

PETITIONS SEEK MODERN FORM OF TOWN GOVERNMENT: OFFICIALS TO SERVE 4 YEARS: ELIMINATES MUD-SLINGING

Five residents of Springfield, a non-partisan group, insisting that they are concerned only with eliminating the present horse-and- buggy type of government for a modern and progressive form of municipal administration, are circulating petitions asking the people of the Township to approve a strong Mayor-Council form of government.

"Springfield is being administered under a form of government that was designed for an 18th century farm village of a few hundred persons," says the committee, "a form of government which, despite the best efforts of the dedicated officials and faithful employees, is simply inadequate to accomplish the complex task of managing a rapidly growing and 20th century town."

The petitions, starting circulation this past week end, merely ask for sufficient signatures to set a date for a referendum at which time the voters of Springfield will be given an opportunity to approve or disapprove of a change from the present type of municipal government to the more modern, business-like strong Mayor and Council form.

If the voters believe Springfield should streamline and modernize its type of government as a great many New Jersey municipalities have already done, the second Tuesday in May is then set for an election of candidates for office.

Any Number Can Run

Any number of candidates for both the

office of mayor and members of the council can be placed on the ballot by petition. All candidates will run at large and the top five candidates for Council will be declared the winners.

According to the committee of petitioners, this strong Mayor and Council form of government will eliminate "political mud slinging and bad press for the Township since there is no party label and all candidates must run without any political designations."

Another important argument for this strong Mayor-Council type of government, the committee says, is that all candidates are elected for four years instead of having elections each year with control of the town's administration being on-the-line with practically every election.

Elections Every 4 Years

"Also," say the petition committee members, "the elections for Township offices are held every four years and on a special date in May when there are no national, state or county campaigns to affect the selection of municipal officials."

A charter study was held in Springfield four years ago and the results were clear that the Township should have a change in government immediately.

The Council-Manager Plan E was presented to the voters of the Township by most of the taxpayers were for a strong Mayor-Council Plan A — and the manager plan was turned down.

Now that the strong Mayor-Council Plan

is being presented to the voters, the committee believes the plan will be approved at a referendum.

The committee hopes to obtain the required number of signatures to the petition for a change in the type of government which would then be submitted to Township Clerk Eleonore H. Worthington.

The Township Committee then sets an early date for a referendum at which time the voters would be asked to approve of this change from the present outmoded form of government to the new modern strong Mayor and Council form.

No Political Labels

Under this new form of government, in addition to the elimination of all political labels, it would give the Township a mayor with genuine executive responsibilities and authority elected directly by the voters every four years.

It would give Springfield a stable five-member council elected every four years, the committee on petitions contends.

Any number of candidates can run for either the job of Mayor or the five members of the council, all to be elected at large. The first five of the council candidates are declared winners. There are no party labels and the campaign for election should eliminate the usual political mud slinging.

This strong Mayor-Council form of government, the statement continues, will provide for a professional administrative department to supervise governmental expenditures, assist in the preparation

of the annual budget, develop and maintain a modern system of personnel management and establish central purchasing.

This new type of modern government will not result in extra salaries, the committee points out.

"In short," says the sponsor of the change in government, "it will give Springfield a modern type of municipal administration with non-partisan elections held in the month of May every four years."

Better Government

"The Mayor-Council will bring sound, professional management to the business of government in our community — greater efficiency, greater effectiveness, better organization."

"The Legislature of New Jersey recognized the inadequacy of the government charters of many towns in 1950, passed the Faulkner Act which has enabled communities to bring their plans of government to date."

"The Faulkner Act offers the people of New Jersey some 15 optional plans for the operation of local government, plans which vary in their adaptability to the size and circumstances of a particular town."

"Mayor-Council Plan A would bring a new and healthy dimension to the political life of the community. The annual struggle for political control would cease. Our policymakers would have more time to plan and develop their programs — but the voters would reserve the right of recall in order to forestall the four-year tenure of dissatisfactory elected officials."

"Confusing political party labels would be erased from local affairs where parties are meaningless and the merits of individual persons are all-important."

OUR MASTHEAD this week is made up of Springfield Regional's Cheerleaders in recognition of the school's Thanksgiving Day gridiron rivalry with Rahway. From left to right: Leslie-Marino, Alexis Fisher, Patti Feller, Pat De Nichols, Linda Kuehn, Linda Bracht, Judy DiBiase, Kathy Murphy, Elaine Bouchard, Rita Murphy Rleny Van Vliet, Miss Bracht, Barbara Plerro, Sandy Barclay and Miss Feller. 1962 Township Construction Is Almost 4 Million

Figures released from the Springfield Building Department headed by Building Inspector Otto Fessler indicate that the total value of all 1962 construction in the township up to October 31st amounted to almost four million dollars.

The exact amount for the 10-month period was \$3,878,206. This construction represents a \$1,307,580 increase over the same period last year when the figure reached \$2,570,626.

The Building Department collected a total of \$13,103 in permit fees up to October 31 this year as compared to \$9,767 collected in fees for the same period in 1961. This is a \$3,336 increase over last year.

The construction breakdown for the 10-month period with comparisons is as follows: Value of new buildings, \$3,240,544 as compared to \$2,256,801 last year; value of alterations, \$300,150 as compared to \$176,635 last year; value of burners (both oil and gas) \$255,357 as compared to \$124,310 last year; value of signs, \$19,155 as compared to \$9,880 last year.

compared to fee of \$655 collected during October, 1961. During the 10-month period permits have been issued for 84 new buildings, 76 alterations, 126 burners, and 20 signs this year. This includes 65 one-family dwellings and 17 industrial and commercial buildings, one garden apartment (Elmer Walker's in Mountain Avenue) and one church (Lutheran with construction value listed at \$131,000).

Value of industrial and commercial construction during the year ending October 31 amounted to \$1,810,114.

Figures for the month of October comparing this year with last year are: Value of new buildings, \$288,700 as compared to \$106,000 last year; alterations, \$2,375 as compared to \$29,200 last year; burners, \$16,400 as compared to \$13,415 last year; signs, \$8,525 as compared to \$2,500 last year.

During last month, permit fees collected amounted to \$1,131 as

Bad Weather Slows Drive For Signatures

Despite the very inclement weather over the past weekend, members of the non-partisan committee, seeking citizen support for a more modern form of government for Springfield, launched their drive for signatures to the petition and the results were very gratifying to the sponsoring group.

A great many signatures have already been affixed to the petitions which calls for a total of approximately 2,000 before the matter is submitted to Township Clerk-Eleonore H. Worthington.

The Township Committee is then obligated to set a date for a referendum on the question of whether or not the Mayor-Council form of government is to be approved.

Since the news was made public that petitions are being circulated for a more modern form of government for Springfield, many volunteers have asked to aid in obtaining the necessary signatures.

The bad weather kept some of the volunteer workers at home but many of them are doing some bell-ringing during the week with the "big push" slated for next weekend.

Sponsors of the plan to modernize Springfield's form of government point out that any number of candidates can run for both mayor and the five members of the council — all to run at large — that all elected officials hold their positions for four years; that no political party labels are permitted by candidates and that the elections are held every four years on a date in May so that national state and county candidates do not influence selection of local governing body.

The five candidates procuring the highest number of votes are declared winners.

The Springfield Public Library will be closed Thanksgiving Day.

Christmas Lights Go On

Springfield Chamber of Commerce officials announced today that the annual Christmas lights to stimulate business during the Yuletide season will be turned on Friday.

The vari-colored lights are already in place along Morris Avenue and, this year, the Chamber of Commerce announces that a string of decorations will be installed at the corner of Mountain and Henshaw Avenues.

Springfield merchants are looking forward to the Christmas season with all new merchandise on hand.

After 17 Years Service Howard Smith Resigns From Board

After seventeen years as a member of the Springfield Board of Education, with six terms as School Board president, Howard S. Smith has resigned.

The letter of resignation, addressed to A.B. Anderson, was presented at Tuesday night's regular meeting of the Board of Education and asks that "the Board accept my resignation as of November 20."

Howard S. Smith
Smith was a Democratic candidate for Township Committee in the recent elections and, according to his letter to the School Board, his resignation is complying with promises that he had made prior to the election that, win or lose, he would resign as a member of the Board of Education.

Mr. Smith has been ill and could not participate very actively during the Township campaign but, in a telephone conversation last Friday, stated that the results of the election did not influence his decision to resign.

"I had made a promise to submit my resignation," he said, "and I am carrying out that commitment. I have given the Springfield Board of Education seventeen years of service and I feel proud of the progress the Township's school system has made during my membership on the School Board."

Following is a copy of the resignation letter submitted at Tuesday night's meeting of the School Board:

"Dear Mr. Anderson: In keeping with a promise I made prior to the election of Nov. 6th to the effect that, win or lose, I would submit my resignation to the Board of Education, I am, at this time, regretfully complying with that commitment.

I would like to emphasize that my seventeen years on the Board has been enlightening and gratifying to me in many ways.

I would like to thank you, Mr. Anderson, for a very fine association over the years with a person who has been, at all times, a perfect gentleman and a tremendous help to me in performing my duties in the various positions I have held on the Board.

