## EDITORIAL ----- Need New Library

The best barometer of any community's cultural growth is the public library -- and Springfield is no exception.

The Township's library has kept pace with the population upsurge here in Springfield but it is practically "bursting at the seams" and a great deal will have to be done to meet the programs, already on the planning board, for the future.

Instead of adding to the present library building -- even if there were sufficient room for expansion -- Springfield should seriously consider the construction of a brand new, modern library in a more centrally located area.

The present library is conceded to be one of the best organized facilities in any part of the state -- but it is located in the worst possible area of Springfield.

It was probably an ideal spot when Mrs. Sarah Bailey, a former resident of the Township, gave the building to Springfield with the explicit understanding that it would be used as a library.

Because the present library is situated on the other side of Morris Avenue -- it is impossible for school children to cross that heavy traffic unless accompanied by adults.

And, a great deal of research and necessary reference library work by school children is, perhaps, neglected because parents cannot always find time to drive the youngsters to the library after school and before closing hours.

The present library is too crowded -- the books are practically spilling off the shelves and soon there will be no room for books or people.

The Township Committee and the Library Board of Trustees should immediately inaugurate a thorough survey of possible sites for a new library somewhere in the center of Springfield to replace the present facility.

In compliance with Mrs. Bailey's wishes, the present library building could be used as a branch, a museum for historical matter and a place for a permanent exhibit of important papers pertaining to Springfield and its rich history.

The new library would be within walking distance of most of Springfield's schools so that both children and older people could make use of it without fighting the usual heavy traffic in crossing Morris Avenue.

The members of the Board of Trustees and the entire library staff know exactly what Springfield must have to meet the needs of a rapidly growing community. The new building would provide, it is expected, a research room where students and adults may do their work.

A reading center is needed for residents and visitors who want to peruse magazines and newspapers -- now almost impossible in the present library.

The library staff and the Board of Trustees have been envisioning a large enough facility for use as a community cultural center with music appreciation programs, discussion groups, lectures -- in addition to best sellers, reference books, magazines, periodicals and the usual reading found in the best libraries.

There is nothing more important for Springfield than a new, modern library, located in the center of the community -- not on the edge of town where very few children are ever permitted to walk by themselves.

## Teen-Age Republicans

The Springfield Teen-Age Republican Club held their third meeting on Friday, March 1, 1963 at 7:30 P.M. Despite the inclement weather, fifteen members attended the meeting.

Under the supervision of Scott Donington, President of the Young Republicans of Springfield, and advisor to the Teen-Age Republicans, the Club partially wrote their Constitution. The teenagers hope to get their club chartered this March with the Union County Teen-Age Republican organization headed by Jeffrey Kelly of Summit.

The next meeting will be held Friday, March 15, 1963 at 7:30 P. M. All members and interested teen-agers are urged to attend. Refreshments will be served.

For further information and location of the meeting, phone either Paul Penard, DR. 6-0779, or Craig Marrice, DR 6-3406.

## Editorial Always There... With Your Help

This year, a world-wide volunteer army of mercy observes its 100th anniversary. It was in Geneva, Switzerland, in 1863 that the Red Cross movement began.

In the past century, the red cross on a field of white has silenced guns in a multitude of battles. By international treaty, the Geneva Conventions, this neutral symbol shelters wounded and ill combatants, those caring for them, those taken prisoner, and those whose homelands have been occupied by enemy forces.

In peace, it is the universal symbol around which we rally to aid and comfort the victims of earthquakes, floods, storms, and other natural causes.

Today there are some 90 Red Cross, Red Crescent (in Moslem countries) and Red Lion and Sun (in Iran) societies. They have a total of more than 157,000,000 members. That is quite an army. It averages out to one Red Cross member for about every 20 persons in the world.

We belong to this nonpolitical, nonideological, nonsectarian army of mercy through our American Red Cross. Our local branch, The Springfield Chapter, is a vital part of this world-wide movement.

Although charged by the Congress of the United States with specific responsibilities (to aid members of our armed forces and disaster victims), our Red Cross relies solely upon our voluntary support, through it, we keep our local, state, national and world-wide Red Cross strong with contributions of our money, time and talents.

This March, again proclaimed Red Cross Month by the President of the United States, and locally by Mayor Falton, is the time for us to reaffirm our belief in its aims. We in Springfield are privileged to have an active Red Cross Chapter providing our community with the many services. The Blood Program, Veterans' service through E.O.V.A. Hospital, Home Service (the official link between service men and their families), Motor Corp., First Aid, Water Safety, Home Nursing and Child Care instruction, Nutrition instruction, Canteen, and a prepared Disaster and Welfare service are but a part of the services offered by our local Chapter.

Join the work of these volunteers, your friends and neighbors, Support the Springfield Chapter with your financial contributions and by volunteering your time and talents to its service. Remember the 1963 theme: RED CROSS -- ALWAYS THERE ... WITH YOUR HELP.

## Report From Trenton

By Nelson F. Stamler  
 State Senator R. Union

The people of New Jersey may soon have complete access to state, county and local records, reports, deliberations and decisions.

There has always been conflict between officialdom and the electorate over what constitutes a "public" record -- that is, material which any citizen has the right to inspect.

A "right to know" bill now pending defines "public" record in the broadest terms in the state's 300 year history. Although the "right to know" has expanded over the years, it has not been without challenges from some in government who would mark almost every document and decision "secret" or "restricted."

While New Jersey citizens have already won access to many areas of government operation, it was felt that some of their right were still circumscribed and that a comprehensive "right to know" law was needed to settle the matter once and for all.

