes 78 and 24 because the state is not allowing sufficient width for county highways which will be crossed by the state roads.

The State Highway Department has been informed of the feelings of Freeholder Edward H. Tiller, road committee chairman, and Jay A. Stemmer, director of the board, in a letter sent by County Engineer James F. Davison.

Mr. Tiller and Mr. Stemmer said neither they nor other members of the freeholder board had ever seen official plans for the two roads until a conference a few days ago.

The proposed Route 78, which will be called "The Lightning Division Memorial Highway," will cross the northern part of the county.

As presently planned the highway will enter Union County at the borders of the John E. Runnells Hospital for Chest Diseases in Berkeley Heights, cut through a portion of Watchung Reservation, then bisect Springfield, Union and Hillside on its way to Essex County.

The realignment and reconstruction of Route 24 will affect the communities of Union, Springfield and Summit. Route 24 to Morris Ave. in Springfield, Herbert Englishman and Frank Parker, engineers for the State Highway Department, met with Mr. Davison, Mr. Tiller and

Xmas Packages Should Be In Mails Early

In anticipation of the increased mailings of parcel post packages to foreign countries during the holiday season, Springfield Postmaster A. V. Del Vecchio has announced the following deadlines for surface parcel-mails to assure delivery by Christmas Day:

Far East—October 15; Near East—November 1; Africa—November 1; Europe—November 10; South & Central America—November 10.

The long sea transit frequently involved in the transmission of parcels by surface means, customs inspections, and other formalities parcels are subjected to in the countries of destination, require that parcels be mailed before the above dates in order to assure delivery for Christmas.

Postmaster Del Vecchio stated that air service is available to almost all foreign countries and he recommends the sending of parcel by air-mail if the above deadlines cannot be met by patrons.

The Postmaster also reminds patrons that foreign parcels are accepted for mailing only at the main post office since the requirements for mailing vary with different countries of destination. Mr. Del Vecchio also stated that patrons must describe contents of parcel on Custom Declaration Forms to show the exact nature, quantity and value of each article enclosed. General description such as

"Christmas gift"; "used clothing"; "merchandise" are not acceptable. Parcels must be packed adequately for the long journey to protect contents. Improperly prepared parcels cannot be accepted for mailing.

Sues Somerset In Bus-Car Crash

A Superior Court suit was filed last week against the Somerset Noll Corp., Mountainside, by the parents of a 3-year-old girl who was injured critically in a bus-car collision this year.

The child, Christine Franklin, daughter of Mr. and Mrs. Erskine Franklin of 1539 Dear Path, Mountainside, was thrown through the windshield of her father's car when it collided with a Somerset bus in Mountain Ave., North Plainfield.

Ann's To Meet

The next regular monthly meeting of the Rotary Ann's of Springfield will be held on Monday, October 15, at the home of Mrs. Melvin Horn, 16 Beechwood Terrace, West Orange, at 1 p.m. Mrs. Frank Burstein will preside.

Refreshments will feature a birthday cake presented by Mrs. Horn to celebrate the first anniversary of the Rotary Ann's of Springfield which was organized in October just one year ago.

School Study Report To Be Presented

A report on the Springfield School System Evaluation Study, recently completed will be the main topic at the general meeting of the Thelma L. Sandmeyer PTA to be held on Monday, October 15, at 8:15 P.M.

The report will be presented by Daniel Murray, Assistant Superintendent of Schools and Principal of the Walton School.

Covered by this report is the self-evaluation made by the entire staff of the equipment, materials, facilities, and teaching methods of the Springfield School system.

This study was made in the belief that a systematic program of self-evaluation provides the best medium through which an elementary school staff can determine and improve the quality of its educational offerings.

how's this for exploding the myth that cars have to be expensive to look it! Tempest '63

Maybe you can tell the difference between Pontiac's Tempest (especially that Le Mans) and the high-priced jobs. Besides having a 4 that acts like a V-8, Tempest sports a new 260-hp V-8 that acts like nothing you ever got your hands on before. And besides its beautiful balance, Tempest has Wide-Track this year. And self-adjusting brakes and a tachometer* and fetching style and all kinds of niceties that'll make your Tempest smoother and tougher. About all it doesn't have is a big fat price tag. Money Matters

BY DONALD SHARFMAN

and, in time, the price should go up. However, don't get the idea that you can just buy the stock and forget it.