And I would further take this opportunity to express appreciation to the very fine friends I have had the privilege of acquiring throughout my career as part of a splendid school system.

I believe that Springfield is extremely fortunate in having a Board of Education composed of the very fine members we now have, and I would like to thank each and every one for their very fine cooperation in the past, and wish them every success in the future endeavors.

In closing I would like to express a special thanks to Mrs. Audrey Rubin for her many helpful ways of making it possible for me to perform my duties, without whom, I am sure, we could not have survived.

Therefore, I ask that the Board accept my resignation as of the date, November 20, 1962.

Respectfully
Howard S. Smith

Nelson Injured In Auto Wreck

Franc P. Nelson, 55, of 91 D Troy Drive, Springfield, was taken to Overlook Hospital, Summit, Sunday by Springfield First Aid Squad following an automobile accident at 12:20 A.M. in front of 82 Tooker Avenue, Springfield.

Nelson, whose automobile smashed into a tree in front of the Tooker Avenue address, was admitted to the hospital with a hip fracture, lacerations of his hand, forehead, nose and cheek and pains in his chest.

His 1963 two-door Buick sedan with damage to the front and right side was towed from the scene by Perrelli.

A witness, Seth McQuillen of 159 Emerson Lane, Berkeley Heights, told police that as he was getting into his own car near the scene of the accident, he saw the Nelson car approaching, traveling west at a moderate rate of speed on Tooker Avenue,

when the car suddenly veered into the tree in front of 82 Tooker Avenue. The road condition was listed as wet and the weather raining at the time.

Patrolman Rees-J. Fowell and Patrolman Lowell Hardy of the Springfield Police Department investigated.

Smith Gains One Vote in Recount

Howard S. Smith, Democratic candidate for Township Committee who lost by only eight votes in the recent election, gained only one vote in a recount completed Monday.

There was also one vote in dispute which makes the victory of Mayor Philip De Vecchio and James S. (Mike) Carapino official over Smith and Louis F. Celphani, the Democrats.

PRESENTATION—Dr. Marvin Gould, President of the Springfield Rotary Club presented the annual youth award to Miss Florence M. Gaudineer at the past presidents dinner held at the Bow & Arrow on Saturday night. A past presidents diamond pin was presented to Arthur H. "Pete" Smith Jr. Left to right, Arthur H. Smith, Jr., District Governor, Jean Hecht of Toins River, Miss Florence M. Gaudineer, Dr. Marvin Gould, president and Felix Forlenza.

Our Hospital

Overlook's Patient of the Year, three-year-old Joey Fornaro, symbolizes to every Springfield resident the value of a fine community hospital.

Nowhere could this youngster, critically burned in all degrees over 50% of his body, have received finer medical attention or more tender loving care.

No longer do Springfield residents have to turn to big city hospitals for medical service of the highest caliber. They have it right at home, in a climate of warm, neighborly concern as well as scientific skill.

On Overlook's staff are the best medical and surgical specialists of the area, performing operations as rare and delicate as those of the finest metropolitan medical centers.

Yet ten short years ago neither of Overlook's two major wings was in existence. In a brief decade Overlook has developed from a small, barely adequate hospital to one of the leading medical centers in New Jersey. Ten years ago Joey Fornaro might not have been hospitalized at home, almost fully recovered, as he is today.

You and your neighbors are responsible for the Overlook Success Story. With your interest and support there would be no fine medical center to serve the health needs of our area.

Last year Overlook set a new record of 15,000 patients. It has provided many added professional services for these patients including: a Electroencephalograph Department to aid in diagnosis of brain disorders; a Recovery Room to insure post-operative care until the patient is ready to return to a regular nursing floor; an Intensive Care Unit where the critically ill are watched every moment, 24 hours round-the-clock.

This year Overlook asks Springfield's help for critically needed expansion of its X-ray Department. Radiology is functioning with 42% of needed space and a constantly growing number of patients. Diagnostic and treatment rooms are urgently needed so patients will not have to wait when seriously ill.

Your community hospital is non-profit. It turns to you only for the financing of capital improvements. For eight years now Overlook has been asked its \$4,000,000 annual operating budget on its own.

With faith that you will respond to its Annual Giving Goal of \$300,000, Overlook has already begun expansion of its X-ray Department along Morris Avenue, to relieve the crowded conditions at least in part.

Suppose Springfield were not so fortunately located? Suppose it had to provide a hospital of its own?

Even a 100-bed hospital would cost more than \$2,500,000 to construct. Then, as the saying goes, it is not the original cost, it's the upkeep. The annual budget would run to more than \$1,000,000. In addition there is the difficulty of staffing in these days of acute shortage of nurses, technicians, and other skilled personnel.

It would take years of effort and millions of dollars before a new hospital could match the facilities we have at our very door.

Springfield is fortunate that it is not faced with this tremendous task.

Out of 12 communities served by Overlook, Springfield is in sixth place in terms of usage. But in terms of support? Springfield is way down when it comes to dollar contributions per community. Springfield contributed less than 1% of the \$4,000,000 cost of the hospital's new wing.

The Trustees of Overlook believe that once the citizens of Springfield are aware of the caliber of service provided to them it generously.

Another Pied Piper

Pat DeBlasio

Many residents of the Southern end of Springfield will recognize this postman, Pat DeBlasio, Pat, who lives at 51 Willard Avenue, Bloomfield, has been with the Springfield Post Office since June, 1959.

Well known by the children on his route, Pat is often told by their mothers that he reminds them of the Pied Piper since the youngsters love to trail after him. The "Piper" covers parts of Mountain Avenue and Hillside Avenue, Ann Place, Lelak, Becker, North and South Derby,

Albert Court, some of Remer, Mapes, Kipling, and part of Wentz.

Pat's wife's name is Mary Ann and his two children are Lisa, 16 months old, and Pat Jr., who was just born November 6. A Korean veteran, the mailman served in the Navy seven months overseas of each of the four years he was in service. He is attracted to most sports, especially baseball and managed a Little League team this past summer for the Newark PAL. He is a member of the National Association of Letter Carriers.

END OF A LANDMARK--House at 294 Morris Avenue, presumed to be about 140 years old came down last week to make way for a new office building to be located on the site. The house, originally owned by the Sickley family, one of Springfield's oldest, was purchased in June of 1925 by Richard Bunnell of Bunnell Bros. Insurance Co. of Springfield. The Bunnells lived there until 1959. In its earlier days, the house doubled as a tavern. More recently an addition was put on the back section. Pictured on the left is the bulldozer starting its work on the rear of the structure, while the photo on the right depicts the house in its prime.

In 22 of the 32 countries whose needy get U.S. farm foods through CARE, local governments are helping by paying all or part of the delivery costs. Americans give funds for the rest, by contributing to CARE's Food Crusade.

In Mexico, 130,000 CARE Food Crusade packages are needed for a year-long milk program for 250,000 young children. Each \$1 package sent through CARE, New York 16, N.Y.

Red Cross Asks For Drivers

A driver's license and a spare hour of time, once a week or once a month are the fundamental requirements to be of service to Springfield as a Red Cross Motor Corp. driver, according to officers of the Springfield Chapter of the American Red Cross.

Mrs. William Valois of 510 Meisel Ave., Chairman of the Motor Corp has stressed that this is a vital service which can be rendered by men, many of whom have retired and are looking for worthwhile projects a few hours each week, or the working man willing to serve occasionally on a weekend, and by women who volunteer their time while the children are in school.

Mrs. Valois would like to hear from those interested. She can be contacted at DR 6-5793, or at Red Cross Headquarters at DR 6-1676.

During October the Motor Corp made 18 trips for a total of 50 1/2 hours and travelled 292 miles. Trips took the drivers to Orange Orthopedic Hospital, Millburn, Overlook Hospital, Elizabeth, Morrisview, East Orange and a combined 15 hours of service to the Red Cross Blood Bank and Springfield Civil Defence.

Drivers for October included: Madalyn Cetham, Hilda Kuehn, Ruth Valois, Edith Geitz, Jean Besch, Dorothy Kameen, Alice Weinstein, Teresa Doherty, Anita Doherty and Gene Quinzell.

READY TO SERVE--Pictured above is the busy Springfield Red Cross station wagon and some of the members of the Motor Corp who are ready to serve Springfield. From left to right: Mrs. Jerry Slattery, Mrs. Angie Neil, Mrs. Dorothy Kameen, Mrs. Edith Geitz, Mrs. Hilda Kuehn and Mrs. Pauline George.

Postmaster Del Vecchio Suggests Mail Early

- If you are hoping to make this Christmas really merry, Postmaster A. V. Del Vecchio may be your Santa Claus.
- The Postmaster, formally launching his 1962 "Mail Early for Christmas" Campaign today, offers the following helpful suggestions to guide your Christmas mailings this year.
1. Do your shopping for Christmas parcels now.
 2. Bring your Christmas card and gift lists up to date immediately. Be sure each address is complete, with full name, street and number, city zone and state. Avoid abbreviations.
 3. Mail Christmas parcels promptly.