That this right can never be taken for granted was demonstrated by a ranking Pentagon official recently who insisted the Administration had the right to "manage" news to serve its purposes. There was a holocaust after he spoke: the press was outraged and the public was stunned by his cynical brazenness. The Administration has been trying to make amends ever since. If a citizen is refused access to material, he can ask for a hearing in the superior Court where the bench will review the validity of the denial.

Louis Ceithaml and William F. Koonz are the Democratic and Republican candidates for Springfield Township Committee this Fall.

Koonz, of 110 Baltustrol Way, was picked out of a field of six Republicans and given "unanimous" support for the coming primary. Walter W. Baldwin, GOP municipal chairman, said he expects no contest.

Koonz and Ceithaml will seek the only committee seat up for election, now held by Vincent J. Bonadies, a Democrat. Bonadies is running in his party's primary for the state Assembly, and has said that he will not seek re-election to the committee on which he is now the only Democrat.

### Three Sustain Injuries in Chain Crash Involving a Stolen Car

A chain collision involving three cars, one of them stolen, occurred last Tuesday afternoon, in front of 200 Morris Avenue, the offices of the Springfield Sun.

According to Police Chief Wilbur Selander, the stolen car, a 1961 Oldsmobile, taken from Milton Gersten of 1439 Broad Street, Hillside and driven by the accused, Raymond Lokshis,

39, of 103 Chapman Place, Irvington, rammed into the rear of a car stopped for traffic and driven by Arthur J. Rowe, 55, of 190 Highfield Lane, Nutley. Rowe's car, in turn, smashed into the rear of a sedan driven by Gertrude Lawrence of 41 Addison Drive, Short Hills. The car stolen by Lokshis had its front badly damaged as was both front and rear of the sedan in which

Rowe was riding. Miss Lawrence's car sustained damages chiefly to the rear.

Chief Selander said that Springfield's first notification of trouble was a phone call from Officer Thomas Howe of the Union Police Department stating that he had tried to stop a 1961 Oldsmobile (first reported as a Pontiac) at an intersection suspecting that the driver was in-

toxicated, but that the driver attempted to run him down.

Upon release of all three from Overlook after treatment for minor injuries—Lokshis was charged by Springfield Police with careless driving and driving without a license. He was then turned over to Irvington Police and charged with car theft.

"SPRING IS NEAR?" This seems to be the question on the mind of Springfield Patrolman Richard Elfvin as he braves the proverbial "March came in like a lion" weather at his post on the corner of Mountain and Morris Avenues on Friday, March 1. Snow and cold weather made the officer's job a little more uncomfortable than usual and added to the driving discomforts of area motorists. (Staff Photo)

### "Mrs. Republican" Reappointed

## Mrs. Amy Bandomer Named To Third Term On Board

MRS. AMY BANDOMER who was sworn in this week for another two year term as member of the Union County Board of Election.

Mrs. Amy Bandomer, Springfield resident and known throughout Union County as "Mrs. Republican," was sworn in for a new two-year term as a member of the Union County Board of Elections this past Monday morning at the Board's new offices in Rahway Avenue, Elizabeth.

This is the third term in that office for "Mrs. Republican" and G.O.P. leaders in all parts of the county are happy that Mrs. Bandomer's efforts in behalf of her party have earned her the reappointment to the Board of Elections.

New Jersey State Committeeman Albert J. Benninger, of Mountainside, and County Republican Chairman Charles P. Bailey supported her and, when New Jersey State GOP Chairman Webster B. Todd announced that he also favored Mrs. Bandomer, Gov. Richard J. Hughes officially made the appointment.

Mrs. Bandomer is and has been the cornerstone and one of the strongest pillars of the Springfield Republican organization, guiding the destinies of the G.O.P. township administration through some very turbulent years. "Mrs. Republican" is the only member of the "old guard in Springfield" who is still regarded as one of the advisors and leaders in local Republican affairs even though most of her work is now devoted to Union County political activities.

Mrs. Bandomer's political ability is recognized by all leaders and no important campaign is waged in Union County without calling on the talents of Springfield's "Mrs. Republican" for organizing and "getting the show on the road."

Congresswoman Florence P. Dwyer, especially "points with particular pride" to Mrs. Bandomer's efforts in her behalf

Mrs. Bandomer has been a tireless worker for the Springfield and Union County Republican organization and her appointment to the Board of Elections for a third two-year term has met with approval of political leaders in this area. Mrs. Bandomer resides at 541 South Springfield Avenue.

# COMMUNITY SHOPPE OFFERS DELICIOUS GOURMET FOOD IN "LIGHT HOUSE"

247 Morris Avenue! In the early morning hours a "light house" with the aroma of stews brewing. A long day has begun, from 5:30 a.m. until late at night, during which hungry tummies are filled. The Community Shoppe, once only known by local residents as a quick coffee stop, has grown into a gourmet's eating spot and an approved quick luncheon stop for tiny tots of the local schools.

The proprietors, Hank Guerin and Carmen Ferruggia, have found three main sources of food supply: Nagel's Pork Store for prime meats, Springfield Market for select fruits and vegetables, and Nathan Max and son for kosher franks, briskets, and chicken livers. Combined with a touch of proper seasoning and herbs, we bring you the most succulent dishes a luncheonette can possibly offer. Chile con carne is a great demand on our menu along with meatloaf and beef stew. From our long list of homemade soups the favorites are French Onion, Cream of Mushroom, and Potato Leek, which are served quite frequently.

We do not call ourselves "sandwich makers" although we make about 500 each day. To us it is more like constructing a building. The best and a little bit more of what each customer requests is carefully arranged into a "three course, custom-made sandwich."