Periodically you should take a careful look at your stock and make certain that the company's earnings, etc. are progressing as you had originally anticipated. If not, consider selling the stock. You may also want to consider taking some profits in the event the stock's price rises so fast as to out-strip a fair price/earnings ratio. Alternatively, if you don't have the time or inclination to study your investments, consider purchasing mutual fund shares so professionals can do the job for you through their constant supervision.

With respect to the speculative portion of the account, we would suggest one cardinal rule. Know when to take a loss! Selecting speculative stocks is no simple task. Knowledge, research, and a goodly bit of luck are prime requisites.

Of course, the lure of speculation is the hope of making really extraordinary profits -- preferably over a relatively short term. This speculation may take many forms. It may involve buying far-out space stock or new issues, or just adopting speculative techniques such as short-selling a quality stock. However, no matter what procedure is used -- or how carefully you proceed -- recognize that losses are bound to occur.

The speculator's outlook is practically the converse of the investor's. Don't pass off speculative losses by saying that they're only on paper. It can be a big mistake to think that what speculator's "prime" objective should be a willingness to take small losses as they come along while searching for large profits. If this isn't your cup of tea, don't speculate! Even if it is, you'll be wise to keep the major portion of your funds in quality stocks or mutual funds.

To Address Walton P-TA

On October 15 the Edward V. Walton P.T.A., Springfield, will present "guest speakers" Miss Milca Mayoraz of Argentina and Joseph Held of Hungary at 8:30 p.m. in the school auditorium. They will speak on education in their countries as compared to education in the United States. Mill Jul V. R. Altana, member of the English Department of Newark State Teachers College, will be moderator.

Miss Mayoraz, who is a student at Newark State Teachers College, has been in this country for two years. She plans to return to her native Argentina to teach English.

Mr. Held, a graduate student, is a former freedom fighter in the Hungarian Uprising.

Miss Altana, formerly of the Netherlands, is now a citizen of the United States. She has been abroad several times in the past five years including trips to the Soviet Union and, most recently, Africa.

Proclamation

MAYOR'S PROCLAMATION

Whereas, the Boy Scouts of America, Chartered by the Congress of the United States of America as a program for all boys, and

Whereas, the movement has inaugurated its new program of emphasis entitled, "Strengthen America... Character Counts," by which it aspires to "Build a Strong America... Serve the Cause of democracy... and... Achieve the purposes of Scouting," now therefore,

Resolved, that I, Philip Del Vecchio, Mayor of the Township of Springfield, in the State of New Jersey, do hereby proclaim the week of October 12 to 20 as Boy Scout Campaign Week, and acclaim its new program since the first line of our nation's defense lies in the character of its people and of the oncoming generation.

On October 20, volunteer workers will call on the families in Springfield for their contributions to the Boy Scout Annual Fund Campaign. I do urge our citizens of Springfield to recognize and support the Scout program for the boys of Springfield.

In Testimony Whereof I have hereunto signed my name officially and caused the seal of the Township of Springfield to be affixed, this 11th day of October, 1962.

PHILIP DEL VECCHIO
 MAYOR

Oct. 11, 1962

WHEREAS the services of the American Red Cross Blood Program are available to all people of Springfield who need its help; this is free blood, subject only to hospital administering charges, to all who enter regardless of religion or race or financial status; immediately accessible for all those who need blood for their families.

WHEREAS the Springfield Blood Bank is the artery of the N.Y. Regional Blood Program serving in this area and has provided the life saving blood to patients in this area and will continue to aid those in need.

WHEREAS this Blood Program is supported solely by the volunteer blood donations of Springfield residents and funds of the Springfield Chapter of the American Red Cross and the National Red Cross and receives no state or federal aid. NOW THEREFORE, I Philip Del Vecchio, Mayor of Springfield do declare Monday, October 15th Bloodmobile Day at the Presbyterian Parish House. I urge all the people of Springfield to open their hearts to help replace the "Pints of Life" granted to so many of our neighbors so it may, with the help of God continue to serve all those to whom emergencies strike regardless of race creed, wealth or social position to recover from the threshold of illness and tragedy to the threshold of renewed life.