4. Buy Christmas cards and address them soon, separating cards into Local and Out of Town bundles, using the handy labels you can secure from the post office of your letter carrier.
5. Send your Christmas cards by first class mail, using the new 4¢ stamp, to secure priority of dispatch and delivery, forwarding without cost, provided you place your return name and address on the envelopes. Also, Christmas cards sent first class may be sealed and carry written messages.
6. Stock up on the new 4¢

Christmas stamps. They will "dress up" your cards.

7. Schedule your mailings so that your cards going to most distant points are mailed by December 10th and those for friends and relatives in this area no later than one week before Christmas.

1961 The First Lady shares Christmas with others. She brought a memento to each patient in Children's Hospital, Washington, D.C., and she launched the 1961 Christmas Seal Campaign by accepting the first dozen sheets of Seals.

National State Bank Opens New Drive-In Next Monday

The National State of Elizabeth Union County's leading bank with total resources amounting to \$184,833,636.07 as of the September 30, 1962, statement of condition, is formally opening its "Drive-In or Walk-Up" banking facilities next Monday in Springfield and Westfield.

The new Springfield banking facility is located in the General Greene Shopping Center, practically across the street from the main Springfield offices of National State.

It is a very compact building, adding considerably to the appearance of the area and is expected to "answer all banking needs, avoiding parking problem. Patrons will be able to bank quickly and comfortably by driving up to the counter - or walking up for service."

The National State Bank purchased and took over the Springfield bank in June of 1956 and the growth of the Springfield operation has been very rapid. Arthur H. Smith, Jr., assistant vice president and in charge of the Springfield office, is very active in all civic affairs in the Township and his interest in the progress of the business and industrial community has attracted many new depositors to the bank.

The National State Bank now has offices in Elizabeth, the headquarters of this large financial institution; in Roselle, Summit, Kenilworth, Westfield, Hillside and Rahway, as well as Springfield.

E. Emelen Roosevelt is president; Roland T. Chard, vice president and cashier; James A. Onell, senior vice president and J. Kenneth Boyls, vice president.

Parents Visit Walton Classes

On Monday, November 19, the E. V. Walton PTA in Springfield held its Class Visitation meeting. All parents were invited to see the classrooms, the children's work and hear a short resume of classroom activities.

A great number of interested parents came, saw, and were informed of the educational progress of our school. Mrs. Yablonsky, President, presided over the short business meeting.

Mrs. Leslie Rosenbaum, membership chairman, reported that there are 410 members in the PTA plus 100% teacher membership. Of the 242 families in the school, 227 are represented in the PTA. Mrs. S. Gordon's Class won the prize for the highest percentage of parent members in her room.

Mrs. H. W. Osbahr, nominating chairman, announced that her committee will consist of Mrs. M. Barish, Mrs. F. Neubarth, Mrs. I. Chotiner, and Mrs. W. Mrs. W. Alexy and Mrs. S. Cooper.

Clark High Looms As Possible Threat To Plains

LITTLE TOO LATE—Regional's Frank Monticello (87) nails Westfield ball hawk, but not until after he has made the catch. Blue Devils went on to take contest, 21-7. (Dick Schwartz)

Crusaders No Longer Door Mats

By C.Y. JAMES

Last September it seemed inconceivable that a Thanksgiving Day game between the football teams of Fanwood-Scotch Plains High School and Clark Regional High School in Clark would be the top game of the holiday in Union County.

Then it seemed quite likely that the Thanksgiving Day clash of these western Union County rivals would just be a wind-up to the Watching Conference season.

After all Clark Regional had been pretty much of a door mat in the Watching Conference since the league was formed. The Crusaders hadn't produced a winning team in the seven years the school had campaigned on the gridiron and Clark was given only an outside chance of coming up with one this season.

Fanwood-Scotch Plains was rated as first - division material in the Watching Conference this season but not a likely championship contender. Westfield and Springfield ranked as co-favorites for Watching Conference honors, with Fanwood-Scotch Plains a good bet to finish third.

Fanwood-Scotch Plains has disappointed Blue Raider fans in past seasons and many figured it might well happen again. Well it hasn't, at least not yet, and right now Fanwood-Scotch Plains stands on the threshold of an undefeated season and a co-championship of the Watching Conference with Westfield.

Only Clark Regional stands in the way of the Blue Raiders' bid for an unbeaten season, a share of Watching honors, and possible title recognition in Central Jersey, Group 4 from the New Jersey State Interscholastic Athletic Association.

Unfortunately for Fanwood-Scotch Plains, during the interim since September, Clark has developed into a mighty big "only." The Crusaders no longer are the door mats of the Watching Conference. They have literally picked themselves off the floor and that's why the Fanwood-Scotch Plains clash with Clark now rates as Union County's "game of the day" on Thanksgiving morning.

Until last Saturday, Clark had a chance of tying for the Watching Conference championship. That chance went aglimmering when Westfield concluded the Watching Conference slate by defeating Springfield Regional. But Clark still can knock Fanwood-Scotch Plains out of a share of the title and tie the Blue Raiders for second place.

That would represent Clark's highest finish ever in the Watching Conference and would be a real fitting climax to the finest football season in Clark's eight-year history.

Make no mistake about the Crusaders being a threat to spoil Fanwood-Scotch Plains' (Continued on Page 5)

Turkey Day Encounter Could Avert Losing Grid Campaign At Governor Livingston High

THE 1962 GOVERNOR LIVINGSTON REGIONAL HIGHLANDERS (Davron)

Face Ridge Today With 3-4-1 Mark

For the second straight season, Governor Livingston Regional High School's football team is counting on a victory over Ridge High School of Basking Ridge to avert a losing season. Going into their Thanksgiving Day finale at 11 a.m. tomorrow at the high school field here, Governor Livingston has a 3-4-1 record. A victory over Ridge will give the Highlanders a .500 record and a third consecutive year without a losing season.

Last season, in the first meeting between the schools, Governor Livingston had a 4-4 record

Bob Clarkson

quarters of the Governor Livingston backfield. Ben Russell, who already holds the school's career scoring record—Lynn Nesbitt, the school's finest all-around athlete, and hard-running Bobby Clark will be in action for the last time.

It has been somewhat of an up-and-down season for the Highlanders, but they seem to be up of late. Governor Livingston has whipped Metuchen and put up a stern battle against South Plainfield's undefeated team in its last two games.

Ridge brings a 2-5-1 record into the first Thanksgiving Day scholastic football game ever to be played in Berkeley Heights. Strangely enough, Ridge has won the only two games in which it has scored. This would seem to indicate that the Highlander defense had better blank the Morris County eleven tomorrow.

Ridge has scored 40 points this season, splitting them evenly in victories over South Brunswick and West Essex. Ridge also played a scoreless tie with Middlesex. Ridge's opponents have scored an even 100 points.

Governor Livingston has been blanked three times as against six times for Ridge. The Highlanders have scored 101 points but more than half of those came in one game against Bound Brook. The Governor Livingston defense has permitted 124 points, but most of these came in meetings with undefeated Verona

be a performance by Bob Harrison of Berkeley Heights, who will accompany Governor Livingston's famed Highland Fling on his Scottish bag pipes. Harrison will be attired in traditional kilts.

Conte Out In Front

Contes Dell won two games from Milfon's to maintain its game lead over second place Bond Electronics and Sams who are tied for second place in the Springfield Sports League.

Colantone won two from Bond Electronics. D. Beinarik had 192, 206, 214 for a 612 series. V.F.W. won two from Carol Stamping. Sams won two from the P.B.A. The scores were: W. Fischer 213, S. Shreve 212, J. Pepe 201, H. Hattersley 205, B. Colandrea 201, R. Giannattasio 213.

Blue Devils Clinch Tie With Win Over RHS

Bulldogs Fall To Westfield 21-7; Face Rival Raway This Morning

By ARNOLD MINIMAN

REGIONAL-WESTFIELD STATISTICS

DAYTON REGIONAL	WESTFIELD
11	First Downs 17
210	Rushing Yardage 198
86	Passing Yardage 79
6-15	Passes 4-14
1	Passes Intercepted 1
4-33-4	Punts 4-36.1
1	Fumbles Lost 0
2-30	Yards Penalized 6-50

	1	2	3	4	TOTAL
SPRINGFIELD	7	0	0	0	7
WESTFIELD	14	7	0	21	

Westfield stunned the Bulldogs early, recovering a fumble on Regional's first play from scrimmage, and driving for possession the first two times it had possession of the piskin. Bill Heenan recovered the loose ball on the Springfield 40, and Rick Thiele capped the drive 10 plays later with a three-yard plunge for the score. Three Morash runs for the first of his three extra points, and Westfield was a quick 7-0 lead. The second tally came after the Blue Devils had driven 59 yards in the play. Fullback Jim O'Neil had for 11 yards, but an off-the-pile play knocked Westfield 12 to its own 47. Quarterback Bud Mueller promptly hit Mark Howarth with a 50-yard pass. By the time the Bulldogs had driven to the end zone, the score stood 14-0.