Either Hank or Carmen will serve you from 5:30 to 10 a.m. The service is not always the best during these early hours. In fact you may have to fry your own eggs, and chances are you will get kicked in the shins for not moving quickly enough or missing the ash tray. (As Carmen says, "I don't remember putting an ash tray on the floor.") After 10 o'clock Mary

rushes in, adding her pleasant personality and appetizing Italian touch. Mary, the Boss, sees that every corner is scrubbed and every piece of silver is polished. Noted for her lasagne, not to mention her baked clams and ravioli, Mary prepares this tempting, calorie-laden dish for over a hundred servings each Tuesday.

Also serving you are Paula

Ann Jacko and Alma Heiderman, both gifted with personality. Paula, an English major at Newark State College, very much enjoys working with the public. Alma, or "Ma" as many call her, says work never hurt anyone.

Carmen, a graduate of Irvington High School, is a former owner of the West Coast Pancake House. (Cont. on page 20)

of Social Studies at the Florence M. Gaudineer School, Springfield is a licensed Air Pilot and Marianne, a registered nurse, at Presbyterian Hospital, New York, is in the process of getting her's. They honeymoon will be spent flying around the United States during the school summer

vacation period and their magic carpet will be a Piper Tri-Pacer, a 1960 4 seater which Russ is buying, right now. For diversion, as if owning and piloting one's own plane was not enough for an average mortal, they'll do some sky diving in May, which means hitting the silk (parachutes to you!) for kicks.

Clarke, who has been teaching at Gaudineer for the past two years, after a similar stretch at Cleveland Street School in Orange, is a graduate of Montclair State Teachers College, where he was Feature Editor of the "Montclairean". But between high school and college he traveled around the world with the Paul Whiteman Orchestra and the World of Mirth Carnival as a Magician! His sleight-of-hand also took him to Korea, where he entertained the troops.

Matter of fact it was Russell's ability with magic that first brought him to our attention. We tackled him about that initially while we were riding in his car en route to the Thelma Sandmeier School, where we were

bound so that he might fill a picture-taking assignment of kindergarten kids. Russ is official photographer for the Springfield school system and he is Editor of the Gaudineer Yearbook.

When Russ had finished his camera work, we asked him to play magician, even at the risk of losing the quarter which we handed him. We got back to the car and, in a moment, sure enough, it had disappeared only

to reappear on our knee. He did it over again, so that we might see if we could catch up with the action, but we never did, yet still wound up with our money. Then he took a cigarette out of a pack and made it "go through his knees."

For a number of years Russ was New Jersey State amateur pole-vaulting champion and has thirty-six medals and trophies at home. Quite a well-rounded guy!

## Why the NEW Flameless Electric Range Cooks Rings Around the Rest

No range heats faster, no range controls heat so accurately as the NEW flameless electric range. And, of course, nothing compares with electricity for cleaner, cooler, more dependable cooking.

Check these eight points of superiority, and then visit your Reddy Kilowatt Appliance Dealer during the March and April Range Sale to choose from single oven, double oven, free standing, built-in or high-oven models — you're sure to find the range to fit your needs.

**Automatic** — simply set the automatic timer and forget it — your oven meal will be ready on time as planned.

**Controlled** — electric cooking provides exact temperature control, from low heat to high, for perfect cooking results time after time.

**Modern** — beautiful, functional and streamlined in design.

**Cool** — there's no open flame to heat up your kitchen. Electric cooking puts all the heat where it's needed — into the bottom of pots and pans. Ovens are insulated on all six sides to retain heat.

**Clean** — no soot, grime or fumes to dirty up your kitchen. Pots and pans stay bright and shining; walls stay cleaner.

**Fast** — surface units heat up instantly — broilers and ovens heat up as fast as you can set the controls.

**Flameless** — no open flame, no burners to get out of adjustment, no pilot to be blown out.

**Economical** — the cost of cooking electrically is low — the average for a family of four is only \$2.00 per month.

There's a big range bargain waiting for you now

## New State Bills Would Aid Schools

An additional \$9200 in school building aid would come to Springfield if bills already introduced in the State Senate and Assembly become law.

The measurers -- A-518 and S-183 -- would update the formula which provides school building aid. Passage of either bill would increase the base of the formula to \$45 per pupil, from the current \$30. This would mean \$27,698 for this community, compared with the 18,465 now expected for 1963-64, says Leonard E. Best of Summit, chairman of the N. J. Committee for School Support.

The total for all districts in the county would be \$1,688,291. This is in addition to the \$9,935,970 for all districts in the county that would come from updating the formula which provides state school aid for current expenses, as proposed in A-517 and S-182.

Wayne Dumont Jr. (R. Warren) and John A. Waddington (D. Salem) are sponsoring the Senate bills. Sponsors of the Assembly bills are Frederick Hauser (D. Hudson), Clifton Barkajow (R. Monmouth), William Hiering (R. Ocean), James M. McGowan (D. Union), Mrs. Mildred Hughes (D. Union), E. J. Werner (D. Camden), G. Edward Koenig (D. Burlington), Benjamin Rimm (R. Atlantic), Harry L. Sears (R. Morris), Joseph Minotty (R. Gloucester), Douglas Gimson (R. Hunterdon), Joseph Maraziti (R. Morris), Albert Smith (R. Atlantic), Raymond Dateman (R. Somerset), and Carmine Savino (R. Bergen).

## Know Your Library Acting Director Has Had Rich Library Experience

Mrs. Helen C. Francis is now Acting Director of the Springfield Public Library and is in charge of the overall operation of the library in administration, personnel, and service. In addition, she is available for consultation with patrons.

She came to the Springfield Library as Assistant Director in April of last year and was appointed Acting Director February 1, 1963.

Although born in Philadelphia, Mrs. Francis has been a Morris County "resident" most of her life though travel and new jobs have taken her throughout the state and around the world.