Westfield 30. Wuestman carried for 5, and Puorro then carried 16 yards to the 9. Haas gained 7 yards in two plays, and Jack Appar plunged to the one before Wuestman's score. John Stupak's conversion was the first against Westfield in more than 8 games, but the Bulldogs had completed their scoring for the afternoon. Westfield drove 63 yards in 9 plays immediately after the half, to complete the scoring. Thiele ran 10 yards around right end for the touchdown. Morash's run made the score 21-7.

Westfield was held to 90 rushing yards, and 0 passing in the final half. Springfield had a total of 119 yards on the ground and 54 in the air. Regional begins its 25th year of Thanksgiving Day competition, with Rahway High today, playing the Indians at Rahway in their 26th meeting. Although Springfield is behind in this series, Regional teams under Coach Herb Palmer won, 6-0 in 1960, and 32-6 in 1961. The Bulldogs will be gunning for a 5-3-1 mark, and their fourth win in the Watching Conference.

A leg injury to Frank DiFazio in the first period, weakened the Bulldog defense, as Westfield gained a net total of 202 yards, but adjustments were made and

Church Race Gets Tighter

Judo Champ To Perform

The International School of Judo, 3 Bank St., Summit, announces the guest appearance of T. Ishikawa, 7th degree black belt, on Sunday, Nov. 25th, at 2:30 p.m.

Mr. Ishikawa will demonstrate many of the techniques which won him All Japan Champion and the Judo World Championship on two occasions.

He will be assisted in the demonstration of falling, basic throwing, as well as more advanced judo by Thomas Dalton, 3rd degree black belt, Chairman of Judo and V. P., N.J. AAU; John Cook, 2nd degree black belt; and Lucien Banian, 1st degree black belt.

The demonstration will illustrate how judo, as a sport and a means of self-defense, develops coordination, self-confidence, and self-discipline in young as well as old. The public is invited to attend the free demonstration.

Nochenson Upset As Union Seniors Hold Springfield

League leading Union, suffered a solid defeat at the hands of Irvington by losing 7 to 3 in the New Jersey Table Tennis League. Elias Solomon was the strong man for Irvington defeating both Harvey Gutman and Jeff Swersky. He continues to be the only undefeated player in the league and has now run his total of 21 wins. In addition, Harvey Gutman and Jeff Swersky were defeated in the doubles match to break their undefeated status.

The Union, Srs. held Springfield to a 3 to 5 tie. Norman Schumacher of Union won all three of his matches upsetting favored Al Nochenson of Springfield.

Murray Hill and Jersey City fought a hard battle to a 5 to 5 tie. Jim Ritz last week's star for Jersey City had a rough night losing to George Bailey and Wing Toy of Murray Hill.

Newark won 6 to 4 over Eatontown. John Kilpatrick present state champion accounted for 3 of the Eatontown wins by taking all of his matches.

Bloomfield under the leadership of Martin Buki posted a 6 to 4 victory over Colonia. Armand Yannone of Bloomfield came through with an unexpected win by defeating Colonia's number one player Stan Mellus.

Last Week's Results
Irvington 7 Union, Jrs. 3
Murray Hill 5 Jersey City 5
Union, Srs. 5 Springfield 5
Newark 6 Eatontown 4
Bloomfield 6 Colonia 4

Beth Ahm Loop In 6th Week

The 24 teams of the Temple Beth Ahm Bowling League Springfield are going into their 6th week of bowing competition, at the Hy-Way Bowl. Sid Faber with a high of 268 is followed close by with Sid Lester 256 and M. Zeller with 246. Lanny Cohen was the outstanding bowler of the week with a 600 series, hitting 212, 201, and 187. Other 200 or better scores were recorded by:

Hy-Ellet-230, H. Stein-216, S. Fox and H. Blank 215, A. Weinberg 211, I. Newbath 211, E. Mayer and B. Wildman with 204, N. Millman and S. Wurtzel with 203, J. Wasserman 206, L. Weg 212, and Irv Kramerman with 204. B. Lowenstein 202.

Standing of the top teams as of this date are as follows:
1. E. Shapiro
2. (6 teams, tied) H. Roth, S. Greer, N. Millman, B. Lubiner, R. Kavberg and the team of L. Cohen.

3. D. Rosenthal and N. Gould (Tied)
This coming Sunday November 25 is the big "Position Week" which should prove to be quite a "fight".

LAST LOOP CALL

There have been a few sporadic replies to our inquiry of a month back asking Springfield adults if they wanted to try an adult Basketball Loop in town.

These sporadic answers have been in enthusiastic support of the idea but time is running out, and before we know it, baseball will be back in the spotlight.

Adult basketball could have a lot to offer. It could provide a fair amount of winter exercise for those men who are still looking for some and might give some boys something to do during the early evening hours.

We'll make one more stab at the plan before filing the idea under "Mistakes" and looking ahead to softball.

Anyone between the ages of 20 and 40 who lives in Springfield and would like to enter either himself or a full team into a loop league is cordially invited to attend a meeting for this purpose this Friday evening, at 7:30 p.m. at Ron Golcher's Dayton Studio, 173 Mountain Avenue, Springfield.

This will probably be the absolute last chance for the league, so try and attend if at all possible.

FLYING WEDGE???—Dayton quarterback Jack Appar (11) wedges himself between Westfield defender and Bob Haas (44) who is carrying the ball for Springfield. (Dick Schwartz)

GLOBTROTTERS IN AREA—Led by Robert Hall, above, the Harlem Globetrotters will make their first area appearance this year on Monday, November 26, when they stage their dazzling exhibition of basketball skill at Upsala College. The affair will be sponsored by the Orange-West Orange Kiwanis Club. The trotters will face the San Francisco All-Nations.

Clark:

(Continued from page 4)

perfect season and title hopes. They are Clark was faced with the unenviable task of meeting Westfield and Springfield in the first two weeks of the season. They bowed to Westfield, 13-0, in their opener and battled Springfield to a scoreless tie. Since then they have nipped Cranford and Hillside, routed Roselle, Roselle Park and Rahway, and tied a strong Piscataway eleven.

Overall, the Crusaders have scored 119 points in their past six games and allowed only 33. That's an average of three touchdowns per game for Clark to less than one touchdown per contest for the opposition.

The Crusaders have a crack-back quarterback in Ken Hauswald and the offensive duel between Hauswald and Farwood-Scotch Plains talented Tom Rutishauser could well decide the winner of the big battle.

Fanwood-Scotch Plains Blue Raiders are ready for an all-out try for an undefeated season. The Blue Raiders started slowly with a 7-0 win over a Roselle team which has struggled through a winless season.

They picked up steam in a 27-0 steamroller of a North Plainfield team which has lost only one other game. They survived the grind of meeting Springfield and Westfield in consecutive games, edging Springfield on a last-period field goal, 9-6 and battling Westfield to a 6-6 tie.

Since then the Plainsmen have been rolling in high gear. They have outscored Roselle Park, Hillside, Rahway and Cranford by an 89-6 margin, with only Roselle Park able to cross the Fanwood-Scotch Plains goal line.

During their first eight games, the Blue Raiders have scored 138 points to only 18 for the

opposition. No team has scored more than one touchdown on the Plainsmen. If Clark can't surpass this mark, Scotch Plains-Fanwood should win.

We think they will despite Clark Regional's home field advantage. As we see it, Fanwood-Scotch Plains' defense is given better than Clark's battle-hardened defensive troops and that should be enough to give the Blue Raiders a share of the cherished Watchung Conference title.

On other fronts on Thanksgiving Day, Springfield Regional will play at Rahway, while Governor Livingston Regional will treat Berkeley Heights to its first Turkey Day game in a clash with Ridge High School of Basking Ridge.

In past years, championships have been riding on the outcome of the Springfield-Rahway game. Frequently, one or both schools entered the fray with undefeated records to protect. This won't be the case this season but this won't detract from the desire for victory in this traditional battle.

Springfield's season has been disappointing. Rahway's has been disastrous. Both hope to salvage something with a victory tomorrow. Springfield has lost vital decisions to Scotch Plains, Summit and Westfield.

Rahway opened with a victory over Hillside but has been able to beat only winless Roselle since. The Scarlet will bring a 2-6 record into the fray, while Springfield's mark is 4-3-1.

A winning season is at stake for Springfield and we look for the Bulldogs to nail it down with a victory over the Scarlet.

Governor Livingston will be out to avert its first losing season in its battle with Ridge. The Highlanders are 3-4-1 and need a victory to preserve Al Brown's non-losing record in Berkeley Heights. We foresee the Highlanders winning a squeaker!

Thanksgiving Skate Slate

The Thanksgiving holiday weekend schedule for the Warinanco Park Ice Skating Center was announced today by the Union County Park Commission.

On Thanksgiving Day the Ice Center will offer a morning session from 9:30 a.m. to 12:00 noon; an afternoon session from 2:30 to 5:30 p.m.; and an evening session from 8:00 to 11:00 p.m.

On Friday, November 23, the same schedule will be in effect as on Thanksgiving Day with a morning, afternoon and evening session. The Saturday and Sunday schedule will remain the same.

The Park Commission also announced that skating parties are welcome at the Ice Center. Call the Warinanco Park Ice Skating Center (CHestnut I-3262) for further details.

Atkin is High Temple Bowler

Sid Atkin stole the limelight in the Temple Shalom Bowling League Springfield, last Sunday at the Hy-Way Bowl by tossing a 613 series, including games of 212 and 211.

The other high performers were Jack Zlatin, 217; Dennis Parks, 213; and Art Glover, 210. Otto Granick's team repeated last week's feat, taking high game, with 728 pins.

Three game sweeps by the

HONORING DEPARTED—Memorial services in honor of the departed comrades of the American Legion were held on Sunday, November 11th across from the newly expanded Continental No. 228 Post Home on the Town Green before the war memorial patio. Members of the Legion and Auxilliary were present along with Union County Legion officials and several Township Committeemen. Services were led by Commander Thomas Dougherty, County Commander Albert Mueller and legionaire and chairman of Springfield's Township Committee, Philip Del Vecchio. Above, from left to right: Joseph Daniel, Stuart Douglas, Arthur Palkin, Raymond Schramm, William Weber, Harry Heady, Robert Hardgrove, Benjamin Colandrea, Jack Schoch, Thomas Dougherty, George Baker, Herbert Quinton, Jr., Philip Del Vecchio, Joseph Begley and Albert Mueller.

B'nai Brith Women To Show Fashions

The Springfield Chapter of B'nai Brith Women will hold a paid-up membership meeting on Wednesday, November 28, at 12:30 P.M. at Temple Beth Ahm,

Springfield. A Fashion Extravaganza, featuring clothes by Sara Lewis of Millburn, Shoes by Mr. Jay, Millburn, and Hair Styles by Mr. John of Edmond's, also of Millburn. Sara Lewis will show a line of French knit imports and a few moderate priced line of high-fashion clothing, coordinated by Dorothy Otto and

Paulette Bergerera. Shirley Kramer will be the commentator. The models for the afternoon will be Mrs. Claire Palkin, Mrs. Shirley Kurtz, Mrs. Florence Alexander, Mrs. Phyllis Denburg, Mrs. Selma Lane, and Mrs. Helen Heischuber.

Members are asked to bring guests to this meeting, and any one interested in attending may contact Mrs. Shirley Shapiro at DR 6-0837. Refreshments will be served.

Mrs. Nimrod Webb, Subject of Ritual

The home of Mrs. John Dolph of New Providence, will be the setting of Pledge Rituals for Mrs. Nimrod Webb of Plainfield, New Jersey, newest member of Beta Psi Chapter of Beta Sigma Phi Sorority, on November 27 at 8:00 p.m. Following the traditional rituals, the sorority members will informally welcome Mrs. Webb to the Chapter with a Pot Luck Supper.

Latest member of the chapter to receive her Exemplar Degree, signifying the completion of four years of Ritual of Jewels membership with the Chapter, is Mrs. Thomas Uhoda of Summit. This degree was conferred to Mrs. Uhoda by Mrs. J. D. Slayback, President of Xi Theta Chapter of Beta Sigma Phi, at the home of Miss Marion Voss of Summit, on November 20. Following these ceremonies, a Pot Luck Supper and social evening were enjoyed by the members of both chapters.

Susan Gold Is Director

Ronald R. Miller, President of Barbeta/Miller Advertising, has announced the appointment of Susan Gold as Publicity Director for the agency. Miss Gold, a resident of Springfield, joined Barbeta/Miller earlier this year as publicity assistant. As Publicity Director, Miss Gold will handle the preparation and placing of news releases and feature stories in publications appropriate to the products manufactured by Barbeta/Miller clients.

Turkey Costs Up
WASHINGTON—UPI—The price of your Thanksgiving turkey will be higher this year. The Agriculture Department estimates that this year's turkey crop at 92 million birds, or 13 per cent below the figure last year.

Troop 70 Does It Again!

Troop 70, Springfield, winners of the Spring Camporee, has again proved itself the best troop of the Northern District of Union County at the District Scout Rally held at Burnett Jr. High School, Union, Wed., Nov. 14th.

Under the leadership of Francis Lawrence, Scoutmaster, and Murry Hurwitz, ass't., the boys proved that their many hours of training and practice, including practice in rain, snow and cold at the Troop camping trip at Camp Winnebago, Nov. 10 and 11th, were worth the effort, by winning First Place with 43 points, over all other participating troops in the District. First place was won in Knot tying by the team of Scouts D. Cumberly, J. Kuntz, R. Hanley, M. Hummel, G. Carson and L. Johnson. Second place in Signaling by Scouts A. Marshall, sender, R. Hanley, receiver, assisted by B. Bevin and L. Johnson. Third place in Compass by Scouts R. Hanley, R. Gottlieb, G. Carson, P. Cooper, W. Neuby, D. Cumberly. Second place in Dressing by Scout H. Huneke. First (and only winner) place in Fire by Friction, Scouts G. Mayer, Scout in Fire by Flint and Steel, Scout J. McGarvey.

Troop 70 was awarded an In-scribed Trophy and participation ribbons, with rally segments for each boy. This is the third time in succession that the Northern District Rally has been won by this troop.

Sane Chairman Tells Of Countermeasures State Should Develop

New Jersey should develop plans immediately for countermeasures in case radioactive fallout reaches dangerous levels, according to Dr. David Frost, chairman of the New Jersey Committee for a Sane Nuclear Policy.

"The State Health Department may be able to alert us to dangerous conditions, but then what?" Dr. Frost, a biologist from Plainfield, asks.

"Both state and federal agencies have spent considerable time and money promoting relations with the nuclear defense measures against a possible thermonuclear holocaust, but we have done very little to guard against the clear and present danger of excessive fallout," Dr. Frost declares.

New Jersey, as well as many other states, tends to rely on the federal government for countermeasure guidance, Dr. Frost points out.

"What is unfortunate in this attitude is that the federal government itself is doing very little," he comments. "State health authorities must be ready to take the initiative to protect residents."

Dr. Frost cites the example set by Utah. When radiation rose

to dangerous levels in July, health authorities diverted fresh milk supplies and took cattle off fresh pastureland. The United States Public Health Service subsequently commended the state for its action.

"Even though the United States has announced that it has completed its atmospheric nuclear tests, and the Soviet Union has announced that it will complete its current series by November 20, there are no guarantees against renewal of testing," Dr. Frost points out. "If we fail to achieve a nuclear test ban treaty by January the likelihood of further testing by both powers is very great."

"Of the more than 400 nuclear tests by all nations since 1945, more than 90 were held in 1962 alone. Resumption of testing in 1963 would pose the threat of an even larger number of tests."

The scientists recommend that private citizens take their own countermeasures, at least until an adequate state or federal program is put into effect.

One recommendation is to substitute canned or powdered milk for fresh milk during and for about six weeks after atmospheric nuclear tests.

In their report, the scientists emphasized that "all recommendations in this report represent efforts to protect ourselves in our present imperfect situation. . . . In no way do these recommendations imply that fallout is something we must learn to live with permanently."

Those wishing further information on local SANE activities can contact Mrs. Sylvia Zisman at DR 6-5629.

NEW JERSEY BELL

Thanksgiving in the Puritan Tradition

Historically, we, as a nation, have achieved our progress by successfully surmounting one crisis after another. Our founding fathers, for example, not only gave thanks for a bountiful harvest but also for having made friends with the hostile Indians.

This year let us give thanks for our ability to meet our crises the way our forefathers did — with abiding faith in our way of life and with the courage and strength to make it endure.

E. Franzese In Training

LACKLAND AFB, Tex. — Airman Third Class Edward R. Franzese, son of Frank R. Franzese of 72 Newbrook Lane, Springfield, N. J., is being reassigned to Keesler AFB, Miss., for training and duty as a heating specialist.

Airman Franzese recently completed United States Air Force basic military training here. He is a 1962 graduate of Jonathan Dayton Regional High School.

Overlook Has Problem Panel

Where do most people turn when they face difficulties in their marriage? Many of them ask guidance from their minister, their priest, or their rabbi.

These and many other questions came under discussion at a panel on marriage counseling under the sponsorship of the Overlook Hospital, Protestant Chaplaincy. Service last Tuesday morning with Dr. David R. Mace, Executive Director of the American Association of Marriage Counselors and noted magazine columnist, as moderator. The panel included Mrs. Ruth L. Horowitz of Summit, accredited member of the Marriage Counseling Association and the Reverend James Boyd of the Methodist Church of Summit.

The Reverend David Wyatt, Overlook's Chaplain, who works in close cooperation with the Medical Staff, observed, "Marital and personal problems have a direct bearing on health and recovery. The harmonious working out of inner problems is a basic factor in psychosomatic ailments, many of which result in real medical problems."

Among the questions that confront the clergy when parishioners come to them with their problems are: how to evaluate the depth of marriage friction; how to get the other partner involved; when to refer to a psychiatrist or to a trained marriage counselor; how to determine the pastor's role after referral; how to recognize neurotic patterns in marriage.