Originally interested in the field of sociology, Mrs. Francis was a sociology major at the New Jersey College for Women (Douglass College) as well as taking a B.A. degree in Library Science. She also holds an M.S.

degree from the Graduate School of Library Service, Rutgers University.

Mrs. Francis served with the U. S. State Department in Egypt and Greece for six years and later with the U.S. Information Service in Thailand. While in the Far East she organized the Chinese Branch of the USIS Library in Bangkok where the book collection was in three languages: Thai, Chinese, and English.

Returning to the United States she has had extensive experience in public, special, and university libraries. As Adult Services Librarian for the State Library in Trenton, Public and School Library Services Bureau, she was Director of the American Heritage Project for New Jersey.

This project promoted training for discussion leaders and the organization of discussion groups

in libraries throughout the state. While Director of the American Heritage Project, Mrs. Francis received a grant from the Ford Foundation for advanced study in adult education and to observe adult programs in public libraries in various states.

About this time she married and became a resident of Morristown. She left the State Library in Trenton and became librarian at Washington's Headquarters, Morristown. There she unpacked and organized the Headquarters' newly acquired rare book collection from the late Lloyd W. Smith of Florham Park.

Preferring to be in touch with more people, Mrs. Francis next took a position at Fairleigh Dickinson University as Librarian of the Madison Campus. After a couple of years, thinking a home-aker should be a full-time job, Mrs. Francis withdrew from active library work. However, hearing the Springfield Library had an opening she has happily returned to public library work.

Though only in Springfield a short time Mrs. Francis is a member of the Springfield Historical Society. She also belongs to the Morristown Branch of the American Association of University Women, the Library Public Relations Council, the New Jersey Library Association, and the American Library Association.

She is married to Robert H. Francis and the third member of the Francis household is "George", a Kerry Blue Terrier.

## 1963 Budget Hearing Tues.

Springfield's 1963 Municipal Budget, set for a public hearing on Tuesday night, March 12th is expected to show an increase of 49 points. The session will begin at 8:30 P.M.

The budget, estimated at \$3,515,536.46, was introduced at a regular meeting of the Township Committee in the Municipal Building. This represents a total increase of \$393,681.57 over 1962, when the budget was \$3,121,854.89.

A comparative analysis of the estimated tax rates, 1963 with 1962, or \$6.87 and \$6.38 respectively, shows that County purposes are expected to account for \$1.01, Regional High School purposes \$1.64, local school purposes \$2.56 and municipal purposes \$1.66 of the 1963 rate. The 49 point tax-rate increase is attributed to a 7 point increase in the county rate, 16 point local school increase, 36 point municipal increase (the largest increase over 1962) and a 10 point regional high school decrease.

The \$215,918.01 increase for municipal purposes is explained by the provision of \$53,195 for increases in salaries and wages, by an additional \$54,733.86 as

reserve for uncollected taxes and \$101,091.10 less surplus with which to work. This accounts for \$209,019.96 of the municipal jump.

A general increase of approximately three per cent to all municipal employees in addition to extended hospitalization is provided in the new budget.

The reserve for uncollected taxes in 1963 is \$210,932.18 as compared to \$156,198.32 which was the reserve for uncollected taxes in the 1962 budget. It was pointed out that \$40,000 in tax dollars is allowed in 1963 for the loss of ratables due to the construction proposed in connection with Route 78.

The total general appropriations for municipal operation in 1963 budget is set at \$1,381,846.18. Total general appropriations in 1962 amounted to \$1,267,019.27.

Total anticipated revenues other than property taxes for 1963 is listed at \$530,591 as compared to \$631,682.10 in 1962. This decrease is attributed primarily to less surplus inasmuch as anticipated surplus for 1963 is \$180,000 as compared to \$270,000 in 1962.

Pete Seeger has been leading the folk song revival in this country since the 1930's. He helped found the Weavers, a singing group that put folk songs into vogue on college campuses and in nightclubs in the past decade, popularizing "Goodnight Irene," "On Top of Old Smokey," and many other songs dating to the Civil War, Colonial times, and before.

In addition to bringing historic music back into 20th century American life, Seeger has gone on concert tours in England and Canada, made more than 50 record albums, edited song books and a magazine.

## Stephens Miller Serving Area For 61 Years

For 61 years the Stephens Miller Company has been serving Summit and the surrounding area with the building materials required for new homes, additions, alterations and home improvements, as well as the fuels to heat their homes. Prior to the merger of Stephens Bros. and T.B. Miller Co. in 1924, the two companies had been doing business in more uptown locations. The Stephens Bros., yard at the site of what is now Werner Motors on Springfield Ave., T.B. Miller Co. on Broad Street with their office and yard at what is now the United Plumbing Supply Co. and the Summit Lumber Co. When the D.L. & W. depressed their tracks, Stephens Bros. moved to their present location on Russell Place. After 5 years at the Broad Street location T.B. Miller Co. pur-

chased property alongside Stephens Bros. yard on Russell Place adjoining the Rahway Valley R.R. where they did business for a number of years as competitors, before the above mentioned merger in 1924. Since its inception the Company has devoted its efforts toward providing the Summit Area with the highest quality merchandise available, the best service possible at a reasonable price.

You will find the same friendly service available today to as its the home owner in his many perplexing problems of maintenance, repairs heating and or cooling of his home. There are separate departments with trained personnel to discuss and answer any of the questions that may arise in maintaining your most precious possession, your home.

# MULTIPLE LISTING

## ... the KEY to Faster Home Sales

### What is Multiple Listing?

This is the modern and most effective plan for selling residential properties. It combines the specialized attention and responsibility of your Listing Broker, with the broad coverage of all members of the Board working cooperatively with the Listing Broker.