The purpose of the panel was to provide the clergy with an opportunity to discuss common problems in marriage counseling and to inform them on referral sources in the area.

Show Goes On At Mill

In the tradition of show business, while everyone else has a holiday, performers work. "Gypsy", the current hit musical at the Paper Mill Playhouse in Millburn, will give its usual performance on Thanksgiving evening. With or without a turkey dinner, the cast will be on stage when the curtain goes up at 8:30.

Entering its last two weeks, "Gypsy", based on the memoirs of the famed ecdysiast Miss Gypsy Rose Lee, will play eight performances Monday through Saturday this week, with Wednesday matinee at 2:30 and two shows Saturday at 6 and 9 P.M.

After "Gypsy's" final performance Saturday, December 1, The Paper Mill will take a three week vacation, reopening on the day after Christmas with the first winter season in ten years. The 13 week season, opening with "South Pacific" starring Gelsy Palmer, will offer two plays on their way to Broadway and two recent hits.

GETTING TO KNOW YOU—4½-year old Douglas DeLeonard spends a quiet moment with his grandfather at Weiblinger, Germany. Doug's and his mother, Mrs. Anneille DeLeonard, of Milltown Rd., Springfield, recently spent two months in the German City, Anneille's birthplace.

Anneille DeLeonard Re-Lives Her Travels For Our Readers Springfield Mother Goes To Germany To Visit Parents

NOTE: Mrs. DeLeonard has recently returned from a 2-month trip to Europe where she saw her old home town and friends for the first time in 15 years. Her story (below) is written as only she could write it.

How does it feel to go home after 15 years of being away? Home being the place of my parents, Geag and Anne Herz, Waiblinger, Germany. Well, it feels wonderful!

You find you can't believe it; you think it's all a trick of your imagination since you dreamed of it for such a long time. But there you are—winging across the ocean in a jet of the Sult-hansa—and in 7 hrs. you are transplanted from the new world into the old, and you know it's wonderfully real when you are in the arms of your mother and father.

friend again and all proclaim quickly and happily: She's the old Anneliese!

After that the days are one round of "bringing up to date", showing stacks of snapshots of the kids, going places and seeing things.

An unforgettable trip to Italy is woven into this exciting program, an experience never to be forgotten. A chance for me to meet an aunt I had never met and cousins I had not seen in many years; I met their beautiful daughter, who I'm sure will one day soon be stiff competition to the beauty queens of the world. A trip to the Seiser Alm, one of the favorite ski resorts of Europe, was a high spot.

The sight of the Alps and going through the Keschen Pass and the Jaufen is scenery too beautiful to express.

Then I remember the visits to the night-spots of Stuttgart to see a German night-club in action to meet one of the stars, and enjoy a wonderful night of talk and German music, sipping champagne; all compliment of the House!

All the family flocked to Haus Saethweg from all over Germany.

Springfield Girl Scouts Reports

On Thursday, November 8, 1962 Troops #358 and 566, under the leadership of Mrs. A. Koldorf and Mrs. T. Smith, attended "Play Your Hunch" and then took a tour of the N.B.C. Building in New York. These troops are working together on their Radio and Television Badge. The girls had lunch at an Automat. The high-light of the day was when Mrs. Smith won a prize for being the most enthusiastic viewer in the audience of "Play Your Hunch".

Two new Brownie Troops have been formed by Mrs. G. Rau in Walton School. Leader: Mrs. M. Urban, Co-leader: Mrs. G. Blair. Leader and Co-leaders: Mrs. M. Fietjes, Mrs. Bernstein, Mrs. Stokes.

Three troops have been working together for the past two months, at the end of October, Troops #767, 271, and 280 went on a cookout at Nornegay Park—the girls made huddy-burners and cooked their own food. On Friday, November 16, 1962, they met at the Presbyterian Parish House to make washcloth slippers for retarded children.

Barbecued tuna skillet. Sauté 20 minutes to make. Take 1 medium onion, sliced, and ¼ pound of mushrooms, sliced, in 2 tablespoons of butter of margarine in skillet for 5 minutes. Stir often. Add ¼ cup each of catsup and chili sauce, ¼ teaspoon of pepper, 1 teaspoon of Worcestershire sauce and 2 (8½ to 7 ounce) cans of tuna, drained and flaked. Cook 15 minutes more, stirring occasionally. Serves 4 to 6.

Regional Faculty At Conference

Four members of the faculty of the Union County Regional High School District #1 participated in the recent conference "Removing Roadblocks to the Employment of Youth" held at the Bayway Community Center, Elizabeth. Mr. Donald Hoagland, district-wide coordinator of industrial arts, Dr. Donald Mearchnik, district-wide director of special services; Mr. Adam LaSota, D. O. work coordinator and Mr. Conrad Franchino, D. E. work coordinator at the Jonathan Dayton Regional High School were participants in the program sponsored by the Union County Council for Children and Youth.

Moon Theme For Dance

Harvest Moon Ball is the theme for the Summit YWCAs Saturday Night Dance on November 24, from 9 p.m. until midnight. Live music will be provided by the popular Moodmakers, who have performed at the YWCA for several years.

All single young adults are invited to attend. They may come alone or with a partner, and no previous reservation is required. Young people home from college for the Thanksgiving holiday will be especially welcome. A small contribution is asked to cover the cost of the evening's affair.

For further information call Miss Mary Ida Gardner, Young Adult Program Director, at the YWCA, Cr. 3-4242.

The average public school teacher was paid \$5,527 during the academic year ended in June, the National Education Association reports. The figure represented a pay hike of \$252 over the previous year.

MR. AND MRS. PAUL F. PRINCE (PHOTOGRAPHY BY DAVRON)

Princes Honored On Anniversary

Mr. and Mrs. Paul F. Prince of 647 South Springfield Avenue, Springfield, were recently honored at a buffet party in celebration of their 50th wedding anniversary. The party was given to them by their son and daughter-in-law, Mr. and Mrs. Paul Prince, Jr., at the Springfield Steak House.

The former Miss Anna Macrae of Newark and Mr. Prince were married November 17, 1912 at the bride's home, Springfield Ave. and 18th Street, Newark. The ceremony was performed by Rev. J. Reuber.

Mr. and Mrs. Prince are still active in the business they founded in 1915 when they first came to Springfield. The business is known as Prince's Farms.

Theodate C. Smith Elected

Miss Theodate C. Smith of 96 Springfield Avenue, Springfield, has been elected to membership in the UJC Key Club, official student host organization at Union Junior College, Cranford.

Seat Belt Sale Is Big Success

The sale of auto seat belts by the Springfield Jaycees has been termed a complete success by chapter president Dick Blisshof. Public reaction to the sale was much greater than expected, and as a result the original supply of belts was exhausted. An additional shipment had to be ordered from the supplier, to fill all the orders.

The Springfield Jaycees would like to express their appreciation to the Grand Union Supermarket, to Spring-Hill Esso Station and Ted's Atlantic Station for their assistance in the sale, and to the Springfield Sun for invaluable aid in publicizing the sale.

As of this date the Jaycees have no more belts for sale. People who do not have seat belts, purchase them now from other sources.

A miracle takes place—not of earth-shaking value—but of monumental importance to this family: the miracle of love and being reunited, if only for a short precious time.

Arriving in Waiblinger we are taken back into the fold and hearts of the neighborhood. Only knowing the workings of such a neighborhood, can one fully appreciate the scope and depth of such a welcome. After two hours of hugging and shaking hands you enter "your-home", the place where you spent a wonderful youth, where you grew up most of your life, and where every corner is a fond memory—and your heart skips a few beats. It's home, it's wonderful! The place looks like a garden show—flowers from everybody to let you know they're glad you're back again! The next day you look the town over. Even though it has grown and a lot of strange, modern buildings stare at you, you feel, it hasn't really changed too much. There is more traffic, but the mode of life is pretty much the same. Life is relaxed "genflich", which does your heart and soul good.

Now the surge of people wanting to see you has begun; a never-ending chain of visiting or being visited.

Doug, meanwhile, has made friends and has the time of his life. What he can't express in German (and he did pick up nicely) he explains by motions and children do have a wonderful universal language and understanding that's to be admired for its warmth and success.

Some are nosy—"has she changed"—but most just show that loving desire to see an old

Alternators Favored Over Generators

DETROIT (UPI)—The switch is on to alternators. The units are rapidly replacing generators in American automobiles. The alternator, unlike the conventional DC generator used for so many years, produces considerable electrical current at low speeds and at idle. The 1960 Plymouth Valiant was the first U.S. car to use alternators as standard equipment. Then Chrysler installed them on all the firm's car lines. The other auto companies started switching over this year. All GM cars except the Corvair will have alternators, as will the Ford Thunderbird and Lincoln Continental. Studebaker and American Motors will offer them on a few models. In some cases, the alternator—called a Delcotron in the case of GM—is offered as optional equipment. In others, it is standard. One manufacturer of alter-

Garden Dept. Plans Show!

On Friday, December 7, the Garden Department of the Woman's Club of Berkeley Heights will present a Christmas Flower Show, "The Joys of Christmas," in the Lee Room of the Diamond Hill Community Church, Diamond Hill Road, Berkeley Heights. The show is open to the public from 2 to 9 p.m. Donation of \$1.00 to be used for civic and conservation projects. The schedule has classes covering artistic arrangements, door arrangements, table settings and horticulture. A Conservation Exhibit prepared by Girl Scout Troop 187, other special exhibits on "do-it-yourself" procedures and pressed flower pictures will also be on display.

Opening lead: Ace of diamonds. West took the first trick with ace of diamonds. West again led diamonds and South trumped in own hand. South then led four rounds of hearts, three rounds of spades and hand was made. COMMENT: This was a pat hand. South was correct in bidding a small slam since there was only one losing trick in that hand if the spades break. However, South definitely should have redoubled. This hand was played by a bridge group that has been meeting regularly for 12 years. Although not professionals, all of the players are above average. How would you have bid and played this hand? JUST A THOUGHT: If we are quick to anger we should not permit ourselves to be slow in the ways of forgiveness—or lacking somewhat in knowledge of the art of sincere apology.

BY HIS EXCELLENCY
WILLIAM LIVINGSTON, Esq.
Governor, Captain-General and Commander in Chief, in and over the State of New Jersey and the Territories thereto belonging, Chancellor and Ordinary in the same.

PROCLAMATION.

WHEREAS the President of the United States of America has been pleased to transmit to me, in order to be published and made known in this State, his Proclamation, bearing Date the third Day of October Instant, recommending to the People of the United States, a Day of public Thanksgiving and Prayer; which is in the Words following, to wit:

Whereas it is the Duty of all Nations to acknowledge the Providence of Almighty God, to obey his Will, to be grateful for his Benefits, and humbly to implore his Protection and Favour: And whereas both Houses of Congress have, by their joint Committee, requested me to recommend to the People of the United States, a Day of public Thanksgiving and Prayer, to be observed by acknowledging with grateful Hearts the many and signal Favours of Almighty God, especially by affording them an Opportunity peaceably to establish a Form of Government for their Safety and Happiness.

Now, THEREFORE, I do recommend and assign THURSDAY the twenty-sixth of November next, to be devoted by the People of these States, to the Service of that great and glorious Being, who is the beneficent Author of all the Good that was, that is, or that will be: That we may then all unite in rendering unto him our sincere and humble Thanks for his kind Care and Protection of the People of this Country previous to their becoming a Nation—for the signal and manifold Mercies, and the favour and Interpositions of his Providence in the Course and Conclusion of the late War—for the great Degree of Tranquillity, Union and Plenty, which we have since enjoyed—for the peaceable and rational Manner in which we have been enabled to establish Constitutions of Government for our Safety and Happiness; and particularly the national one now lately instituted—for the civil and religious Liberty with which we are blessed, and the Means we have of acquiring and diffusing useful Knowledge;—and in general, for all the great and various Favours which he hath been pleased to confer upon us.

And Also, That we may then unite in most humbly offering our Prayers and Supplications to the great Lord and Ruler of Nations, and beseech him to pardon our national and other Transgressions—to enable us all, whether in public or private Stations, to perform our several and relative Duties properly and punctually; to render our national Government a Blessing to all the People, by constantly being a Government of wise, just and constitutional Laws, discreetly and faithfully executed and obeyed;—to protect and guide all Sovereigns and Nations, (especially such as have been kindred unto us) and to assist them with good Government, Peace and Concord;—to promote the Knowledge and Practice of true Religion and Virtue, and the Increase of Science among them and us;—and generally to grant unto all Mankind such a Degree of temporal Prosperity as he alone knows to be best. As by the said Proclamation Reference thereto being had may appear.

I have therefore thought fit, by and with the Advice and Consent of the honourable the Privy Council, to recommend the said twenty-sixth Day of November next, to be kept and observed as a Day of public Thanksgiving and Prayer, pursuant to the said Proclamation, whereof all the Inhabitants of this State are required to take Notice and govern themselves accordingly.—And I do hereby recommend it to the Ministers of the Gospel of every Denomination in this State to perform Divine Service; and to the People committed to their Charge to attend public Worship on that Day, and to abstain therefrom from all servile Labour and Recreations inconsistent with the Solemnity of the Festival.

Given under my Hand and Seal of Arm, in Perth-Amboy, the twenty-eighth Day of October, in the Year of our Lord One Thousand Seven Hundred and Eighty-nine.

WIL LIVINGSTON

By HIS EXCELLENCY'S COMMAND,
HOWES REED, Secretary.

GOD SAVE THE PEOPLE

TRENTON: PRINTED BY ISAAC COLLINS.

A Day To Give Thanks

By John T. Cunningham
Congressman Elias Boudinot of Elizabeth anticipated no difficulty when he rose in the House of Representatives on September 25, 1789, to propose that the infant United States establish its first national Thanksgiving day.

Strife often had swept Congress during that first session, for no marriage of states can ever expect perfect bliss. Sectional jealousies stirred frequent argument between Southern planter and New England merchant; the things which divided seemed at times far more numerous than those which united.

But a day for thanks—surely that would stir no dissent! Thanksgiving traced back to festivals in ancient lands at harvest time and to a day of rejoicing after crops were gathered in England and Holland. More, by 1789 the Thanksgiving feast of the Pilgrims in 1621 was nearly as solid a part of American tradition as Lexington and Concord.

Boudinot's own state of New Jersey had a solid tradition of Thanksgiving days. Undoubtedly the settlers who came from New England to East Jersey before 1666 had brought the custom, although no Thanksgiving day in the province was December 2, 1673, named by Dutch Governor General Anthony Colve as a time "of fast, humiliation and thanksgiving."

Governor Colve insisted that Thanksgiving Day to be solemn and to that end he forbade "all manner of labour and exercizings, of hunting, of fishing, gaming, excess in drinking and the like."

The years had brought other thanksgiving days. East Jersey's Assembly in 1676 set up 2nd Wednesday of November aside "to give God the glory and praise thereof, and oblige us to live in his praises and in his fear always." Three years later the Assembly proclaimed a thanksgiving day to give thanks to God for, among other things, "delivering us from that infectious

disease of the small pox and other disease and from the trouble of the Indians."

Thanks had been expressed during the Revolution, too, although at times there was little enough reason for gratitude. Thanksgiving by then had become a day for satisfying the stomach as much as the spirit. A 1779 newspaper account of the approaching Thanksgiving day said that "vast quantities of turkeys, ducks, geese, etc., were cooped for the purpose", although there were strong fears that English troops might swoop over from Staten Island at any moment to steal those succulent reasons for thanks.

Hence, to Boudinot in 1789, thanksgiving seemed as natural as eating, as basic as declaring gratitude, as simple as prayer.

The "Annals of Congress" prove how wrongly Boudinot reckoned. Behind the closed doors of that first Congress—a debate rage—and the record proves that Elias Boudinot's staunch stand led to the first United States thanksgiving proclamation.

Boudinot simply proposed that a committee of both houses ask President Washington to "recommend" a day of public thanksgiving.

THE "Annals of Congress" prove how wrongly Boudinot reckoned. Behind the closed doors of that first Congress—a debate rage—and the record proves that Elias Boudinot's staunch stand led to the first United States thanksgiving proclamation.

Boudinot simply proposed that a committee of both houses ask President Washington to "recommend" a day of public thanksgiving.

Dr. Merachnik On Committee

Mr. Donald Merachnik, director of Special Services for the Union County Regional High School District #1, has been a member of the Committee on Education of the Union County Resource Directory. This committee has aided in the compilation of the directory which has recently been published. Produced under the joint sponsorship of the Bayway Community Center, Community Welfare Council of Eastern Union County and the Junior League of Elizabeth, the directory is expected to fill a long felt community need. The volume, the first of its kind ever published in Union County, contains a complete listing of accurate, usable, easy-to-find information on 400 public and private agencies in the health, social welfare, education and recreation fields.
Professionals wishing to give help and laymen who seek it, will find the directory a ready reference for all types of services, in and outside of Union County which are available to County residents.
These include adoption, clinics, general and special hospitals, day camps, services for alcoholics, agencies to aid the handicapped, vocational counseling and many other resources for solving human problems. Information describing each agency's services, as well as the address, telephone number and title of its executive, are listed under the corporate name and service classification. Both are cross-indexed to simplify the directory's use.
Under the chairmanship of Mrs. Robert F. Moss of Elizabeth, some 50 professionals and volunteer workers devoted more than a year in preparing the directory for publication.
It is expected to be of particular value to industrial personnel directors, social workers, clergymen, doctors, nurses, school guidance.
Orders are being accepted at the Union County Resource Directory, 700 Bayway, Elizabeth, N.J.