### How it Benefits You

Multiple listing is a special agreement between the owner and members of the Board; the owner agreeing to give the Board members the selling agency for a period of six months. The Listing Broker in turn agrees to give the property specialized attention in addition to enlisting the cooperation of the other members of the Board.

### How to Proceed

First of all, choose one Realtor to represent you and advise you your "Listing Broker". Choose him as you would your lawyer or your investment broker. Choose him — not only for his salesmanship (he will have behind him the combined selling forces of all established local Realtors), — but more especially for his interest in you and your property. Once you have chosen him — trust him and be guided by his advice.

Detective Mueller Narrates Dope Film

"Give them a mandatory sentence of 20 years to life! Give us something to fight back with," pleaded Detective Mueller in referring to narcotics peddlars. At the Founders Day Gaudineer P.T.A. meeting, Detective F. Thomas Mueller, chief of the Essex County Narcotics Squad, narrated a twenty minute film called "Narcotics Evils." The movie showed the horrible effects of the use of narcotics and the methods employed by "pushers" in preparing and passing the "dope."

By writing letters to state and federal officials demanding more stringent laws regarding drug peddlars, and requesting an increase in the number of narcotics agents, we can help curb drug traffic.

Detective Mueller stressed the importance of early recognition of the signs of drug addiction in children by the parents, and recommended prompt medical attention.

After the film, prizes were awarded for the outstanding "birthday table decorations" to Mrs. W.W. Cole, Mrs. B. Gerstein, Mrs. G. Eaton, Mrs. S. E. Wnek, Mrs. J. Gans, Mrs. L. Greenberg, Mrs. H.N. Lewis, Mrs. C. Brindell, and Mrs. W. D. Keller.

Judges for the occasion were Mrs. Barbara Jaeger, Mrs. Agnes Thackston, and Mr. Richard Garber.

The invocation was delivered by Rev. Lester Messerschmidt of the Holy Cross Lutheran Church. Chairman for Founders Day was Mrs. Walter Anderson.

FARMINGDALE, N.Y. (UPI)

Wearout-proof shoes and clothing, rooms illuminated by glowing walls; worldwide television and telephone systems, accurate weather forecasting and, ultimately, weather control—these are among scientifically feasible "fall-out" benefits from the nation's space program, according to aerospace executive Mundy I. Peale.

The massive mobilization of science, industry and government resources required to hurtle 75 tons of men and material to the moon is "causing an explosive chain reaction of civilian applications of the new knowledge as it funnels into everyday life," the president of Republic Aviation Corporation told a women's convention.

Jehovah's Witnesses

Holding Bible Assembly

Berkeley Heights area Bible students and residents are being invited to a three day Bible assembly of Jehovah's Witnesses, March 15, 16 and 17, to be held at the Metuchen High School.

John Magee, Furrie Lane, Berkeley Heights, spokesman for the group said that the purpose of the assembly is education in Bible principles, thus equipping the delegates to help others make their minds over to what is pleasing in God's sight (Roman 12:2). It will be attended by entire families. "Community improvement is the by-product of this work," he explained.

Jehovah's Witnesses are known the world over today as a "Society of Ministers". Their direct aid to neighbors has now expanded into 189 countries and islands of the sea. Presently their are

22,166 congregations throughout the world, arranged into 1725 circuits and these into 209 districts. In 1962 the Witnesses spent 142 million hours visiting their neighbors in a labor of love to share their Bible knowledge. They conducted a total of 654,210 free weekly home Bible studies. "It is at assemblies like this one that Jehovah's Witnesses learn how to teach and help their fellow man," Mr. Magee explained.

Feature of this assembly will be the free public talk on Sunday, March 17, at 3 p.m., entitled, "Who Will Win the Struggle for World Supremacy?" Joseph Saia, one of the 209 District Supervisors of the Watchtower Society, will deliver the discourse.

CHICAGO (UPI) — The total time lost in 1962 from accidents to workers amounted to 280,000 man-days, the National Safety Council said.

Due to the great response resulting from the absence of this column (one phone call) I decided to listen to my public and write the column again. So, please let me know all the social news and items. You can either call me or mail the item to the paper.

Hello there!

Congratulations to Miss Stephanie Mary Corn, daughter of Dr. and Mrs. M. Corn of 105 High Point Drive, who celebrated her 6th birthday with a party at her home. Attending besides her sister Sara were Elise and Amy DeMent, Ralph Goulden, Jane Getter, Rachel and Douglas Friedman and Gail Donohue.

Good luck to Mr. Robert V. Seltzer, son of Mr. and Mrs. Clarence L. Seltzer of 32 Sherwood Road, who has enrolled in the second semester as Freshman in the Marietta College, Marietta, Ohio. Mr. Seltzer is a graduate of Jonathan Dayton Regional High School and is majoring in Speech.

**WELCOME TO THE WORLD DEPT:** Born to Mr. and Mrs. John Kitchell of 14 Remer Ave., a daughter Patricia Ann on February 25th; 8 pounds, 5 1/2 ounces.

Mr. and Mrs. Meyer Tasher of 24 Newbrook Lane, a girl on February 27th at Overlook Hospital.

Good luck to Mary Ann Ruban who celebrated her birthday on

March 5th. She has been a unbeatable asset to the staff here at the paper. Many happy returns, Mary Ann.

The major intersections in Springfield have a real bright look. Those orange gloves that the police officers are wearing brighten up the whole neighborhood. I think they are very attractive and certainly make drivers more aware of the crossings. One policeman tells me that they do help at night and because they glow, attract the drivers' attention.

Good luck to Mr. Alan K. Preston, son of Mr. and Mrs. Ebenezer K. Preston of 145 Bryant Ave. He has enrolled in the second semester as a Freshman in the Marietta College, Marietta, Ohio. Mr. Preston is a graduate of Dayton Regional High School and is majoring in History/Government.

Congratulations to Miss Robin Getter, whose 9th birthday was celebrated with a bowling party on March 4th. Those attending, besides her exhausted parents, were Nancy Weinberg, Mindy Schreiber, Robyn Goldman, Jane Getter, Deborah and Jill Herzog, Debra Stein, Alysa Schuphalter and Christine Lamb.

Ben Franklin says;  
Man's tongue is soft,  
And bone doth lack;  
Yet a stroke there with  
May break a man's back.

See you and don't forget to call.

# The Early Days

For considerably more than a century after its founding, ELIZABETHTOWN'S area approximated roughly the whole of what became Union County in 1857. Its western boundary ran along the Passaic River. The outlying settlements were designated "wards"; for example, Westfield was known originally as "the Westfields or west ward of Elizabethtown."

As their populations increased, these subdivisions developed their own special problems and interests, and home rule became a vital issue. Springfield was the first to "secede" from Elizabethtown. On its application in 1793, an act was passed by the State legislature on May 22nd of that year, making it a separate township. New Providence, at its own request, was merged with Springfield. Besides New Provi-

ampton, Long Island, in 1670. He was the ancestor of the Woodruff's of Union County. Robert Woolley, who was baptized August 2, 1615 at St. Alban's England, came to America in 1639, ultimately settling at Southampton. His son Robert became an Elizabethtown Associate in 1699. The latter's descendant, John Woolley and his wife Mary joined the New Providence Presbyterian Church. Their children were Abraham, Joseph, Isaac, Jacob, Catherine, and another who died in infancy.

Sons Abraham, Isaac and Jacob served in the Revolutionary War. Isaac's service was in the "Eastern Battalion," Morris County, and also in the Continental Army. He was born in 1760, married Hannah Miller of Springfield, and died at Morristown April 17, 1799. Younger

dence, Springfield included Millburn, Short Hills, the Canoe Brook section of Livingston, part of Summit and about half of Maplewood. In 1809, the people of New Providence decided to leave Springfield and another township was created for them by the legislature.

Springfield Township's organizational meeting was held April 14, 1794, at the inn of Col. Abraham Woolley. The record of this meeting is in the vault at Town Hall, but a photostatic copy is displayed in the Cannonball House.

Succeeding town meetings also were held at Col. Woolley's inn. Woolley was elected first tax collector, an office he held from 1794 to 1797, and from 1803 to 1805. He was a member of the Township Committee from 1798 to 1802, and a Justice of the Peace in 1806 and again from 1808 to 1810.

During its early years, Springfield ranked high as an industrial community; there were ten paper mills, numerous saw mills and grist mills, and other manufacturing. Col. Woolley, besides being an innkeeper and town official, was proprietor of one of the paper mills.

The Woolley family of Springfield stems from Robert Woolley, and his wife Anne Woodruff, of Long Island. Her father, John Woodruff, was born at Fordwich, England, in 1664 and died at South-

brother Jacob enlisted on March 1, 1777, at the age of fifteen, as a fifer in General Maxwell's Jersey Line Brigade. Subsequently, he earned the right to carry a musket as a private, and participated in all that Brigade's battles—through Yorktown. Jacob and his wife Hannah, the daughter of Abner Thompson, another Revolutionary soldier of Springfield, are buried in the new Presbyterian churchyard.

Col. Abraham, the eldest son, was born in 1756 and died in 1812. He was a captain of militia during the Revolution. His wife was Rhoda, daughter of John Woodruff of Springfield. They had two children, Mary Woolley and John Roll Wolley. Mary married on January 15, 1803. David C. Baldwin, who was Town Clerk here 1806-1807.

**TEEN TALK**

By EDIE BELL

On Friday night, March 1, Diane Elias of Kenilworth threw a surprise party for Tommy Martin, who was 15 on February 28, and Wilma Benko, who was 16 on March 2. Many students, numbering almost 40, from Regional attended, and everyone agreed it was a great evening. There were plenty of laughs, music, and food to assure a good time for all.

Due to the snow last Friday, the Senior Spectacular Dance, which was to have been held in the Girl's Gym at Regional, was canceled for the second time. I wonder if the class of '63 will

ever get that "spectacular" going?

I have been asked to inform the Chisholm Chickens that the Black Hoard Athletic Club has accepted their challenge to a fifty mile hike. Weather-permitting, the club will attempt this feat this weekend.

On Friday afternoon, March 1, Sophomore English classes from Regional, under the supervision of their teacher, Mr. Herring, went to Princeton to see the presentation of "Julius Caesar". Although I'm sure there are many Shakespeare lovers within Regional's hallowed halls, I have a suspicion that leaving school at 11:30 a.m. was the part most students enjoyed best.

Don't forget to come see "Once Upon A Mattress" tomorrow or Saturday night at Halsey Hall. If you have not already purchased your tickets, you can do so at the door. The curtain goes up at 8:15, so come early and get a good seat.

If you have any news, please call me at DR 9-2919.

The class of 1963 will hold its Senior Ball on April 5 at the Martinsville Inn in Martinsville, New Jersey. The theme of the ball will be "Moonlight and Roses." Music will be provided by the Barry Miles band.

Plans are underway to make this event one of the most successful that the class has undertaken. Bids will be on sale the week of March 11 through 15.

**Enlarged Junior Youth Program**

An enlarged junior youth program is being undertaken by the Community Free Church, located at 240 Shunpike Road, Springfield. Due to the increased attendance over the past few months it has been decided to make two groups from the original one. The younger group, called the Jet Cadets, will be for children ages 6 to 9 years and will be under the direction of Pastor and Mrs. H. Lundin. The older group, called the Jr. High Cadets will be for youth 9 years of age and up and they will be under the direction of Mr. and Mrs. C. Woods of West Orange.