PROCLAMATION

WHEREAS, Americans by custom and choice accept the value and preciousness of all human life without exception; and
WHEREAS, we know that three in every one hundred children born are termed mentally retarded, and added to the more than 5 million in this country already so declared; and
WHEREAS, the citizens of this Community recognize our responsibility to those less able and their right to understanding and help; and
WHEREAS, we know that retarded children can be helped, and with training and educational facilities geared to their special needs can be made happier, more productive members of our community;
NOW, THEREFORE, I, Philip Del Vecchio, Mayor of Springfield, New Jersey do hereby proclaim NOVEMBER 26th - DECEMBER 3rd AS RETARDED CHILDREN'S WEEK in Springfield and urge the citizens of this Community to give their support to the Union County Unit, New Jersey Association for Retarded Children.

GIVEN under my hand and the Seal of Springfield, this 12th day of November, in the year of Our Lord one thousand nine hundred and sixty-two and in the Independence of the United States the one hundred and eighty-seventh. (S E A L) Philip Del Vecchio, Mayor

November 22, 1962
Springfield Minutes, Oct. 23rd

TOWNSHIP COMMITTEE MINUTES
October 23, 1962

Unanimous approval on final hearing of adoption of ordinance providing for purchase of Leone property for municipal use.

Unanimous approval on first reading of introduction of resolution providing for release of restriction on property purchased by Robert W. Call from the Township in 1952. Final hearing November 13th.

Unanimous approval of Rabbits License for drawing to be held by Hadasah, Springfield Chapter on April 25, 1963.

Unanimous approval on introduction of ordinance providing for regulating municipal parking lots. Final hearing November 13th.

Unanimous approval of authorizing Township Attorney to institute legal proceedings against both drivers involved in damage amounting to \$655.33 to traffic light at Milltown Road and Meisel Avenue.

Unanimous approval of authorizing Township Attorney to investigate to determine the reason for not honoring the claim of Mrs. Hans Neilson, member of the First Aid Squad, for injuries sustained Adjournment

Overlook — Your community hospital. Over 15,000 of your friends and neighbors turned to Overlook for medical service this year, a new patient record.

Overlook — Rated as one of New Jersey's leading hospitals, performing on the advanced scientific levels of the finest metropolitan medical centers, has kept pace with the advances of modern medicine and the population growth of the area — through your interest and support.

Overlook — With careful administration has kept its \$4,000,000 annual operating budget balanced on its own — for eight years in a row. Overlook asks your help only for capital improvements — to meet your medical needs.

Overlook — Urgently needs your help now. The X-ray Department, now working with 42% of needed room, must be expanded to meet the ever-growing number of patients and the increasing use of radiation in diagnosis, therapy, and in the new field of isotopes.

Overlook — Has already begun construction on an addition to its X-ray facilities — with faith that you, as aware and responsible members of the community will respond to your hospital's efforts to provide medical protection for you and your family.

ANNUAL GIVING GOAL FOR 1962 — \$300,000

Letter To The Editor

Dear Editor:

The Band Parents Organization of Governor Livingston Regional High School wishes to thank all who supported and contributed to the Candy Sale on Saturday, November 17th. Peanut Curing
COLLEGE STATION, Tex. (UPI) — Learning to control temperature and humidity in a factory is a major problem for peanut curers, according to a report by the U.S. Dept. of Agriculture.

WEST ALEXANDRIA, La. (UPI) — Peanut curers are not expected to be satisfied until they have a way to control humidity in their plants, according to a report by the U.S. Dept. of Agriculture.

Doggone Story
NEW YORK (UPI) — Ernest Borgnine star of the "McHale's Navy" television series on ABC-TV today plays his favorite show business story.

A theatrical agent answered his telephone.

"I want a dog," said the voice at the other end. "I can sing, dance and juggle."

"So can a thousand other people and they're all out of work," snapped the agent.

"Just a minute, don't hang up. I can play the piano, walk a tightrope and recite the Gettysburg Address backwards."

"So can all the others. You're wasting my time. Goodbye."

"Just a minute," pleaded the voice. "There's one other thing I'm a dog!"

Offshore Wells Costly
NEW YORK (UPI) — It costs an average of \$385,700 to drill an offshore oil well compared to \$2,100 for an oil well on land, the American Petroleum Institute estimates.

Paper Mill Will Subscriptions

Subscriptions for the six shows to be presented during the Paper Mill winter season, December 26 through March 24, are on sale now at the Paper Mill Playhouse box office.

The shows will include "South Pacific", starring Betsy Palmer, which opens on December 26 for a three-week run, and five recent Broadway hits and plays on the way to Broadway.

Subscribers will receive choice seat locations and save 15% of the regular box office price.

Win 5 in Row

MONTREAL (UPI) — The Montreal Canadiens have won the National Hockey League pennant the last five seasons.

Bundy Introduces New Inductor Box

The Bundy Electronics Corporation of Springfield is introducing a newly-designed decade inductor which will sell for between 40 and 50 per cent less than models currently on the market.

This was announced by Bundy President Harry B. Schwartz who said the firm's engineers are now making the final decisions as to exact price.

The inductor is designed to provide incremental steps to moderately precise standards of inductance for use in comparison of inductors, and as elements in

School Offers Scholarships

Union County's Technical Institute today launched a program to provide scholarships for deserving high school graduates.

"We are anxious to get help for qualified students who may need some financial assistance," Leonard Simmons, member of the institute's Board of Education, said.

Tuition at the school is \$200 a year and Simmons has been named by the Board to head a county-wide canvass for scholarship donors.

"We feel that service clubs, civic organizations, professional societies, chambers of commerce, labor organizations, and industry itself—all of whom already have given institute support—may want to participate in this endeavor. It would be a great stimulation to young men and women if each town in the county would find it possible to offer a scholarship to the most deserving candidate," Simmons said.

"With the critical shortage of technicians that exists today," he added, "the need is for expanded community-based facilities like our Scholarship-giving offers the citizenry of the county a chance to help train our youth for space-age careers right here at home."

Students at the two-year institute are not eligible for state and federal scholarships, Simmons said. He said these programs along with industrial scholarship programs provided funds only for students attending four-year colleges.

The Union County Technical Institute, which can best be compared with a technically oriented junior college, offers these courses: Electronics; Data Processing; Drafting and Design; and a program for girls who wish to become Dental Assistants.

Simmons, also President of the Roselle Board of Education, said he hoped scholarships could be established in each of the areas of training. A chapter of the Institute of Radio-Engineers currently operates at the school—which has branches in Union and Scotch Plains—and this chapter is raising funds for an electronics scholarship.

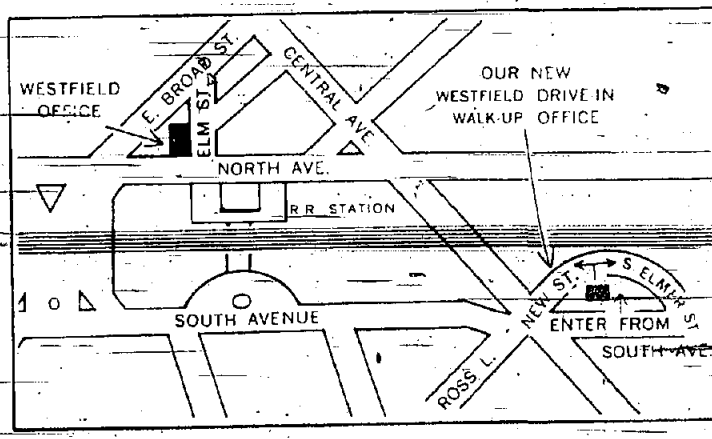

Travelogue At Mill

The Pacific Northwest and the Seattle World's Fair will be shown at the Paper Mill Playhouse Sunday afternoon at 3 PM. The Burton Holmes Travelogue will be in full color on a large screen. André de la Verge, photographer and narrator, covers the scenic grandeur of the Northwest including the Grand Coulee Dam, the Columbia River and the Olympic Peninsula. The Seattle World's Fair—with its Monorail and Space Needle and various other points of interest—are also explored.

Wizard Of Oz At Paper Mill

A 2 PM performance of the "Wizard of Oz" will be given at the Paper Mill Playhouse Saturday (24) in addition to the previously scheduled 11 AM show. The second performance has been added because of extraordinary ticket demand.

"Oz" a children's favorite for generations, concerns the story of a little girl, Dorothy and her dog, and their travels to the land of Oz. On her way Dorothy meets all kinds of interesting characters including a wicked witch, scarecrow, tin man and coward lion.

NOW YOU CAN ENJOY Drive-In and Walk-Up Banking in downtown Westfield and Springfield

If you like doing things the easy way, you'll want to get acquainted with one of these sparkling new National State Bank facilities. They make banking a breeze: Women will especially like the convenience — just come as you are and bank from your car! Or if you're walking, step up and bank — as quickly and easily as that. Visit us soon, say hello, and start using our services at either the Westfield or Springfield Drive-In and Walk-Up facility. Got a dog? Bring him along — we have free dog biscuits for your canine pet.

Drive-In and Walk-Up Banking Hours: Monday through Friday 7:30 A.M. to 6:30 P.M. — plus extra hours on shopping nights.

Anyone opening a Checking Account for \$50 or more at our regular Westfield & Springfield offices will receive **Free**

SIX KING SIZE "OLD FASHIONED" GLASSES
You'll serve guests with pride, using these distinctive, fine quality glasses.