Craft time will be a continued feature of this youth work. Meeting time is each Friday evening at 7:15 p.m. During the summer months a tournament type of athletic program will be an added feature. Any young person is welcomed to participate in this youth program.

# "Calamity Jane" Headed For TV

seasons ago with notable success. \*\*\*

Two talented Texans, Carol Burnett and Bob Banner, who have teamed up in the past to produce some of television's most exciting entertainment, have joined forces in another project - a unique TV version of the hit movie musical "Calamity Jane." Bob Banner Associates is applying a new formula to tele-

vision in preparing for this show. "Calamity Jane" will have two weeks of live performances at the State Fair Music Hall in Dallas, Texas, beginning June 24. Following this break-in-period, Miss Burnett and the other principals will return to the CBS-TV studios in New York to tape the same show for airing in the

fall. Joe Hamilton, of Bob Banner Associates, will have the unusual task of producing the musical on-stage and in-studio. Last summer, touring with her own show, Carol broke all attendance and box-office records in the history of the summer musicals. Her 14 appearances drew some 57,745 people who

paid \$185,000 - largest gross achieved by any performer there, according to Tom Hughes, managing director of the Dallas Summer Musicals. The title role in "Calamity Jane" is not new to Miss Burnett. She tried on the part in summer stock at Kansas City two

## Bank Seeks Donors For March 16th Visit

The Springfield Blood Bank celebrates its first birthday at the March 16th bloodmobile visit to the Township. It was just a year ago that the Springfield Red Cross made available a direct Blood Program service to the community by affiliating with the New York Red Cross Regional Blood Program.

As a result of this participation, Springfield citizens and employees have been able to have sufficient quantities of blood for their emergencies on a one for one-preplacement basis. The blood is available to all citizens and employees in the Township where the credits are sufficient, and blood supplies are guaranteed to all individuals and their families who participate in the program as blood donors.

Donors who gave blood at the first Bloodmobile visit in March 1962 are reminded that those credits expire this month and should be replaced by donating blood at the Bloodmobile visit scheduled for Monday, March 18th at the Presbyterian Parish House. Hours from 1:00 to 7:00 p.m. period.

Persons who have not yet been donors are urged to sign up to become participating members at this time. A total of 200 donors are needed at the March 18th visit to insure sufficient blood reserves for the Township needs in the coming year.

You can donate if you have the following qualifications:

Volunteers must be between the ages of 18 and 59. Have parents' consent if you are under 21 years (unless married or a member of the armed forces).

Donors must weigh a minimum of 110 pounds.

Donors should not have been pregnant within the past year.

Donors must not have had certain infections within the previous 24 hours.

## Cagers Hot In Springfield Recreation

The Springfield Recreation Commission State Basketball League season-play last Saturday at the Florence-Gaudineer School gym. This Saturday the double-elimination Championship playoffs start with four games scheduled.

In the windup of all regular season activity last Saturday five games were played, in the opener a fast second basket by Joel Schwartz brought a 2-point win for Utah over a battling Texas five. Nathan Edelstein scored 12 points for the winners, all of these points coming in a high scoring first half as Utah poured home 26 points to gain a 14-point lead at the half way point of the contest. Texas battled back to a 30-30 tie late in the game, but Schwartz registered on a short set shot with 2 seconds remaining to nip the Texans 32-30. West Virginia upset Florida 16-11 on a fine performance by Howie Tiss and Alan Silverstein. Bobby Catapano was the whole works for the losers, scoring all 11 points. Minnesota tripped California 20-19 on a good showing by Ralph LoSanno and Ted O'Connell. Richmond and Todres were the best for the losing Californians. North Carolina won 14-11 over Kentucky with Jensen and Danzinger sparking the winners. Johnny Schoch and Howard Spielman the best for the losing Kentucky five.

The final was a close game all the way to Oklahoma edged

Donors may give blood with a history of malaria or jauntice and hepatitis provided there has been no recurrence of malaria in the previous 6 months or of jauntice and hepatitis in the previous 2 year. This blood receives credit and is needed, but is NOT used for whole blood. It is separated and the nondisease carrying blood fractions are used for the manufacture of vital blood derivatives.

The Blood Bank is endorsed by the Township committee, the Springfield Chamber of Commerce, and the Springfield Industrial Committee which urge your participation as blood donors and recipients of this life saving service provided by the Springfield Red Cross Chapter.

Wyoming 14-13 with Ken Kur-nos, Pierson and Margulies providing the spark. Gary Ginsberg and Gary Haydu the most outstanding for the losing Wyoming cowboys.

Cornell and Yale posted victories last Monday night and seem ready for the all-important Ivy League Championship playoffs which get under way next Monday night.

In the opening game of a twin bill Cornell overcame a 10 point deficit at halftime to gain a 31-30 victory over Dartmouth. Franklin tossed home three timely baskets in the last half, two of these coming in the closing moments of the game to eke out the close victory over Dartmouth that seemly had the game won. The winners finished strong getting 13 points in the final period to hold the Dartmouth green to five, which was the difference in this hard fought contest. Ronnie Haseman scored 11 points for Dartmouth, getting help from Bill Murphy and Will Hill.

In the bottom half of the twin bill, Yale had the benefit of a good performance by Ron Azarowitz whose 20 points on 10 field goals sparked the bulldogs to a 47-35 win over Columbia. Half pint Steve Hirchorn scored 17 points although hampered by a bruised left hand. Dave LaSota showed a good touch and good rebounding, scoring 12 points for the losing Columbia quintet.

In the Ivy League playoffs, two games are scheduled Monday night with Princeton and Cornell playing the opening game at 7:10 p.m. followed by Dartmouth and Harvard tussle at 8 p.m. Yale and Columbia drew first round byes, but will see action on Tuesday night, with Yale to face the winner of the Princeton-Cornell game at 7:10 p.m., with Columbia to face the Dartmouth-Harvard game at 8 p.m.

The losers of both Monday and Tuesday night will continue play the following Monday night, with the losers that evening facing elimination in the double knock-out tournament.

The Springfield Recreation Commission Small-Fry basketball championship playoffs continued their double elimination play last Saturday afternoon at the James Caldwell School, with the Nats, Pistons, Aggies and Billikens posting victories.

In the opening game of the 4 game card the Nats trimmed the Celtics 12-4 as Blum-sparked the winners with a fine 10 point performance. In the second game the Pistons won 16-8 with Frank Buc-ci's 9 point outburst providing the scoring punch for the winners. Gary Fox was the best for the Bullets. The Aggies had an easy time as they won 17-10, with Danny D'Andrea's 6 points leading the way for the winners.

## Union Juniors Have All But Clinched Table Tennis Crown

With only two more weeks of the New Jersey Table Tennis League season remaining, the Union, Jr.s, have all but clinched first place. The battle for second, third and fourth still rages.

The Union, Jr.s, trounced Colonia by the score of 8 to 2 and just about eliminated any hopes that Colonia may have harbored of getting into the first four places in the league standings.

Second place Newark was defeated by third place Bloomfield 8 to 2. Newark's number one player, Bill Cross, was absent due to sickness. The loss dropped Newark to third place.

Jersey City won from Springfield 6 to 4. Three of Springfield's four tallies came via the forfeit route. Raoul Kamel of Jersey City won all his matches. Springfield's loss puts them within range of Irvington for the fourth place slot in the league standings.

Elias Solomon of Irvington continued his winning ways and paced the Irvington club to a 6 to 4 victory over the Union, Jr.s. If Solomon's plans materialize, this will be his last season with Irvington. He is considering moving to Canada on a permanent basis.

The two last place clubs were competitors this week and Murray Hill won over Clifton 6 to 4. Ray Johnson of Clifton ac-

counted for three wins for the losers.

# REGIONAL GRAPPLERS SEASON ENDED, KARLIN, VENICE DUMPED IN TOURNEY

Another wrestling season closed for the grapplers of Dayton Regional on February 23rd, when Jeff Karlin and Tom Venice, who claimed District 5 titles the week before, fell victim to foes in the semi-final match of the Regional Tournament at Hillside. Karlin, the 98 pound sophomore, was pinned in 4:48 by Gene Murphy of Hanover Park, and 169 pound Venice fell by a 6-0 count to Bill Henderson of Roxbury.

So ended a season that began with a fruitless battle at Hunterdon Central High and saw Springfield win seven out of twelve of its regular season matches before placing third in the District 5 Tournament, held at Regional for the second consecutive year.

Springfield began its season on the wrong foot, as it began its first year of wrestling competition in the Watchung Conference. After a total collapse in the Hunterdon Tournament, where eight of eight semi-finalists were defeated, Regional lost its first two matches to Plainfield, by a 29-20 margin, and to Westfield, 26-17.

The Bulldogs showed their offensive power, rolling up four consecutive wins before bowing to Scotch Plains. Thomas Jefferson of Elizabeth (35-13), Clark Regional (29-19), Hillside (35-11),

and Caldwell (43-3) felt the strength of the Regional attack before Scotch Plains invaded the Springfield gym in an attempt to clinch the Watchung title. Three pin victories by Ronnie Puorro, Larry Bellon and Tom Venice were all that Dayton could muster in the 31-15 loss.

Springfield rebounded with an exciting 29-18 victory over Rahway, keeping Coach Herb Palmer's non losing streak to the Indians in both football and wrestling alive, but highly touted Union, a team with such stars as Dick Krupinski and Howie Gleitzman, tore the Bulldogs apart, 28-12, at the Union gym.

In closing up the regular season, Dayton surprised the Cranford twelve by a 29-23 count, fell to Bob Terry and company of Columbia, 25-19, and defeated rival Berkeley Heights 29-18.

The Bulldogs trailed Union (43), and Columbia (33) in the districts, gaining two thirds and two seconds, along with its pair of victories, for a total of 24 points. John Gardella and Rich Lucariello reached the finals for Springfield, while Tom Baker and Richie Bittle gained consolation round victories for the host school.

Individual statistics for the regular season show Tom Venice as the top Bulldog grappler. Tom

lost his opening match at 177 pounds, but rebounded with 11 straight wins at 167, for 47 points and seven pins. Jeff Karlin, and Ronnie Puorro had 10-2 marks. Jeff had 44 points and seven pins, while Ronnie gained 40 and five falls.

Heavyweight Richie Bittle, who missed the first three matches due to an ear injury, came on strong when he was healthy, gaining a 6-3 mark, 26 points and four pins. 135 pounder Tom Baker had an 8-2-2 slate, Rich Lucariello, a 115 pound standout was 8-3-1, and 105 John Gardella finished 8-4. Bob Haas missed a chance for a 500 season when he failed to grapple against Governor Livingston due to illness. He finished 5-6. Harvey Goldberg wrestled at 177 for Springfield, Richie Basta was at 156, and Larry Bellon saw action at 147. Pete Puntigam, the veteran grappler at 105 for Dayton last season, alternated with Puorro at 122 and 129 before being sidelined with illness.

Other boys who saw varsity action at one time or another for Springfield were Bob Kaiser, Mike Londino, Mark Mueller, Gary Furze, Mike Geohagen, and Sonny Lyons.
